## INDEPENDENT AUDITORS' REPORT

To the Participants and Administrator of  
Choctaw Construction Services, LLC 401(k) Plan  
Hempstead, Texas

### **Scope and Nature of the ERISA Section 103(a)(3)(C) Audit**

We have performed audits of the financial statements of the Choctaw Construction Services, LLC 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statement of changes in net assets available for benefits for the year ended December 31, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier which is regulated, supervised and subject to periodic examination by a state or federal agency, provided the statements or information regarding assets so held are performed and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from a qualified institution as of December 31, 2024 and 2023 and for the year ended December 31, 2024, stating the certified investment information, as described in *Note 4* to the financial statements, is complete and accurate.

### **Opinion**

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP").

INDEPENDENT AUDITORS' REPORT (CONTINUED)

- The information in the financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution which management determined meets the requirements of ERISA Section 103(a)(3)(C).

**Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("U.S. GAAS"). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

**Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of these financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal controls relevant to the preparation and fair presentation of financial statements free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, which raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining the Plan's transactions which are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

INDEPENDENT AUDITORS' REPORT (CONTINUED)

**Auditor's Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report which includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee an audit conducted in accordance with U.S. GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements, including omissions, are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with U.S. GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures which are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, which raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

## INDEPENDENT AUDITORS' REPORT (CONTINUED)

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters which we identified during the audit.

### **Other Matter – Supplemental Schedule Required by ERISA**

The supplemental schedule of Schedule H, Line 4i – Schedule of Assets (Held at Year End) as of December 31, 2024 are presented for purposes of additional analysis and are not a required part of the financial statements, but are supplemental information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with U.S. GAAS. For information included in the supplemental schedule which agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion –

- The form and content of the supplemental schedule, other than the information in the supplemental schedules which agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

## INDEPENDENT AUDITORS' REPORT (CONTINUED)

- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution which management determined meets the requirements of ERISA Section 103(a)(3)(C).

CHOCTAW CONSTRUCTION SERVICES, LLC 401(k) PLAN  
NOTES TO THE FINANCIAL STATEMENTS  
DECEMBER 31, 2024 AND 2023

**NOTE 1 – DESCRIPTION OF THE PLAN**

The following description of the Choctaw Construction Services, LLC 401(k) Plan (the “Plan”) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions as the Plan document is controlling at all times. The effective date of the Plan is January 1, 2020. The Plan is sponsored by Choctaw Construction Services, LLC (the “Company”) and the Plan’s trustee is the Chief Executive Officer of the Company (the “Trustee”). The Plan’s custodian is Matrix Trust Company (the “Custodian”).

**GENERAL**

The Plan is a defined contribution plan covering substantially all employees of the Company, other than non-resident aliens, who have completed one month of service and attained the minimum age requirement of 18. The Plan is subject to the provision of the Employment Retirement and Income Security Act of 1974 (“ERISA”).

**CONTRIBUTIONS**

Participants may make elective deferrals, for each Plan year, up to 90% of compensation for pre-tax deferrals and up to 50% of compensation for Roth deferrals (not to exceed the maximum dollar limit allowable under current regulations). Participants may also contribute amounts representing distributions from other qualified retirement defined benefit or defined contribution plans.

The Company, at its sole discretion, may elect to make matching contributions. Participants who have satisfied all of the eligibility requirements during the Plan year are eligible to receive the matching contribution. For the year ended December 31, 2024, the Company made no matching contributions.

Additionally, the Company, at its sole discretion, may elect to make a profit-sharing contribution. Participants, who have satisfied all of the eligibility requirements, must be employed on the last day of the plan year to receive the profit-sharing contribution. For the year ended December 31, 2024, the Company did not make a profit-sharing contribution.

**PARTICIPANT ACCOUNTS**

Separate accounts are maintained for each participant. Participant accounts are credited with participant contributions, rollover contributions, allocations of Company contributions and investment earnings and losses and are charged with an allocation of administrative expenses.

NOTES TO THE FINANCIAL STATEMENTS  
DECEMBER 31, 2024 AND 2023

**NOTE 1 – DESCRIPTION OF THE PLAN (CONTINUED)**

**PARTICIPANT ACCOUNTS (CONTINUED)**

Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit which can be provided from the participant's vested account.

**INVESTMENT OPTIONS**

Upon enrollment in the Plan, participants may direct the investment of their individual accounts among alternative investment funds provided under the Plan. Participants may transfer existing balances between investment funds. As of December 31, 2024, the Plan offered 18 mutual funds.

**NOTES RECEIVABLE FROM PARTICIPANTS**

Active participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. Participants may only have one outstanding note receivable at a time. The note is secured by the balance in the participant's account and bears a reasonable rate of interest as determined by the Plan, based on reviewing the interest rates charged for similar types of loans by other lenders. Principal and interest are paid ratably through payroll deductions and must be repaid within five years or less. As of December 31, 2024 and 2023, the outstanding notes receivable totaled \$23,472 and \$25,289, respectively.

