## INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator  
College Health Enterprise 401(k) Savings Plan  
Santa Fe Springs, California

### **Scope and Nature of the ERISA Section 103(a)(3)(C) Audit**

We have performed audits of the accompanying financial statements of College Health Enterprise 401(k) Savings Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statement of changes in net assets available for benefits for the year ended December 31, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the College Health Enterprise 401(k) Savings Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the years ended December 31, 2024 and 2023, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

### **Opinion**

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section –

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

HANSEN HUNTER & CO. P.C.  
*Certified Public Accountants*

## **Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of College Health Enterprise 401(k) Savings Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

## **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about College Health Enterprise 401(k) Savings Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

## **Auditor's Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

HANSEN HUNTER & CO. P.C.  
*Certified Public Accountants*

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of College Health Enterprise 401(k) Savings Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about College Health Enterprise 401(k) Savings Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

### **Other Matter - Supplemental Schedules Required by ERISA**

The supplemental schedules of Delinquent Participant Contributions and Assets Held at End of Year as of December 31, 2024 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion –

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## NOTES TO THE FINANCIAL STATEMENTS DECEMBER 31, 2024

### NOTE 1 – Description of Plan

The following description of College Health Enterprise 401(k) Savings Plan (the Plan) is provided for general information only. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

**General** – The defined contribution plan is sponsored by College Hospital Group, Inc. (the Sponsor). The Plan covers all employees of College Hospital Group, Inc. and affiliated organizations (collectively, the Companies) including the following:

- College Health Enterprises, LLC
- CHCM, Inc. dba College Hospital Costa Mesa
- College Hospital, Inc. dba College Hospital Cerritos
- B&E Convalescent Center, Inc. dba Gardena Convalescent Center, Inc.
- Del Amo Gardens Convalescent Center, LLC
- Gardena Retirement Center, Inc.
- CHLB, LLC dba College Medical Center
- College Coastal Care, LLC
- CSU, LLC dba Crisis Stabilization Unit
- CHLB, LLC dba Glendora Hospital
- Kiwi Recovery, LLC

All employees who are 21 years or older are eligible to participate in the plan, with the exception of nonresident aliens. Prior to July 1, 2024, non-fringe benefiting employees were not eligible to participate in the Plan. Effective July 1, 2024, non-fringe benefiting employees are eligible for elective deferrals. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

A plan blackout and conversion occurred in June 2023 whereby the existing seven (7) separate billing groups were consolidated into one (1) master omnibus agreement separated by divisions. As a result, the participants were notified of a blackout period from June 5, 2023 to June 9, 2023. During the blackout period, distributions, loan processing, transaction activity and account updates were suspended. A Plan re-enrollment into the Qualified Default Investment Alternative (QDIA) investment option was completed, excluding any balances in the Voya Fixed Account or Self-Directed Brokerage Account (SDBA) option which transferred over directly. New TD Ameritrade SDBA accounts were opened with all investments transferring in-kind to the new accounts on June 6, 2023.

On August 5, 2020, Charles Schwab acquired TD Ameritrade. On September 5, 2023, the TD Ameritrade accounts were transferred over in-kind from the Self-Directed Brokerage Account (SDBA) option over to the Personal Choice Retirement Account (PCRA) option at Charles Schwab & Co., Inc. The new accounts were established, and participants were notified directly by Charles Schwab. This transition impacted SDBA accounts with the Plan's custodian, Voya, as this was a platform provider level transfer initiated by Charles Schwab.

**NOTE 1 – Description of Plan** (continued)

**Contributions** – Participants can elect to defer a percentage of their earnings, subject to certain limitations. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. At the option of the Sponsor’s Board of Directors, the Companies can elect to contribute a matching contribution. The matching contribution, if made, is a match of the deferral made by the employee up to 4% of eligible compensation on a by payroll period basis. During the years ended December 31, 2024 and 2023, the Companies made discretionary matching contributions of 4% of eligible compensation. In addition, an eligible employee is eligible to receive an allocation of non-elective contributions once they have completed 1,000 service hours. In order to share in the allocation, the participant is required to be employed by the Companies on the last day of the Plan year. Annual contributions are limited to a maximum permissible amount, as set forth in Internal Revenue Code (IRC) Section 415.

