## INDEPENDENT AUDITOR'S REPORT

To the Board of Trustees of the  
United Employees Health Plans

### Opinion on the 2024 Financial Statements

We have audited the financial statements of the United Employees Health Plans (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits and of benefit obligations as of December 31, 2024, and the related statements of changes in net assets available for benefits and of changes in benefit obligations for the year then ended, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the net assets available for benefits and benefit obligations of the Plan as of December 31, 2024, and the changes in its net assets available for benefits and changes in its benefit obligations for the year then ended, in accordance with accounting principles generally accepted in the United States of America.

### Basis for Opinion on the 2024 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2024 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

### Responsibilities of Management for the 2024 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### **Auditor's Responsibilities for the Audit of the 2024 Financial Statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

### **Report on 2024 Supplemental Information**

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental Schedule of Administrative Expenses, Schedule of Assets Held at End of Year, and Schedule of Reportable Transactions, together referred to as “supplemental information,” are presented for the purpose of additional analysis and are not a required part of the financial statements. The supplemental Schedule of Assets Held at End of Year and Schedule of Reportable Transactions represent supplemental information required by the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA. The supplemental information is the responsibility of the Plan’s management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS.

In forming our opinion on the supplemental information, we evaluated whether the supplemental information, including their form and content, are presented in conformity with the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedules is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA.

### **2023 Financial Statements**

The financial statements of the United Employees Health Plans as of December 31, 2023, were audited by other auditors whose report dated February 17, 2025 expressed an unmodified opinion on those statements.

## NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2024 AND 2023

### NOTE 1. DESCRIPTION OF THE PLAN

The following brief description of the United Employees Health Plans (the Plan) provides only general information. Participants should refer to their Plan's applicable Summary Plan Description (SPD) for a more complete description of the Plan's provisions.

**General** - The Plan is a multi-employer benefit plan, established on October 1, 2005, pursuant to collective bargaining agreements between International Brotherhood of Electrical Workers, IBEW Local 1922 (the Union), and various contributing employers. Additionally, pursuant to a participation agreement, covered employees of the Local 514 Health and Welfare Fund (the Local 514 Plan) are eligible to participate in the Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

**Benefits** - The Plan provides death, accidental death and dismemberment, disability income, hospital, surgical, medical, major medical, dental, optical and prescription drug benefits for eligible members and dependents of members. The Plan also provides supplemental benefits to certain eligible retirees for whom Medicare is the primary carrier. Life, accidental death, and dismemberment benefits as well as certain hospital, medical and prescription drug benefits are provided through contracts with insurance carriers. In addition, the Plan offers COBRA to members separated from employment.

For the period from July 1, 2022 through December 31, 2023, all Plan benefits are self-insured. The claims for self-insured benefits are processed by the Plans' third-party claims processors under administrative services only (ASO) arrangements. The claims processors pay claims directly to or on behalf of participants and are then reimbursed by the Plan. Despite the Plan's utilization of third-party claim's processors, ultimate responsibility for payments to providers and participants is retained by the Plan.

**Stop Loss Coverage** - The Plan has entered into a stop-loss insurance arrangement in an effort to limit its exposure for self-insured benefits (individual participant claims over a specific dollar amount, as well as its aggregate exposure for all claims).

**Contributions** - Contribution rates have been established under collective bargaining agreements entered into between the Union and the various employers. Each employer is required to make monthly contributions to the Plan at the rate(s) specified in its respective collective bargaining agreement. Contribution rates vary depending on the types of coverage negotiated. The Plan is noncontributory for employees except for COBRA premiums as required by law and is funded mainly from contributions received from employers.

## **NOTE 1. DESCRIPTION OF THE PLAN (continued)**

**Other** - The Plan utilizes a third-party administrator for the administration of the Plan's self-insured medical and prescription drug arrangements, and for the collection and management of COBRA contributions to the Plan. However, the responsibility for payment of benefits is retained by the Plan and Trust.

## **NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

**Method of Accounting** - The financial statements are prepared using the accrual basis of accounting.

**Investment Valuation and Income Recognition** - Investments are reported at fair value, except for the fully benefit-responsive guaranteed investment contract, which is reported at contract value. Investments in mutual funds are carried at fair value which generally represents the net asset value of the fund as of the last business day of the year. Short-term investments are carried at cost which approximates fair value.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

**Leases** - The Plan elected the practical expedients not to separate lease components from nonlease components for its office lease and to apply the short-term lease exception, which does not require the capitalization of leases with terms of 12 months or less. The Plan has made an accounting policy election to apply a risk-free rate as the discount rate used to measure lease liabilities and ROU assets at commencement of a lease. A risk-free rate has been applied to the office lease.

The Plan determines if an arrangement is or contains a lease at inception, which is the date on which the terms of the contract are agreed to, and the agreement creates enforceable rights and obligations. A contract is or contains a lease when (i) explicitly or implicitly identified assets have been deployed in the contract and (ii) the Plan obtains substantially all of the economic benefits from the use of that underlying asset and directs how and for what purpose the asset is used during the term of the contract. The Plan also considers whether its service arrangements include the right to control the use of an asset.

The Plan recognizes most leases on its balance sheets as a ROU asset representing the right to use an underlying asset and a lease liability representing the obligation to make lease payments over the lease term, measured on a discounted basis. Leases are classified as either finance leases or operating leases based on certain criteria. Classification of the lease affects the pattern of expense recognition in the income statement.

