INDEPENDENT AUDITOR'S REPORT

To the Participants and Administrator of the
Center for New York City Neighborhoods 401(k) Profit Sharing Plan and Trust

Opinion

We have audited the financial statements of Center for New York City Neighborhoods 401(k) Profit Sharing Plan and Trust (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits (modified cash basis) as of December 31, 2024 and 2023, the related statements of changes in net assets available for benefits (modified cash basis) for the years then ended, and the related notes to the financial statements (modified cash basis).

In our opinion, the accompanying financial statements present fairly, in all material respects, the net assets available for benefits of the Plan on a modified cash basis as of December 31, 2024 and 2023, and the changes in its net assets available for benefits on a modified cash basis for the years then ended, in accordance with the modified cash basis of accounting described in Note 2.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Emphasis of Matter – Basis of Accounting

We draw attention to Note 2 to the financial statements, which describes the basis of accounting. The financial statements are prepared on the modified cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to this matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with the modified cash basis of accounting described in Note 2, and for determining that the modified cash basis of accounting is an acceptable basis for the preparation of the financial statements in the circumstances. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedules (modified cash basis) of, schedule H, line 4i - schedule of assets (held at end of year) as of December 31, 2024 and schedule H, line 4a - schedule of delinquent participant contributions for the year ended December 31, 2024 on pages 10 - 11 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's (DOL's) Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS.

In forming our opinion on the supplemental schedules (modified cash basis), we evaluated whether the supplemental schedules (modified cash basis), including their form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedules is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

CENTER FOR NEW YORK CITY NEIGHBORHOODS 401(k) PROFIT SHARING PLAN AND TRUST

NOTES TO THE FINANCIAL STATEMENTS (MODIFIED CASH BASIS)

NOTE 1. DESCRIPTION OF THE PLAN

The following description of the Center for New York City Neighborhoods 401(k) Profit Sharing Plan and Trust (the Plan) provides only general information. Participants should refer to the plan document for a more complete description of the Plan's provisions.

General: The Plan is a defined contribution plan with salary reduction features as permitted under Section 401(k) of the Internal Revenue Code (IRC) and is sponsored by Center for New York City Neighborhoods (the Company). The Plan covers all non-per diem employees of the Company who are age 21 or older and have one month of service. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Plan Administrator determines the appropriateness of the Plan's investment offerings, monitors investment performance and reports to the Company's Board of Directors.

At the beginning of 2021, the Plan Sponsor transitioned to a PEO model. As of September 1, 2022, all eligible employee contributions were made into the PEO plan. As of the date of these statements, no balances (other than balances attributable to the Plan's small balance cash-out provisions) have been transferred out of the Plan, but the Plan Sponsor intends to distribute or transfer the balances into the PEO plan once the operational corrections are completed (Note 9). Due to the transition to the PEO model, there were no employee or employer contributions into this plan other than deposits of corrections.

Contributions: Each year, participants may contribute up to 96% of pretax annual compensation, as defined in the Plan. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover). All participants who are eligible to make elective deferral contributions cannot elect to designate all or any of their deferral contributions as a Roth elective deferral contribution. Participants direct the investment of their elective deferral contributions, safe harbor contributions, profit sharing contributions and qualified non-elective contributions into various investment options offered by the Plan. Participants may change their investment allocation on a daily basis. Contributions are subject to certain Internal Revenue Service (IRS) limitations.

The Company makes safe harbor contributions equal to 3% of eligible compensation. There were no safe harbor contributions for the year ended December 31, 2024 and 2023.

The Company may also make a discretionary profit-sharing contribution to the Plan equal to a percentage of the participant's compensation and allocated to eligible participants based on the comparability method. A participant may receive a discretionary profit-sharing contribution if they complete 1 year and 1,000 hours of service during the Plan year and are employed on the last day of the Plan year. There were no discretionary profit-sharing contributions for the years ended December 31, 2024 and 2023.

The Company may also make a discretionary contribution to the Plan if it determines the Plan would not pass IRS non-discrimination tests for the year. There were no such discretionary contributions for the years ended December 31, 2024 and 2023.

Participant Accounts: Each participant's account is credited with the participant's contributions and Company safe harbor contributions, as well as allocations of the Company's discretionary profit-sharing contribution and Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting: Participants are vested immediately in their elective deferral contributions and employer contributions plus actual earnings thereon.

**CENTER FOR NEW YORK CITY NEIGHBORHOODS
401(k) PROFIT SHARING PLAN AND TRUST**

NOTES TO THE FINANCIAL STATEMENTS (MODIFIED CASH BASIS)

NOTE 1. DESCRIPTION OF THE PLAN (CONTINUED)

Notes Receivable from Participants: Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their account balance. The loans are secured by the balance in the participant's account and bear interest at prevailing commercial rates as determined by the Plan Administrator. Principal and interest are paid ratably through semi-monthly payroll deductions.

Payment of Benefits: Unless a participant elects otherwise, distributions will be made as soon as practicable after a participant's normal retirement date or actual retirement date. The normal retirement date is the date upon which a participant reaches age 65. The normal form of distributions is a lump sum payment.