**Investment Options** – Participants direct the investment of their accounts into various investment options offered by the Plan. The Plan currently offers a registered investment company mutual funds, a self-directed brokerage account, and an insurance company fixed account.

The self-directed brokerage account was originally established with TD Ameritrade. During the year ended December 31, 2023 due to the acquisition of TD Ameritrade by Charles Schwab, this brokerage account was moved to a self-directed brokerage account with Charles Schwab. Voya Retirement Insurance and Annuity Company (Voya) is the custodian of all funds held within the brokerage account. Investments earnings related to the self-directed brokerage account are included in dividends of self-directed brokerage account.

**Participant Accounts** – Each participant's account is credited with the participant's contribution, the matching contribution and non-elective contribution, if any, and an allocation of plan earnings. Plan earnings are allocated based on a ratio of the participant's account balance to the total of the investment balance. Asset management fees are deducted directly from the various funds in each participant’s account. The benefit to which participants are entitled is the vested amount in their individual account.

**Vesting** – Participants are immediately vested in their elective deferral contribution plus actual earnings thereon. If a participant terminates employment prior to normal retirement age (65) for reasons other than death or disability, the portion of the matching and non-elective contribution is vested based on years of eligible service. A year of vesting service is defined as 1,000 hours of service during a Plan year. Under this method, vesting service is measured on a plan year basis from the date of hire through the severance date expressed in years or a fraction thereof according to the following scale:

| <u>Vesting Service Years</u> | <u>Vesting Percentage</u> |
|------------------------------|---------------------------|
| 0 – 1                        | 0%                        |
| 2                            | 20%                       |
| 3                            | 40%                       |
| 4                            | 60%                       |
| 5                            | 80%                       |

#### NOTE 1 – Description of Plan (continued)

**Payment of Benefits** – Upon retirement, participants can choose to receive benefits as a single lump sum payment, take partial withdrawals or installments consisting of only their minimum required distribution, or receive partial payments in increments of at least \$1,000. Upon termination of service, the participant's elective deferral contributions, plus any vested portion of the Companies' contributions are disbursed to the participant as soon as administratively feasible, unless he or she had a balance of \$5,000 or more and elected to remain in the Plan. Benefits are recorded when paid.

**Hardship Withdrawals** – The Plan allows for hardship withdrawals, limited to the participant's pretax elective deferral account balance. Former employees are ineligible for hardship withdrawals.

**Administration of Plan Assets** – The Sponsor is also the Plan administrator. The administrator entered into a contract with Voya. Under the terms of the contract, Voya holds the Plan's investment assets and executes investment transactions. As permitted by Department of Labor regulations, Voya has certified certain financial information contained in the statements of net assets available for benefits and the statement of changes in net assets available for benefits to be complete and accurate. As permitted by Department of Labor Regulations, Voya has certified certain financial information contained in the statements of net assets available for benefits and the statement of changes in net assets available for benefits to be complete and accurate.

**Forfeitures** – A forfeiture is the portion of a participant's account which the participant loses upon termination of employment. It is equal to the non-vested portion of the account. Forfeitures can be used to offset future employer matching contributions, restore forfeitures, or pay plan expenses. During the plan year ended December 31, 2024, \$111,559 of forfeitures were used to pay administrative expenses. As of December 31, 2024 and 2023, there were \$132,457 and \$103,395 respectively, in forfeitures available to be used for employer matching contribution, to restore forfeitures, or to pay plan expenses.

**Notes Receivable from Participants** – Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant notes are reclassified as distributions based on the terms of the Plan document.

#### NOTE 2 – Summary of Significant Accounting Policies

**Basis of Accounting** – The financial statements and supplemental schedules have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

## COLLEGE HEALTH ENTERPRISES 401(K) SAVINGS PLAN

### NOTES TO THE FINANCIAL STATEMENTS

DECEMBER 31, 2024

(Continued)

#### NOTE 2 – Summary of Significant Accounting Policies (continued)

**Basis of Accounting** (continued) – Investments held by a defined contribution plan are required to be reported at fair value except for fully benefit-responsive investment contracts. Contract value is the relevant measure for the portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants would receive if they initiated permitted transactions under the terms of the Plan.

