Part III Accountant's Opinion

3 Complete lines 3a through 3c if the opinion of an independent qualified public accountant is attached to this Form 5500. Complete line 3d if an opinion is not attached.

a The attached opinion of an independent qualified public accountant for this plan is (see instructions):

(1) ☒ Unmodified (2) ☐ Qualified (3) ☐ Disclaimer (4) ☐ Adverse

b Check the appropriate box(es) to indicate whether the IQPA performed an ERISA section 103(a)(3)(C) audit. Check both boxes (1) and (2) if the audit was performed pursuant to both 29 CFR 2520.103-8 and 29 CFR 2520.103-12(d). Check box (3) if pursuant to neither.

(1) ☒ DOL Regulation 2520.103-8 (2) ☐ DOL Regulation 2520.103-12(d) (3) ☐ neither DOL Regulation 2520.103-8 nor DOL Regulation 2520.103-12(d).

c Enter the name and EIN of the accountant (or accounting firm) below:

(1) Name: **ARMANINO LLP**

(2) EIN: **33-2514127**

d The opinion of an independent qualified public accountant is **not attached** as part of Schedule H because:

(1) ☐ This form is filed for a CCT, PSA, DCG or MTIA. (2) ☐ It will be attached to the next Form 5500 pursuant to 29 CFR 2520.104-50.

Part IV Compliance Questions

4 CCTs and PSAs do not complete Part IV. MTIAs, 103-12 IEs, and GIAs do not complete lines 4a, 4e, 4f, 4g, 4h, 4k, 4m, 4n, or 5. 103-12 IEs also do not complete lines 4j and 4l. MTIAs also do not complete line 4l. DCGs do not complete lines 4e, 4f, 4k, 4l, and 5, and DCGs generally complete the rest of Part IV collectively for all plans in the DCG, except as otherwise provided (see instructions).

During the plan year:

	Yes	No	Amount
a Was there a failure to transmit to the plan any participant contributions within the time period described in 29 CFR 2510.3-102? Continue to answer "Yes" for any prior year failures until fully corrected. (See instructions and DOL's Voluntary Fiduciary Correction Program.)		☒	
b Were any loans by the plan or fixed income obligations due the plan in default as of the close of the plan year or classified during the year as uncollectible? Disregard participant loans secured by participant's account balance. (Attach Schedule G (Form 5500) Part I if "Yes" is checked.)		☒	
c Were any leases to which the plan was a party in default or classified during the year as uncollectible? (Attach Schedule G (Form 5500) Part II if "Yes" is checked.)		☒	
d Were there any nonexempt transactions with any party-in-interest? (Do not include transactions reported on line 4a. Attach Schedule G (Form 5500) Part III if "Yes" is checked.)		☒	
e Was this plan covered by a fidelity bond?	☒		735000
f Did the plan have a loss, whether or not reimbursed by the plan's fidelity bond, that was caused by fraud or dishonesty?		☒	
g Did the plan hold any assets whose current value was neither readily determinable on an established market nor set by an independent third party appraiser?		☒	
h Did the plan receive any noncash contributions whose value was neither readily determinable on an established market nor set by an independent third party appraiser?		☒	
i Did the plan have assets held for investment? (Attach schedule(s) of assets if "Yes" is checked, and see instructions for format requirements.)	☒		
j Were any plan transactions or series of transactions in excess of 5% of the current value of plan assets? (Attach schedule of transactions if "Yes" is checked and see instructions for format requirements.)		☒	
k Were all the plan assets either distributed to participants or beneficiaries, transferred to another plan, or brought under the control of the PBGC?		☒	
l Has the plan failed to provide any benefit when due under the plan?		☒	
m If this is an individual account plan, was there a blackout period? (See instructions and 29 CFR 2520.101-3.)		☒

INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator
Golden Gate National Parks Conservancy Cash Balance Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audits

We have performed audits of the accompanying financial statements of Golden Gate National Parks Conservancy Cash Balance Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 (in liquidation) and 2023 (ongoing), and the related statement of changes in net assets available for benefits for the year ended December 31, 2024 (in liquidation), and the statements of accumulated plan benefits as of December 31, 2024 (in liquidation) and 2023 (ongoing), and the statement of changes in accumulated plan benefits for the year ended December 31, 2024 (in liquidation), and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Golden Gate National Parks Conservancy Cash Balance Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2024 and 2023, and for the year ended December 31, 2024 (in liquidation), stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audits of the Financial Statements section:

