## Independent Auditor's Report

To the Administrative Committee of  
Thesis, LLC 401(k) Profit Sharing Plan

### **Scope and Nature of the ERISA Section 103(a)(3)(C) Audit**

We have performed an audit of the accompanying financial statements of Thesis, LLC 401(k) Profit Sharing Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statement of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Thesis, LLC 401(k) Profit Sharing Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2024, stating that the certified investment information, as described in Notes 3, 4 and 5 to the financial statements, is complete and accurate.

### **Opinion**

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## **Basis for Opinion**

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Thesis, LLC 401(k) Profit Sharing Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

## **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Thesis, LLC 401(k) Profit Sharing Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

## **Auditor's Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Thesis, LLC 401(k) Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Thesis, LLC 401(k) Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

### **Supplemental Schedules Required by ERISA**

The supplemental schedules, Schedule H, Line 4i - Schedule of Assets (Held at Year End), Schedule H, Line 4i – Schedule of Assets (Acquired and Disposed of Within Year), and Schedule H, Line 4a – Schedule of Delinquent Participant Contributions, as of December 31, 2024 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

THEESIS, LLC 401(K) PROFIT SHARING PLAN  
NOTES TO FINANCIAL STATEMENTS  
FOR THE YEARS ENDED DECEMBER 31, 2024 AND 2023

NOTE 1 - DESCRIPTION OF THE PLAN

The Thesis, LLC 401(k) Profit Sharing Plan (the Plan) was established and originally effective January 1, 2006 by Thesis, LLC. to encourage employee savings and to supplement other Company benefits and is administered by Thesis, LLC. The Plan was restated to conform to new tax laws; the amendment and provisions became effective on January 1, 2017. The Plan was subsequently restated again with an effective date of December 20, 2019. The following description of the Plan provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering all non-union employees of the Company. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions

Each year, participants may elect to contribute a percentage of annual compensation subject to IRS limitations, as defined by the Plan. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. Catch-up contributions are permitted for eligible participants age 50 or older by the end of the calendar year.

The Company makes Employer Safe Harbor Matching Contributions up to 100% of salary deferrals, not exceeding 3% of compensation, plus 50% of your salary deferral between 3% and 5% of compensation, for such period.

The Company may also make discretionary profit sharing contributions on behalf of the participants.

Vesting

Participants are fully vested immediately in their contributions, Company safe harbor matching contribution, plus actual earnings thereon. Vesting in the Company's discretionary profit sharing contribution portion of their accounts is based on a five year vesting schedule.

NOTES TO FINANCIAL STATEMENTS  
FOR THE YEARS ENDED DECEMBER 31, 2024 AND 2023

NOTE 1 - DESCRIPTION OF THE PLAN (CONTINUED)

Participant Accounts

Each participant's account is credited with the participant's contributions and allocations of the plan earnings (losses). Participant's accounts may be charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant account balances or equal dollar amount based on the number of participants in the Plan, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Notes Receivable from Participants

Participants may borrow from their account balances a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The loans are secured by the balance in the participant's account. The loan interest rate, determined monthly, is set at 1 percent above the prime rate, as defined in the Plan Document. Loans must be repaid within five (5) years unless the proceeds are used to acquire a principal residence, in which case the plan administrator may permit a longer repayment period. A participant may only have two (1) loans outstanding at any time. Principal and interest is paid ratably through payroll deductions.

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Fees related to the administration of notes receivable from participants are charged directly to the participant's account. No allowance for credit losses has been recorded as of December 31, 2024 and 2023. If a participant ceases to make loan repayments and the plan administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

Payment of Benefits

Upon termination of service due to death, disability or retirement, a participant may receive benefit payments in the form of a lump-sum equal to the vested value of his or her account, or in installments over a period of not more than the participant's assumed life expectancy. Any participant who terminates from the Plan with a vested balance less than \$5,000 will receive a distribution of their vested balance automatically within a reasonable time after employment is terminated. Participants are also permitted to make hardship withdrawals if certain criteria, as defined in the Plan Document, are met.

Benefits are recorded when paid. As of December 31, 2024, there were no pending distribution requests.

THESIS, LLC 401(K) PROFIT SHARING PLAN  
NOTES TO FINANCIAL STATEMENTS  
FOR THE YEARS ENDED DECEMBER 31, 2024 AND 2023

NOTE 1 - DESCRIPTION OF THE PLAN (CONTINUED)

Forfeitures

The non-vested portion of participant account balances are forfeited during the Plan year in which the participant is no longer an employee and has received their vested benefit. Forfeitures may be used to pay Plan expenses or to reduce the amounts otherwise to be contributed to the Plan.

