## INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator and Participants  
Stonemark Management, LLC  
401(k) Retirement Savings Plan  
Atlanta, Georgia

### **Scope and Nature of the ERISA Section 103(a)(3)(C) Audit**

We have performed audits of the financial statements of Stonemark Management, LLC 401(k) Retirement Saving Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023 and the related statement of changes in net assets available for benefits for the year ended December 31, 2024 and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Stonemark Management, LLC 401(k) Retirement Savings Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from qualified institutions as of December 31, 2024 and 2023, and for the year ended December 31, 2024, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

### **Opinion**

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section,

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all

material respects, in accordance with accounting principles generally accepted in the United States of America;

- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### **Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Stonemark Management, LLC 401(k) Retirement Savings Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Stonemark Management, LLC 401(k) Retirement Savings Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### **Auditor's Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and, therefore, is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from

fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Stonemark Management, LLC 401(k) Retirement Savings Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Stonemark Management, LLC 401(k) Retirement Savings Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

### **Supplemental Schedule Required by ERISA**

The supplemental schedule of Schedule H, line 4i – Schedule of Assets (held at end of year) as of the year ended December 31, 2024 is presented for purposes of additional analysis and is not a

required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**RETIREMENT SAVINGS PLAN**  
**NOTES TO FINANCIAL STATEMENTS**  
**DECEMBER 31, 2024 AND 2023**

**1. DESCRIPTION OF THE PLAN**

The following brief description of Stonemark Management, LLC 401(k) Retirement Savings Plan (the "Plan") is provided for general information purposes only. Participants or other interested parties should refer to the Plan Agreement for a more complete description of the Plan's provisions.

A. General

The Plan is a defined contribution plan covering all eligible employees of Stonemark Management, LLC (the "Company"). The Plan was effective January 1, 1991, and is subject to certain provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"). The Plan has been amended over the years to comply with tax regulations.

The Company's Chief Executive Officer is the Plan administrator and trustee. CMFG Life Insurance Company ("CMFG") and Matrix Trust Company (Matrix), the qualified institutions are the custodians of the Plan's Assets. The most recent adoption agreement for CMFG Non-standardized Defined Contribution Pre-Approved Plan was adopted March 15, 2022. CMFG and Matrix provide third party administration and recordkeeping services to the Plan under the marketing name of TruStage Financial Group ("TruStage").

The 401(k) Committee of the Company is responsible for fiduciary oversight of the Plan to ensure that the Plan operates in the best interest of employees. The Committee engages and consults with various third-party advisors to assist in its fiduciary responsibilities. These external experts provide recommendations and support related to:

- Monitoring compliance with ERISA rules and regulations.
- Benchmarking and reviewing investment performance and fees to ensure they remain reasonable and competitive.
- Reviewing overall plan participation and demographic data to assess plan effectiveness.

B. Eligibility

Eligible employees can participate in the Plan for purposes of salary deferrals, matching contributions, and discretionary contributions after they have completed three months of service. The entry date into the Plan is the first day of the Plan month coinciding with or next following the date the employee satisfies the eligibility requirements.

**STONEMARK MANAGEMENT, LLC 401(k)**  
**RETIREMENT SAVINGS PLAN**  
**NOTES TO FINANCIAL STATEMENTS**  
**DECEMBER 31, 2024 AND 2023**

C. Contributions

Each year, participants may contribute up to the applicable limit pursuant to Code Section 401(k) of their pre-tax compensation, as defined in the Plan, subject to certain limitations for highly compensated individuals. Unless participants elect to not defer or to defer another percentage or amount, participants meeting the eligibility requirements, as described above, are automatically enrolled in the Plan at 8%. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other eligible retirement plans. Participants direct the investment of their contributions into various investment options offered by the Plan. The Company may make discretionary matching and profit-sharing contributions for the year to participants that are active on the last day of the year. For the year ended December 31, 2024, the Company made a discretionary matching contribution of approximately 10% of the eligible participants' contributions. The employer's contribution for the years ended December 31, 2024 and 2023 is included in plan sponsor receivable for each year and totaled \$78,043 and \$74,678, respectively.

