INDEPENDENT AUDITORS' REPORT

To the plan administrator of
Modern Building, Inc. 401(k) Profit Sharing Plan
Chico, California

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2024 Financial Statements

We have performed an audit of the accompanying financial statements of Modern Building, Inc. 401(k) Profit Sharing Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statement of net assets available for benefits as of December 31, 2024 and the related statement of changes in net assets available for benefits for the year ended December 31, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2024, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Opinion on the 2024 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2024 Financial Statements section:

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP").
- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2024 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (“U.S. GAAS”). Our responsibilities under those standards are further described in the Auditors’ Responsibilities for the Audit of the 2024 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2024 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management’s election of the ERISA Section 103(a)(3)(C) audit does not affect management’s responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan’s ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan’s transactions that are presented and disclosed in the financial statements are in conformity with the Plan’s provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors’ Responsibilities for the Audit of the 2024 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2024 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors’ report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with U.S. GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with U.S. GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental schedule of Schedule H, Part IV, Line 4(i) - Schedule of assets (held at end of year) as of December 31, 2024 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplemental information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with U.S. GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Other Matter - Report on Compiled 2023 Financial Statement

Plan management is responsible for the accompanying statement of net assets available for benefits as of December 31, 2023, and the related notes to the financial statement in accordance with U.S. GAAP. We have performed a compilation engagement in accordance with Statements on Standards for Accounting and Review Services promulgated by the Accounting and Review Services Committee of the AICPA. We did not audit or review the 2023 financial statement, nor were we required to perform any procedures to verify the accuracy or completeness of the information provided by Plan management. Accordingly, we do not express an opinion, a conclusion, nor provide any form of assurance on the 2023 financial statement.

MODERN BUILDING, INC. 401(K) PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS

NOTE 1 - DESCRIPTION OF PLAN

The following description of the key terms and provisions of Modern Building, Inc. 401(k) Profit Sharing Plan (the “Plan”) is provided for general information purposes only. Participants should refer to the Plan agreement for a more complete description of the Plan’s provisions.

General

The Plan is a defined contribution and profit sharing plan, established on January 1, 1988, covering the employees of Modern Building, Inc. (the “Company”). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”) and subsequent amendments. The Company is the Plan’s sponsor and serves as the plan administrator and is responsible for oversight of the Plan as well as determining the appropriateness of the Plan’s investment offerings and monitoring of investment performance. The Plan’s record-keeper is Fidelity Workplace Services LLC and the trustee is Fidelity Management Trust Company (the “Trustee”).

Eligibility

Employees of the Company are eligible to participate in the Plan immediately upon hire. Participation in the Plan for employees is effective the first day of the following month upon hire. Employees covered by a collective bargaining agreement, residents of Puerto Rico, and nonresident aliens are not covered under the Plan.

Contributions

Each year, participants are able to contribute up to 100% of their pre-tax eligible compensation, as defined by the Plan agreement, in an amount not in excess of the maximum allowed by the Internal Revenue Code (“IRC”). A participant may designate all or part of their elective contribution as a Roth, after-tax basis, contribution. Participants who have reached age 50 as of the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute rollover amounts representing distributions from other qualified plans.

The Company enters into public contracts which are subject to the Davis-Bacon Act and related state and local prevailing wage laws. Under these regulations, the Company is required to pay employees working on these contracts a prevailing wage rate, which includes a base hourly rate and a fringe benefit component. The fringe benefit component may be satisfied through employer contributions (“employer prevailing wage contributions”) to the Plan in lieu of paying additional cash compensation. Employer prevailing wage contributions are made in accordance with the applicable wage determinations and are allocated to participant’s accounts based on hours worked on the contracts. Employer prevailing wage contributions are not contingent on employee elective deferrals and there are no service eligibility requirements to receive employer prevailing wage contributions; however, highly compensated employees are excluded from employer prevailing wage contributions. Employer prevailing wage contributions can be used to offset the employer safe harbor nonelective contributions that would otherwise have been allocated to the participant. For the Plan year ended December 31, 2024, the Company made employer prevailing wage contributions totaling \$1,066,845.

