## Report of Independent Auditors

Participants and the Pension Committee  
Northwell Health 403(b) Plan

### **Scope and Nature of the ERISA Section 103(a)(3)(C) Audit**

We were engaged to perform audits of the financial statements of the Northwell Health 403(b) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statements of changes in net assets available for benefits for the years the ended, and the related notes (collectively referred to as the “financial statements”).

Management, having determined it is permissible in the circumstances, has elected to have the audits of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institutions as of December 31, 2024 and 2023, and for the years ended, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

### **Disclaimer of Opinion**

We do not express an opinion on the accompanying financial statements of the Plan. Because of the significance of the matter described in the Basis for Disclaimer of Opinion section of our report, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on the financial statements.

**Shape the future  
with confidence**

### **Basis for Disclaimer of Opinion**

The Plan has not maintained sufficient accounting records and supporting documents relating to certain annuity contracts and custodial accounts issued to current and former employees prior to January 1, 2009. Accordingly, we were unable to apply auditing procedures sufficient to determine the extent to which the financial statements may have been affected by these conditions.

### **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### **Auditor's Responsibilities for the Audit of the Financial Statements**

Our responsibility is to conduct an audit of the Plan's financial statements in accordance with auditing standards generally accepted in the United States of America and to issue an auditor's report. However, because of the matter described in the Basis for Disclaimer of Opinion section of our report, we were not able to obtain sufficient appropriate evidence to provide a basis for an audit opinion on these financial statements.

We are required to be independent of the Plan, and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit.

**Shape the future  
with confidence**

## **Other Matters**

### *Supplemental Schedule Required by ERISA*

The supplemental schedule of assets (held at end of year) as of December 31, 2024 (referred to as the “supplemental schedule”) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements.

Because of the significance of the matter described in the Basis for Disclaimer of Opinion section of our report, it is inappropriate to and we do not express an opinion on the supplemental schedule.

(the Plan Sponsor).

#### **General**

The Plan was established on January 1, 1976, and has been subsequently amended and most recently restated in its entirety as of July 1, 2018. The Plan is a deferred compensation plan which is designed to qualify under the Internal Revenue Code (the Code) Section 403(b) and covers substantially all eligible employees of the Plan Sponsor hired before July 1, 2018. No new participants are allowed other than certain collectively bargained employees hired on or after July 1, 2018. The Plan also holds frozen balances for employees of other affiliates of the Plan Sponsor no longer actively contributing to the Plan.

The Plan was amended effective December 31, 2023, to merge the John T. Mather Memorial Hospital Contribution Retirement Plan (Mather Plan) into the Plan. As a result of the merger, all Mather Plan participants and net assets of \$251,684,352 were transferred to the Plan.

As a result of changes made to the SECURE 2.0 Act, the Plan has been amended to reflect the required provisions.

State Street Bank and Trust Company (SSBT) and Transamerica Financial Life Insurance Company Inc. (TFLIC) are the primary custodians of the Plan. Transamerica Retirement Solutions, LLC is the recordkeeper on behalf of SSBT and TFLIC. As a result of mergers of legacy defined contribution plans, American General Life Insurance Company (American General), Lincoln Life and Annuity Company of New York (Lincoln), Brighthouse Life Insurance Company (Brighthouse), Metropolitan Life Insurance Company (MetLife) and Empower Annuity Insurance Company of America (Empower) are also custodians of the Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

#### **1. Plan Description (continued)**

##### **Contributions**

Participants may make 403(b) or Roth contributions from 1% to 75% of their pre-tax annual compensation to the Plan. Participants also have the option to contribute from 1% to 10% of their after-tax annual compensation. The Plan Sponsor contributes, on behalf of each eligible active participant, a basic contribution equal to 3% or 6% for certain qualified employees, of such participant's eligible compensation, as well as a matching contribution equal to 33.3% of the participant's year to date contribution, up to 2% of the participant's year to date eligible compensation. In the event a participant is terminated prior to the end of a quarter, any basic or matching contributions for that quarter are forfeited. All contributions are subject to certain limitations of the Code.

