NE Construction LLP 401(k) Profit Sharing Plan & Trust

### *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit*

We have performed the audits of the financial statements of the NE Construction LLP 401(k) Profit Sharing Plan & Trust (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statement of changes in net assets available for benefits for the year ended December 31, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2024 and 2023, and for the year ended December 31, 2024, stating that the certified investment information, as described in Note 9 to the financial statements, is complete and accurate.

### *Opinion*

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section.

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### ***Basis for Opinion***

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### ***Responsibilities of Management for the Financial Statements***

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### ***Auditor's Responsibilities for the Audit of the Financial Statements***

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

***Other Matter — Supplemental Schedule Required by ERISA***

The supplemental schedule Form 5500, Schedule H, Part IV, Line 4i, Schedule of Assets (Held at End of Year) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

***In our opinion***

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**Note 1 – Description of the Plan**

The following description of NE Construction LLP 401(k) Profit Sharing Plan & Trust (the “Plan”) provides only general information. The Plan is sponsored by NE Construction LLP (the “Plan Sponsor”). Participants should refer to the Plan document for a more complete description of the Plan’s provisions.

*General* - The Plan is a defined contribution plan, established on January 1, 2006, as amended from time to time, covering substantially all employees of the Plan Sponsor. Employees are eligible to participate upon the completion of two consecutive months of continuous service or, if a participant does not complete the stated consecutive months of service, measured from the participant’s hire date, each successive period shall begin immediately after the preceding period up until a participant works a full year (defined as 1,000 hours of service). The Plan is subject to the Employee Retirement Income Security Act of 1974 (ERISA) as well as all provisions of the federal income tax laws.

The Trustee is responsible for oversight of the Plan. The Investment Committee determines the appropriateness of the Plan’s investment offerings, monitors investment performance and reports to the Plan’s Trustee.

*Contributions* - Each year, participants may make tax-deferred contributions to the Plan not to exceed the amount deductible for federal income tax purposes. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover). Participants direct the investment of their contributions into various investment options offered by the Plan.

The Plan Sponsor has the option to make a matching contribution to the Plan equal to a uniform percentage of salary deferrals, which percentage will not exceed 4% of a participant’s compensation. During the year ended December 31, 2024, the Plan Sponsor elected to match 100% of participant salary deferrals up to 4% of total compensation. The Plan Sponsor may also make additional discretionary profit-sharing contributions equal to a percentage of participant compensation. During the year ended December 31, 2024, the Plan Sponsor did not make any discretionary profit-sharing contributions. Contributions are subject to Internal Revenue Service (IRS) limitations.

*Participant Accounts* - Each participant’s account is credited with the participant’s tax-deferred contributions and employer contributions (if any), as well as allocations of Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.

*Vesting* - Participants are immediately vested in their deferred salary contributions, rollover contributions from other plans and actual earnings thereon. Vesting in the Plan Sponsor’s profit sharing or matching discretionary contributions (if any) of their accounts plus actual earnings thereon is based on years of continuous service.

A participant is 100% vested upon retirement, permanent disability, death or reaching retirement age while employed by the Plan Sponsor. If a participant separates from the employment of the Plan Sponsor for any other reason, vesting in the Plan Sponsor’s profit-sharing discretionary contributions (if any) of their accounts plus actual earnings thereon is based upon the following schedule:

**NE CONSTRUCTION LLP 401(k) PROFIT SHARING PLAN & TRUST**  
**NOTES TO FINANCIAL STATEMENTS**

---

**Note 1 – Description of the Plan (continued)**

Vesting (continued) –

<u>Year(s) of Vesting Service</u>	<u>Percentage Vested</u>
Less than 1 year	0%
1 years	20%
2 years	40%
3 years	60%
4 years	80%
5 or more	100%

If a participant separates from the employment of the Plan Sponsor for any other reason, vesting in the Plan Sponsor’s matching discretionary contributions (if any) of their accounts plus actual earnings thereon is also based upon the above schedule.

Notes Receivable from Participants - Participants who are active employees may borrow against their vested account balances a minimum of \$1,000 up to a maximum amount equal to the lesser of 50% of their vested account balance or \$50,000. The loans, in the form of promissory notes (Note 2), are secured by the balances in the participant’s account, and bear interest at reasonable rates, which are commensurate with local prevailing rates as determined by the Plan Administrator. Only one loan per participant may be outstanding at any one time. Principal and interest on notes receivable from participants are repaid through payroll deductions.