MODERN BUILDING, INC. 401(K) PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS

NOTE 1 - DESCRIPTION OF PLAN (Continued)

Contributions (continued)

The Company also makes safe harbor nonelective contributions annually to all eligible participants who are non-highly compensated employees in an amount equal to 3% percent of a participant's eligible compensation. To be eligible for safe harbor nonelective contributions, employees must have attained at least 21 years of age and completed one year of service with 1,000 hours of service. Employer safe harbor nonelective contributions for the year ended December 31, 2024 amounted to \$104,605, which is included in employer contributions receivable at December 31, 2024 and was remitted to the Plan during 2025. Employer safe harbor nonelective contributions for the year ended December 31, 2023 amounted to \$103,741, which is included in employer contributions receivable at December 31, 2023 and was remitted to the Plan during 2024.

In addition, the Company, at its discretion, may make additional matching and nonelective contributions. To be eligible for discretionary matching contributions, employees must have attained at least 21 years of age and completed one year of service with 1,000 hours of service. The Company's discretionary matching contributions to the Plan are allocated based on a percentage of the eligible compensation made by the eligible participant during the contribution period. To be eligible for discretionary nonelective contributions, employees must have attained at least 21 years of age, completed one year of service with 1,000 hours of service, and be employed on the last day of the year. The Company's discretionary nonelective contributions to the Plan are allocated to each participant based on classification and a separate classification is identified on a per participant basis. There were no discretionary employer matching and nonelective contributions made for the Plan year ended December 31, 2024.

The Company may also make qualified non-elective contributions ("QNEC"). A QNEC is a discretionary, fully-vested contribution. The Company may direct that QNECs be allocated specifically to designated non-highly compensated employees in varying percentages of compensation as permitted by law. There were no QNECs made for the Plan year ended December 31, 2024.

Participant accounts

Each participant's account is credited with the participant's contributions, rollover contributions, allocations of the Company's contributions, if any, and Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which the participant is entitled is the benefit that can be provided from the participant's vested account. Each participant directs the investment of their account to any of the investment options available under the Plan.

NOTE 1 - DESCRIPTION OF PLAN (Continued)

Vesting

Participants are vested immediately in their elective contributions, rollover contributions, employer prevailing wage contributions, employer safe harbor nonelective contributions and QNEC contributions, plus actual earnings thereon.

Participants are vested in discretionary employer matching contributions and discretionary employer nonelective contributions subject to the graded vesting schedule as follows:

<u>Years of Service</u>	<u>Vested Percentage</u>
Less than 2 years	0%
2 years	20%
3 years	40%
4 years	60%
5 years	80%
6 years or more	100%

A participant is entitled to 100% of their balance upon retirement, death or disability.

Forfeited accounts

Forfeited balances of terminated participants' non-vested accounts are used first to restore rehired participants' previous forfeitures, then may be used to pay Plan expenses or reduce future Company contributions. Unallocated forfeitures at December 31, 2024 amounted to \$5,884. There were no unallocated forfeitures at December 31, 2023.

Payment of benefits

On termination of service due to death, disability, retirement, or for other reasons specified by the Plan agreement, a participant (or beneficiary) may elect to receive either a lump-sum amount equal to the value of the vested interest in the participants' account, or a direct transfer into another qualified plan that accepts transfers. Normal retirement age is 59½. In-service distributions are also permitted after age 59½ and upon meeting certain requirements as defined by the Plan. The Company may periodically distribute the funds of terminated participants who did not make a distribution election; however, participant consent is required for distributions where the vested account balance exceeds \$7,000.

Hardship withdrawals

A participant may be permitted to withdraw a portion or all of the vested balance of their individual account for the reasons specified by and to the extent permitted under regulations issued by the Internal Revenue Service ("IRS").

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of accounting

The financial statements of the Plan are prepared on the accrual method of accounting in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP").

Use of estimates

The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment valuation and income recognition

The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements. Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. The net appreciation or depreciation in investments includes the Plan's gains and losses in investments bought and sold as well as held during the year.

Payment of benefits

Benefits are recorded when paid.

Plan expenses

The majority of costs and expenses of administering the Plan are allocated and charged to participant accounts. The Plan permits the payment of plan expenses to be made from the Plan's assets. Certain administrative expenses of maintaining the Plan may be paid directly by the Company, which is a party-in-interest. These expenses would not be reflected in the financial statements and constitute exempt party-in-interest transactions under ERISA.

