Independent Auditors' Report

**To the Trustees
Diamond Event 401(k) Plan
Salt Lake City, Utah**

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Diamond Event 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) Audit). The financial statements comprise the statements of net assets available for benefits as of December 9, 2024 and December 31, 2023, and the related statement of changes in net assets available for benefits for the period from January 1, 2024 to December 9, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of December 9, 2024 and December 31, 2023, and for the period from January 1, 2024 to December 9, 2024, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood

that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Diamond Event 401(k) Plan

Notes to Financial Statements

Note 1 – Description of Plan

The following description of the Diamond Event 401(k) Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering eligible employees of Diamond Event (the Sponsor) who have completed six months of service and have attained age eighteen or older. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions

Each year, participants may contribute up to 100% of pretax annual compensation, as defined in the Plan, subject to Internal Revenue Service (IRS) maximum deferral limitations. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan currently offers various mutual funds and common/collective trust funds as investment options for participants. The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan, unless they affirmatively elect not to participate, with a default deferral rate set at 5% of eligible compensation. The Plan is a safe harbor matching plan. Contributions are automatically invested in a designated balance fund until changed by the participant. The Sponsor made matching contributions of 100% of the first 4% of base compensation that a participant contributes to the Plan and 50% of the next 2% of eligible employee contributions.

Participant Accounts

Each participant's account is credited with the participant's contributions and allocations of (a) the Sponsor's contributions and, (b) Plan earnings (losses), and charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their contributions plus actual earnings thereon. A participant is 100% vested in the Sponsor's matching contributions after two years of credited services. Vesting in the portion of their accounts attributable to profit sharing contributions is as follows:

<u>Years of service</u>	<u>Vested</u>
Less than one year	0%
At least one year	20%
At least two years	40%
At least three years	60%
At least four years	80%
At least five years	100%

Notes to Financial Statements

Payment of Benefits

On termination of service due to death, disability, or retirement, a participant may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account, or installments over a period not to exceed the assumed life expectancy of the participant. For termination of service due to other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution.

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their account balance. The loans are secured by the balance in the participant's account and bear interest at a rate commensurate with local prevailing rates as determined by the plan administrator.

Forfeited Accounts

As of December 9, 2024 and December 31, 2023, forfeited nonvested accounts totaled \$0 and \$30,684, respectively. These accounts will be used to reduce future employer contributions. Forfeitures totaling \$49,845 were used to reduce employer contributions during the period from January 1, 2024 to December 9, 2024.

Administrative Expenses

Certain administrative expenses incidental to the administration of the Plan, including fees paid to the recordkeeper and financial advisors, are paid by the Sponsor. Expenses not paid by the Sponsor are paid by the Plan.

Note 2 – Summary of Significant Accounting Policies

Basis of Accounting

The Plan's financial statements are presented on the accrual basis of accounting in accordance with generally accepted accounting principles.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Actual results could differ from those estimates.

Investment Valuation

Investments are reported at fair value. Fair value is based on quoted prices for identical assets in active markets. Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date.

Payment of Benefits

Benefits are recorded when paid by the Plan.

Notes Receivable from Participants

Notes receivable from participants are reported at their unpaid principal balances plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are charged directly to the borrowing participant's account and are included in administrative expenses when incurred. Delinquent notes receivable from participants are recorded as a distribution based upon the terms of the Plan document. Management of the Plan estimates that these notes are fully collectible and therefore has no reserve for bad debt.

Diamond Event 401(k) Plan

Notes to Financial Statements

Concentrations of Credit Risk

Financial instruments, which potentially subject the Plan to concentrations of credit risk, consist primarily of marketable securities. Marketable securities are subject to daily changes in market valuations. The Plan believes it is not exposed to any significant credit risk on marketable securities.

Subsequent Events

Management of the Plan has evaluated subsequent events through October 14, 2025, which is also the date the financial statements were available to be issued. No subsequent events were noted during this evaluation that require recognition or disclosure in these financial statements.

