**TENSTORRENT USA INC 401k PLAN**

FINANCIAL STATEMENTS

DECEMBER 31, 2024 AND 2023

## INDEPENDENT AUDITOR'S REPORT

Plan Administrator  
Tenstorrent USA Inc 401k Plan

### **Scope and Nature of the ERISA Section 103(a)(3)(C) Audit**

We have performed an audit of the accompanying financial statements of Tenstorrent USA Inc 401k Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statement of net assets available for benefits as of December 31, 2024, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained a certification from a qualified institution as of December 31, 2024, and for the year then ended, stating that the certified investment information, as described in Note 6 to the financial statements, is complete and accurate.

### **Opinion**

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section –

- The amounts and disclosures in the financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## **Basis for Opinion**

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

## **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

## **Auditor's Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an

opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

#### **Other Matters - Supplemental Schedules Required by ERISA**

The supplemental schedules of assets (held at end of year) as of December 31, 2024 and delinquent participant contributions for the year ended December 31, 2024 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion –

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

**TENSTORRENT USA INC 401k PLAN**  
**NOTES TO FINANCIAL STATEMENTS**  
**DECEMBER 31, 2024 AND 2023**

**NOTE 1 - DESCRIPTION OF THE PLAN**

The following brief description of the Tenstorrent USA Inc 401k Plan (the “Plan”) is provided for general information purposes only. Participants should refer to the Plan document for more specific provisions.

**A. General**

The Plan is a defined contribution plan that was established in 2018 by Tenstorrent USA, Inc. (the “Company”) to provide benefits to eligible employees, as defined in the Plan document. The plan administrator believes the Plan is designed and operated in compliance with the applicable requirements of the Internal Revenue Code (the “Code”) and provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”), as amended.

**B. Administration and Expenses**

The Company manages the operation and administration of the Plan. The Committee designated Fidelity Management Trust Company (“Fidelity”) to serve as trustee and to provide record keeping and administrative services.

Investment fund management fees and operating expenses are charged directly to the fund and are thereby factored into each fund as a reduction in investment return. Certain transaction fees including withdrawal and participant loan administration fees are charged directly to participants. Other costs of operating the Plan are paid by the Company.

**C. Eligibility**

Substantially all regular employees of the Company age 21 or older are eligible to participate in the Plan on the first day of the month following employment.

**D. Contributions**

Participants may elect to make pre-tax and/or Roth after-tax contributions to the Plan up to the maximum amount permitted under provisions of the Code. Participants may elect to make contributions to the Plan on an after-tax basis up to applicable Code limits. Participants age 50 or older may elect to make additional catch-up contributions subject to applicable Code limits.

Participants are also allowed to make rollover contributions of amounts received from other tax-qualified retirement plans. Such contributions are invested in accordance with participant directions and Plan provisions.

The Company has elected to make employer matching contributions on behalf of eligible participants in an amount equal to 100% of the first 6% of a participants eligible compensation, contributed to the Plan as deferral contributions. The Company may make discretionary nonelective contributions at the discretion of the Company. For 2024, no discretionary nonelective contributions were made by the Company.

**TENSTORRENT USA INC 401k PLAN**  
**NOTES TO FINANCIAL STATEMENTS**  
**DECEMBER 31, 2024 AND 2023**

**NOTE 1 - DESCRIPTION OF THE PLAN (Continued)**

**E. Participant Accounts**

Each participant's account is credited with the participant's contributions, rollovers, Company contributions and an allocation of the participant's share of Plan earnings or losses and expenses. Plan assets are invested based on participant directions. Participants may select investments from a diversified menu of investment options. The contributions of participants who decline to make an investment election are invested in the Fidelity Freedom Index Fund appropriate for the individual's age and projected date of retirement.

**F. Vesting**

All participant accounts are 100% vested.

**G. Notes Receivable from Participants**

The Plan allows participants to borrow not less than \$1,000 and up to the lesser of \$50,000 or 50% of their vested account balance. A loan is secured by a participant's account, bears a fixed rate of interest based on available market financing rates at loan inception and must be repaid to the Plan within a five-year period unless the loan is used for the purchase of a principal residence in which case the maximum repayment period may be extended to ten years. Principal and interest are paid ratably through payroll deductions. Notes receivable from participants at December 31, 2024 carry interest rates of 9.50% with various maturities through July 2027.

Notes are measured at their unpaid principal balance plus accrued interest. Delinquent notes receivable from participants are recorded as a distribution based on the terms of the Plan document.

**H. Payment of Benefits**

Normal retirement age under the Plan is age 65. Upon termination of service, death, disability attainment of age 59 ½ or retirement, a participant may maintain his or her account in the Plan or elect to receive benefits in a lump sum. Hardship distributions are available under limited circumstances, as defined in the Plan, subject to the approval of the plan administrator.

**NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

**A. Basis of Accounting**

The financial statements of the Plan are presented on the accrual basis of accounting.

**B. Investment Valuation and Income Recognition**

Plan investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

**TENSTORRENT USA INC 401k PLAN**  
**NOTES TO FINANCIAL STATEMENTS**  
**DECEMBER 31, 2024 AND 2023**

**NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)**

**B. Investment Valuation and Income Recognition (Continued)**

Purchases and sales of investments are recorded on the trade-date basis. Interest income is recorded on the accrual basis. Dividend income is recorded on the ex-dividend date. Mutual fund capital gains distributions are included in dividend income. Net appreciation includes gains and losses on investments bought and sold as well as held during the year.

