**Part III Accountant's Opinion**

**3** Complete lines 3a through 3c if the opinion of an independent qualified public accountant is attached to this Form 5500. Complete line 3d if an opinion is not attached.

**a** The attached opinion of an independent qualified public accountant for this plan is (see instructions):

(1)  Unmodified (2)  Qualified (3)  Disclaimer (4)  Adverse

**b** Check the appropriate box(es) to indicate whether the IQPA performed an ERISA section 103(a)(3)(C) audit. Check both boxes (1) and (2) if the audit was performed pursuant to both 29 CFR 2520.103-8 and 29 CFR 2520.103-12(d). Check box (3) if pursuant to neither.

(1)  DOL Regulation 2520.103-8 (2)  DOL Regulation 2520.103-12(d) (3)  neither DOL Regulation 2520.103-8 nor DOL Regulation 2520.103-12(d).

**c** Enter the name and EIN of the accountant (or accounting firm) below:

(1) Name: CROWE LLP

(2) EIN: 35-0921680

**d** The opinion of an independent qualified public accountant is **not attached** as part of Schedule H because:

(1)  This form is filed for a CCT, PSA, DCG or MTIA. (2)  It will be attached to the next Form 5500 pursuant to 29 CFR 2520.104-50.

**Part IV Compliance Questions**

**4** CCTs and PSAs do not complete Part IV. MTIAs, 103-12 IEs, and GIAs do not complete lines 4a, 4e, 4f, 4g, 4h, 4k, 4m, 4n, or 5. 103-12 IEs also do not complete lines 4j and 4l. MTIAs also do not complete line 4l. DCGs do not complete lines 4e, 4f, 4k, 4l, and 5, and DCGs generally complete the rest of Part IV collectively for all plans in the DCG, except as otherwise provided (see instructions).

During the plan year:

	Yes	No	Amount
<b>a</b> Was there a failure to transmit to the plan any participant contributions within the time period described in 29 CFR 2510.3-102? Continue to answer "Yes" for any prior year failures until fully corrected. (See instructions and DOL's Voluntary Fiduciary Correction Program.)		X	
<b>b</b> Were any loans by the plan or fixed income obligations due the plan in default as of the close of the plan year or classified during the year as uncollectible? Disregard participant loans secured by participant's account balance. (Attach Schedule G (Form 5500) Part I if "Yes" is checked.)		X	
<b>c</b> Were any leases to which the plan was a party in default or classified during the year as uncollectible? (Attach Schedule G (Form 5500) Part II if "Yes" is checked.)		X	
<b>d</b> Were there any nonexempt transactions with any party-in-interest? (Do not include transactions reported on line 4a. Attach Schedule G (Form 5500) Part III if "Yes" is checked.)		X	
<b>e</b> Was this plan covered by a fidelity bond?	X		5000000

## INDEPENDENT AUDITOR'S REPORT

Retirement Committee  
The Boler Company  
Schaumburg, Illinois

**Scope and Nature of the ERISA Section 103(a)(3)(C) Audit**

We have performed audits of the financial statements of Tax-Deferred Retirement Investment Plan of The Boler Company (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statement of changes in net assets available for benefits for the year ended December 31, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institutions as of December 31, 2024 and 2023, and for the year ended December 31, 2024, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

**Opinion**

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by institutions that management determined meet the requirements of ERISA Section 103(a)(3)(C).

### ***Basis for Opinion***

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### ***Responsibilities of Management for the Financial Statements***

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year from the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### ***Auditor's Responsibilities for the Audit of the Financial Statements***

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

***Other Matter – Supplemental Schedules Required by ERISA***

The supplemental schedule of Schedule H, Line 4i – Schedule of Assets (Held at end of Year) as of December 31, 2024, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by institutions that management determined meet the requirements of ERISA Section 103(a)(3)(C).

## INDEPENDENT AUDITOR'S REPORT

Retirement Committee  
The Boler Company  
Schaumburg, Illinois

**Scope and Nature of the ERISA Section 103(a)(3)(C) Audit**

We have performed audits of the financial statements of Tax-Deferred Retirement Investment Plan of The Boler Company (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statement of changes in net assets available for benefits for the year ended December 31, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institutions as of December 31, 2024 and 2023, and for the year ended December 31, 2024, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

**Opinion**

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by institutions that management determined meet the requirements of ERISA Section 103(a)(3)(C).