During the years ended December 31, 2024 and 2023, there was \$0, of monies of non-vested account balances, used towards employer contributions or plan expenses. At December 31, 2024 and 2023, forfeited non-vested accounts available to offset future employer contributions or plan expenses totaled \$20,564 and \$13,426, respectively.

Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the plan to discontinue its contributions at any time and to terminate the plan subject to the provisions of ERISA. In the event of plan termination, no further contributions will be made to the Plan and all amounts credited to participant accounts will become 100% vested.

NOTE 2 - SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting in conformity with accounting principles generally accepted in the United States of America.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. Actual amounts could differ from these estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Company's management determines the Plan's valuation policies utilizing information provided by the trustee.

THESIS, LLC 401(K) PROFIT SHARING PLAN  
NOTES TO FINANCIAL STATEMENTS  
FOR THE YEARS ENDED DECEMBER 31, 2024 AND 2023

NOTE 2 - SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Investment Valuation and Income Recognition (Continued)

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) in fair value includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Fair Value Measurements

Financial assets and liabilities valued using Level 1 inputs are based on unadjusted quoted prices in active markets for identical assets and have the highest priority, and Level 3 unobservable inputs have the lowest priority. Level 2 inputs are based on quoted market prices for substantially similar assets in active markets. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value.

Tax Status

The plan sponsor adopted a prototype document which obtained an opinion letter dated June 30, 2020, in which the Internal Revenue Service stated that the form of the Plan was in compliance with the applicable requirements of the Internal Revenue Code (Code). Although the Plan has been amended since adoption of the prototype document receiving the opinion letter, the plan administrator believes that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the Code and, therefore, the Plan is qualified, and the related trust is tax-exempt. Therefore, no provision for income taxes has been included in the Plan's financial statements.

The Plan's information return filings are subject to audit by the Internal Revenue Service and the Department of Labor, generally for three years after filing.

Plan Administrative Expenses

Certain expenses specifically incurred by, or attributable to a particular participant, may be paid directly by this participant's account. Other expenses related to the administration of the Plan not specifically incurred by, or attributable to a particular participant, may be paid from the Plan's assets and allocated to participant accounts. All other administrative expenses of the Plan are paid by the Company. The Plan's administrative expenses paid by the Company for the years ended December 31, 2024 and 2023, were approximately, \$16,000 and \$16,000, respectively.

Related Party and Party in Interest Transactions

Empower Trust Company, LLC is the trustee of the Plan. Empower Retirement is a subservicer and serves as recordkeeper and custodian to the trustee.

Fees incurred by the Plan for the investment management services are included in administrative expenses. The Company pays directly any other fees related to the Plan's operations, as disclosed.

Certain administrative functions are performed by officers or employees of the Company. No such officer or employee receives compensation from the Plan.

Subsequent Events

The plan evaluated events through the date that the financial statements were available to be issued. The Plan is not aware of any significant events that occurred subsequent to the statement of net assets available for benefits date, but prior to October 13, 2025, that would have a material impact on the financial statements.

THEISIS, LLC 401(K) PROFIT SHARING PLAN  
NOTES TO FINANCIAL STATEMENTS  
FOR THE YEARS ENDED DECEMBER 31, 2024 AND 2023

NOTE 4 – GROUP ANNUITY CONTRACT WITH GREAT WEST LIFE & ANNUITY INSURANCE COMPANY

On August 14, 2009, the Plan entered into a guaranteed contract with Great-west Life and Annuity Company (Great-West) named the Key Guaranteed Portfolio Fund. During 2020, this fund was converted to the GWI Fixed Account-Series Class 1 fixed annuity. The GWI fixed annuity account is a general account product offered through a group annuity contract. Participant principal and interest are backed by the entire general account assets of Great-West. The investment is categorized as a level 2 fair value measurement.

The GWI Fixed Account-Series 1 is benefit responsive for participant-initiated transactions. It may not be considered fully benefit responsive at the plan level based on the definition of benefit responsiveness in SOP 94-4-1. An event that limits the ability of the plan to contract at contract value with the issuer and that also limits the ability of the Plan to transact at contract value with the participants in the plan must be highly improbable of occurring.

Under the assumption that the fixed annuity account is not fully benefit responsive due to the above definition, the account must be reported at Fair Value. Fair Value of the investment contract, prior to contract termination, equals the Contract Value which the amount that the account is reported at on December 31, 2024.

NOTE 5 - CERTIFIED INVESTMENTS

The Employer has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-5(c) of the Department of Labor Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and supplemental schedule, including investments and notes receivable from participants held at December 31, 2024 and 2023, net appreciation in fair value of investments, and interest and dividends for the years ended December 31, 2024 and 2023, was obtained or derived from information supplied to the Plan administrator and certified as complete and accurate by Empower Trust Company, LLC (the trustee of the plan for the years ended December 31, 2024 and 2023).

NOTE 6 - RISK AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.
