## Independent Auditor's Report

Plan Administrator and Board of Directors  
TrustBridge 401(k) Plan  
West Palm Beach, Florida

### ***Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2024 Financial Statements***

We have performed an audit of the financial statements of TrustBridge 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statement of net assets available for benefits as of December 31, 2024, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements ("2024 Financial Statements").

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2024 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of December 31, 2024, and for the year then ended, stating that the certified investment information, as described in Note 2 to the financial statements, is complete and accurate.

### ***Opinion on the 2024 Financial Statements***

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2024 Financial Statements section:

- The amounts and disclosures in the accompanying 2024 Financial Statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying 2024 Financial Statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### ***Basis for Opinion on the 2024 Financial Statements***

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (“GAAS”). Our responsibilities under those standards are further described in the Auditor’s Responsibilities for the Audit of the 2024 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### ***Responsibilities of Management for the 2024 Financial Statements***

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management’s election of the ERISA Section 103(a)(3)(C) audit does not affect management’s responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan’s ability to continue as a going concern within one year after the date that these financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan’s transactions that are presented and disclosed in the financial statements are in conformity with the plan’s provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### ***Auditor’s Responsibilities for the Audit of the 2024 Financial Statements***

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2024 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor’s report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan’s internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America. We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

### ***Other Matters***

#### ***2024 Supplemental Schedules Required by ERISA***

The supplemental schedule of assets (held at end of year) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or are derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedules that agreed to or are derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## **Auditor's Report on the 2023 Financial Statements**

Predecessor auditors performed an audit of the 2023 financial statements of the Plan. In accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the prior year audit did not extend to any statements or information related to assets held for investment of the plan that were certified by a qualified institution. Their report, dated September 30, 2024, indicated that (a) the amounts and disclosures in the 2023 financial statements, other than those agreed to or derived from the certified investment information, were presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America, and (b) the information in the 2023 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C). Their report also indicated that the form and content of the 2023 supplemental schedule, other than the information in the 2023 supplemental schedule that agreed to or is derived from the certified investment information, was presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA; and the information in the 2023 supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determines meets the requirements of ERISA Section 103(a)(3)(C).

**TrustBridge 401(k) Plan  
Notes to Financial Statements  
December 31, 2024 and 2023**

---

**Note 1. Description of Plan**

The following description of the TrustBridge 401(k) Plan (the “Plan”) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan’s provisions.

**General**

The Plan is a defined contribution plan established by TrustBridge, Inc. (TrustBridge) (the “Plan Sponsor”). The Plan covered substantially all employees who had completed thirty days of eligible service at TrustBridge and the participating employers. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”).

The participating employers of the Plan included Hospice by the Sea, Inc., Hospice of Palm Beach County, Inc., South Florida Palliative Medicine Specialists, Inc., Hospice Partners on Call, Inc., and Hospice of Palm Beach County Foundation, Inc. and The Medical Store of Palm Beach County, Inc.

**Contributions**

Each year, participants may contribute up to the statutory limit subject to Section 402(g) of the Internal Revenue Code (“IRC”). Employees were automatically enrolled to defer 3% of compensation once the employee becomes eligible to contribute. Effective January 1, 2018, on the first day of each calendar year, the initial automatic deferral amount will increase by 1% of compensation up to a maximum of 10% of compensation. TrustBridge contributed 4% of the employee’s compensation for the year for those employees over age 21 with one year of service as a non-elective safe harbor contribution. Additional profit-sharing amounts may be contributed at the option of TrustBridge’s Board of Directors. There was no profit sharing contribution was authorized for the years ended December 31, 2024 and 2023. A participant must work 1,000 hours during the plan year in order to be eligible for employer contributions in the year ended December 31, 2024.

**Participant Accounts**

Each participant’s account is credited with the participant’s contribution and an allocation of (a) TrustBridge’s contributions, (b) Plan earnings, and is charged with his or her withdrawals and an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account. Each participant directs the investment of his or her account to any of the investment options available under the Plan.

**Vesting**

Participants are immediately vested in their employee contributions and any non-elective safe harbor contributions plus actual earnings thereon. Participants hired after October 1, 2008 are vested in their account based on a five-year graded schedule. Vesting for participants in the Plan prior to the plan freeze (see note 10) was as follows:

Less than 1 year	20%
2 years	40%
3 years	60%
4 years	80%
5 years	100%

**Forfeited Accounts**

Forfeitures of applicable employer profit sharing contributions are used to offset future employer matching contributions or administrative expenses of the Plan. As of December 31, 2024 and 2023, there were approximately \$10,000 and \$0 forfeitures available to reduce future employer contributions, respectively.