The statements of net assets available for benefits present the contract value of fully benefit-responsive investment contracts. The statement of changes in net assets available for benefits is prepared on a fair value basis for investment contracts that are not deemed to be fully benefit-responsive.

**Investment Valuation** – Investments are stated at fair value and contract value. The Plan’s trustee, Voya Retirement Insurance and Annuity Company, certifies the contract value of the fully-benefit responsive investment contract and the fair value of the registered investment company mutual funds. If available, quoted market prices are used to value investments. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net investment appreciation includes the plan’s gains and losses on investments bought and sold, as well as held during the year.

Fair value is the price that would be received to sell an asset or paid to transfer a liability (i.e. the “exit price”) in an orderly transaction between market participants at the measurement date. Contract value is the relevant measurement for assets invested in fully-benefit responsive investment contracts because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the Plan.

**Operating Expenses** – Certain administrative fees are collected from participant accounts and paid to the record keeper, the trustee and the Plan’s investment advisor. Certain administrative expenses such as audit and legal fees are paid by the Sponsor and are not included in the financial statements. Expenses related to specific participant transactions are charged to the respective participant’s accounts.

On March 5, 2024 as a related and participating employer, trustees Barry J Weiss and Yoel Weiss signed the New Edge Retirement Plan Agreement with the Financial Advisors Broker Dealer Firm.

**Plan Amendments and Changes** – The Plan Document was amended and re-stated effective January 1, 2024. The Plan transitioned from the pre-approved FT Williams Non-Standardized Document sponsored by PCS Retirement, LLC, over to the pre-approved ASC (Actuarial Systems Corporation) Non-Standardized Document sponsored by July Business Services. There are only the two (2) trustees remaining, Barry J. Weiss and Yoel Weiss. The following entities stopped participating in the Plan and had no participants with a balance: (1) WDW Joint Venture dba Downey Community Health Center; and (2) JW BJW-ADHC, LLC dba Adult Day Health Care. There are only twelve (11) remaining business entities participating in the Plan.

### NOTES TO THE FINANCIAL STATEMENTS

DECEMBER 31, 2024

(Continued)

#### NOTE 2 – Summary of Significant Accounting Policies (continued)

**Plan Amendments and Changes** (continued) - The Plan's Eligibility was amended as of July 1, 2024 to allow all employees the option to defer salary to the Plan provided, who have obtained a minimum age of 21, with Non-resident Aliens continuing to be excluded from participation. Only the Fringe Benefiting Employees are eligible for the Employer Contributions, including the discretionary Employer Match. This change was made to allow more employees the option to save for retirement and to address regulations associated with Long-Term Part-Time Employees contained in the Secure 2.0 Act.

#### NOTE 3 – Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenses during the reporting period. Actual results may differ from those estimates.

#### NOTE 4 – Information Certified by Trustee of the Plan

The Plan administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Voya, the Trustee has certified that the following data included in the accompanying financial statements and supplemental schedules is complete and accurate:

- Investments and notes receivable from participants as shown on the statements of net assets available for benefits as of December 31, 2024 and 2023.
- Net investment activity and interest income on notes receivable from participants as shown in the statement of changes in net assets available for benefits for the year ended December 31, 2024.
- Investment information included in the footnotes and supplemental schedule of assets (held at end of year) as of December 31, 2024 and 2023.

The Plan's independent auditors did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and supplemental schedules.

#### NOTE 5 – Fair Value Measurements

The Plan has adopted the requirements of the Fair Value Measurements and Disclosure Topic of the FASB Accounting Standards Codification. This Topic defines fair value and requires enhanced disclosure about assets and liabilities carried at fair value. These additional disclosures are required only for financial assets and liabilities measured at fair value and for nonfinancial assets and liabilities measured at fair value on a recurring basis. The Defined Contribution Pension Plans Topic of the FASB Accounting Standards Codification exempts defined contribution plans from other requirements of this topic.

### NOTES TO THE FINANCIAL STATEMENTS

DECEMBER 31, 2024

(Continued)

#### NOTE 5 – Fair Value Measurements (continued)

This Topic requires that a fair value measurement reflect the assumptions market participants would use in pricing an asset or liability based on the best available information. These assumptions include risks inherent in a particular valuation technique (such as a pricing model) and the risks inherent in the inputs to the model. It also specifies that transaction costs should not be considered in the determination of fair value. According to this Topic, fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date (exit price).

