REPORT OF INDEPENDENT CERTIFIED PUBLIC ACCOUNTANTS

Retirement Plans Committee
Leidos Health and Welfare Benefits Plan

Opinion

We have audited the financial statements of Leidos Health and Welfare Benefits Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statement of net assets available for benefits as of December 31, 2024, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the net assets available for benefits of the Plan as of December 31, 2024, and the changes in its net assets available for benefits for the year then ended, in accordance with accounting principles generally accepted in the United States of America.

Basis for opinion

We conducted our audit of the financial statements in accordance with auditing standards generally accepted in the United States of America (US GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of management for the financial statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in

conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with US GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with US GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental schedules required by ERISA

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedule of assets (held at end of year) as of December 31, 2024, of reportable transactions – series for the year ended December 31, 2024 and of reportable transactions – single for the year ended December 31, 2024 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such supplementary information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain

additional procedures. These additional procedures included comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with US GAAS.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying supplemental schedules are fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Other matter – auditor's report on the 2023 financial statements

The financial statements of the Plan as of and for the year ended December 31, 2023 were audited by other auditors. Those auditors expressed an unmodified opinion on those 2023 financial statements in their report dated July 29, 2024.

Note 1 – Description of the Plan and Summary of Significant Accounting Policies

The following description of the Leidos Health and Welfare Benefits Plan (the "Plan") is for general information purposes only. Participants should refer to the Plan agreement for a complete description of the Plan's provisions. The Plan is a contributory health and welfare plan. It is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended ("ERISA").

GENERAL

The Plan was established to provide benefits to eligible employees of Leidos, Inc. and its subsidiaries ("Plan Sponsor" or "Company"). The Plan is administered through the Leidos Health and Welfare Benefits Trust ("Trust") through a trust agreement with U.S. Bank ("Trustee"). The Trust is established to receive and hold funds contributed by the Plan Sponsor and participants. All of the Trust's assets are available for the payment of Plan benefits and are to be used for the sole and exclusive benefit of the Plan's participants. The Trust is intended to constitute a Voluntary Employee Beneficiary Association ("VEBA") within the meaning of Section 501(c)(9) of the Internal Revenue Code (the "Code"). Oversight of the Plan's activities is provided by the Company's Employee Benefits Committee.

BENEFITS

The Plan provides several classes of benefits which are described and designated from time to time by the Plan Sponsor. The Plan also provides continuation of certain benefits upon termination of employment through the Consolidated Omnibus Budget Reconciliation Act ("COBRA"). The benefits administered by the Plan are:

- ▶ Health (Medical & Mental Health/Prescription Drug/Dental)
- ▶ Long-Term Disability
- ▶ Group Term Life Insurance
- ▶ Accidental Death and Dismemberment

ELIGIBILITY

Full-time and part-time benefit eligible employees of the Company are eligible to participate in the Plan.

PARTICIPANT CONTRIBUTIONS

The Plan is funded through Company and participant contributions. Participant contributions are determined based on the type of coverage provided or selected. Contributions are made by the Company in amounts determined in order to meet funding requirements on a pay-as-you-go basis to fund the cost of claims, premiums, and expenses of the Plan that exceed participant contributions. The following benefits are 100% employee paid: Vision, Long-Term Disability, Supplemental Group Universal Life Insurance above basic paid by the Company and Supplemental Accidental Death and Dismemberment above basic paid by the Company.

TAX STATUS

The Trust is established under the Plan to hold the Plan's assets and is intended to qualify as tax-exempt pursuant to Section 501(c)(9) of the Code. The Trust obtained an exemption letter dated February 3, 1988, from the Internal Revenue Service, and the Plan Sponsor believes that the Trust, as amended, qualifies and operates in accordance with the applicable requirements of the Code. However, as a result of the Plan's funding policy, from time to time the trust may be subject to income taxes. No federal or state income taxes have been recorded in 2024 or 2023 for unrelated business taxable income. Accounting principles generally accepted in the United States of America ("GAAP") require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if it has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan is subject to routine audits by taxing jurisdictions, however, there are currently no audits for any tax periods in progress.

TERMINATION OF THE PLAN

Although it has not expressed any intention to do so, the Company has the right to terminate the Plan at any time subject to the provisions of ERISA. The Plan document provides that in the event of termination of the Plan, the Company will pay all benefits due for claims originating prior to the Plan termination date. The Company shall have no rights, title, or interest in any portion of the Plan assets, nor shall any part of the Plan assets or the income there from revert to the Company directly or indirectly, except as otherwise permitted under ERISA and the Code.