### ***Investment Options***

Upon enrollment in the Plan, a participant was able to elect to have their employee and employer contributions, and related earnings allocated to investments held at the Delaware Charter Guarantee and Trust Company d/b/a Principal Trust Company (the "Plan Custodian"). Participants can change their investment election at any time.

### ***Payment of Benefits***

Upon the death, permanent disability, or retirement of participants, their entire account balances become fully vested. Hardship withdrawals are permitted under the Plan. Distribution of benefits may be made in one lump-sum cash payment, in equal monthly, quarterly, semiannual, or annual cash installments, or, upon retirement, in installments based upon the participant's life expectancy at the time of retirement. Upon death, the participant's beneficiary may also make a withdrawal in lump-sum or installment method. Participants who terminate for reasons other than death, disability, or retirement are entitled only to their vested balances payable in a lump-sum distribution. There were no unpaid amounts allocated to participants who elected to withdraw from the Plan as of December 31, 2024 and 2023.

## **Note 2. Summary of Significant Accounting Policies**

The following is a summary of significant accounting policies.

### ***Basis of Accounting***

The financial statements of the Plan are prepared on the accrual basis of accounting in conformity with accounting principles generally accepted in the United States of America ("GAAP").

### ***Use of Estimates***

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts and disclosures at the date of the financial statements. Actual results could differ from those estimates.

### ***Participant Notes Receivable***

Participants can borrow from their accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000, or 50%, of their vested account balance. Note terms range from 1-5 years, or up to 30 years for the purchase of a principal residence. The loans are collateralized by the balance in the participant's account and bear interest at a rate commensurate with local prevailing rates, as determined by the Plan administrator. Principal and interest was paid ratably through monthly payroll deductions. Participants may only have one outstanding note receivable at a time.

Participant notes receivable are recorded at their unpaid principal balance, plus accrued but unpaid interest. If collections of participant notes receivable are deemed doubtful, the amount is recognized as a distribution in the period the determination is made.

### ***Risks and Uncertainties***

The Plan provides for certain investment options in a combination of collective trusts and mutual funds. The underlying investment securities are exposed to various risks, such as interest rate, market, liquidity and credit risks as well as the risks associated with global events such as a pandemic or international conflict. Due to the level of risk associated with certain investment securities and the level of uncertainty related to changes in the value of investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the statement of net assets available for benefits and participants' individual account balances.

***Administrative Costs and Investment Fees***

Administrative expenses of the Plan, including compensation for the Plan Custodian, consultants, and legal counsel, may be paid by the Plan Sponsor. Commissions and other investment-related expenses are netted against the net change in fair value of investments. Participant notes receivable expenses and other participant requested activity fees are paid by the participant.

***Investment Valuation and Income Recognition***

The Plan's investments are reported at fair value. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net change in fair value includes the Plan's gains and losses on investments bought and sold as well as held during the year.

***Payment of Benefits***

Benefits paid to participants are recorded upon distribution.

***Subsequent Events***

In preparing the financial statements, the Company has evaluated events and transactions for potential recognition or disclosure through October 15, 2025, the date the financial statements were available to be issued.

**Note 3. Information Certified by the Plan Trustee**

The Plan Administrator has elected the method of annual reporting compliance permitted by ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, the Plan Custodian, a qualified institution, has certified the following investment information included in the accompanying financial statements and ERISA-required supplemental schedule(s) is complete and accurate:

- Investments and notes receivable from participants as shown in the statements of net assets available for benefits as of December 31, 2024 and 2023, respectively.
- Investment income, and interest income from notes receivable from participants as shown in the statements of changes in net assets available for benefits for the year ended December 31, 2024.
- Investment information included in the accompanying schedule of assets (held at end of year) as of December 31, 2024.

The Plan's independent auditors did not perform auditing procedures with respect to this certified investment information, except for comparing such certified investment information to the related investment information included in the financial statements and ERISA-required supplemental schedule.