This Topic establishes a fair value hierarchy that prioritizes the inputs used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurement) and the lowest priority to unobservable inputs (Level 3 measurement). The three levels of the fair value hierarchy defined by this Topic are as follows:

Level 1 – Quoted prices are available in active markets for identical assets or liabilities as of the reporting date. Active markets are those in which transactions for the asset or liability occur in sufficient frequency and volume to provide pricing information on an ongoing basis.

Level 2 – Pricing inputs are observable, either directly or indirectly, but are not quoted prices included within Level 1. Level 2 includes those financial instruments that are valued using external inputs with models or other valuation methodologies.

Level 3 – Pricing inputs include significant inputs that are generally less observable from objective sources. These inputs may be used with internally developed methodologies that result in management's best estimate of fair value. Level 3 instruments include those that may be more structured or otherwise tailored to customers' needs.

As required by this Topic, financial assets and liabilities are classified in their entirety based on the lowest level of input that is significant to the fair value. The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in methodologies used at December 31, 2024 and 2023.

*Registered investment companies* – The fair values of registered investment companies are determined by obtaining quoted prices on nationally recognized securities exchanges (Level 1 inputs).

*Self-Directed Brokerage Account* – Actively traded money market funds are measured at NAV and classified as Level 1. The fair value of individual equities, fixed income and exchange-traded funds are determined using quoted prices in active markets and are classified as Level 1. The fair value of mutual funds is determined by the NAV which represents the exit price. Mutual funds are classified as Level 1 as they are traded in active markets and quoted prices are available.

## COLLEGE HEALTH ENTERPRISES 401(K) SAVINGS PLAN

### NOTES TO THE FINANCIAL STATEMENTS

DECEMBER 31, 2024

(Continued)

#### **NOTE 6 – Notes Receivable from Participants**

The Plan allows loans to participants based on their vested account balance. The minimum loan amount is \$1,000. The maximum loan balance is (1) \$50,000 minus the difference between the highest outstanding balance of loans in the past 12 months and the outstanding balance from the Plan on the date the loan was made or (2) fifty percent of vested account balance under the Plan, whichever is less. Participants may not have more than one outstanding loan at one time. Loans must be repaid within five years, unless the loan is for a principal residence. Periodic loan payments must be made on at least a quarterly basis throughout the loan period. Interest rates on loans outstanding at December 31, 2024, ranged from 5.25% - 10.50%. Loans are secured by the vested account balance of the participant.

#### **NOTE 7 – Investment Contract with Insurance Company**

The Plan entered into a fully benefit-responsive investment contract with Voya. Voya maintains the contributions in the general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The contract is included in the financial statements at contract value as reported to the Plan by Voya. Contract value represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

There are no reserves against contract value for credit risk of the contract issuers or otherwise. Under the terms of the existing contract, the crediting interest rate is based on a formula agreed upon with the issuer, with a contractual minimum guaranteed interest rate of 1% and a declared interest rate of 2% for the life of the contract. The actual credited interest rate will be greater than the declared interest rate and the contractual minimum guaranteed interest rate. Such interest rates are reviewed periodically for resetting.

Certain events may limit the ability of the Plan to transact at contract value with Voya. Such events include termination of the contract, spin-offs, divestitures, layoffs, corporate relocation, partial or total plan termination, retirement incentive programs, and the liberalization of plan withdrawal or transfer rules. Upon occurrence of any of these events, a market value adjustment or other withdrawal restrictions may apply. The Plan sponsor may choose to pay the market value adjustment directly, if applicable, so that participants' contract values are not affected. The plan administrator does not believe that the occurrence of any such value event, which would limit the Plan's ability to transact at contract value with participants, is probable.

The guaranteed investment contract does not permit the insurance company to terminate the agreement prior to the scheduled maturity. Average yields were approximately 2.25% for Voya Fixed Account 4450.

#### **NOTE 8 – Plan Termination**

Although they have not expressed any intent to do so, the Sponsor has the right under the Plan to discontinue their contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants will become 100 percent vested in their accounts.

