PERIKIN Enterprises 401(k) Plan
Financial Statements and Supplemental Schedules
December 31, 2023 and 2022
(With Independent Auditors' Report Thereon)

Independent Auditors' Report

To the Participants and Trustees of
the PERIKIN Enterprises 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of PERIKIN Enterprises 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Independent Auditors' Report, continued

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022 and for the years then ended, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section

- the amounts and disclosures in the financial statements, referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States.
- the information in the financial statements, referred to above, related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of PERIKIN Enterprises 401(k) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Independent Auditors' Report, continued

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists.

Independent Auditors' Report, continued

The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgement made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgement and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Independent Auditors' Report, continued

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles accepted in the United States.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

Supplemental Schedules Required by ERISA

The supplemental schedules of Assets Held at Year End as of December 31, 2023 and 2022, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS.

Independent Auditors' Report, continued

For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(c).

PERIKIN Enterprises 401(k) Plan

Notes to Financial Statements

December 31, 2023 and 2022

(1) Summary of Significant Accounting Policies

Basis of Presentation

The financial statements of the PERIKIN Enterprises 401(k) Plan (the Plan) have been prepared on the accrual basis of accounting, under which income is recognized when earned and expenses are recognized when the obligation is incurred.

Trust Accounting

The Trustees for the Plan are responsible for the administration and management of the Plan.

Reliance Trust Company at December 31, 2023 and Empower Trust Company at December 31, 2022 hold all assets of the Plan, execute investment transactions pursuant to individual participant direction, value all assets and perform all recordkeeping functions, including income allocations and participant statement preparation.

Use of Estimates

Financial statements prepared on the accrual basis of accounting require management to make estimates and assumptions that affect the reported amounts of assets, liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Options

The Plan allows participants to self-direct their investments. Participants may invest their account balances in a combination of thirty-three investment mutual funds and a stable account within various models developed by the Plan.

PERIKIN Enterprises 401(k) Plan

Notes to Financial Statements

December 31, 2023 and 2022

(2) Provisions of the Plan

General

The Plan is a defined contribution plan covering substantially all employees of the Company who have attained 21 years of age. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). Eligible participants may enter the Plan on the date on which such requirement is satisfied.

In October 2023 the Company hired all employees who were formally leased through Vensure Employer Services, Inc. (VES). As part of the transition of employees, all accounts of these employees within the VES Plan were transferred to the PERIKIN Plan.

Contributions

Participants may elect to contribute to the Plan a specific percentage or dollar amount of their annual compensation, subject to limitations. Such contributions are recorded by the Plan in the period in which the Company makes applicable payroll deductions and shall not exceed the limitations as set forth by the Internal Revenue Code Section 415(d).

Under the provisions of the Plan, the Company provides safe harbor matching contributions of up to 4% of a participants compensation as defined in the Plan Document.

Participant Accounts

Separate investment accounts are maintained for each participant and each participant's account is credited with the participant's contributions, the employer's matching contributions, and the account earnings, as specified in the plan documents. Employer contributions are credited to participant accounts based on the matching formula.

PERIKIN Enterprises 401(k) Plan

Notes to Financial Statements

December 31, 2023 and 2022

(2) Provisions of the Plan (continued)

Vesting

Participants are 100% vested in the employee contributions and employer safe harbor matching contribution portion of the account balances.

Participants vest in the non-safe harbor employer contributions as follows:

<u>Participant's Years of service</u>	<u>Vested Percentage</u>
0-1 year	0%
2 years	20%
3 years	40%
4 years	60%
5 years	80%
6 years and over	100%

The term "year of service" includes all Plan years where an employee worked less than 1,000 hours. Also, participants are 100% vested upon death, disability, or attaining normal retirement age.

Participants Loans Receivable

Participant loans are allowed under the terms of the Plan and are treated as receivables of the Plan. Participants may borrow a minimum of \$500 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The loans are secured by the balance in the participant's account and bear interest at a rate commensurate with local prevailing rates. Principal and interest is paid ratable through payroll deductions.

PERIKIN Enterprises 401(k) Plan

Notes to Financial Statements

December 31, 2023 and 2022

(2) Provisions of the Plan (continued)

Distributions

The benefit to which a participant is entitled is the accrual benefit that can be provided from the participant's account. Benefits are payable by the Plan upon retirement, death, disability or after termination of employment pursuant to terms of the plan.

At December 31, 2023 and 2022 vested balances aggregating \$305,133 and \$4,259,347, respectively, were reserved for participants who had terminated employment. These amounts have been reflected as a component of net assets available for plan benefits in the accompanying statements of net assets available for plan benefits.