For long-term leases, ROU assets and lease liabilities are measured based on the present value of future lease payments over the lease term at the commencement date of the lease. The ROU assets also include any initial direct costs incurred and lease payments made at or before the commencement date and are reduced by any lease incentives.

## **NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)**

**Payment of Benefits** - Claim payments are recorded when paid by the third-party claims processor. Amounts due to claims processors that have yet to be reimbursed by the Plan are recorded as benefit obligations in the accompanying statements of Plan's benefit obligations. These payments are recorded as increase (decreases) in benefit obligation in the accompanying statements of changes in the Plan's benefit obligations.

**Property and Equipment** - Property and equipment are carried at cost. Major additions are capitalized while replacements, maintenance and repairs which do not improve or extend the lives of the respective assets are expensed currently. Depreciation and amortization are computed over the estimated useful lives for furniture, fixtures and leasehold improvements of three to seven years by the straight-line method. Depreciation and amortization expense totaled \$4,600 for the years ended December 31, 2024 and 2023.

**Estimates** - The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumption that affect certain reported amounts and disclosures in the financial statements. Actual results could differ from those estimates.

**Reclassifications** - Certain reclassifications have been made to the 2023 financial statements to conform to the 2024 financial statement presentation. These reclassifications had no effect on changes in net assets available for benefits.

## **NOTE 3. PRIORITIES UPON TERMINATION**

Although it has not expressed any intent to do so, the Plan to modify the benefits provided to, and contributions required of, participants to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, remaining assets will be applied in a uniform and nondiscriminatory manner toward the provision of benefits for or on account of the participants. No assets of the Plan may revert to the contributing employers or be used for purposes other than for the exclusive benefit of the Plan's participants.

## **NOTE 4. TAX STATUS**

The Plan is exempt from federal income tax under Section 501(c)(9) of the Internal Revenue Code (the IRC). The Plan has obtained a favorable tax determination letter from the IRS, and the Plan Sponsor believes that the Plan, as amended, continues to qualify and to operate in accordance with applicable provisions of the IRC.

In addition, the Plan and the trust are required to operate in conformity with the IRC to maintain the tax-exempt status of the trust. The plan administrator believes that the Plan is being operated in compliance with the applicable requirements of the IRC and, therefore, believes that the related trust is tax exempt.

#### **NOTE 4. TAX STATUS (continued)**

Accounting principles generally accepted in the United States of America (GAAP) require plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the organization has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

#### **NOTE 5. FAIR VALUE MEASUREMENTS**

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy are described as follows:

##### **Basis of Fair Value Measurement:**

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include: quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

The availability of observable market data is monitored to assess the appropriate classification of financial instruments within the fair value hierarchy. Changes in economic conditions or model-based valuation techniques may require the transfer of financial instruments from one fair value level to another. In such instances, the transfer is reported at the beginning of the reporting period.

**NOTE 5. FAIR VALUE MEASUREMENTS (continued)**

For the years ended December 31, 2024 and 2023 there were no transfers in or out of levels 1, 2 or 3.

**NOTE 6. RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS****Identification of Related Organizations**

The Plan has the following related entities with which it has transactions:

- IBEW Local Union 1922
- Local 1922 Pension Fund

All of the above entities qualify as tax-exempt organizations. The entities listed above share common Trustees or officers with this Plan.

Certain plan investments are managed by Bank of America. Bank of America is a Trustee, as defined by the Plan, and, therefore, these transactions qualify as party-in-interest transactions. These transactions have been denoted as such on the supplemental Schedules of Assets Held at End of Year and Reportable Transactions.

**Administrative Expenses**

The Plan operates in a jointly administered office with the Union and the Pension Fund. Since these organizations coexist in the same premises, utilizing mutual resources, equipment and personnel to effectuate cost-savings and to minimize duplication of efforts, interfund relationships have been established on a continuing basis. The Plan pays administrative expenses that consist primarily of salaries and payroll taxes.

**NOTE 6. RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS (continued)**

The Plan was charged \$3,001 and \$11,556 in shared administrative expenses during the years ended December 31, 2024 and 2023, respectively. The Plan also charged \$73,062 and \$51,426 to Local 1922 Pension Fund for shared administrative expenses during the years ended December 31, 2024 and 2023, respectively.

**NOTE 7. RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500**

The following is a reconciliation of net assets available for benefits as reported on the financial statements to Form 5500:

Amounts currently payable to or for participants, dependents, and beneficiaries for benefit claims that have been processed and approved for payment prior to the years ended December 31, 2024 and 2023, but not yet paid as of that date, as well as claims incurred but not reported, are reported on the Form 5500.

## NOTE 8. RISKS AND UNCERTAINTIES

Financial instruments that potentially expose the Plan to concentrations of credit risk include cash and employer's contributions. The Plan maintains accounts at high quality financial institutions. While the Plan attempts to limit its financial exposure, deposit balances may, at times, exceed federally insured limits. The Plan has not experienced any losses on such accounts. The Plan has not experienced any losses on such accounts. Receivables consist of contributions due primarily from employers in the electrical industry.

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the statements of net assets available for benefits and plan benefit obligations.

## NOTE 9. LEASES

The Plan leases office space under an operating lease agreement that expires December 31, 2027. The Plan has elected to use the incremental borrowing rate as the discount rate for the lease.