#### **NOTE 9 – Income Tax Status**

The Plan has adopted a pre-approved Actuarial System Corporation (ASC) non-standardized document sponsored by July Business Services. The Plan obtained a determination letter in 2020 in which the Internal Revenue Service stated that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code. The Plan has been amended since receiving the determination letter. However, the Plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code.

In accordance with the guidance on accounting for uncertainty in income taxes, the Plan administrator evaluated the Plan's tax positions and does not believe the Plan has any uncertain tax positions that require disclosure in or adjustment to the financial statements. The Plan is subject to routine audits by tax jurisdictions; however, there are currently no audits for any tax periods in progress.

#### **NOTE 10 – Separated Participants with Deferred Vested Benefits**

Included in net assets available for benefits are amounts due to participants who have withdrawn from the Plan but still have vested benefits in the Plan's net assets. For the Plan years ended December 31, 2024 and 2023, these benefits were \$18,881,113 and \$17,525,037, respectively.

#### **NOTE 11 – Related Party and Party-in-Interest Transactions**

Certain administrative fees are collected from participant accounts and paid to the record keeper, the trustee and the Plan's investment advisor. Fees paid to Voya from the Plan were \$30,000 for the year ended December 31, 2024. Fees paid to Morningstar from the Plan were \$33,762 for the year ended December 31, 2024. Fees paid to PensionSource from the Plan were \$26,413, net of forfeitures of \$111,559 for the year ended December 31, 2024. Other administrative costs were paid by the Sponsor and are not reported in the financial statements. Certain Plan investments are held in investment vehicles managed by Voya, the trustee of the Plan. These transactions qualify as party-in-interest transactions.

**NOTES TO THE FINANCIAL STATEMENTS**

**DECEMBER 31, 2024**

**(Continued)**

**NOTE 12 – Risks, Uncertainties and Contingencies**

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

The Plan has a concentration of investments in My Compass Index Moderate Funds and Voya Fixed Account (4450). A change in the value of the My Compass Index Moderate Funds and Voya Fixed Account (4450) could cause the value of the Plan's net assets available for benefits to change due to this concentration. In addition, as a result of funds being selected by participants, certain other funds may individually represent a concentration of greater than 10% of Plan's investments, at fair value in the statements of net assets available for benefits. Although these individual funds maintain a level of diversification by investing in multiple equity, debt or other instruments, there may be a concentration of risk because the funds are invested at the direction of a single fund manager. At December 31, 2024, My Compass Index Moderate 2035, 2045, 2055 and Retirement Funds, Voya Fixed Account (4450) individually represented greater than 10% of the Plan's investments, at fair value.

**NOTE 14 – Corrective Refunds Payable, Corrective Distributions and Operating Payables**

Amounts payable to participants for contributions in excess of amounts allowed by the IRS are recorded as corrective refunds payable in the accompany statements of net assets available for benefits. Subsequent to year end the excess aggregate contributions were returned to comply with the actual deferral percentage (ADP) limit under Code Section 401(m). On November 29, 2024, excess contributions of \$149,483, \$97,601 and \$97,355 were returned to comply with the ADP limit under Code Section 401(m) related to the Plan years 2023, 2022 and 2021, respectively. For the year ended December 31, 2024, corrective refunds payable was recognized in the amount of \$121,241 related to plan year 2024. On July 31, 2025 the excess refunds were submitted to Voya and processed on August 7, 2025.

**NOTE 15 – Delinquent Participant Deferral Transmittals**

During the year ended December 31, 2024, 2023, and 2022, the Companies inadvertently failed to deposit \$253,933, \$243,411 and \$163,278, respectively, of participant contributions within the required timeframe stated by the DOL. The DOL considers late deposits to be nonexempt prohibited transactions. The Companies will calculate the foregone earnings for the 2022, 2023 and 2024 late remittances that would have been credited to participants' accounts if the late remittances had been made on a timely basis, and the Companies will contribute those amounts to the Plan subsequent to year end.

**NOTE 16 – DOL Resolution in 2022 Form 5500 Filing**

On February 29, 2024, a Notice of Rejection of the Form 5500 Annual Report was sent by the DOL for the plan year ended December 31, 2022. The reason for the rejection was the failure to include the Independent Qualified Public Accountant (IQPA) Report along with the filing in accordance with regulation Section 2520-103-1(b). The Sponsor was provided 45-days to amend and restate with the report attached to avoid possible civil penalty.