Payment of Benefits - Distributions from the Plan will be made in one lump-sum payment in cash equal to the value of the participant’s vested interest in his or her account balance, in partial distributions, or in installments. If a participant’s vested benefit in the Plan exceeds \$7,000, the participant must consent to the distribution before it may be made. If the participant’s vested interest does not exceed \$7,000, then the participant’s benefit will be distributed in a lump-sum as soon as practicable following the event that led to the participant being entitled to a distribution.

Forfeited Accounts - At December 31, 2024 and 2023, forfeited non-vested accounts totaled \$3,437 and \$0, respectively. These accounts may be used to pay administrative expenses incurred by the Plan or to reduce the employers’ matching contribution. During the year ended December 31, 2024, \$94,824 in forfeitures were used to reduce the employer’s matching contributions. There were no forfeitures used to reduce plan administrative expenses.

**Note 2 – Summary of Significant Accounting Policies**

Basis of Accounting - The Plan’s financial statements are prepared using the accrual method of accounting.

Estimates - The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan’s management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities at the date of the financial statements. Actual results could differ from those estimates.

**Note 2 – Summary of Significant Accounting Policies (continued)**

Investment Valuation and Income Recognition - The Plan's investments are stated at fair value, which is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan Administrator determines the Plan's valuation policies utilizing information provided by the investment adviser, custodian, and insurance company. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the gains and losses on its investments bought and sold as well as those held during the year.

Notes Receivable from Participants - Notes receivable from participants (Note 1) are measured at their unpaid principal balance plus any accrued but unpaid interest. The Plan recognizes interest income from the notes receivable as earned.

Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowances for credit losses have been recorded as of December 31, 2024 and 2023. Delinquent notes receivable from participants are reclassified as distributions based upon the terms of the Plan document.

Excess Contributions Payable - Amounts payable to participants for contributions in excess of amounts allowed by the IRS are recorded as a liability with a corresponding reduction to contributions. The Plan distributed the 2023 excess contributions to the applicable participants in April 2024 and distributed the 2024 excess contributions in March 2025. The delay is due to an administrative error. The Plan has distributed the excess contributions to the applicable participants as of the issuance of these financial statements.

Payment of Benefits - Benefits are recorded when paid.

Expenses - Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Plan Sponsor. Expenses that are paid by the Plan Sponsor are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation (depreciation) of fair value of investments.

During the year ended December 31, 2024, the Plan incurred administrative fees of \$17,399. These charges are reflected in the accompanying statement of changes in net assets available for benefits.

Recent Accounting Pronouncements - During the year ended December 31, 2024 and through October 15, 2025, there were no new accounting pronouncements issued by the Financial Accounting Standards Board that will need to be adopted by the Plan.

Subsequent Events - In preparing the financial statements, the Plan's management has reviewed, as determined necessary by the Plan's management, events that have occurred after December 31, 2024, up until the issuance of the financial statements, which occurred on October 15, 2025.

**NE CONSTRUCTION LLP 401(k) PROFIT SHARING PLAN & TRUST**  
**NOTES TO FINANCIAL STATEMENTS**

**Note 3 – Fair Value Measurements**

Accounting Standards Codification (ASC) Topic 820, *Fair Value Measurement*, establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2024 and 2023.

The three levels of the fair value hierarchy under ASC Topic 820 are described as follows:

**Level 1** - Valuations based on unadjusted quoted prices in active markets that are accessible at the measurement date for identical, unrestricted assets or liabilities;

**Level 2** - Valuations based on quoted prices in markets that are not active, or financial instruments for which all significant inputs are observable; either directly or indirectly; and

**Level 3** - Valuations based on prices or valuation techniques that require inputs that are both significant to the fair value measurement and unobservable; thus, reflecting assumptions about the market participants.

*Pooled separate accounts:* The Plan's investments consist of a pooled group of accounts in a group annuity contract which are valued daily at their net asset values (NAV), totaling \$9,009,735 and \$7,054,734 at December 31, 2024 and 2023, respectively. The NAV is used as a practical expedient to estimate fair value. The Plan and participants hold "units of participation" in the separate account.