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audits of the Financial Statements section of our report. We are required to be independent of Golden Gate National Parks Conservancy Cash Balance Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Emphasis of Matter - Plan Termination and Liquidation Basis of Accounting

As further discussed in Note 2 to the financial statements, the Golden Gate National Parks Conservancy Cash Balance Plan was formally amended to freeze and to terminate effective April 30, 2024, and management determined liquidation is imminent. As a result, the Plan has changed its basis of accounting from the going concern basis used in presenting the 2023 financial statements to the liquidation basis used in presenting the 2024 financial statements. Our opinion is not modified with respect to that matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audits does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Golden Gate National Parks Conservancy Cash Balance Plan's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audits of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audits section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing audits in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audits.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audits in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Golden Gate National Parks Conservancy Cash Balance Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audits, significant audit findings, and certain internal control related matters that we identified during the audits.

Other Matter - Supplemental Schedules Required by ERISA

The supplemental schedules of assets (held at end of year) as of December 31, 2024 (in liquidation), and of reportable transactions for the year then ended, (collectively, "supplemental schedules") are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Notes to Financial Statements
December 31, 2024 (In Liquidation) and 2023 (Ongoing)

1. DESCRIPTION OF THE PLAN

The following description of the Golden Gate National Parks Conservancy Cash Balance Plan (the "Plan") provides only general information. Participants should refer to the plan documents for a more complete description of the Plan's provisions.

General

The Plan, a cash balance defined benefit pension plan sponsored by the Golden Gate National Parks Conservancy (the "Organization," "Employer," or "Plan Sponsor"), was established effective January 1, 2016, and restated effective January 1, 2020. The Plan is designed to provide participants with benefits in the event of retirement, disability, death, or termination of employment. The Plan covers all employees of the Organization who meet certain eligibility requirements. The Plan is subject to the provisions of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 ("ERISA").

The Plan formally adopted the provisions of the Coronavirus Aid, Relief, and Economic Security ("CARES") Act, related to participant distributions, on July 5, 2023, to be retroactively effective to January 1, 2020.

Effective April 30, 2024, the Plan was amended to freeze and terminate. No employee accrued additional benefits on or after the effective date of the termination and no employees entered the Plan on or after this date.

An expansion of Setting Every Community Up for Retirement Enhancement Act of 2019 ("SECURE 2.0") was signed into law on December 29, 2022, as part of the Consolidated Appropriations Act of 2023. The effective dates of provisions within SECURE 2.0 vary through 2026. The Plan has been formally amended to adopt these provisions as of May 14, 2024, to bring the Plan into compliance with the qualification requirements applicable as of the effective date of the Plan termination.

Plan administration

The Organization is the administrator of the Plan and, as such, carries out the duties imposed by ERISA. The Organization has delegated certain responsibilities for the operation and administration of the Plan. Custody of investment assets and execution of investment transactions is provided by American United Life Insurance Company ("AUL" or the "Custodian"). Recordkeeping and actuarial services are provided by Primark Benefits. The Plan committee directs the Custodian in all matters related to the preservation, investment, reinvestment, management, and disposition of Plan assets.

Notes to Financial Statements
December 31, 2024 (In Liquidation) and 2023 (Ongoing)

1. DESCRIPTION OF THE PLAN (continued)

Eligibility

Employees of the Organization are eligible to participate in the Plan on January 1 or July 1 coincident with completing one year of service, except employees whose employment is governed by a collective bargaining agreement in which retirement benefits are subjected to good faith bargaining, nonresident aliens, or leased employees.

Funding policy

The Organization has voluntarily agreed to make contributions to the Plan sufficient to provide the Plan with assets with which to pay pension benefits to participants. The minimum funding requirements of ERISA have been met for the year ended December 31, 2024. The contributions of the Company are designed to fund the current service cost on a current basis.

Vesting

Participants vest in Employer contributions to the Plan in accordance with a three-year cliff schedule. An employee's vesting percentage increases to 100% if, while employed with the Employer, the employee dies or terminates employment due to becoming disabled.

Plan benefits

The Plan maintains a hypothetical account for each participant. The Organization credits the participant's account with a certain number of dollars each Plan year, and promises earnings at a specified rate. Participants are eligible for a hypothetical Employer contribution for a Plan year if, during the Plan year, the participant completes at least 351 hours of service. The annual contribution for the year ended December 31, 2024, was credited to participants based upon designated participant groups.

