## INDEPENDENT AUDITORS' REPORT

To the Pension Committee of  
Earthjustice 403(b) Plan

### Scope and Nature of the ERISA Section 103(a)(3)(C) Audits

We have performed audits of the financial statements of Earthjustice 403(b) Plan, previously called Earthjustice Retirement Annuity Plan, (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audits"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statement of changes in net assets available for benefits for the year ended December 31, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's ("DOL's") Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier ("qualified institution") in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Management has obtained certifications from a qualified institution as of December 31, 2024 and 2023, and for the year ended December 31, 2024, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

### Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audits of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP").
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("U.S. GAAS"). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audits of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

## **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audits does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

## **Auditors' Responsibilities for the Audits of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audits section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with U.S. GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with U.S. GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audits.

### **Other Matter – Supplemental Schedules Required by ERISA**

The supplemental schedules of Schedule H, Line 4a – Schedule of Delinquent Participant Contributions for the year ended December 31, 2024 and Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2024 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with U.S. GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

# EARTHJUSTICE 403(B) PLAN

## NOTES TO FINANCIAL STATEMENTS

December 31, 2024

---

### 1. Description of Plan

The following description of the Earthjustice 403(b) Plan, previously called Earthjustice Retirement Annuity Plan, (the “Plan”) provides only general information. Participants should refer to the amended Plan agreement for a more complete description of the Plan’s provisions.

#### **General**

The Plan was adopted by Earthjustice (the “Employer”) on August 1, 1977, and was most recently restated effective December 2, 2024. This Plan is intended to be a retirement plan under Section 403(b) of the Internal Revenue Code (“IRC”).

The Plan is intended to qualify as a participant-directed plan under Section 404(c) of the Employee Retirement Income Security Act of 1974 (“ERISA”) and United States Department of Labor regulations. This means that participants are solely responsible for their investment decisions under the Plan.

Eligible participants can make salary reduction contributions following the date of employment after the date a valid salary reduction election is made with the Employer.

Eligibility for Employer contributions occurs the first day of the month following the date a participant completes one year of service with the Employer. A year of service is a 12 consecutive month period ending on the anniversary of date of hire in which the participant is credited with 1,000 or more hours of service. Effective December 2, 2024, eligibility was changed to elapsed time.

#### **Plan Administration**

The Employer is the administrator of the Plan. As administrator, the Employer has exclusive authority and responsibility for all matters in connection with the operation and administration of the Plan. Newport Trust Company, LLC (“Newport”) was the appointed custodian for the majority of assets held by the Plan for the year ended December 31, 2023 and for the period January 1, 2024 through December 1, 2024, and Fidelity Management Trust Company (“Fidelity”) was the appointed custodian as of December 31, 2024 and for the period December 2, 2024 through December 31, 2024, and they acted at the direction of the Plan’s administrator.

#### **Contributions**

##### **Employee Contributions**

Effective December 2, 2024, the Plan was amended to include automatic enrollment for all new employees, unless they affirmatively elect not to participate in the Plan. Deferral contributions for employees entered under the automatic enrollment is 3%. Employees who elect to participate in the Plan may contribute a portion of their salary up to 75% of their compensation for that period, or up to the limits imposed by Section 402(g) of the IRC. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may elect to make Roth 401(k) contributions to the Plan and effective December 2, 2024, the Plan added employee after-tax contributions.

Included in the Plan restatement effective December 2, 2024, the Plan has implemented automatic escalation for all deferring employees to increase deferral rates annually by 1% to a maximum of 3%.

## NOTES TO FINANCIAL STATEMENTS

### 1. Description of Plan, continued

#### **Contributions**, continued

##### **Employer Contributions**

The Employer makes a monthly or quarterly contribution to each participant's account at a rate equal to 3.5% of eligible compensation, after 12 months of service that is increased after 24 months of service to either (a) 9% of their compensation or (b) 10% of their compensation if they elected to make salary reduction contributions of at least 3% of compensation. The Employer reserves the right at any time to reduce or discontinue the employer contributions to the Plan. Employer discretionary contributions totaled \$7,495,747 for the year ended December 31, 2024.

##### **Rollover Contributions**

Participants may roll over certain contributions from another plan, including another 403(b) plan, 401(k) plan, or a government 457(b) plan, or from an individual retirement account ("IRA"). Rollovers related to after-tax contributions are not allowed by the Plan. The rollover contributions will be held in a separate rollover account.