**PAYMENT OF BENEFITS**

Upon termination of service, a participant may elect to receive an amount equal to the value of the participant's vested interest in his or her account in a lump-sum amount. In-service distributions are allowed for participants who have reached the age of 59 ½ or normal retirement age. Hardship withdrawals are permitted from elective deferral and rollover accounts. Distributions from rollover accounts are available at any time.

**VESTING**

Participants are immediately vested in salary deferrals, employer matching contributions, employer profit-sharing contributions and distributions from other qualified retirement defined benefit or defined contribution plans, along with any earnings thereon.

Participants become 100% vested in the event of disability or death. Years of service is defined as any year in which the participant works 1,000 hours.

DECEMBER 31, 2024 AND 2023

**NOTE 1 – DESCRIPTION OF THE PLAN (CONTINUED)**

**FORFEITURES**

Forfeited non-vested accounts are available to be utilized to pay Plan expenses and/or offset the Company contributions. For the year ended December 31, 2024, there were no forfeited non-vested accounts applied by the Plan. As of December 31, 2024 and 2023, there was no balance of forfeited non-vested accounts.

**NOTE 2 – SIGNIFICANT ACCOUNTING POLICIES**

**BASIS OF ACCOUNTING**

The accompanying financial statements are prepared on an accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (“U.S. GAAP”).

**USE OF ESTIMATES**

The preparation of financial statements in conformity with U.S. GAAP requires the Plan Administrator to make estimates and assumptions which affect the amounts reported in the financial statements, supplemental schedule and accompanying notes. Accordingly, actual results could differ from those estimates.

**INVESTMENT VALUATION AND INCOME RECOGNITION**

The Plan’s investments are stated at fair value, as determined by the Custodian. Fair value is the price which would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The net change in the fair value of investments is reported in the statement of changes in net assets available for benefits in the period of change.

Purchases and sales of securities are recorded on a trade-date basis. Expenses related to the purchase or sale of investments are added to cost or deducted from proceeds. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

NOTES TO THE FINANCIAL STATEMENTS  
DECEMBER 31, 2024 AND 2023

**NOTE 2 – SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)**

**PAYMENT OF BENEFITS**

Benefits are recorded when paid.

**PLAN EXPENSES**

Certain fees for services charged by the Custodian may be directly charged to a participant. Investment management and advisory fees are charged to the Plan. Other administrative costs of the Plan charged by the Custodian are generally paid by the Company.

**NOTE 3 – FAIR VALUE MEASUREMENTS**

The Plan measures and reports certain assets and liabilities at fair value within a hierarchal disclosure framework which prioritized and ranks the level of observable inputs used in measuring fair value. Level one inputs include inputs which are unadjusted, quoted prices for identical assets or liabilities in active markets. Level two measurements include inputs which are either observable prices for identical assets or liabilities in inactive markets, observable prices for similar assets or liabilities, or other inputs derived principally from, or corroborated by, observable market data at the measurement date. Level three inputs are unobservable inputs which are significant to the fair value measurement. The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of input significant to the fair value measurement.

The fair value of mutual funds is based on quoted net asset values of the shares held by the Plan at year-end. The fair value of interest-bearing cash accounts is based on quoted market prices at year-end. There were no significant transfers between levels of the fair value hierarchy during the year ended December 31, 2024.

The preceding method described may produce a fair value calculation not indicative of net realizable value or reflective of future fair values. Although the Plan's management believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

**NOTE 5 – INCOME TAXES**

The prototype plan and trust agreement established by the Custodian to hold the Plan's assets is exempt from federal income taxes pursuant to appropriate sections of the Internal Revenue Code by a letter from the Internal Revenue Service as to the Plan's qualified status. CHOCTAW CONSTRUCTION SERVICES, LLC 401(k) PLAN  
NOTES TO THE FINANCIAL STATEMENTS  
DECEMBER 31, 2024 AND 2023

***NOTE 8 – RISKS AND UNCERTAINTIES***

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rates, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible change in values of investment securities will occur in the near term and such change could materially affect participant's account balances and the amount reported in the statement of net assets available for benefits.

***NOTE 9 – PLAN TERMINATION***

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan in whole or in part subject to the provisions of ERISA. In the event of Plan termination, including partial Plan termination, active participants will become 100% vested in their accounts and the Custodian will distribute all assets remaining after payment of any expenses chargeable to the Plan to participants or their beneficiaries in accordance with the Plan's provisions.

***NOTE 10 – DELINQUENT PARTICIPANT CONTRIBUTIONS***

During the year ended December 31, 2024, the Company did not remit certain participant contributions to the Plan in a timely manner, as defined by ERISA. These contributions are considered prohibited transactions. The Company subsequently corrected and compensated the participants for any lost earnings from the delay in the remittance of the contributions. The Company believes these prohibited transactions do not affect the tax status of the Plan.
