REPORT OF INDEPENDENT AUDITOR

TO THE PLAN ADMINISTRATOR
UFCW LOCAL 1-D 401 (K) PLAN

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

I have performed audits of the financial statements of the UFCW Local 1-D 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), my audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency (qualified institution), provided that the statements or information regarding assets so held are prepared and certified to by the qualified institution in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Management has obtained certifications from a qualified institution as of and for the years ended December 31, 2024 and 2023, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In my opinion, based on my audit and on the procedures performed as described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section,

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP).
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the Financial Statements

I conducted my audits in accordance with auditing standards generally accepted in the United States of America (GAAS). My responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of my report. I am required to be independent of the Plan and to meet my other ethical responsibilities, in accordance with the relevant ethical requirements relating to my audits. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for at least one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit* section of my report, my objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes my opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, I

- exercise professional judgment and maintain professional skepticism throughout the audit.
- identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- conclude whether, in my judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

My audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

I am required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that I identified during the audit.

Other Matter - Supplemental Schedules Required by ERISA

The supplemental schedule of assets held as of December 31, 2023 and schedule of delinquent participant contributions for the year then ended are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, I compared such information to the related certified investment information.

In forming my opinion on the supplemental schedules, I evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In my opinion,

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

UFCW LOCAL 1-D 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2024 AND 2023

1. DESCRIPTION OF PLAN

The UFCW Local 1-D 401(k) Plan (the Plan) is a multiemployer collectively-bargained defined contribution plan established by the trustees of the Wine, Liquor & Distillery Workers' Union Local 1-D UFCW (the Union or Plan Sponsor). The Plan was established January 1, 2005 and is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

The Plan covers employees of the Union and was adopted by SGWSNJ Warehousing, LLC (SGWSNJ), Southern Glazer's Wine and Spirits of New York LLC (SGWSNY) and Allied Beverage Group, LLC (Allied) (collectively, the Employers). Only employees of the Employers covered under contracts collectively bargained by the Union may participate in the Plan.

The following description of the Plan only provides general information. Participants should refer to the Plan agreements or the Summary Plan Description for a more complete description of the Plan's provisions.

PARTICIPATION

The age and service requirements to participate in the Plan vary between the different Employers. Employees should refer to the specific joinder agreements for their respective Employers. Upon completion of these requirements, employees enter the plan on the next entry date, as defined in the respective joinder agreements.

CONTRIBUTIONS

All participants may elect to defer a specified percentage of compensation, not to exceed Internal Revenue Code limitations. Effective September 19, 2024, participants may also make after-tax Roth elective contributions. For SGWSNJ and SGWSNY employees, the Employers will withhold 2% of compensation, unless the participant affirmatively elects a different percentage. The default withholding percentage automatically increases by 1% annually, up to a maximum of 5%.

For SGWSNJ and Allied participants, the Employers make monthly non-elective contributions, as determined by the collective bargaining agreements. The monthly contribution for SGWSNJ was \$540, increased to \$560 effective November 1, 2023, and \$580 effective November 1, 2024. The monthly contribution for Allied was \$570, increased to \$605 effective November 1, 2023, and \$640 effective November 1, 2024. There are no employer contributions for SGWSNY employees. Union employees may receive a discretionary employer contribution (none in 2024 or 2023).

UFCW LOCAL 1-D 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

1. DESCRIPTION OF PLAN (CONTINUED)

VESTING / FORFEITURES

Participants are immediately vested in their elective deferral contributions. Allied and Union participants are immediately vested in their Employer contributions. For SGWSNJ, the vesting requirement is the same as the eligibility requirement, so all Employer contributions are vested. Accordingly, there are no balances in the Plan forfeiture account as of December 31, 2024 and 2023.

NOTES RECEIVABLE FROM PARTICIPANTS

Participants may obtain loans up to the lesser of \$50,000 (reduced by the highest outstanding loan balance in the previous year less any current outstanding loan balance), or 50% of the participants' vested account balance. In addition, participants may only have three loans outstanding, at a five year maximum term. Loans are subject to a minimum of \$1,000, and bear interest at a prime-based rate.

PLAN TERMINATION

The Employers intend to continue the Plan indefinitely, but reserve the right to terminate the Plan at any time subject to the provisions of ERISA. In the event of termination, participants will become fully vested in their accrued benefits.

2. SIGNIFICANT ACCOUNTING POLICIES

BASIS OF ACCOUNTING

The accounting records are maintained on the accrual basis.

Investment contracts held by a defined-contribution plan are required to be reported at fair value, except for fully benefit-responsive investment contracts. Contract value is the relevant measurement attribute for that portion of the net assets available for benefits of a defined-contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the plan.