##### **Participant Accounts**

Each participant's account is credited with the participant's contributions, Employer contributions, Plan earnings or losses, and rollovers from other qualified plans. Plan earnings or losses are allocated based upon each participant's account balance. Participants are charged with an allocation of administrative expenses paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. Certain fees are charged to the fund investments and are offset against Plan investment income and loss as presented on the statement of changes in net assets available for benefits. Participants should refer to the prospectuses of these funds for details on the various types and amounts of investment fees charged to the Plan and their individual accounts.

##### **Vesting**

Participant contributions, rollovers, employer contributions and net earnings on these contributions are fully vested when made or earned.

##### **Notes Receivable from Participants**

Participants are allowed one note receivable at any time and may borrow from their fund accounts a minimum of \$1,000 up to 50% of the value of their account balance, or \$50,000, whichever is less. Note receivable terms range from one to five years, except for notes receivable used to purchase a primary residence, which may have a maximum term of 15 years. The notes receivable are secured by no more than 50% of the balance in the participant's account and bear interest at prime rate plus 2% at the time the note receivable originates. Interest rate on notes receivable from participants ranged from 5.25% to 10.50% per annum as of December 31, 2024. Principal and interest are paid in equal installments through payroll deductions, personal checks from employees on leave, or cashier's checks for the full payoff of the notes receivable.

### **1. Description of Plan, continued**

#### ***Payment of Benefits***

When participants leave the Employer, upon retirement or for any other reason, those participants (or their beneficiaries) may receive the full value of their salary deferrals, rollovers, employer contributions, and the net earnings thereon in a single lump-sum payment, annuity distributions and partial distributions. Effective December 2, 2024, annuity distributions are no longer allowed, and partial distributions were replaced with ad hoc distributions and added installment distributions. The Plan also allows for in-service withdrawals upon a participant attaining the age of 59½, disability, or having a hardship. In-service withdrawals may be taken from all contributions maintained in the Plan, with the exception of hardships that may only be taken from elective deferrals.

Distributions under the Plan shall generally be made as soon as possible after the date of retirement, date of death, or termination of employment. Mandatory distributions of account balances under \$7,000, per SECURE Act 2.0 (as noted below), will be made as soon as possible. In the event of a mandatory distribution greater than \$1,000, if the participant does not elect to have such distribution paid directly to an eligible retirement plan specified by the participant in a direct rollover or to receive the distribution directly, then the Plan's administrator will pay the distribution in a direct rollover to an individual retirement account ("IRA") designated by the Plan's administrator. Effective December 2, 2024, all mandatory distributions will be made to an IRA designated by the Plan's administrator if election is not made by the participant.

#### ***Investment Options***

Upon enrollment in the Plan, a participant may direct their contributions in percentage increments into a series of mutual funds, cash and cash equivalents, or self-directed brokerage account offered by the Plan. Annuity contracts held by the Plan are only available through other custodians (see Note 5), whose contracts are frozen; no new participants can open accounts with the other custodians and no new contributions can be added to existing accounts. Participants may change their investment options at any time.

#### ***SECURE Act 2.0***

On December 23, 2022, Congress passed the Consolidated Appropriations Act of 2023, which included SECURE Act 2.0 that contains over 90 new retirement provisions, with varying effective dates through 2027. Since provisions of SECURE Act 2.0 include both required and optional elements, applicable provisions will be evaluated and implemented in accordance with accompanying regulations and guidance, and the Plan will be amended as required. Certain provisions became effective for 2024; these changes had no material impact to the Plan's financial statements as of December 31, 2024 and 2023, and for the year ended December 31, 2024.

### **2. Summary of Significant Accounting Policies**

#### ***Basis of Accounting***

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP").

**EARTHJUSTICE 403(B) PLAN**  
**NOTES TO FINANCIAL STATEMENTS**

December 31, 2024

---

**2. Summary of Significant Accounting Policies**, continued

***Use of Estimates***

The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, and changes therein, disclosure of contingent assets and liabilities and changes in net assets available for benefits. Actual results may differ from those estimates.

***Investment Valuation and Income Recognition***

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Investment Committee determines the Plan's valuation policies utilizing information provided by the investment advisor, and custodians. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are reflected on a trade-date basis. Interest is recorded as earned on an accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

***Payment of Benefits***

Benefits are recorded when paid.

***Notes Receivable from Participants***

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent notes receivable are reclassified as distributions based upon the terms of the Plan document. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2024 and 2023.

***Expenses***

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants, self-directed brokerage accounts, and benefits paid to participants are charged directly to the participant's account and are included in administrative expenses. Investment-related expenses are included in net appreciation of fair value of investments.