**Note 4. Plan Termination**

Although it has not expressed any intent to do so, the Company has the right, under the Plan, to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

**Note 5. Fair Value Measurement**

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Fair value measurements must maximize the use of observable inputs and minimize the use of unobservable inputs. The hierarchy comprises three levels of inputs that may be used to measure fair value:

- Level 1** Quoted prices in active markets for identical assets or liabilities
- Level 2** Observable inputs other than Level 1 prices, such as quoted prices for similar assets or liabilities, quoted prices in markets that are not active, or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the assets or liabilities
- Level 3** Unobservable inputs supported by little or no market activity and that are significant to the fair value of the assets or liabilities

**Recurring Measurements**

The following table presents the fair value measurements of assets and liabilities recognized in the accompanying statements of net assets available for benefits measured at fair value on a recurring basis and the level within the fair value hierarchy in which the fair value measurements fall at December 31, 2024 and 2023:

	<b>2024</b>

**TrustBridge 401(k) Plan  
Notes to Financial Statements  
December 31, 2024 and 2023**

(A) In accordance with Subtopic 820-10, certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statement of net assets available for benefits.

***Investments Measured Using the NAV per Share Practical Expedient***

The following table summarizes the investment for which fair value is measured using the NAV per share practical expedient as of December 31, 2024 and 2023:

	<u>Fair Value at December 31, 2024</u>	<u>Fair Value at December 31, 2023</u>	<u>Unfunded Commitments</u>	<u>Redemption Frequency</u>	<u>Redemption Notice Period</u>
MetLife Stable Value Sol J Fund	\$ 5,166,834	\$ 5,790,103	None	Daily	12 Months

**Note 6. Parties-in-Interest**

Section 3(14) of ERISA defines a party-in-interest to include, among others, fiduciaries or employees of the Plan, any person who provides services to the Plan or an employer whose employees are covered by the Plan. Accordingly, loans to participants and the management of investments held by the trustee are considered party-in-interest transactions.

Party-in-interest transactions include those with fiduciaries or employees of the Plan, any person who provides services to the Plan, an employer whose employees are covered by the Plan, an employee organization whose members are covered by the Plan, a person who owns 50% or more of such an employer or employee association or relatives of such persons.

Certain Plan investments are shares of mutual funds managed by Principal. Principal is the trustee as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions. Fees incurred by the Plan for the investment management services are included in net change in fair value of the investment, as they are paid through revenue sharing, rather than a direct payment. The Company directly pays any other fees related to the Plan's operations.

The Plan paid approximately \$127,000 of recordkeeping fees to Principal during the year ended December 31, 2024. Individually nonmaterial expenses paid to parties in interest aggregated of approximately \$40,000 during the year ended December 31, 2024. The Plan Sponsor provided certain administrative services at no cost to the Plan.

**Note 7. Investment Risks**

The Plan has investments that are exposed to risks, such as interest rate, credit, and market risks. Due to the level of risk associated with certain investment securities, it is possible that changes in the value of investment securities may occur in the near term and such changes could materially affect the amounts reported in these financial statements.

The value, liquidity, and related income of these securities are sensitive to changes in economic conditions, including real estate value, delinquencies or defaults, or both, and may be adversely affected by shifts in the market's perception of the issuers and changes in interest rates.

**TrustBridge 401(k) Plan  
Notes to Financial Statements  
December 31, 2024 and 2023**

---

The Plan's investments were not insured or protected by the Plan trustee, the Company, the Pension Benefit Guaranty Corporation, or any other governmental agency; accordingly, the Plan was subject to the normal investment risks associated with similar investments.

**Note 8. Income Tax Status**

The original plan is a prototype plan prepared and maintained by Principal Life Insurance Company. The Internal Revenue Service has determined and informed Principal Life Insurance Company, by a letter dated June 30, 2020, that the Plan and related trust are designed in accordance with the applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended from the original prototype document, Plan management believes that the Plan is currently being operated in accordance with the IRC.

**Note 9. Reconciliation To Form 5500**

Changes in net assets available for benefits for the year ended December 31, 2024, as presented in the financial statements, differs from what is reported on IRS Form 5500 in the following manner:

Change in net assets available for benefits per financial statements	\$ 3,462,145
Change in deemed loan distributions	<u>46,519</u>
Change in net assets available for benefits per Form 5500	<u>\$ 3,508,664</u>

**Note 10. Plan Freeze**

Effective January 1, 2025, the Plan was restated to implement a freeze, resulting in no employees being eligible to participate going forward. All existing participants became immediately 100% vested in their account balances. Due to an acquisition of the Plan's sponsor, an amendment was filed in which TrustBridge, Inc. became a participating employer in the Empath Health 403(b) Plan, effective January 1, 2025.
