Report of Independent Auditors

The Plan Administrator
Fernandez Holdings Health Plan

Report on the Audit of the Financial Statements

Opinion

We have audited the financial statements of Fernandez Holdings Health Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits and statements of benefit obligations as of December 31, 2024 and 2023, and the related statement of changes in net assets available for benefits and statement of changes in benefit obligations for the year ended December 31, 2024, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the net assets available for benefits and benefit obligations of the Fernandez Holdings Health Plan as of December 31, 2024 and 2023, and the changes in its net assets available for benefits and changes in its benefit obligations for the year ended December 31, 2024, in accordance with accounting principles generally accepted in the United States of America (GAAP).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Fernandez Holdings Health Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Fernandez Holdings Health Plan's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- exercise professional judgment and maintain professional skepticism throughout the audit.
- identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Fernandez Holdings Health Plan's internal control. Accordingly, no such opinion is expressed.
- evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Fernandez Holdings Health Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The Schedule H, line 4(i) – Schedule of assets (held at end of year) as of December 31, 2024 and Schedule H, line 4(a) – Schedule of delinquent participant contributions for the year ended December 31, 2024 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedules is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Fernandez Holdings Health Plan Notes to Financial Statements

Note 1 – Description of Plan

The following description of the Fernandez Holdings Health Plan (the Plan) provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan's provisions.

General – The Plan is a welfare benefit plan available to eligible participants through a self-insured agreement. The Plan is subject to provisions of the Employee Retirement Income Security Act of 1974 (ERISA) and sponsored by Fernandez Holdings, Inc. (FHI, or the Company).

The Plan is interpreted and administered by FHI, which is the named fiduciary with respect to the investment of Plan assets, as defined by the Plan. The Plan assets are held by Merrill Lynch.

Benefits – The Plan provides medical and prescription drug benefits to its employees through a self-insured arrangement. The medical benefits are administered by Benefit & Risk Management Services (BRMS), and prescription drug benefits are administered by Southern Scripts.

Under the Plan's current provisions, participants working a minimum of 30 hours per week are eligible for benefits. Coverage begins on the first day of the month following completion of a service waiting period of 60 days provided that the employee enrolls for coverage. Open enrollment is on an annual basis with effective coverage starting the first day of the following plan year.

Contributions – Benefits under the Plan are funded by employer and participant contributions. Participant contributions are calculated and remitted to the Plan based on established premium rates and coverage elections. Employer contributions are calculated and remitted at the discretion of the Company.

Note 2 – Summary of Significant Accounting Policies

Basis of accounting – The financial statements have been prepared in accordance with accounting principles generally accepted in the United States of America (GAAP), using the accrual method of accounting. Accordingly, contributions are recorded as earned and claims payable and claims incurred but not reported are included in the statements of benefit obligations.

Use of estimates – The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, benefit obligations, claims incurred but not reported (IBNR), and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment valuation and income recognition – Investments of the Plan are held by and under the control of Merrill Lynch (the Trustee) pursuant to a trust agreement and consist of an interest-bearing cash account for the years ended December 31, 2024 and 2023. The interest-bearing cash account is valued at cost, plus accrued interest, which represents fair market value. See Note 3 for discussions of fair value measurements. Interest income is recorded on the accrual basis. Purchases and sales of investments are recorded on a trade-date basis.

Benefit payments and obligations – Benefits are recorded when paid.

Fernandez Holdings Health Plan Notes to Financial Statements

Claims IBNR are estimated by the Plan's actuary using the development method with lag factors based on paid and incurred claim reports. The estimated IBNR health claim amounts are reported in the accompanying statements of the Plan's benefit obligations.

Stop-loss insurance – The Plan has a stop-loss policy with an insurance company. The Plan retains the obligation to fund benefits up to an annual stop-loss limit of \$600,000 per participant, at which time the insurance company has the responsibility to fund all further benefits. There were no stop-loss refunds of for the Plan in 2024 for claims paid during the year ended December 31, 2024.

Risks and uncertainties – The actuarial present value of benefit obligations is reported based on certain assumptions pertaining to interest rates, health care inflation rates, and employee demographics, all of which are subject to change. Due to uncertainties inherent in the estimations and assumptions process, it is at least reasonably possible that changes in these estimates and assumptions in the near term would be material to the financial statements.

Cash consists of deposits in a noninterest-bearing cash account at a single bank and was in excess of the federally insured limits at December 31, 2024. The Plan has not experienced any losses in such accounts. The Plan believes it is not exposed to any significant credit risk on cash.

Subsequent events – The Plan has evaluated subsequent events through October 15, 2025, which is the date the financial statements were available to be issued. It was determined that no events occurred that would require adjustments to the financial statements.

Note 3 – Benefit Obligation

The Company's policy of funding benefits as claims are paid is consistent with the Internal Revenue Code (IRC) limitations on tax deductible contributions and results in the excess of benefit obligations over assets. The deficiency will be funded through future Company funding of employer contributions.

Note 4 – Claims Administrator

Medical benefits are administered by BRMS and prescription drug benefits are administered by Southern Scripts. The Plan pays administrative service fees to BRMS and Southern Scripts based on the number of processed claim transactions or on the number of participants receiving benefits.

Note 5 – Administrative Expenses

Administrative expenses of the Plan are paid by the Company or the Plan, at the Company's discretion. Expenses that are paid by the Company are excluded from these financial statements. Expenses incurred in connection with the general administration of the Plan that are paid by the Plan are recorded as deductions in the accompanying statement of changes in net assets available for benefits.

Fernandez Holdings Health Plan Notes to Financial Statements

Note 6 – Party-in-Interest Transactions

The Plan's assets are held in a Merrill Lynch interest-bearing cash account as of December 31, 2024 and 2023. Merrill Lynch is the Trustee as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions.

Note 7 – Tax Status

The Plan's trust has obtained a favorable tax exemption letter from the Internal Revenue Service dated July 23, 2019, that the trust is exempt from federal income taxation under the provisions of Section 501(c)(9) of the IRC. The plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC.

In accordance with guidance on accounting for uncertainty in income taxes, the plan administrator has evaluated the Plan's tax positions and does not believe the Plan has any uncertain tax positions that require disclosure or adjustment to the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Note 8 – Plan Termination

The Plan has been established with the intention and expectation that it will continue indefinitely; however, the Company retains the right to amend, curtail, or terminate any aspect of the Plan at any time, subject to ERISA. In the event of Plan termination, assets held by the trust will be used to provide for benefits payable as of the date of such termination and for the payment of expenses of the Plan, including expenses of termination. Any assets remaining after payment of such benefits and expenses will be distributed to or for the benefit of employees and other persons covered by the Plan, in accordance with the requirements of Section 501(c)(9) of the IRC and the regulations thereunder.