UFCW LOCAL 1-D 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

2. SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

VALUATION OF INVESTMENTS

The Plan's investments are recorded at fair value, except for fully benefit-responsive investment contracts, which are reported at contract value. Fair value is the price that would be received to sell an asset in an orderly transaction between market participants at the measurement date. See Note 3 for further discussion of fair value measurements.

NOTES RECEIVABLE FROM PARTICIPANTS

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. No allowance for credit losses has been recorded as of December 31, 2024 or 2023. Delinquent participant loans are reclassified as distributions based upon the terms of the plan document.

USE OF ESTIMATES

The preparation of financial statements in conformity with accounting principles generally accepted in the United States requires management to make estimates and assumptions that affect the amounts and disclosures reported in the financial statements. Actual results may differ from management's estimates and assumptions.

SUBSEQUENT EVENTS

The Plan has evaluated subsequent events through the audit report date, the date the financial statements were available to be issued.

3. FAIR VALUE MEASUREMENTS

Financial Accounting Standards Board (FASB) Accounting Standards Codification 820 *Fair Value Measurements* (ASC 820) establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities and the lowest priority to unobservable inputs. The financial instruments' fair value measurement level is based on the lowest level of any input that is significant to the fair value measurement. The three levels of the fair value hierarchy under ASC 820 are described as follows:

UFCW LOCAL 1-D 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

3. FAIR VALUE MEASUREMENTS (CONTINUED)

- Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the plan has the ability to access.
- Level 2 - Other significant observable inputs (including quoted prices in active markets for similar financial instruments), or other inputs that are observable or can be corroborated by observable market data.
- Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurements.

Following is a description of the valuation methodologies used for assets measured at fair value.

- Registered investment companies – Fair value is based on quoted net asset values of the shares held by the Plan.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Fair value information for investments held at December 31, 2024 and 2023 is as follows:

	Level 1	Level 2	Level 3	Total
December 31, 2024				
Registered investment companies	\$ 14,503,636	\$ -	\$ -	\$ 14,503,636
December 31, 2023				
Registered investment companies	\$ 12,706,394	\$ -	\$ -	\$ 12,706,394

4. INVESTMENTS

All investment information disclosed in the accompanying financial statements and schedules, including investments held at December 31, 2024 and 2023, and net gains (losses) on registered investment companies for the years then ended, were obtained or derived from information supplied to the plan administrator and certified as complete and accurate by Reliance Trust Company, the custodian of the Plan (a qualified institution).

UFCW LOCAL 1-D 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

4. INVESTMENTS (CONTINUED)

The Plan entered into a group annuity contract with Transamerica Financial Life Insurance Company (Transamerica), which includes a stable value investment option. The option is considered to be a fully benefit-responsive investment contract. Generally, there are not any events that could limit the ability of the Plan to transact at contract value paid within 30 days. There are no reserves against the contract value for credit risk of the contract issuer.

The crediting interest rate is based on a formula agreed upon with Transamerica and is reviewed on a semi-annual basis for resetting. The crediting rates were 1.10% (January 2023 to June 2023), 1.25% (July 2023 to December 2023), 1.50% (January 2024 to June 2024), and 1.65% (July 2024 to December 2024).

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

5. PARTY-IN-INTEREST TRANSACTIONS

Certain of the Plan's investments are held in a stable value option managed by Transamerica. Therefore, these transactions and account balances qualify as party-in-interest.

Fees for plan investment advisory services are reimbursed indirectly through revenue sharing from the underlying plan investments. These costs are not reflected separately, but are included in the net investment return of these investments.

An asset-based fee is deducted from participant accounts quarterly to cover the costs of plan recordkeeping. Other direct expenses paid from Plan assets include withdrawal and loan processing fees deducted from the respective participant accounts, as well as expenses for insurance, legal services and audit services. Any costs of administration not paid from Plan assets are paid by the Plan Sponsor.

UFCW LOCAL 1-D 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

6. TAX STATUS

The Plan has received a determination letter from the Internal Revenue Service dated October 10, 2018, stating that the written form of the plan document is qualified under Section 401(a) of the Internal Revenue Code (the "Code"). Therefore, the related trust is exempt from taxation. Subsequent to the issuance of this determination letter, the plan was amended.

Once qualified, the Plan is required to operate in conformity with the Code to maintain its qualification. The Plan has identified certain plan document and administrative operational errors and will be taking necessary corrective action in accordance with the IRS Employee Plans Compliance Resolution System. The Plan Sponsor believes these actions will maintain the tax-exempt status of the Plan and will not have a material effect on the financial statements. Therefore, no provision for income taxes has been included in the Plan's financial statements.

The Plan Sponsor has concluded that as of December 31, 2024, there are no uncertain tax positions taken or expected to be taken that would require recognition of a liability or additional disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan Sponsor believes it is no longer subject to tax examinations for reporting years prior to 2021.
