Statement of Reasonable Cause

The delay in completing the 401(k) plan audit was due to circumstances beyond our control, specifically the transition from one recordkeeper to another during the audit period. This transition resulted in delays in obtaining critical data and supporting documentation necessary for the audit procedures. The new recordkeeper required additional time to compile and deliver accurate and complete information, which was essential to ensure the integrity and accuracy of the audit.

We made every reasonable effort to coordinate with both the outgoing and incoming recordkeepers to expedite the transfer of records and facilitate timely access to the required data. However, the complexity of the transition and the volume of information involved contributed to the unavoidable delay.

We believe this constitutes reasonable cause for the audit delay, as it was caused by factors outside of our control and was not due to negligence or willful disregard of audit requirements. We remain committed to completing the audit promptly and ensuring full compliance with all regulatory and reporting obligations.