SELF-INSURED AND FULLY-INSURED CONTRACTS

The Plan is self-insured for Preferred Provider Organization ("PPO") and indemnity medical and dental group coverage for those employees who are eligible for and elect these coverages. The Company has contracted with Aetna Inc., Anthem and Delta Dental for third-party administration of claims for benefits under these coverages. Benefits paid for participants under the PPO and indemnity medical and dental group coverage and claim administration fees are expensed by the Plan when incurred. The Plan has contracted with Express Scripts to provide pharmacy claims administration for its self-insured medical plan participants.

The Plan enters into insurance contracts to provide coverage for group term life insurance, long-term disability, and accidental death and dismemberment coverage for those employees eligible for, and who elect, these coverages. The Plan also enters into contracts with Health Maintenance Providers ("HMO") and Dental Health Maintenance Providers ("DHMO"), whereby the Plan pays a monthly fee to the HMOs and DHMOs in exchange for care provided to those employees who elect this coverage. Insurance premiums paid are expensed by the Plan when incurred.

VENDOR REBATES

The Plan accounts for vendor rebates receivable amounts due from certain vendors based on certain volume purchases or the failure of certain providers to obtain or maintain minimum service levels. Benefits paid have been reduced by rebates received. Vendor rebates receivable are carried at contractually stated values.

ADMINISTRATIVE EXPENSES

Administrative expenses represent expenses incurred for the administration of the Plan and are paid by the Plan.

OTHER EXPENSES

Other expenses represent miscellaneous expenses incurred for services such as Plan audits, open enrollment consulting, trustee fees and eligibility auditing and are not for the administration of the Plan.

BASIS OF PRESENTATION

The Plan's financial statements are prepared on the accrual basis of accounting.

USE OF ESTIMATES

The preparation of financial statements in conformity with GAAP requires Plan management to make estimates and assumptions that affect the reported amounts of assets, liabilities, and disclosures of contingent assets and liabilities at the date of the financial statements and the reported amounts of additions and deductions during the reporting periods. Actual results may differ from those estimates.

INVESTMENT VALUATION AND INCOME RECOGNITION

As of December 31, 2024, and 2023, the Plan invested in the First American Prime Obligation Fund, a short-term fixed income fund. This investment is carried at fair value based on unadjusted quoted market prices for identical assets or liabilities and qualifies as a Level 1 asset. Purchases and sales of securities are recorded on a trade date basis. Interest income is recorded on an accrual basis.

PAYMENT OF BENEFITS

Premiums paid by either the Company or the VEBA trust are recorded as premium payments in the accompanying statements of changes in net assets available for benefits. Claim payments are recorded when paid by the third-party claims processor.

SUBSEQUENT EVENTS

The Plan has evaluated subsequent events through October 9, 2025, the date the financial statements were available to be issued. No material events were identified during that period.

Note 2 – Exempt Party-in-Interest Transactions

The Plan's investments consist of a short-term fixed income fund managed by U.S. Bank, Trustee of the Plan. Purchases and sales of these investments qualify as exempt party-in-interest transactions. Fees paid by the Plan for investment management services were \$8,115 and \$8,000 for the years ended December 31, 2024, and 2023, respectively. These fees are included in other expenses in the accompanying statements of changes in net assets available for benefits. Members of the Company's Employee Benefits Committee also participate in the Plan.

Claims paid	(343,675)	(302,904)
Total benefit obligation	\$ 40,196	\$ 32,425

Total Plan obligations for medical, pharmacy, dental, and behavioral health claims currently payable and for claims incurred but not reported as of December 31, 2024, and 2023, as shown above, are estimated based on the historical experience of claims paid by the Plan, adjusted for expected increases in costs, administrative fees and a risk contingency margin of 8% for both years to cover significant or unusual claims. The Plan Sponsor utilizes an actuary to assist with determining this estimate.

It is expected that the Plan's deficiency of net assets as compared to the benefit obligation will be funded through future Company and participant contributions.

Note 4 – Reconciliation of Financial Statements to Form 5500

The following is a reconciliation of net assets available for benefits as reported in the financial statements to net assets per Schedule H on Form 5500:

(in thousands)	December 31, 2024
Net assets available for benefits as reported in financial statements	\$ 18,899
Benefit claims currently payable	(40,196)
Net assets reported on Schedule H on Form 5500	\$ (21,297)

The following is a reconciliation of changes in net assets available for benefits as reported in the financial statements to net income per Schedule H on Form 5500:

(in thousands)	December 31, 2024
Increase in net assets available for benefits per the financial statements	\$ 4,909
Benefit claims currently payable	(40,196)
Net income per Schedule H on Form 5500	\$ (35,287)

Note 5 – Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the 2024 statement of net assets available for benefits. See Note 1 – Description of the Plan and Summary of Significant Accounting Policies.

The actuarial present value of benefit obligations is reported based on certain assumptions as described in Note 3 – Benefit Obligation all of which are subject to change. Due to uncertainties inherent in the estimations and assumptions process, it is at least reasonably possible that changes in these estimates and assumptions in the near term would be material to the financial statements.