D. Participant Accounts

Participants' accounts are maintained by the custodians of the Plan and are credited with the participant's contributions, Company contributions, and allocation of investment income (loss). Each participant account is charged with fees upon receiving distributions, as well as an allocated portion of plan administrative expenses. Allocations are based on participant earnings or account balances, as defined. Participants' accounts are charged administrative fees for loans, termination and/or withdrawals on an individual basis. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

E. Vesting

Participants are immediately vested in their voluntary contributions plus actual earnings thereon. Vesting in the Company's matching contribution portion of their accounts plus actual earnings thereon is based on years of continuous service. A participant fully vests in the Company discretionary contributions after five years of credited service as follows:

<b><u>Years of Credited Service</u></b>	<b><u>Vested Percentage</u></b>
Less than 1 year	0%
1 year but less than 2 years	20%
2 years but less than 3 years	40%
3 years but less than 4 years	60%
4 years but less than 5 years	80%
5 years or more	100%

**STONEMARK MANAGEMENT, LLC 401(k)**  
**RETIREMENT SAVINGS PLAN**  
**NOTES TO FINANCIAL STATEMENTS**  
**DECEMBER 31, 2024 AND 2023**

Participant accounts also become fully vested upon death, disability, or attainment of normal retirement age.

F. Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued unpaid interest. Participants may borrow from their fund accounts a minimum of \$1,000 per note and are permitted to have two outstanding notes at any time. As the notes receivable are secured by the balance in the participant's account, each participant may borrow up to a maximum of \$50,000 or 50% of his or her vested account balance. The notes receivable bear interest at rates from 4.25% to 9.5%, which is commensurate with local prevailing rates as determined by the plan administrator. Principal and interest are paid ratably through biweekly payroll deductions.

G. Payment of Benefits

Upon reaching the age of 59 1/2 or termination of service, participants may receive the value of the vested interest in his or her account as a lump-sum distribution payable to the participant. If termination is due to death, disability or retirement, a participant or representative may receive a lump-sum distribution. Participants who have terminated service can elect to rollover the account to another qualified account and be charged administrative costs directly.

H. Forfeited Accounts

Amounts forfeited by participants who are terminated from the plan prior to being fully vested are used to reduce administrative expenses. Administrative expenses were reduced by \$16,011 from forfeitures from non-vested accounts for the year ended December 31, 2024. The balance of the forfeiture account was \$0 for the years ended December 31, 2024 and 2023.

## **2. SUMMARY OF ACCOUNTING PRINCIPLES**

A. Basis of Accounting

The financial statements of the Plan have been prepared on the accrual basis of accounting, in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP").

B. Use of Estimates

The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

**STONEMARK MANAGEMENT, LLC 401(k)**  
**RETIREMENT SAVINGS PLAN**  
**NOTES TO FINANCIAL STATEMENTS**  
**DECEMBER 31, 2024 AND 2023**

C. Investment Valuation and Income Recognition

The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for discussion of fair value measurements.

Net investment appreciation in fair value of investments includes the Plan's gains on investments bought and sold as well as held during the year. Purchases and sales of securities are recorded on a trade date basis. Interest is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

D. Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when incurred. No allowance for credit losses was recorded at December 31, 2024 and 2023. If a participant ceases to make loan repayments and the plan administrator deems the participant loan to be in default, the participant loan balance is reduced, and a benefit payment is recorded.

E. Contributions

Contributions from the Plan participants and the matching contributions from the employer are recorded in the year in which the employee contributions are withheld from the participants.

F. Payment of Benefits

Benefits are recorded when paid.

G. Administrative Expenses

Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Fees related to the administration of notes receivable from participants, benefits paid to participants, and certain investment related expenses are charged directly to the participant account and are included in administrative expenses. Investment related expenses are included in net investment appreciation (depreciation) in fair value of registered investment companies.

H. Subsequent Events

Subsequent events have been evaluated by management through October 15, 2025, the date these financial statements were issued.