The below table summarizes the Plan's investments at fair value as of December 31, 2024 and 2023 and their respective level in the ASC Topic 820 fair value hierarchy:

December 31, 2024	Quoted Prices In Active Markets for Identical Assets (Level 1) Inputs	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)	Total
Total assets	\$ -	\$ -	\$ -	\$ -
Pooled separate accounts*				9,009,735
				<u>\$9,009,735</u>
December 31, 2023	Quoted Prices In Active Markets for Identical Assets (Level 1) Inputs	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)	Total
Total assets	\$ -	\$ -	\$ -	\$ -
Pooled separate accounts*				7,054,734
				<u>\$7,054,734</u>

\*These investments are valued using a net asset value as a practical expedient, and therefore have not been classified in the fair value hierarchy.

**NE CONSTRUCTION LLP 401(k) PROFIT SHARING PLAN & TRUST**  
**NOTES TO FINANCIAL STATEMENTS**

---

**Note 4 – Fully Benefit-Responsive Investment Contract**

The Plan entered into a fully benefit-responsive investment contract with Voya Retirement Insurance and Annuity Company (Voya) totaling \$1,075,006 and \$1,305,666 at December 31, 2024 and 2023, respectively.

The contract meets the fully benefit-responsive investment contract criteria and therefore is reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value represents contributions made under each contract, plus earnings, less participant withdrawals, and administrative expenses.

The Plan's ability to receive amounts due in accordance with fully benefit-responsive investment contracts is dependent on the third-party issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments. Certain events might limit the ability of the Plan to transact at contract value with the contract issuer.

These events may be different under each contract. Examples of such events include the following:

- The Plan's failure to qualify under Section 401(a) of the Internal Revenue Code or the failure of the trust to be tax-exempt under Section 501(a) of the Internal Revenue Code
- Premature termination of the contracts
- Plan termination or merger
- Changes to the Plan's prohibition on competing investment options
- Bankruptcy of the Plan Sponsor or other Plan Sponsor events (for example, divestitures or spinoffs of a subsidiary) that significantly affect the Plan's normal operations.

No events are probable of occurring that might limit the ability of the Plan to transact at contract value with the contract issuers and that also would limit the ability of the Plan to transact at contract value with the participants.

In addition, certain events allow the issuer to terminate the contracts with the Plan and settle at an amount different from contract value.

**Note 5 – Related-Party Transactions and Party-In-Interest Transactions**

Parties-in-interest are defined under Department of Labor Regulations as any fiduciary of the Plan or party rendering services to the Plan, the Employer, and certain others.

Loren D Stark Company and Cook Financial Services were the Plan's third-party administrator and investment broker, respectively, during the year and therefore any transactions with the Plan qualify as party-in-interest transactions.

Voya, the Plan's custodian and recordkeeper, provides certain administrative services to the Plan pursuant to a contract between the Plan Sponsor and Voya. Voya receives revenue from mutual fund service providers for services it provides to the funds. This revenue is used to offset certain amounts owed to Voya for its administrative services to the Plan.

**NE CONSTRUCTION LLP 401(k) PROFIT SHARING PLAN & TRUST**  
**NOTES TO FINANCIAL STATEMENTS**

---

**Note 6 – Plan Termination**

Although it has not expressed any intent to do so, the Plan Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants will become 100% vested in their employer contributions.

**Note 7 – Federal Income Tax Status**

The Plan, as originally drafted, is a Volume Submitter Profit Sharing Plan with Cash or Deferred Arrangement. The IRS has determined and informed the Plan Sponsor of the prototype plan by a letter dated June 30, 2020, that the Plan is designed in accordance with the applicable sections of the Internal Revenue Code (IRC). However, a determination letter from the IRS has not yet been requested by the Plan Sponsor to determine if the Plan as amended was designed in accordance with the applicable sections of the IRC. The Plan Administrator believes the Plan is being operated in compliance with the applicable requirements of the IRC and ERISA and, therefore, believes that the Plan is qualified, and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

**Note 8 – Risks and Uncertainties**

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the statements of net assets available for benefits.

It is not possible at this time to reasonably estimate the possible loss or range of loss, if any. We further caution that it is not possible to list such factors, and one should not consider the identified factors as a complete list of all risks and uncertainties.

**Note 9 – Information Prepared and Certified by Custodian (unaudited)**

For the years ended December 31, 2024 and 2023, the Plan Administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the DOL Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, the Plan Administrator instructed the auditors to not perform any auditing procedures with respect to the information certified by the Custodian of the Plan in 2024 and 2023, except for comparing such information with the related information included in the accompanying financial statements and supplemental schedules.

The following information was obtained from data that has been prepared and certified to as complete and accurate by the Custodian of the Plan, as of December 31, 2024 and 2023, and for the year ended December 31, 2024:
