Hey Larissa,

Appreciate you working to get this sorted out. As I mentioned on our initial call, it was going to be tough to be able to get the audit wrapped up in time to issue before the 10/15 deadline given how late in the summer we were getting started. Due to the delays caused by the Empower access and given that we are still waiting on testing support on our Suralink portal, I do not believe we will be able to issue before the deadline. Our commitment is to get the audit issued as quickly as possible once we receive all of our request list items.

While we still have two weeks until the deadline, my recommendation would be to work with Empower to have them file the 5500 without our audit report attached to ensure it gets filed before the deadline. Then once we issue, you can have them amend the 5500 filing and attach our audit report. This is the recommended practice handed down by the DOL, they would rather you have your 5500 in on time even if it means you have to do it without the audit report attached.

Hope this helps, happy to talk more through this with you if you would like.

Thanks,
JD