The Sponsor replied by requesting an additional extension and provided a reasonable response for the delayed filing due to multiple factors on April 15, 2024. A request to waive or abate the late fees and penalties was also included upon a completed filing due to reasonable cause and not to willful neglect or intent not to file timely.

On May 28, 2024, a Notice of Intent to Assess a Penalty for failure to file an amended return for the Form 5500 Annual Report was sent by the DOL for the plan year ended December 31, 2022. The letter required a statement of reasonable cause to be provided and returned to the DOL. There was no mention or reference made to the response letter sent by the Sponsor dated April 15, 2024.

The Sponsor replied again by requesting an additional extension and provided a reasonable response for the delayed filing due to multiple factors on June 26, 2024. Another request to waive or abate the late fees and penalties was also included upon a completed filing due to reasonable cause and not to willful neglect or intent not to file timely.

On August 12, 2024, a Notice of Determination on Statement of Reasonable Cause and Assessment of Civil Penalty was sent by the DOL. The DOL stated the Plan Administrator did not present reasonable cause and, additionally, failed to correct so in a timely manner. This resulted in a penalty of \$235,560 against the Plan Administrator.

On August 19, 2024, the Plan Sponsor engaged Althea R. Day, of Morgan, Lewis & Bockius LLP, as an ERISA Counsel to request a hearing with the Office of Administrative Law Judges (OALJ) regarding the penalty determination notice. Their office assisted with the response and appeal to the DOL concerning the Civil Penalty matter related to the Form 5500 for the plan year ended December 31, 2022.

On April 10, 2025, a settlement was reached between Complaint Employee Benefits Security Administration and the Plan Administrator. The Plan Administrator paid a penalty in the amount of \$15,000 and is now in compliance with the reporting requirements for plan year 2022.

#### Note 17 – Subsequent Events

Effective January 1, 2025, College Medical Center Phoenix, LLC as a related and participating employer, was added to the Plan.

On March 20, 2025 the US Department of Labor settled and dismissed the case with the Plan Administrator. On April 10, 2025, a settlement was reached between Complaint Employee Benefits Security Administration and the Plan Administrator regarding the late filing of the 2022 Form 5500 (see note 16) and an order of Dismissal was filed. The Plan Administrator paid a penalty in the amount of \$15,000 and is now in compliance with the reporting requirements for plan year 2022.

On May 22, 2025 an Annual Investment Committee meeting to complete the Annual Plan Review with Voya, financial advisor and Third Party Administrator (TPA) with data as of March 31, 2025, took place. The TPA reviewed the upcoming compliance issues along with the required plan corrections for the ADP excess refunds. The Advisor confirmed concessions by Voya to increase the Voya Fixed Account returns from 2.25% to 2.50% annual returns. Additionally, they acknowledged they would be lowering the asset-based fee from 0.20% to 0.15% due to the increased value of the Plan's assets and reduce the Daily asset Charge from 0.30% to 0.25%. All adjustments were effective as of July 1, 2025.

Subsequently on June 6, 2025 Voya increased the Voya Fixed Account Declared Credit Rate from 2.50% to 2.55%, with a 1.00% Guaranteed Minimum Interest Rate, reduced the financial advisor's fee from 0.20% to 0.15%, and reduced the Daily Asset Charge from 0.30% to 0.25%. These changes were effective July 1, 2025.

Effective August 18, 2025 investment changes to the Plan were made. The Plan chose a default investment intended to satisfy Department of Labor regulations on Qualified Default Investment Alternatives for participants who have not provided investment directions for their retirement account. The related Sarbanes-Oxley Blackout Notice was generated and mailed out to participants, newly eligible employees, and beneficiaries at least 30-days (but no more than 60-days) prior to the change.

The fair value of investments held by the Plan could fluctuate significantly subsequent to year end. The trustees and management monitor the performance of the Plan's investments including approving changes in the investment options subsequent to year end.

The Plan did not have any other subsequent events through October 15, 2025, which is the date the financial statements were issued, requiring recording or disclosure in the financial statements for the year ended December 31, 2024.