**C. Estimates**

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect reported amounts and disclosures. Actual results may differ from those estimates.

**D. Payment of Benefits**

Benefits are recorded when paid.

**E. Risks and Uncertainties**

Plan investments are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with investments, it is at least reasonably possible that changes in the values of investments will occur in the near term and such changes could materially affect participants' account balances and the amounts reported in the financial statements.

**NOTE 3 - INCOME TAX STATUS**

The Company adopted a prototype plan that has received an opinion letter from the Internal Revenue Service stating that the form of the Plan qualifies under applicable provisions of the Code. The plan administrator believes the Plan is currently designed and operated in accordance with the applicable requirements of the Code and related state statutes, and the trust, which forms a part of the Plan, is exempt from federal income and state franchise taxes.

Accounting principles generally accepted in the United States of America require management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken a tax position that more likely than not would not be sustained upon examination by a tax authority. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

**NOTE 4 - RELATED PARTY TRANSACTIONS**

Certain Plan investments are managed by affiliates of the trustee. Purchases and sales of these funds and payments of direct and indirect administrative and investment management fees to Plan service providers by the Plan are considered party-in-interest transactions under ERISA regulations. Such transactions, while considered party-in-interest transactions under ERISA, are permitted under provisions of the Plan and are specifically exempt from prohibition of party-in-interest transactions under ERISA.

**TENSTORRENT USA INC 401k PLAN**  
**NOTES TO FINANCIAL STATEMENTS**  
DECEMBER 31, 2024 AND 2023

**NOTE 5 - PLAN TERMINATION**

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue contributions at any time and to terminate the Plan subject to provisions of ERISA. The accounts of participants affected by a partial or complete termination of the Plan are non-forfeitable and will be determined as of the termination date.

**NOTE 6 - FINANCIAL INFORMATION CERTIFIED BY THE TRUSTEE**

The plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA. Certain information related to investments disclosed in the accompanying financial statements and supplemental schedules including investments held at December 31, 2024, and net appreciation of investments, interest and dividends for the year ended December 31, 2024, was obtained or derived from information supplied to the plan administrator and certified as complete and accurate by Fidelity Management Trust Company, the trustee of the Plan.

**NOTE 7 - FAIR VALUE MEASUREMENTS**

Accounting guidance on measuring fair value establishes a hierarchy that prioritizes valuation inputs into three levels based on the extent to which inputs used in measuring fair value are observable in the market. Under the fair value hierarchy Level 1 inputs are quoted prices for identical securities in an active market. Level 2 inputs are quoted prices for similar instruments and model-based valuation techniques for which all significant assumptions are observable in the market or can be corroborated by observable market data. Level 3 inputs are generally unobservable and typically reflect management estimates of assumptions that market participants would use in pricing the asset or liability.

Mutual funds are valued at daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value (“NAV”) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded. Although the plan administrator believes this valuation method is appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine fair value could result in a different fair value measurement at the reporting date.

The following table summarizes Plan investments at December 31 based on the inputs used to value them:

	2024			
	Level 1	Level 2	Level 2	Total
Mutual Funds	\$ 21,521,828	\$ -	\$ -	\$ 21,521,828
	2023

**TENSTORRENT USA INC 401k PLAN**  
**NOTES TO FINANCIAL STATEMENTS**  
**DECEMBER 31, 2024 AND 2023**

**NOTE 8 - FIDELITY MANAGED INCOME PORTFOLIO FUND**

The Fidelity Managed Income Portfolio Fund is a common/collective trust that seeks to offer a higher yield than money market instruments while providing safety of principal and invests primarily in guaranteed investment contracts issued by insurance companies and banks. Fidelity is contractually obligated to repay principal and a specified interest rate to the Plan. Because the funds are fully benefit-responsive, contract value is the relevant measurement attribute for that portion of net assets available for benefits attributable to this fund. Contract value represents contributions made to the fund, plus earnings, less participant withdrawals and administrative expenses.

Premature cancellation of the contracts by the Plan is subject to restrictions and may result in market value adjustments and/or redemption charges. The plan administrator does not believe that any events limiting the Plan's ability to transact at contract value are probable of occurring. The crediting interest rate of the fund is based on a formula. The average yield of the Managed Income Portfolio Fund was 2.72% and 2.13% for the 2024 and 2023 plan years, respectively.

**NOTE 9 - RECONCILIATION OF FINANCIAL STATEMENTS TO THE FORM 5500**

The following is a reconciliation of net assets available for benefits per the financial statements to the net assets per the Form 5500:

Net Income Per the Form 5500	\$ 10,653,303

**NOTE 10 - DELINQUENT PARTICIPANT CONTRIBUTIONS**

Participant contributions totaling approximately \$434,793 withheld from participants' pay were not received by the trustee within the time frame established by Department of Labor regulations during the 2024 Plan year. The plan administrator engaged in a prohibited transaction under ERISA as a consequence of the failure to timely remit participant deferrals to the Plan.

**TENSTORRENT USA INC 401k PLAN**  
**NOTES TO FINANCIAL STATEMENTS**  
**DECEMBER 31, 2024 AND 2023**

**NOTE 11 - SUBSEQUENT EVENTS**

Management has evaluated subsequent events through October 14, 2025, the date on which the financial statements were available to be issued. There are no material subsequent events that require recognition or additional disclosure in the Plan's financial statements.