### ***Basis for Opinion***

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### ***Responsibilities of Management for the Financial Statements***

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year from the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### ***Auditor's Responsibilities for the Audit of the Financial Statements***

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

***Other Matter – Supplemental Schedules Required by ERISA***

The supplemental schedule of Schedule H, Line 4i – Schedule of Assets (Held at end of Year) as of December 31, 2024, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by institutions that management determined meet the requirements of ERISA Section 103(a)(3)(C).

## Tax-deferred Retirement Investment Plan of The Boler Company

### Notes to Financial Statements

---

#### Note 1. Description of the Plan

The following description of the Tax-deferred Retirement Investment Plan (the Plan) of The Boler Company (the Plan Sponsor, or the Company) is provided for general information purposes only. Participants should refer to the plan document for a more complete description of the Plan's provisions.

**General:** The Plan, established effective July 1, 1996, is a defined-contribution plan covering all permanent, full-time, and part-time nonunion factory employees of the Company who are at least 18 years of age. Employees are eligible on their date of hire. All eligible employees are automatically enrolled in the Plan at a contribution rate of 3 percent of compensation within 60 days of eligibility unless the employee contacts The Vanguard Group, Inc. (Vanguard) (the Plan record-keeper) directly to enroll sooner or opt out of the Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

**Investment options:** Upon enrollment in the Plan, a participant may direct Company and employee contributions in 1 percent increments in any of the various investment options offered by the Plan.

**Contributions:** Each participant may elect to make before-tax and Roth contributions in an amount ranging from 1 percent to 50 percent of the participant's compensation for the period, as permitted under Section 401(k) of the Internal Revenue Code (the Code). A participant may change the amount of the participant's contributions, or resume contributing, on any day of the calendar year by requesting the desired change through Vanguard via phone or internet. Contributions may be discontinued on any day of the calendar year by contacting Vanguard via phone or internet. Participants may also contribute amounts representing distributions from other qualified plans. Catch-up contributions for those employees age 50 or older are also allowed, as defined in the plan agreement. For participants who were automatically enrolled in the Plan, their deferral percentage rate will be increased by 1 percent on April 1 each year following the year of their initial participation up to a maximum rate of 12 percent.

In 2024 and 2023, the Company contributed a matching contribution of 50 percent of the before-tax contributions of each participant, up to 6 percent of each participant's compensation. Participants must be employed on the last day of the plan year (subject to certain exceptions) to be eligible for the Company's contributions.

Participants are 100 percent vested in their contributions and related earnings of the Plan thereon, if any. Vesting in the remainder of their accounts is based on years of service. A participant is not vested until completing three years of service, upon the participant's third year of service, the participant is then 100 percent vested.

The Plan requires that, upon a participant's withdrawal or termination for any reason other than retirement, death, or total and permanent disability, the portion of the participant's account consisting of Company contributions and earnings thereon that has not vested in accordance with the provisions of the Plan shall be held in suspense until the withdrawn or terminated employee has incurred a five-year break in service. Such forfeitures are applied to reduce future Company contributions required under the Plan. The Plan's forfeiture balance at December 31, 2024 and 2023, and the amount used to reduce the 2024 and 2023 employer contributions was \$234,027 and \$183,505, respectively.

**Participant accounts:** Each participant's account is credited with the participant's contributions and the Company's contributions and allocations of plan earnings (losses) and is charged with an allocation of administrative expenses. Plan earnings (losses) are allocated based on the participant's share of net earnings or losses of their respective elected investment options. Allocations of administrative expenses are based on the participant's account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

#### Note 1. Description of the Plan (Continued)

**Payment of benefits:** Upon termination of service, a participant may elect to receive a lump-sum distribution or a direct rollover into an individual retirement account or other qualified retirement plan equal to the value of the participant's vested interest in his or her account.

**Notes receivable from participants:** The Plan permits a participant to apply for a loan against the participant's vested interest in the Plan, subject to certain restrictions. A participant is allowed to borrow up to 50 percent of the participant's vested account balance. The minimum loan amount is \$1,000, and the maximum loan amount is \$50,000. A participant may not have more than one loan outstanding at any time.