Active participants who have attained the age of 50 before the close of the plan year are eligible to make catch-up contributions in accordance with, and subject to, the limitations of Section 414(v) of the Code, and such procedures established by the Plan Sponsor.

With the consent of the plan administrator, amounts may be rolled over from other eligible retirement plans by participants, provided that such rollovers do not jeopardize the tax-exempt status of the Plan.

##### **Vesting**

Prior to January 1, 2006, participants were immediately vested in their pre-tax contributions and the Plan Sponsor's contributions plus actual and allocated earnings (losses) thereon, and were not subject to forfeiture for any reason. Allocations are based on participant earnings or account balances, as defined.

Effective January 1, 2006, the Plan was amended to provide that employer basic contributions and employer matching contributions made on behalf of employees hired on or after January 1, 2006, be subject to a six-year graded vesting schedule at a rate of 20% per year, commencing with the completion of two years of service.

A participant who, while employed by the Plan Sponsor or a participating affiliate, dies, reaches normal retirement age or becomes fully disabled becomes fully vested in his or her account. In addition, a participant is fully vested in the event of the Plan's termination, or upon the complete discontinuance of employer contributions.

#### **1. Plan Description (continued)**

##### **Payment of Benefits**

The Plan provides for benefit distributions to Plan participants or their beneficiaries upon the participant's retirement, termination of employment, disability or death. Any participant may apply to withdraw all or part of his or her vested account balance, subject to specific hardship withdrawal criteria of the Plan.

Benefits are payable upon retirement under the following, or combination of the following, options: (a) single life annuity; (b) survivor annuity; (c) fixed period installments for a period elected by the participant; (d) discrete, standalone payment in such amounts and on such dates as the participant may request from time to time; or (e) lump-sum payout. Participants who terminate employment prior to retirement may elect to keep their assets in the Plan or have their balances distributed in a lump sum or transferred to an individual retirement account or another employer's qualified plan. Death benefits are paid according to the benefits election in effect at the time of death.

##### **Forfeitures**

Upon termination of employment, participants forfeit their nonvested balances. If a participant is rehired within a five-year period, the forfeited contributions are reinstated. Forfeited balances are used to reinstate previously forfeited participant accounts, reduce future Plan Sponsor contributions or pay for administrative expenses. Forfeitures used to reduce employer contributions and administrative expenses were approximately \$1,143,000 and \$1,600,000 for 2024 and 2023, respectively. Unallocated forfeitures totaled approximately \$6,363,000 and \$1,021,000 at December 31, 2024 and 2023, respectively.

##### **Notes Receivable From Participants**

Notes receivable from participants represent loans to participants and are limited to the lesser of (a) \$50,000 reduced by the highest outstanding balance of loans from the Plan to the participant during the one-year period ending on the day before the date on which such loan is made, over the outstanding balance of loans from the Plan to the participant on the date on which such loan was made or (b) 50% of the dollar value of the loan recipient's vested account balance.

## Northwell Health 403(b) Plan

### Notes to Financial Statements (continued)

#### **1. Plan Description (continued)**

Loans shall provide for level amortization with payments to be made not less frequently than quarterly over a period not to exceed five years (thirty years if the loan is used to acquire a principal residence for the participant). Interest is determined at the time of the loan at a rate equal to prime plus 1%.

#### **Automatic Enrollment and Automatic Escalation**

The Plan provides all currently eligible hired (or rehired) employees (other than union members) automatic enrollment to the Plan following 90 days of employment at the rate of three percent (3%) of their eligible compensation, with such amount withheld from their eligible compensation and contributed to the Plan on their behalf as pre-tax salary reduction contributions, with such amount to increase annually by one percent (1%) on each subsequent January 1, until each such participant is making pre-tax salary reduction contributions in an amount equal to ten percent (10%) of his or her eligible compensation, unless any such participant affirmatively elects a different contribution percentage or elects not to contribute to the Plan. Participants who are not actively contributing at least three percent (3%) of their eligible compensation as each January 1 of every even calendar year are also subject to automatic enrollment to the Plan on such date at the rate of three percent (3%) of their eligible compensation, unless any such participant affirmatively elects a different contribution percentage or elects not to contribute to the Plan.