**3. FAIR VALUE MEASUREMENTS**

U.S. generally accepted accounting principles establish a hierarchy for inputs used in measuring fair value that maximizes the use of observable inputs and minimizes the use of unobservable inputs by requiring that the most observable inputs be used when available. Level 1 within the hierarchy states that valuations are based on unadjusted quoted market prices for identical assets or liabilities in active markets. Level 2 within the hierarchy states that valuations are based on quoted prices for similar assets in active markets, quoted prices for identical assets in inactive markets or other observable inputs other than quoted market prices. Level 3 within the hierarchy states that valuations are based on significant unobservable inputs. As of December 31, 2024 and 2023, the only assets or liabilities that are measured at fair value on a recurring basis in periods subsequent to initial recognition are investments. The following is a description of the valuation methodologies used for investments measured at fair value:

- *Registered investment companies:* Valued at the closing price reported on the active market on which the individual securities are traded.
- *Corporate debt instrument:* Valued using pricing models maximizing the use of observable inputs for similar securities. This includes basing value on yields currently available on comparable securities of issuers with similar credit ratings.
- *Collective investment trusts:* Valued based on the NAV of the shares/units held by the Plan based on the market value of its underlying investments as determined by the custodian. The NAV, as provided by the custodian, is used as a practical expedient to estimate fair value. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. There is no redemption notice period or unfunded commitments.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2024:

<b>Description</b>	<b>Level 1</b>	<b>Level 2</b>	<b>Fair Value</b>
Registered investment companies	\$ 498,588	\$ -	\$ 498,588

**4. INFORMATION PREPARED AND CERTIFIED BY THE TRUSTEE**

The Plan administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, the Custodians have certified that the following data included in the accompanying financial statements and supplemental schedule is complete and accurate:

- Investments, at fair value and notes receivable from participants, as shown in the statements of net assets available for benefits as of December 31, 2024 and 2023.
- Investment income and interest income on notes receivable from participants, as shown in the statement of changes in net assets available for benefits for the year ended December 31, 2024.
- Schedule H, line 4i - schedule of assets (held at end of year) as of December 31, 2024.

The Plan's independent accountants did not perform auditing procedures with respect to this information except for comparing such information to the related information included in the financial statements and supplemental schedule.

**5. RELATED PARTY TRANSACTIONS AND PARTY-IN-INTEREST TRANSACTIONS**

Under ERISA, a party in interest has a defined relationship with the Plan and includes fiduciaries, service providers, employers, and others that have a relationship with the Plan or the Company. ERISA prohibits certain transactions between a retirement plan and a party-in-interest that creates a potential conflict of interest. Certain Plan investments are managed by CMFG or affiliates; therefore, these investments and investment transactions qualify as exempt party-in-interest transactions. Fees paid to the Custodians for asset management, recordkeeping and other processing fees totaled \$31,841 and fees paid to an unrelated party for investment

**STONEMARK MANAGEMENT, LLC 401(k)**  
**RETIREMENT SAVINGS PLAN**  
**NOTES TO FINANCIAL STATEMENTS**  
**DECEMBER 31, 2024 AND 2023**

advisory fees and accounting services totaled \$30,953. These transactions qualify as exempt party-in-interest transactions as the services are essential to the on-going operation of the Plan.

Notes receivable from participants are also defined by ERISA as exempt party in interest transactions.

## **6. TAX STATUS**

The Plan adopted a pre-approved qualified retirement plan designed by CMFG Life Insurance Company with the most recent opinion from the Internal Revenue Service dated June 30, 2020, stating that the form of the Plan is qualified under Section 401 of the Internal Revenue Code (the "Code"), and, therefore, the related trust is tax-exempt. The Plan Sponsor has determined that it is eligible to and has chosen to rely on the IRS opinion letter for the Plan. Once qualified, the Plan is required to operate in conformity with the Code to maintain its qualification. Although the Plan has been amended since receiving the opinion letter, the Plan administrator believes that the Plan is being operated in compliance with the applicable requirements of the Code and, therefore, believes that the Plan is qualified and the related trust is tax exempt.

## **7. PLAN TERMINATION**

Although they have not expressed any intent to do so, the Company has the right under the Plan to discontinue their contributions at any time and terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become fully vested in their accounts.

## **8. RISKS AND UNCERTAINTIES**

The Plan invests in various investments, which are exposed to risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investments, it is reasonably possible that changes in the values of investments will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits.