***Information Certified by the Custodians***

Fidelity and Newport, the custodians, have prepared and certified as complete and accurate the majority of the Plan's schedule of investment assets, transactions, and net realized and unrealized gains and losses on investments, and interest and dividend income, which was used to prepare the accompanying financial statements and supplemental schedules.

### 3. Fair Value Measurements

Accounting standards for fair value measurements establish a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under these accounting standards are described below:

*Level 1* – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

*Level 2* – Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability; and
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

*Level 3* – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used as of December 31, 2024 and 2023.

*Cash and cash equivalents:* Valued based on redemption values on the last business day of the Plan year.

*Mutual funds:* Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

*Annuity contracts:* Valued at fair value by discounting the related cash flows based on current yields of similar instruments with comparable durations considering the credit worthiness of the issuer.

**5. Information Provided by Other Custodians**

Other investments held by Calvert Investments, Nationwide Investments, Life Insurance Company of the Southwest, and Domini Investments are not included above, as they are not certified. The following information pertains to those funds as of December 31, 2024 and 2023, and for the year ended December 31, 2024:

	<u>2024</u>	<u>2023</u>
Annuity contracts, at fair value	<u>\$ 2,451,548</u>	<u>\$ 2,490,597</u>
Mutual funds, at fair value	<u>\$ 982,576</u>	<u>\$ 1,424,196</u>
Net appreciation in fair value of investments	<u>\$ 292,815</u>	N/A

**6. Related-Party Transactions and Party-in-Interest Transactions**

Certain Plan investments in mutual funds, cash and cash equivalents, or self-directed brokerage account are managed by Newport and Fidelity, the custodians of the Plan. Any purchases and sales of these funds are performed in the open market at fair value. Such transactions, while considered party-in-interest transactions under ERISA regulations, are permitted under the provisions of the Plan, and are specifically exempt from the prohibition of party-in-interest transactions under ERISA.

In addition to the funds held by Fidelity, a smaller portion of the Plan assets is held by Calvert Investments, Nationwide Investments, Life Insurance Company of the Southwest, and Domini Investments. The investments held by these custodians include mutual funds and annuity contracts. Any purchases and sales executed by these institutions are also specifically exempt from the prohibition of party-in-interest transactions under ERISA.

**7. Plan Termination**

The Employer has established the Plan with the intention and expectation that the Plan will continue indefinitely. However, the Employer reserves the right at any time to terminate the Plan subject to the provisions of ERISA. In the event of termination of the Plan, distributions will be made to participants as described in the Plan agreement.

**8. Risks and Uncertainties**

The Plan provides for various investment options in any combination of mutual funds, cash and cash equivalents, or self-directed brokerage account offered by the Plan. Investment securities are exposed to various risks, such as interest rate, market fluctuations and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in risks in the near term would materially affect participants' account balances and the amounts reported on the statements of net assets available for benefits and the statement of changes in net assets available for benefits.

As of December 31, 2024 and 2023, approximately 36% and 24%, respectively, of net assets are held in three and two funds, respectively.

Net assets available for benefits per Form 5500	<u>\$ 142,516,879</u>	<u>\$ 115,438,402</u>

The following is a reconciliation of net increase in net assets per the financial statements to Form 5500 for the year ended December 31, 2024:

	<u>2024</u>	<u>2023</u>
Net assets available for benefits per financial statements	\$ 142,516,879	\$ 116,260,239
Employee contribution receivable	-	(245,358)
Employer's contribution receivable	-	(576,479)
Net assets available for benefits per Form 5500	<u>\$ 142,516,879</u>	<u>\$ 115,438,402</u>

**10. Tax Status**

The Plan uses a volume submitter 403(b) plan document sponsored by Fidelity Workplace Services LLC, which received an opinion letter from the Internal Revenue Services ("IRS") dated August 7, 2017, which states that the volume submitter 403(b) plan document satisfies the applicable provisions of the IRC. The Plan itself has not received a determination letter from the IRS. The Plan's management believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC; therefore, no provision for income tax has been included in the Plan's financial statements.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more-likely-than-not would not be sustained upon examination by the IRS. The Company does not believe the Plan has any uncertain tax positions. The Plan may be subject to routine audits by taxing jurisdictions; however, there are currently no audits in progress for any tax periods.

**11. Subsequent Events**

In accordance with accounting standards affecting disclosures of subsequent events, the Plan evaluated subsequent events for recognition and disclosure through October 15, 2025, the date which these financial statements were available to be issued. Management concluded that no material subsequent events have occurred since December 31, 2024 that require recognition or disclosure in these financial statements.
