INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator of the
EH Holdco, LLC 401(k) Plan
Chicago, Illinois

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of EH Holdco, LLC 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income and Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2024, and the related statement of changes in net assets available for benefits for the year ended December 31, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of EH Holdco, LLC 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2024, and for the year ended December 31, 2024, stating that the certified investment information, as described in Note D to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- The amounts and disclosures in the financial statements, referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of EH Holdco, LLC 401(k) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about EH Holdco, LLC 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than the one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of EH Holdco, LLC 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about EH Holdco, LLC 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures related to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedules Required by ERISA

The supplemental Schedule H, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2024 and Schedule H, Line 4a - Schedule of Delinquent Participant Contributions are presented for purposes of additional analysis and are not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including its form and content, are presented in conformity with the Department of Labor's Rule and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTES TO FINANCIAL STATEMENTS

NOTE A--DESCRIPTION OF PLAN

The following brief description of the EH Holdco, LLC 401(k) Plan (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is sponsored by EH Holdco, LLC (the "Company") for employees that meet specific eligibility requirements. The Plan, designated as a defined contribution plan, was established on January 1, 2024. Effective January 1, 2025, the Plan was legally renamed to EH Real Estate Services LLC 401(k) Plan. The Plan provides for contributions to be made under salary deferral agreements pursuant to Section 401(k) of the Internal Revenue Code (the "Code"). Eligible employees of the Company or any affiliate who has adopted the Plan may participate immediately after attaining 21 years of age, and completing two months of service as defined in the Plan. The Plan is subject to the provisions of the Employee Retirement Income and Security Act of 1974 ("ERISA"). The Plan Administrator and Plan Trustees are responsible for oversight of the Plan, determining the appropriateness of investment offerings and monitoring investment performance.

Contributions

Eligible participants may elect to contribute pre-tax annual compensation and/or Roth deferred compensation to the Plan by means of a salary deferral agreement up to 90 percent of the Plan compensation. Contributions are subject to limitations as provided in the Code and as described in the Plan. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified plans in accordance with Plan provisions. Salary deferral contributions are funded proximate to the withholding date. Participants direct the investment of their contributions into various investment options offered by the Plan.

The Company makes a safe harbor contribution in which it will match 100% of the first 3%, and 50% of the excess of 3% of each participating employee's eligible compensation, up to 5% of total contributions. Company contributions are funded within statutory time frames after each pay period. All contributions are subject to certain limitations. In addition, the Company may make discretionary (profit-sharing) contributions for each Plan year in an amount determined by the Company. No discretionary contributions were made to the Plan for the year ended December 31, 2024.

Participant Accounts

Each participant's account is credited with the participant's contribution, if any, and allocations of (a) the Company's safe harbor matching contribution, (b) discretionary contributions, (c) Plan earnings and losses, and (d) charged with an allocation of administrative expenses paid by the Plan. Allocations are based on participant earnings or account balances, as defined in the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

NOTES TO FINANCIAL STATEMENTS

December 31, 2024

NOTE A--DESCRIPTION OF PLAN-continued

Investment Options

Upon enrollment in the Plan, participants may direct employee contributions in one or more of the investment options offered by the Plan. The current investment choices are more fully described in the Plan's literature. Participants may change their investment options at any time in accordance with Plan provisions. During any period in which there is no participant direction on file with the Trustee as to the investment of a participant's account, 100% of that participant's account will be invested in the investment fund designated from time to time by the Plan Trustees as the default investment. The Plan currently offers various mutual funds as investment options for participants.

Vesting

Participants are immediately vested in both their contributions as well as the Company's safe harbor matching contributions plus actual earnings thereon. Vesting in the Company's discretionary contributions plus actual earnings thereon is based on years of credited service as presented below.

<u>Years of Credited Service</u>	<u>Vested Percentage</u>
Less than 2	0%
2	20%
3	40%
4	60%
5	80%
6	100%

Payment of Benefits

Upon termination of employment due to death, disability, retirement or Plan termination, a participant is entitled to receive an amount equal to the value of the participant's vested interest in his or her account in a lump-sum amount in accordance with Plan provisions. For termination of service due to other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum and distribution in accordance with Plan provisions.

All distributions will be made as soon as administratively feasible. Mandatory distributions less than \$5,000 may be paid in a direct rollover to an individual retirement plan designated by the Plan Administrator. These distributions will be made if a participant does not elect to have such distribution paid directly to an eligible retirement plan specified by the participant in a direct rollover or does not elect to receive the distribution directly. If a participant has a vested account balance greater than \$5,000, they are not required to take a payout from the Plan until required distribution rules apply.

Participants may elect to receive in-service and hardship withdrawals prior to termination of employment from their deferral contribution account, or an amount equal to the value of the participant's vested interest in his or her employer discretionary contribution account.

Certain participants who have attained age 59 1/2 may also receive in-service withdrawals for all vested account balances, subject to Plan provisions.

NOTES TO FINANCIAL STATEMENTS

December 31, 2024

NOTE A--DESCRIPTION OF PLAN-continued

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The loans are secured by the participant's vested account balance. The loans bear a reasonable rate of interest (5.50% to 9.50% at December 31, 2024), as determined by the Plan Administrator commensurate with prevailing rates for loan made under similar circumstances. Loans are for a period not to exceed five years. Principal and interest shall be repaid ratably by participants through payroll deductions.

Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

NOTE B--SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared under the accrual method of accounting.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires the Plan's Administrator to make estimates and assumptions that affect the reported amounts of assets, liabilities, and changes therein and disclosure of contingent assets and liabilities at the date of the financial statements and during the reporting period. Accordingly, actual results may differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Administrator and Trustees determine the Plan's valuation policies utilizing information provided by investment advisers and the Trustee. See Note C for discussion of fair value measurements.