Hardship

Withdrawals for serious financial hardship are permitted under the Plan.

Forfeitures

The non-vested portion of a terminated participant's account is forfeited after incurring a break in service. A break in service occurs when the participant does not work more than 500 hours in a Plan Year. Forfeitures are used to reduce plan expenses and/or reduce employer contributions. Forfeitures of \$7,349 were used to reduce employer contributions during the year ended December 31, 2023. No forfeiture amounts were used to reduce plan expenses or reduce employer contributions during the year ended December 31, 2022. At December 31, 2023 and 2022, forfeited nonvested accounts totaled \$10 and \$4,403, respectively.

Accounting Method

Interest income is recognized when earned. Contributions are recognized based on payroll dates and are accrued.

Notes to Financial Statements

December 31, 2023 and 2022

(2) Provisions of the Plan (continued)

All assets are held by Reliance Trust Company at December 31, 2023 and by Empower Trust Company at December 31, 2022, asset custodians and recordkeepers, and all investment decisions and transactions are administered by the asset custodians and recordkeepers pursuant to participant instructions. Reliance Trust Company and Empower Trust Company, as recordkeepers, perform the allocation of employee and employer contributions and the allocation of income earned to the respective participant accounts.

Administrative Expenses

All administrative costs during 2023 and 2022 were paid by the Plan.

(3) Investments

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA-required supplemental schedules, including investments and notes receivable from participants held at December 31, 2023 and 2022, and net appreciation in fair value of investments, interest and dividends, and interest income on notes receivable from participants for the years ended December 31, 2023 and 2022, was obtained by management and agreed to or derived from information certified as complete and accurate by Reliance Trust Company and Empower Trust Company (the asset custodians of the Plan) for 2023 and 2022, respectively.

PERIKIN Enterprises 401(k) Plan

Notes to Financial Statements

December 31, 2023 and 2022

(4) Termination of the Plan

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA.

(5) Federal Income Taxes

The Company adopted the Plan, effective December 1, 2017, and has received a favorable determination from the Internal Revenue Service. The Plan has since been amended to incorporate provisions of recent changes to the tax laws and regulations issued by the Treasury Department. The Plan administrator believes the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code.

No provision for Federal income taxes has been made at December 31, 2023 and 2022.

Accounting principles generally accepted in the United States require plan management to evaluate tax positions taken by the plan and recognize a tax liability (or asset) if the plan has taken an uncertain position that more likely than not would not be sustained upon examination. The plan administrator has analyzed the tax positions taken by the plan, and has concluded that as of December 31, 2023 and 2022, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress and the Plan believes it is no longer subject to income tax examinations for years prior to 2020.

PERIKIN Enterprises 401(k) Plan

Notes to Financial Statements

December 31, 2023 and 2022

(6) Department of Labor Required Disclosures

During the years ended December 31, 2023 and 2022, deposits to the Plan of all employee deferrals (contributions) were made timely in accordance with Department of Labor regulations.

(7) Fair Value Measurements

Financial Accounting Standards Board (FASB) *Accounting Standards Codification (ASC) 820 Fair Value Measurements and Disclosures*, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under ASC 820 are described as follows:

- Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the plan has the ability to access.
- Level 2 Inputs to the valuation methodology include
- quoted prices for similar assets or liabilities in active markets;
 - quoted prices for identical or similar assets or liabilities in inactive markets;
 - inputs other than quoted prices that are observable for the asset or liability;
 - inputs that are derived principally from or corroborated by observable market data by correlation or other means.

PERIKIN Enterprises 401(k) Plan

Notes to Financial Statements

December 31, 2023 and 2022

(7) **Fair Value Measurements, continued**

If the asset or liability has a specified contractual term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurements.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2023 and 2022.

Mutual Funds: Valued at the net asset value (NAV) of shares held by the Plan at the year end.

Group Annuity Contract and Collective Trust Fund: Values are determined using the market approach, which involves the use of quoted prices for identical assets and matrix pricing or other similar techniques.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

PERIKIN Enterprises 401(k) Plan

Notes to Financial Statements

December 31, 2023 and 2022

(7) Fair Value Measurements, continued

The following tables set forth by level, within the fair value hierarchy, the plan's assets at fair value as of December 31, 2023 and 2022:

(8) Risks and Uncertainties

The Plan invests in various investment securities.

Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statement of Net Assets Available for Benefits.

(9) Subsequent Events

Subsequent events have been evaluated by management through October 8, 2025, which is the date the financial statements were available to be issued.