Note 3 – Fair Value Measurements

The Plan discloses and recognizes the fair value of its assets and liabilities in accordance with Accounting Standards Codification (ASC) 820, Fair Value Measurement and Disclosures (ASC 820) which among other things, defines fair value and provides enhanced disclosures about investments that are measured and reported at fair value. ASC 820 establishes a hierarchal disclosure framework, which prioritizes and ranks the level of market price observability used in measuring investments at fair value. A number of factors, including the type of investment and the characteristics specific to the investment, impact market price observability. Investments with readily available active quoted prices generally will have a higher degree of market price observability and a lesser degree of judgment used in measuring fair value.

Investments measured and reported at fair value are classified and disclosed in one of the following categories:

- Level 1 inputs, which have the highest priority, are quoted prices for identical assets in active markets.
- Level 2 inputs are observable inputs other than quoted prices included in Level 1, such as quoted prices for similar assets in active markets or quoted prices for identical or similar assets in markets that are not active.
- Level 3 inputs, which have the lowest priority, are unobservable inputs that reflect the Plan's own assumptions, consistent with reasonably available assumptions made by other market participants.

Inputs are used in applying the various valuation techniques and broadly refer to the assumptions that market participants use to make valuation decisions, including assumptions about risk. Inputs may include price information, volatility statistics, specific and broad credit data, liquidity statistics, and other factors. An investment's level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement.

The following is a description of the valuation methodologies used for investments measured at fair value, including the general classification of such instruments pursuant to the valuation hierarchy.

Mutual funds - These investments are valued at the fair value of shares held by the fund based on closing prices reported in an active market and classified within Level 1 of the valuation hierarchy. The investments can be redeemed on a daily basis and there is no restriction on redemption.

Common/collective trust funds - Valued at NAV based on collective trust's underlying investments as determined by the fund's issuer. Redemptions from these collective trust funds generally can be made daily and are determined to have a readily determinable fair value.

Diamond Event 401(k) Plan Notes to Financial Statements

The Plan's investment in a stable value collective investment fund is a common/collective trust fund measured at net asset value. The fund invests in mortgages and other fixed income securities and is valued at the net asset value of units of the collective investment funds. The net asset value is used as a practical expedient to estimate fair value. This practical expedient would not be used if it is determined to be probable that the fund will sell the investment for an amount different from the reported net asset value. Participant transactions may occur daily. If the Plan initiates a full redemption of the stable value fund, the issuer reserves the right to require notification in order to ensure that securities liquidations will be carried out in an orderly business manner.

The fair value measurements for the Plan's investments are as follows:

2024	Fair value	Level 1	Level 2	Level 3
Mutual funds	\$ -	\$ -	\$ -	\$ -
Total assets in fair value hierarchy	-	-	-	-
Investment measured at net asset value	-			
Investments at fair value	\$ -			
2023	Fair value	Level 1	Level 2	Level 3
Mutual funds	\$ 2,365,013	\$ 2,365,013	\$ -	\$ -
Total assets in fair value hierarchy	2,365,013	2,365,013	-	-
Investment measured at net asset value	1,146,358			
Investments at fair value	\$ 3,511,371			

Note 4 – Certified Information

The following information included in the accompanying financial statements was obtained from data that has been prepared and certified to as complete and accurate by Empower Trust Company, LLC:

	2024	2023
Notes receivable from participants	\$ -	\$ 19,946
Investments at fair value	\$ -	\$ 3,511,371
Interest income	\$ 1,905	\$ 1,803

Note 6 – Income Tax Status

The IRS has determined and informed the Sponsor by a letter dated March 31, 2014 that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code. Although the Plan has been amended since receiving the determination letter, the plan administrator and the Plan's tax counsel believe that the Plan is designed and is currently being operated in accordance with the requirements to qualify for tax-exempt status.

Note 7 – Party-in-Interest Transactions

Empower Trust Company, LLC is the custodian as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions. Fees paid by the Plan for the investment management services amounted to \$50,615 for the period from January 1, 2024 to December 9, 2024.

The above party-in-interest transactions are exempt from the prohibited transactions rules of ERISA.