#### **Plan Termination**

Although it has not expressed any intent to do so, the Plan Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan, subject to the provisions of ERISA. In the event of Plan termination, participants will become fully vested in their accounts.

#### **2. Summary of Significant Accounting Policies**

##### **Basis of Accounting**

The financial statements of the Plan have been prepared on the accrual basis of accounting, in accordance with accounting principles generally accepted in the United States of America (GAAP).

## Northwell Health 403(b) Plan

### Notes to Financial Statements (continued)

#### **2. Summary of Significant Accounting Policies (continued)**

##### **Reclassifications**

Certain prior year investment amounts in the statement of net assets available for benefits have been reclassified to conform to the current year presentation.

##### **Notes Receivable From Participants**

Notes receivable from participants represent participant loans that are recorded at their unpaid principal balance, plus any accrued but unpaid interest. Interest on notes receivable from participants is recorded when it is earned. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses is recorded as of December 31, 2024 or 2023. If a participant ceases to make loan repayments and the plan administrator deems the participant loan to be a distribution, the participant loan balance is reduced, and a benefit payment is recorded.

##### **Investments Valuation and Income Recognition**

The majority of the Plan's investments are reported at fair value, with certain investments reported at contract value. Investments reported at contract value consist of guaranteed annuity contracts which are determined to be fully benefit responsive investment contracts. Contract value is the relevant measure for fully benefit responsive investment contracts because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the Plan. Contract value represents contributions made, plus earnings, less participant withdrawals and administrative expenses. All other investments held by the Plan are reported at fair value. Mutual funds are valued at the net asset value of shares held by the Plan at year end, as determined by quoted market prices. Common collective trusts are valued at net asset value per unit held, which is deemed to have a readily determinable fair value. Variable annuity contracts are valued at the net asset value of shares held as calculated daily; such contracts are deemed to have a readily determinable fair value. See Note 4 for further discussion and disclosures related to fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation in fair value of investments includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

### Notes to Financial Statements (continued)

#### **2. Summary of Significant Accounting Policies (continued)**

##### **Payment of Benefits**

Benefits are recorded when paid.

##### **Use of Estimates**

The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes and supplemental schedule. Actual results could differ from those estimates.

##### **Administrative Expenses**

All administrative expenses of the Plan may be paid by the Plan. However, such expenses may, at the Plan Sponsor's discretion, be paid directly by the Plan Sponsor.

#### **3. Investments**

Certain investment information disclosed in the accompanying financial statements and supplemental schedule, including investments held and notes receivable from participants at December 31, 2024 and 2023, as well as investment income, net appreciation in fair value of investments and interest income on notes receivable from participants for the years then ended, was obtained or derived from information supplied to the plan administrator and certified as complete and accurate by SSBT, TFLIC, American General, Lincoln, Brighthouse, MetLife, and Empower.

#### **4. Fair Value Measurements**

The Plan measures fair value based on the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value framework establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The fair value hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets and liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy are described below.

## Northwell Health 403(b) Plan

### Notes to Financial Statements (continued)

#### 4. Fair Value Measurements (continued)

The Plan follows a valuation hierarchy that prioritizes observable and unobservable inputs used to measure fair value into three broad levels, which are described below:

*Level 1:* Unadjusted quoted prices in active markets that are accessible to the reporting entity at the measurement date for identical assets and liabilities.

*Level 2:* Inputs other than quoted prices in active markets for identical assets and liabilities that are observable either directly or indirectly for substantially the full term of the asset or liability.

*Level 3:* Significant unobservable inputs for the asset or liability (i.e., supported by little or no market activity).

A financial instrument's categorization within the valuation hierarchy is based upon the lowest level of input that is significant to the fair value measurement. In determining fair value, the Plan uses valuation techniques that maximize the use of observable inputs and minimize the use of unobservable inputs to the extent possible and considers nonperformance risk in its assessment of fair value.