The current value of an accumulation account as of any valuation date is equal to all hypothetical Employer contributions credited to the account as of such valuation date. The accumulation interest rate for any Plan year is set at 5% of beginning participant balance.

Notes to Financial Statements
December 31, 2024 (In Liquidation) and 2023 (Ongoing)

1. DESCRIPTION OF THE PLAN (continued)

Payment of benefits

Generally, participants with three or more years of vested service are entitled to annual pension benefits beginning at the later of attainment of age 62 or five years of participation (defined as normal retirement age). The normal retirement benefit of a participant will be equal to the participant's accrued benefit as of their normal retirement date. Upon termination of employment, if a participant's vested accrued benefit is less than or equal to \$7,000, their balance shall be automatically rolled over into an individual retirement account designated by the plan administrator, unless otherwise elected. A participant who terminates employment with a vested accrued benefit over \$7,000 can consent to either a distribution paid in the form of a lump-sum payment, or to remain in the Plan, as described in the plan documents. Upon the attainment of age 62, a participant, while employed by the Organization, may withdraw all or any portion of his or her vested accrued benefit. Required minimum distributions are made according to the provisions of the plan documents and Internal Revenue Service (IRS) regulations.

Administrative and investment related expenses

Certain administrative expenses of the Plan, including record-keeping and audit fees, were paid directly by the Organization but may, at the discretion of the plan administrator, be paid by the Plan. The Plan is not required to reimburse the Organization for expenses paid on its behalf. Investment fees, which may vary according to the individual funds selected, are paid out of the assets of the Plan. Transaction fees for certain participant initiated activity are charged to the specific account of the participant initiating any such transaction.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of accounting

As a described in Note 1, effective April 30, 2024, the Plan was amended to freeze and terminate. As a result, the Plan's financial statements as of and for the year ended December 31, 2024 have been prepared on the liquidation basis in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP). This basis of accounting is considered appropriate when, among other things, liquidation of an entity is probable, and the net realizable value of assets are reasonably determinable. Under the liquidation basis of accounting, assets are stated at their estimate net realized cash value and liabilities are stated at their anticipated settlement amounts. The estimated net realizable cash value for investments as of December 31, 2024, would be fair value. There were no material changes to the 2024 financial statements as a result of the change under the liquidation basis of accounting. The 2023 financial statements have been prepared on the accrual basis of accounting in conformity with U.S. GAAP.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Use of estimates

The preparation of financial statements in conformity with U.S. GAAP requires Plan management to make estimates and assumptions that affect the reported amounts of assets, liabilities, and changes therein; disclosure of contingent liabilities; and the actuarial present value of accumulated plan benefits at the date of the financial statements. Accordingly, actual results may differ from those estimates.

Risks and uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits and the statement of changes in net assets available for benefits.

Plan contributions, if any, are made and the actuarial present value of accumulated Plan benefits are reported based on certain assumptions pertaining to interest rates, inflation rates, and employee demographics, all of which are subject to change. Due to uncertainties inherent in the estimation and assumption process, it is reasonably possible that changes in these estimates and assumptions in the near term would be material to the financial statements.

Investment valuation and income recognition

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date (Note 4). Purchases and sales of investments are recorded on a trade date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation in fair value of investments includes the gains and losses on investments purchased and sold during the year.

Contributions and contributions receivable

Employer contributions, if any, are recorded in the year they are earned and to coincide with the year in which the Organization records the contribution in its general ledger. The Plan records receivables based upon the contributions recognized, less amounts received by the Plan as of the last day of the Plan year.

Payments of benefits

Benefits are recorded when paid.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Administrative expenses

Administrative expenses are recorded when incurred.

Actuarial present value of accumulated Plan benefits

Accumulated Plan benefits are those future periodic payments, including lump-sum distributions, which are attributable under the Plan's provisions to the service employees have rendered. Accumulated Plan benefits include benefits expected to be paid to (a) retired or terminated employees or their beneficiaries, (b) beneficiaries of employees who have died, and (c) present employees or their beneficiaries. Vested benefits include early retirement and death benefits for those eligible for such benefits. Those amounts that participants are entitled to receive under the Plan are not contingent on further service under the Plan.