Participants may receive their accumulated vested benefits held by the Plan's trustee upon termination of employment or elect to keep their vested balance in the Plan. If the participant elects to keep their vested interest in the Plan, the participant's account will continue to receive its share of earnings and losses. In-service distributions are allowed for age 59½, death, or disability.

Subsequent Events: These financial statements have not been updated for subsequent events occurring after October 14, 2025, which is the date these financial statements were available to be issued.

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting: The financial statements of the Plan are prepared on the modified cash basis of accounting, which is a basis of accounting other than U.S. generally accepted accounting principles (U.S. GAAP) and is an acceptable method of reporting under Department of Labor Regulations. The modified cash basis of accounting utilizes the cash basis of accounting while carrying investments at fair value and recording investment income on the accrual basis. All other transactions are recorded on the cash basis.

Use of Estimates: The preparation of financial statements in conformity with the modified cash basis of accounting requires the Plan Administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition: Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Administrator determines the Plan's valuation policies utilizing information provided by the investment advisers and trustee. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

Notes Receivable from Participants: Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred.

Payments of Benefits: Benefit payments are recorded when paid.

Administrative Expenses: Certain expenses of maintaining the Plan are paid directly by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in realized gains on investment transactions.

NOTES TO THE FINANCIAL STATEMENTS (MODIFIED CASH BASIS)

NOTE 3. FAIR VALUE MEASUREMENTS

Financial Accounting Standards Board's (FASB) Accounting Standards Codification (ASC) 820: *Fair Value Measurements*, establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2024 and 2023.

Cash and Cash Equivalents: Valued at cost plus accrued interest. Cash and cash equivalents are classified as level 1 investments.

Shares of Registered Investment Companies: Valued at the net asset value (NAV) of shares held by the Plan at year end. The NAV is the closing price reported on the active market on which the securities are traded. Shares of registered investment companies are classified as level 1 investments.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2024:

	Assets at Fair Value as of December 31, 2024			
	Level 1	Level 2	Level 3	Total
Shares of registered investment companies	\$ 2,768,282	-	-	\$ 2,768,282
Total assets, at fair value	\$ 2,768,282	\$ -	\$ -	\$ 2,768,282

NOTE 3. FAIR VALUE MEASUREMENTS (CONTINUED)

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2023:

	Assets at Fair Value as of December 31, 2023			
	Level 1	Level 2	Level 3	Total
Cash and cash equivalents	\$ 2,724	\$ -	\$ -	\$ 2,724
Shares of registered investment companies	2,614,603	-	-	2,614,603
Total assets, at fair value	<u>\$ 2,617,327</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 2,617,327</u>

NOTE 4. PARTY-IN-INTEREST TRANSACTIONS

Certain administrative fees are paid by the Plan such as recordkeeping fees which qualify as party-in-interest transactions. The Plan also holds notes receivable representing participant loans.

NOTE 5. PLAN TERMINATION

Although the Company does not currently intend to do so, the Company has the right under the Plan to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their employer contributions.

NOTE 6. TAX STATUS

The IRS has determined and informed the Company by a letter dated August 31, 2020, that the Plan is designed in accordance with applicable sections of the IRC. Although the Plan has been amended since receiving the determination letter, the Plan Administrator believes the Plan is designed, and is being currently operated, in compliance with the applicable requirements of the IRC and, therefore, believes that the Plan is qualified.

The modified cash basis of accounting requires management to evaluate tax positions taken by the Plan and recognize a tax liability or asset if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in process.

NOTE 7. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE 8. RECONCILIATION OF MODIFIED CASH BASIS FINANCIAL STATEMENTS TO FORM 5500

The following is a reconciliation of net assets available for benefits per the modified cash basis financial statements at December 31, 2024 and 2023 to Form 5500:

	<u>2024</u>	<u>2023</u>
Net assets available for benefits (modified cash basis) per the financial statements	\$ 2,779,135	\$ 2,637,327
Differences in:		
Investments	10,853	20,000
Notes receivable from participants	<u>(10,853)</u>	<u>(20,000)</u>
Net assets available for benefits per the Form 5500	\$ <u>2,779,135</u>	\$ <u>2,637,327</u>

NOTE 9. PROHIBITED TRANSACTIONS AND OPERATIONAL COMPLIANCE

The Plan Sponsor inadvertently failed to remit participant contributions for the 2021 and 2022 plan years within the timeframe required by U.S. Department of Labor (DOL) regulations. Upon identification of the untimely remittances, the Plan Sponsor engaged ERISA counsel to assess the impact and advise the Organization on the proper corrections. In 2023 and 2024, lost earnings were funded to the Plan for the affected participants. All corrective actions were completed in accordance with DOL guidelines. The corrective contributions were funded to the Plan using the Plan Sponsor's assets.

Additionally, the Plan sponsor identified other operational errors. These errors were fully corrected during the 2023 and 2024 Plan years. As of December 31, 2024, the Plan sponsor funded corrective contributions totaling \$41,452 (\$153,166 in 2023). The amounts funded for both periods included lost earnings. The corrective contributions were funded to the Plan using the Plan Sponsor's assets.

The Plan participated in the US DOL's Delinquent Filer Voluntary Correction Program (DFVCP) for its untimely annual Form 5500 filings for the 2021, 2022, and 2023 Plan years.