Financial assets carried at fair value as of December 31, 2024 and 2023, are classified in the following tables in one of the three categories described previously:

|                                 | 2024             |              |               |                  |

#### 5. Investment Contract with Insurance Company

As described in Note 2, at December 31, 2024 and 2023, the Plan has fully benefit-responsive investment contracts with MetLife and Lincoln providing benefits to eligible employees and maintaining contributions in a fixed-income separate account (2024: \$1,067,742,912; 2023: \$1,188,865,390) and a general account (2024: \$33,550,778; 2023: \$38,501,741), respectively. The contracts are credited with earnings on the underlying investments and charged for participant-initiated withdrawals or transfer requests.

The Plan's ability to receive amounts due in accordance with fully benefit-responsive investment contracts is dependent on the third-party issuers' ability to meet their financial obligations. The issuers' ability to meet their contractual obligations may be affected by future economic and regulatory developments.

## Northwell Health 403(b) Plan

### Notes to Financial Statements (continued)

#### **5. Investment Contract with Insurance Company (continued)**

Certain events might limit the ability of the Plan to transact at contract value with the contract issuers. These events may be different under each contract. Examples of such events include the following:

- The Plan's failure to qualify under Section 401(a) of the Code or the failure of the trust to be tax-exempt under Section 501(a) of the Code
- Premature termination of the contracts
- Plan termination or merger
- Changes to the Plan's prohibition on competing investment options
- Bankruptcy of the Plan Sponsor or other Plan Sponsor events (e.g., divestitures or spinoffs of a subsidiary) that significantly affect the Plan's normal operations

In addition, certain events allow the issuers to terminate the contracts with the Plan and settle at an amount different from contract value. Those events may be different under each contract. Examples of such events include the following:

- An uncured violation of the Plan's investment guidelines
- A breach of material obligation under the contract
- A material misrepresentation
- A material amendment to the agreements without the consent of the issuer

No events are probable of occurring that might limit the ability of the Plan to transact at contract value with the contract issuers and that also would limit the ability of the Plan to transact at contract value with the participants.

## Northwell Health 403(b) Plan

### Notes to Financial Statements (continued)

#### **5. Investment Contract with Insurance Company (continued)**

Credit risk results from the inability of a counterparty to meet its contractual obligations. The Plan's investment in the MetLife Group Annuity Contract is a significant concentration of credit risk. There are no reserves against contract values for credit risk for the contract issuers or otherwise. The crediting interest rate determination and minimum rate provisions are as follows: MetLife's interest rate is determined annually on April 1 and cannot be less than 0%; and Lincoln's interest rate is determined quarterly and cannot be less than 4%.

#### **6. Income Tax Status**

The Plan has not received a determination letter from the Internal Revenue Service (IRS) stating that the Plan is qualified under Section 403(b) of the Internal Revenue Code (the Code). However, the plan administrator believes that the Plan has been designed to comply with, and is operating in accordance with, the applicable requirements of the Code and, therefore, believes the Plan is qualified and the related trust is tax-exempt.

GAAP requires the plan administrator to evaluate uncertain tax positions taken by the Plan. The financial statement effects of a tax position are recognized when the position is more likely than not, based on the technical merits, to be sustained upon examination by the IRS. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that there are no uncertain positions taken or expected to be taken. The Plan has recognized no interest or penalties related to uncertain tax positions. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

#### **7. Risks and Uncertainties**

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market volatility and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the accompanying statements of net assets available for benefits and supplemental schedule.

## Northwell Health 403(b) Plan

### Notes to Financial Statements (continued)

#### **8. Party-In-Interest Transactions**

Certain of the Plan's assets are invested in funds managed by the custodians of the Plan. These transactions qualify as party-in-interest transactions; however, they are exempt from the prohibited transactions rules under ERISA.

Participants who are active employees may borrow from their accounts and such loans qualify as exempt party-in-interest transactions under ERISA. These loans are reported as notes receivable from participants in the accompanying statements of net assets available for benefits.

#### **9. Subsequent Events**

Management has evaluated the impact of subsequent events for the Plan through October 15, 2025, the date at which the accompanying financial statements were available to be issued.