The actuarial present value of accumulated Plan benefits, which is determined by the Plan's third party pension administrator, Primark Benefits, is the amount that results from applying actuarial assumptions to adjust the accumulated Plan benefits in order to reflect the time value of money (through discounts of interest) and the probability of payment (by means of decrements such as death, disability, withdrawal, or retirement) between the valuation date and the expected date of payment. The rate used to discount the accumulated benefit obligations to its present value for financial reporting purposes may differ from the discount rate used for funding purposes. The former rate is based on annuity settlement rates, while the latter is determined in accordance with ERISA and generally equals the assumed investment rate of return.

The significant actuarial assumptions used in the statements of accumulated plan benefits as of December 31, 2024 and 2023, and statement of changes in accumulated plan benefits for the year ended December 31, 2024, were: (a) life expectancy of participants (RP 2014 with MP 2021 Projection Non-Annuitant), (b) discount rate of 5%, (c) accumulated rate of 5%.

All active participants were assumed to have terminated in 2024 as part of the valuation completed for December 31, 2024.

3. INFORMATION PREPARED AND CERTIFIED BY THE CUSTODIAN (UNAUDITED)

The plan administrator, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of ERISA. Accordingly, the Custodian, determined to be a qualified institution by the plan administrator, has certified to the completeness and accuracy of:

- Investments reflected on the accompanying statements of net assets available for benefits as of December 31, 2024 and 2023.
- Net appreciation in fair value of investments reflected on the accompanying statement of changes in net assets available for benefits for the year ended December 31, 2024, and;

3. INFORMATION PREPARED AND CERTIFIED BY THE CUSTODIAN (UNAUDITED)
(continued)

- Investments reflected on the schedules of assets (held at end of year) as of December 31, 2024 and related investment activity reflected in the schedule of reportable transactions for the year then ended.

Accordingly, as requested by the plan administrator, the Plan's independent auditor performed no audit procedures on the certified information other than to agree the certified information to the related information included in the Plan's financial statements and supplemental schedules of assets (held at end of year) and of reportable transactions.

4. FAIR VALUE MEASUREMENTS

The Plan defines fair value as the price that would be received from selling an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Accounting guidance establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to measurements involving significant unobservable inputs (Level 3 measurements). The three levels of fair value hierarchy are as follows:

- *Level 1* - Asset value is based on actual quoted prices in active markets for identical assets or liabilities that the Plan has the ability to access at the measurement date.
- *Level 2* - Inputs other than Level 1 that are observable, either directly or indirectly, such as quoted prices for similar assets or liabilities, quoted prices in markets that are not active, or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the assets or liabilities.
- *Level 3* - Significant unobservable inputs (including management's own assumptions in determining the fair value of investments) are used to arrive at fair value.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodology used for assets measured at fair value. The valuation methodology used at December 31, 2024 and 2023 has not changed.

Notes to Financial Statements
December 31, 2024 (In Liquidation) and 2023 (Ongoing)

4. FAIR VALUE MEASUREMENTS (continued)

Separate accounts: Valued at the daily closing price as reported by the accumulation unit published each day. Separate accounts held by the Plan are in the form of accumulation units. The value of the accumulation unit is determined at the close of each business day and is directly related to the net asset value of the shares of underlying investment adjusted for any dividends or distributions received and the daily equivalent of any fee charged pursuant to the contract. The value of each accumulation unit is published each business day. Each investment account is invested exclusively in shares of a specific mutual fund or other investment entities as directed by the contract holder and/or the participant. Separate accounts are recorded as Level 2 investments in the fair value hierarchy.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although Plan management believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets, by type, at fair value as of December 31, 2024:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Fair Value</u>
Separate accounts	<u>\$ -</u>	<u>\$ 71,455</u>	<u>\$ -</u>	<u>\$ 71,455</u>

The following table sets forth by level, within the fair value hierarchy, the Plan's assets, by type, at fair value as of December 31, 2023:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Fair Value</u>
Separate accounts	<u>\$ -</u>	<u>\$ 1,649,030</u>	<u>\$ -</u>	<u>\$ 1,649,030</u>

5. TAX STATUS

The Plan has adopted the Volume Submitter Defined Benefit Plan and Cash Balance Defined Benefit Adoption Agreement #06-002 (the "volume submitter plan") sponsored by Primark Benefits. The IRS informed Primark Benefits by a letter dated March 30, 2018, stating that the written form of the volume submitter plan is designed in accordance with the applicable sections of the IRC, and is appropriate for use by employers for the benefit of its employees. The plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC and therefore, believes that the Plan is qualified and is tax-exempt. Therefore, no provision for income taxes has been included in the Plan's financial statements.

6. RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

ERISA defines party-in-interest similar to a related party under U.S. GAAP, except that ERISA's definition is broader and includes all entities and individuals that provide services to the Plan; however, these entities may not necessarily be related parties. Plan management did not identify any related parties to the Plan that were not also considered to be a party-in-interest.

Party-in-interest are defined by ERISA as any fiduciary of the Plan, any party rendering services to the Plan, the Employer and certain others. As such, transactions include those with fiduciaries or employees of the Plan, any person who provides services to the Plan, an employer whose employees are covered by the Plan, an employee organization whose members are covered by the Plan, and a person who owns 50% or more of such an employer or employee association or relatives of such persons.

Certain fees and expenses of the Plan are paid by the Organization. The Plan is not required to repay expenses paid by the Organization on its behalf.

The Custodian retains, as compensation for services provided to the Plan, any interest on amounts earned while certain transactions are pending. This applies to both contributions and distributions. Earnings are at institutional money market rates.

Certain Plan investments are owned and managed by the Custodian or its affiliates, therefore, these investment transactions qualify as exempt party-in-interest transactions.

7. SUBSEQUENT EVENTS

The Plan has evaluated subsequent events through October 14, 2025, the date the financial statements were available to be issued.

8. PLAN TERMINATION

The Organization has the right under the Plan to cease benefit accruals or terminate or partially terminate the Plan, subject to the provisions of ERISA. Effective April 30, 2024, the Plan was amended to freeze and terminate. Pursuant to the amendment, the rights of participating employees became non-forfeitable with respect to the Plan benefits accrued through the date of such termination. The net assets available for benefits of the Plan was allocated for payment of Plan benefits to the participants in an order of priority determined in accordance with ERISA, applicable regulations thereunder and the plan document.

Golden Gate National Parks Conservancy Cash Balance Plan
Notes to Financial Statements
December 31, 2024 (In Liquidation) and 2023 (Ongoing)

8. PLAN TERMINATION (continued)

The rights of all affected participants in their accrued benefits to the date of such termination or partial termination (to the extent funded as of such date) shall be fully vested and nonforfeitable. However, the Plan's trust shall continue until all participants' accrued benefits have been completely distributed to or for the benefit of the participants or their designated beneficiaries in accordance with this Plan, unless the Plan Sponsor specifies that distributions shall occur as a result of such Plan termination. Certain benefits under the Plan are insured by the Pension Benefit Guaranty Corporation ("PBGC") when the Plan terminates. Generally, the PBGC guarantees most vested normal age retirement benefits, early retirement benefits, and certain disability and survivor's pensions. However, the PBGC does not guarantee all types of benefits under the Plan, and the amount of benefit protection is subject to certain limitations. Vested benefits under the Plan are guaranteed at the level in effect on the date of the Plan's termination, subject to a statutory ceiling on the amount of an individual's monthly benefit.

Whether all participants receive their benefits should the Plan terminate at some future time will depend on the sufficiency, at that time, of the Plan's net assets to provide for accumulated benefit obligations and may also depend on the financial condition of the Plan Sponsor and the level of benefits guaranteed by the PBGC. Some benefits may be fully or partially provided for by the then existing assets and by the PBGC guaranty while other benefits may not be provided for at all. Upon termination of the Plan, benefits are paid in accordance with certain priorities. Benefits will be paid 1) to all benefits guaranteed and insured by the PBGC, 2) to all other vested accrued benefits not insured by the PBGC, and 3) to all other accrued benefits under the Plan. Any excess funds will revert to the Employer.

Description of Weighted Average Retirement Age

Golden Gate National Parks Conservancy Cash Balance Plan

94-2781708 / 002

For the plan year 01/01/2024 through 12/31/2024

The age reported is the weighted average of the assumed retirement ages for all active participants as of the valuation date based on their funding target or target normal cost should the funding target of the plan be zero rounded to the nearest whole age. For an active late retiree, the assumed retirement age may be later than the Plan's normal retirement age. Each participant's rate of retirement is assumed to be 100% of his/her assumed retirement age.