Net appreciation of investments included in the accompanying Statement of Changes in Net Assets Available for Benefits includes realized gains or losses from the sale of investments and unrealized appreciation or depreciation in the fair value of investments at year-end.

Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. Interest income is recorded on an accrual basis.

NOTES TO FINANCIAL STATEMENTS

December 31, 2024

NOTE B--SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES-continued

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on an accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2024. If a participant ceases to make loan repayments and the Plan administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded, based on the terms of the Plan document.

Forfeited Accounts

Forfeited nonvested accounts may be used to pay the administrative expenses of the Plan and to reduce future employer contributions. As of December 31, 2024, there were no forfeited nonvested accounts. During the year ended December 31, 2024, the Plan used no forfeitures.

Payment of Benefits

Benefits are recorded when paid.

Administrative Expenses

Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation/depreciation of fair value of investments.

Subsequent Events

Subsequent events were evaluated by management through October 15, 2025 which is the date the financial statements were available to be issued. During the 2025 plan year, the plan changed the name from EH Holdco, LLC to EH Real Estate Services LLC in order to reduce and simplify fees and expenses associated with running the plan.

NOTE C--FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access at the measurement date.

NOTE C--FAIR VALUE MEASUREMENTS--continued

Level 2: Inputs other than quoted prices included within Level 1 to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets.
- Quoted prices for identical or similar assets or liabilities in inactive markets.
- Inputs other than quoted prices that are observable for the asset or liability.
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for Plan assets measured at fair value on a recurring basis. There have been no changes in the methodologies used at December 31, 2024.

Registered Investment Companies: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets measured at fair value as of December 31, 2024:

	Quoted prices in active markets for identical assets Level 1	Significant other observable inputs Level 2	Significant unobservable inputs Level 3	Total
Registered investment companies	\$ 1,904,491	\$ -	\$ -	\$ 1,904,491
Total assets at fair value	<u>\$ 1,904,491</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 1,904,491</u>

NOTE D--INFORMATION CERTIFIED BY TRUSTEE (UNAUDITED)

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and supplementary schedule, including investments and notes receivable from participants held at December 31, 2024, and net appreciation in fair value, interest, and dividends for the year ended December 31, 2024, was obtained or derived from information supplied to the Plan Administrator and certified as complete and accurate by Matrix Trust Company, the Trustee, as of December 31, 2024. Accordingly, as permitted by 29 CFR 2520.103-8 of the United States Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed the Plan’s independent auditors not to perform any auditing procedures with respect to such information certified by the Trustee as of December 31, 2024 and for the year ended December 31, 2024.

Except for comparing such information as certified by the Trustee to information included in the Plan’s financial statements and supplementary schedule, the Plan’s independent auditors did not perform any auditing procedures on the certified information.

The following represents investments certified by the Trustee as of December 31, 2024.

Non-interest bearing cash	\$	15,168
Registered investment companies, at fair value		1,904,491
Net appreciation in fair value of registered investment companies		54,876
Dividends and interest		40,889
Interest - notes receivable from participants		1,061

NOTE E--PROHIBITED TRANSACTIONS

During 2024, the Plan Sponsor did not remit to the Plan’s Custodian, certain contributions totaling \$24,072, within the period prescribed by the United States Department of Labor (“DOL”). The DOL considers late deposits to be prohibited transactions. The amount representing lost earnings was calculated by the Plan Sponsor and contributed to the affected participant accounts.

NOTE F--TAX STATUS

On June 30, 2020, the Internal Revenue Service stated that the prototype plan document, subsequently adopted by the Plan, as then designed, qualified under section 401(k) of the Internal Revenue Code (the “IRC”). Although the Plan has been amended and restated since receiving the determination letter, the Plan administrator and the Plan’s tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified, and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE G--RISKS AND UNCERTAINTIES

The Plan's assets are invested directly and indirectly in various investment securities which are purchased or managed by the Trustee. Investments are exposed to various risks such as interest rate, market, and credit risks. The Plan's assets are subject to the changes in value of these underlying investments, including the potential for bankruptcy of one or more of the companies in which they are invested.

Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

The participants who have borrowed from the Plan are all employees of the Company in the Chicago area, and their ability to repay the notes could be affected by the economic conditions in the industry in general, the economic conditions in the Chicago metropolitan area or the economic condition of the Company itself.

NOTE H--RELATED PARTY TRANSACTIONS

Certain Plan investments are managed by the Trustee; therefore, they qualify as party-in-interest transactions. Certain employees of the Company provide administrative services for the Plan and are not reimbursed for their services. Certain other administrative expenses are paid by the Company on behalf of the Plan. These amounts are not material to the financial statements.

NOTE I--PLAN ASSETS TRANSFER

Effective January 1, 2024, the Plan received a transfer of assets from a previous plan, a qualified defined contribution plan sponsored by the same employer. This transfer was part of a strategic consolidation of multiple smaller plans, undertaken to streamline the overall plan structure and reduce plan-related expenses. The transferred assets included participant account balances and outstanding participant loan balances. Assets transferred amounted to \$1,188,881, which included \$1,174,313 in participant account balances from employee contributions and related earnings, and \$14,568 in participant loan receivables.

The transferred assets were recorded by the Plan on the effective transfer date and are reflected in the Statement of Changes in Net Assets Available for Benefits for the year ended December 31, 2024.

All transferred loans remained in good standing at the time of transfer and continued to be administered under the same terms as in the prior plan.