NOTE 3 - INVESTMENTS

The Plan assets were held by the Trustee pursuant to the agreement which provides all funds received by the Trustee shall be held, administered, invested and distributed by the Trustee, and that no part of the corpus or income shall be used for or directed to, purposes other than for the exclusive benefit of participants or their beneficiaries.

In the statement of changes in net assets available for benefits, the Plan presents the net appreciation in investments of \$767,278, which consists of realized gains or losses, and unrealized market value change of investments.

NOTE 4 - FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3).

The three levels of the fair value hierarchy are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used should maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2024 and 2023.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-ended mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine fair value of certain financial instruments could result in different fair value measurements at the reporting date.

NOTE 4 - FAIR VALUE MEASUREMENTS (Continued)

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2024 (audited):

	Level 1	Level 2	Level 3	Total
Mutual funds	<u>\$ 8,577,449</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 8,577,449</u>

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2023 (unaudited):

	Level 1	Level 2	Level 3	Total
Mutual funds	<u>\$ 7,630,402</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 7,630,402</u>

NOTE 5 - INFORMATION PREPARED AND CERTIFIED BY THE TRUSTEE

The plan administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Fidelity Management Trust Company, the Trustee of the Plan, has certified to the completeness and accuracy of:

- Investments at fair value reflected on the accompanying statements of net assets available for benefits as of December 31, 2024 and 2023.
- Net appreciation in investments and dividends reflected on the accompanying statement of changes in net assets available for benefits for the year ended December 31, 2024.
- Investments reflected on the schedule of assets (held at end of year).

NOTE 6 - PLAN TERMINATION

Although it is currently the intent of the Company to continue the Plan, the Company has the right under the Plan agreement to discontinue its contributions at any time and to terminate the Plan, subject to the provisions of ERISA. In the event of Plan termination, participants become 100% vested in their accounts.

NOTE 7 - TAX STATUS

The Plan agreement is a non-standardized pre-approved profit sharing plan that received a favorable opinion letter from the IRS on June 30, 2020, which stated that the Plan was in accordance with applicable sections of the IRC. Although the Plan has been amended since receiving the determination letter, the plan administrator and the Plan's tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and therefore believe that the Plan is qualified and the related trust is tax-exempt.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS.

MODERN BUILDING, INC. 401(K) PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS

NOTE 7 - TAX STATUS (Continued)

The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2024 and 2023, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The plan administrator believes it is no longer subject to income tax examinations for years prior to 2021.

NOTE 8 - RISKS AND UNCERTAINTIES

The Plan invests in various investment instruments. Investment instruments, in general, are exposed to various risks, such as interest rate, credit, and overall market volatility. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE 9 - RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

Parties-in-interest are defined under the DOL regulations as any fiduciary of the Plan, any party rendering service to the Plan, the employer, and certain others. Plan investments are managed by the Trustee. Transactions with the Trustee qualify as exempt party-in-interest transactions. Certain administrative functions are performed by employees of the Company. No such employee receives compensation from the Plan. The administrative fees paid by the Plan include account fees which are charged to participants and third-party fees for Plan administration. Investment management fees and expenses paid to parties-in-interest are reflected as a reduction in the investment returns of the individual investments held by the Plan and reflect party-in-interest transactions.

NOTE 10 - RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The following is a reconciliation of net assets available for benefits per the financial statements to the Form 5500 at December 31:

	2024 (Audited)	2023 (Unaudited)
Net assets available for benefits per the financial statements	\$ 8,682,054	\$ 7,734,143
Less: Employer contributions receivable	<u>(104,605)</u>	<u>(103,741)</u>
Net assets available for benefits per Schedule H, Form 5500	<u>\$ 8,577,449</u>	<u>\$ 7,630,402</u>

The following is a reconciliation of the change in net assets available for benefits per the financial statements to the Form 5500 for the year ended December 31, 2024:

Net change per the financial statements	\$ 947,911
Add: Employer contributions receivable at December 31, 2023	103,741
Less: Employer contributions receivable at December 31, 2024	<u>(104,605)</u>
Net change per Schedule H, Form 5500	<u>\$ 947,047</u>