**Plan termination:** The Company has the right to amend, modify, or terminate the Plan at any time, subject to the provisions of ERISA. In the event that the Plan is terminated, all participants will be fully vested, and each participant will be entitled to the value of their account balance. The assets of the Plan will be distributed to participants or their beneficiaries in accordance with the provisions of the Plan.

**Transfer in due to merger:** Effective December 31, 2024, the hourly participants of the Reyco Granning 401(k) Retirement Plan (Reyco Plan) were merged into the Plan. The account balances and notes receivable from participants in the Reyco Plan attributable to the hourly participants were merged into the Plan in the amounts of \$1,552,483 and \$81,657, respectively. Effective January 1, 2025, the hourly participants formerly eligible to participate in the Reyco Plan became eligible to participate in the Plan.

#### Note 2. Significant Accounting Policies

**Basis of accounting:** The accompanying financial statements of the Plan are presented on the accrual basis of accounting.

**Payment of benefits:** Benefits are recorded when paid.

**Investment valuation and income recognition:** Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date in the Plan's principal or most advantageous market for the asset or liability.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded as earned. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

**Administrative expenses:** Certain expenses incurred in connection with the administration of the Plan are paid by the Plan Sponsor and are excluded from these financial statements. Plan recordkeeping and trustee fees are paid by the Plan and are reflected in the financial statements as administrative expenses. Investment management fees are charged to the Plan as a reduction of investment return and included in the investment income (loss) reported by the Plan.

**Use of estimates:** The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of net assets available for benefits and changes therein. Actual results could differ from those estimates.

### Notes to Financial Statements

---

#### Note 2. Significant Accounting Policies (Continued)

**Notes receivable from participants:** Notes receivable from participants represent participant loans that are recorded at their unpaid principal balance plus any accrued but unpaid interest. Interest income on notes receivable from participants is recorded when it is earned. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2024 or 2023. If a participant ceases to make loan repayments and the plan administrator deems the participant loan to be a distribution, the participant loan balance is reduced, and a benefit payment is recorded.

**Subsequent events:** Management evaluated subsequent events for the Plan for potential recognition and/or disclosure through October 15, 2025, the date the financial statements were available to be issued.

#### Note 3. Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under ASC 820 are described below:

Level 1. Inputs to the valuation methodology are unadjusted quoted prices for identical assets and liabilities in active markets that the Plan has the ability to access.

Level 2. Inputs to the valuation methodology include:

- Quoted prices for similar assets and liabilities in active markets.
- Quoted prices for identical or similar assets or liabilities in markets that are not active.
- Observable inputs other than quoted prices that are used in the valuation of the assets or liabilities (e.g., interest rate and yield curve quotes at commonly quoted intervals).
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3. Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2024 and 2023.

## Tax-deferred Retirement Investment Plan of The Boler Company

### Notes to Financial Statements

#### Note 3. Fair Value Measurements (Continued)

*Mutual funds:* The fair values of mutual funds are based upon the closing net asset value (NAV) per share of the mutual fund on the day of the valuation as reflected on a national securities exchange (Level 1 inputs).

*Collective trust funds:* Valued at the NAV per unit held by the Plan at year end as reported by the fund manager (Level 2 inputs). The NAV is based on the fair value of the underlying investments held by the funds less its liabilities. Redemptions are permitted by participants on any business day and by the Company within 12 months' written notice. There are no unfunded commitments or liquidity restrictions related to the collective trust funds as of December 31, 2024 or 2023.

*Pooled separate accounts:* The Plan holds an investment in John Hancock Life Insurance Company (USA) Separate Account B (Separate Account B), which is comprised of various sub-accounts to which the Plan directs its contributions, each of which is a pooled separate account of John Hancock Life Insurance Company (USA). The fair values of the participation units held in the sub-accounts of Separate Account B are based on the net asset values reported by the managers of the pooled separate accounts and are supported by the unit prices of actual purchase and sale transactions occurring as of or close to the financial statement date (Level 2 inputs). Each of the sub-accounts of Separate Account B invests in a single open-ended mutual fund as identified in the name of the sub-account. The investment strategies of these sub-accounts are consistent with each of the mutual funds identified in the name of the fund. The pooled separate accounts which are held by the Plan, as sub-accounts of Separate Account B, provide for daily redemptions by Plan participants, with no advance notice requirements and have redemption prices that are determined by their net asset values per unit.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets carried at fair value as of December 31, 2024:

