Baker Tilly US, LLP

Phoenix, AZ 85054

This representation letter is provided in connection with your audits of the financial statements of Arizona Financial Credit Union Capital Accumulation Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statement of changes in net assets available for benefits for the year ended December 31, 2024, and the related notes to the financial statements.

We have elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. We acknowledge that the audits did not extend to any statements or information related to assets held for investment of the Plan (investment information) prepared and certified to by Voya Institutional Trust Company and Empower Trust Company, LLC, qualified institutions, in accordance with DOL Regulation 2520.103-5. We have determined that an ERISA Section 103(a)(3)(C) audit is permissible under the circumstances. We have also determined that the investment information was prepared and certified by a qualified institution as described in 29 CFR 2520.103-8, that the certification meets the requirements in 29 CFR 2520.103-5 and, that the certified investment information is appropriately measured, presented and disclosed in accordance with accounting principles generally accepted in the United States of America (GAAP). Our election for the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

We understand the purpose of an ERISA Section 103(a)(3)(C) audit is to express an opinion on whether the amounts and disclosures in the financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with GAAP and that the assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the certified investment information.

Certain representations in this letter are described as being limited to matters that are material. Items are considered material, regardless of size, if they involve an omission or misstatement of accounting information that, in light of surrounding circumstances, makes it probable that the judgment of a reasonable person relying on the information would be changed or influenced by the omission or misstatement.

Except where otherwise stated below, immaterial matters less than \$160,000 collectively are not considered to be exceptions that require disclosure for the purpose of the following representations. This amount is not necessarily indicative of amounts that would require adjustment to or disclosure in the financial statements.

We confirm, to the best of our knowledge and belief, as of October 14, 2025, the following representations made to you during your audits.

26. The Plan has satisfactory title to all owned assets, which are recorded at fair and contract value, and all liens, encumbrances or security interests requiring disclosure in the financial statements have been properly disclosed.
27. We are responsible for the estimation methods and assumptions used in measuring assets and liabilities reported or disclosed at fair value, including information obtained from brokers, pricing services, or other third parties. The methods and significant assumptions used to estimate fair values of financial instruments, including nonreadily marketable securities, are as follows: Investments held by the Plan are valued by quoted prices on active markets (level 1), except for fully benefit-responsive investment contract(s) (FBRIC) which are presented at contract value. The methods and significant assumptions used result in a measure of fair and contract value appropriate for financial measurement and disclosure purposes, have been consistently applied from period to period, and represent our best estimate of fair value in accordance with the requirements of Financial Accounting Standards Board Accounting Standards Codification 820, Fair Value Measurement. In addition, our disclosures related to fair value measurements are consistent with the objectives outlined in FASB ASC 820.
28. All required filings with the appropriate agencies have been made and the Plan has no known uncertain tax positions. The Plan has been amended since the date of the latest opinion letter, in which the IRS stated that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code (IRC). However, we believe that the Plan is currently being designed and being operated in compliance with the applicable requirements of the IRC. Therefore, we believe that the Plan was qualified, and the related trust is tax-exempt as of the financial statement date
29. The Plan (and the trust established under the Plan) is qualified under the appropriate section of the Internal Revenue Code and we intend to continue them as a qualified plan (and trust). The plan sponsor has operated the Plan (and trust) in a manner that did not jeopardize this tax status. Required nondiscrimination testing related to Code Section 401(k) and 401(m) arrangements, as applicable, has been completed for the Plan, and any excess deferrals or contributions have been disposed of in accordance with regulations.
30. The Plan has complied with the DOL's regulations concerning the timely remittance of participant contributions to trusts containing assets for the Plan.
31. The Plan has complied with the fidelity bonding requirements of ERISA.
32. We have apprised you of all communications, whether written or oral, with regulatory agencies concerning the operation of the Plan.
33. We have obtained appropriate fee disclosures from covered service providers and have concluded the fees are reasonable. The Plan is in compliance with DOL regulations regarding ERISA Section 408(b)(2).
34. There have been no known or suspected cyber events, incidents or breaches of the Plan's

information systems that could have a material effect on the financial statements.

- 35. We have obtained SOC 1 reports from our third-party service providers. Empower Retirement LLC (Retirement Services and Recordkeeping services), Voya (Retirement Services and Recordkeeper Services), ADP and Paylocity. We have reviewed the reports, including the complementary user controls. We have implemented the relevant user controls, and they were in operation for the year ended December 31, 2024.

- 36. The FBRIC with Empower ceased when the Plan terminated its relationship with Empower and moved its services to Voya. There were no penalties or any financial implications to the termination of the contract to either the Plan nor the participants.