	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 10,057,678	\$ -	\$ -	\$ 10,057,678
Collective trusts	-	48,127,642	-	48,127,642
Pooled separate accounts	-	1,552,483	-	1,552,483
Investments at fair value	\$ 10,057,678	\$ 49,680,125	\$ -	\$ 59,737,803

The following table sets forth by level, within the fair value hierarchy, the Plan's assets carried at fair value as of December 31, 2023:

	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 9,210,569	\$ -	\$ -	\$ 9,210,569
Collective trusts	-	40,433,301	-	40,433,301
Investments at fair value	\$ 9,210,569	\$ 40,433,301	\$ -	\$ 49,643,870

### Notes to Financial Statements

#### Note 4. Certified Investments

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments and notes receivable from participants held at December 31, 2024 and 2023, and net appreciation in fair value of investments, interest and dividends, and interest income of notes receivable from participants for the year ended December 31, 2024, was obtained by management and agreed to or derived from information certified as complete and accurate by Vanguard Fiduciary Trust Company, trustee, as of December 31, 2024 and 2023 and for the year ended December 31, 2024 and by John Hancock Life Insurance Company as of December 31, 2024, the custodian.

#### Note 5. Income Tax Status

The underlying non-standardized prototype plan adopted by the Plan has received an opinion letter from the Internal Revenue Service dated June 30, 2020, stating that the form of the Plan is qualified under Section 401(a) of the Code and, therefore, the related trust is tax-exempt. Although the Plan has been amended from the original prototype document, plan management believes that the Plan is currently being operated in accordance with the Code.

United States generally accepted accounting principles require plan management to evaluate uncertain tax positions taken by the Plan. The plan administrator has analyzed the tax positions taken by the Plan and has concluded that as of December 31, 2024 and 2023, there are no uncertain tax positions taken or expected to be taken. The Plan has recognized no interest or penalties related to uncertain tax positions. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The plan administrator believes it is no longer subject to income tax examinations for years prior to 2021.

#### Note 6. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, liquidity and credit risks, and global events. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

#### Note 7. Reconciliation of Financial Statements to Form 5500

The following is a reconciliation of net assets available for benefits per the financial statements to the Form 5500:

	December 31,	
	2024	2023
Net assets available for benefits per the financial statements	\$ 65,764,899	\$ 55,269,180
Notes receivable from participants	(34,092)	(39,263)
Net assets available for benefits per the Form 5500	<u>\$ 65,730,807</u>	<u>\$ 55,229,917</u>

## Tax-deferred Retirement Investment Plan of The Boler Company

---

#### Note 7. Reconciliation of Financial Statements to Form 5500 (Continued)

The following is a reconciliation of the net increase in net assets available for benefits, prior to net transfers, per the financial statements to the Form 5500:

	Year Ended December 31, 2024
Net increase in net assets available for benefits per the financial statements, prior to net transfers	\$ 9,288,286
Benefit payment difference	5,171
Net income per the Form 5500	<u>\$ 9,293,457</u>

#### Note 8. Party-in-Interest Transactions

Parties-in-interest are defined under the Department of Labor regulations as any fiduciary of the Plan, any party rendering service to the Plan, the employer, and certain others. The Plan holds units of collective trust funds and mutual funds issued by Vanguard Fiduciary Trust Company, the trustee of the Plan, and The Vanguard Group, respectively. The Plan also pays The Vanguard Group and the trustee administrative fees. These transactions qualify as party-in-interest transactions; however, they are exempt from the prohibited transactions rules under ERISA. The Plan holds units of pooled separate accounts managed by John Hancock Life Insurance Company (USA) (John Hancock) through an unallocated group annuity contract. John Hancock is a service provider to the Plan and, therefore, these transactions and the Plan's payment of fees to John Hancock qualify as exempt party-in-interest transactions. Certain employees of the Company provide administrative services to the Plan. These employees are not paid by the Plan for their services.

Notes receivable from participants also qualify as exempt party-in-interest transactions.

#### Note 9. Transfers to The Money Accumulation Plan of The Boler Company

During 2024, certain assets related to participant transfers between the Plan and The Money Accumulation Plan of The Boler Company were transferred into or out of the Plan due to participant job transfers. The Boler Company is the Plan Sponsor of the Tax-deferred Retirement Investment Plan of The Boler Company and The Money Accumulation Plan of The Boler Company.
