The Ag Processing Inc Welfare Benefits Plan
Administered by Associated Benefits Corporation

FINANCIAL STATEMENTS

Years Ended December 31, 2024 and 2023

INDEPENDENT AUDITORS' REPORT

To the Board of Directors
Associated Benefits Corporation
Plan Administrator for The Ag Processing Inc Welfare Benefits Plan

Opinion

We have audited the financial statements of The Ag Processing Inc Welfare Benefits Plan ("the Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), which comprise the statement of net assets available for benefits (cash basis) as of December 31, 2024 and 2023, the related statement of changes in net assets available for benefits (cash basis) for the years then ended, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the net assets available for benefits of the Plan (cash basis) as of December 31, 2024 and 2023, and the changes in its net assets available for benefits (cash basis) for the years then ended, in accordance with the cash basis of accounting described in Note 2.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Emphasis of Matter - Basis of Accounting

We draw attention to Note 2 to the financial statements, which describes the basis of accounting. The financial statements are prepared on the cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to this matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with the cash basis of accounting described in Note 2, and for determining that the cash basis of accounting is an acceptable basis for the preparation of the financial statements in the circumstances. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on these financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedules Required by ERISA

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedules of Form 5500, Schedule H, Part IV, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2024, and Form 5500, Schedule H, Part IV, line 4j – Schedule of Reportable Transactions for the year ended December 31, 2024, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedules is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

The Ag Processing Inc Welfare Benefits Plan
Administered by Associated Benefits Corporation

NOTES TO FINANCIAL STATEMENTS

(1) Description of plan

The Ag Processing Inc Welfare Benefits Plan (the "Plan") is administered by Associated Benefits Corporation (the "Plan Administrator"). The following description of the Plan provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General - The Plan is a defined benefit health and welfare benefit plan that provides life insurance and medical and dental benefits to all full-time employees of Ag Processing Inc (the "Company") and their dependents. The Plan also contains Section 125 plan provisions which provide for the payment of eligible expenses with pre-tax dollars. Separate bookkeeping accounts are maintained to account for the benefit dollars available for reimbursement of covered expenses. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended. Principal Trust Company ("Principal") serves as the trustee for the Plan.

Contributions - Employee and COBRA contributions are determined by the employer subject to regulatory limitations. Employee and COBRA contributions are remitted to The Ag Processing Inc Welfare Benefits Fund (the "Trust") and used for claim payments. The employer makes contributions necessary to pay all remaining claims, insurance premiums, and administrative expenses.

Under the Section 125 plan provisions, employees contribute through payroll deductions to reimbursement accounts which permit employees to be reimbursed without tax consequences for certain eligible expenses. Employees elect the dollar amount they want taken from their pay annually, subject to applicable limitations.

Benefits - The Plan provides for the payment of death and dismemberment benefits under a fully insured plan. The Plan is a self-insured medical and dental plan. The Plan retains the risk for medical claims up to \$500,000 per covered person per year and purchases stop-loss coverage for amounts in excess of \$500,000 per covered person per year. The Plan has contracted for processing and payment of claims by a third-party administrator.

Under the Section 125 plan provisions, benefits may be paid only for eligible expenses which were incurred during the Plan year and reimbursed from funds deposited to the account during the same Plan year. If a participant does not incur sufficient expenses to use all of the funds deposited to the account during a plan year, the remaining amounts must be forfeited if greater than the Plan prescribed allowable rollover threshold of \$640. Forfeited amounts remain in the Plan and are used to pay Plan administrative expenses.

Administrative Expenses - The Plan Administrator provides accounting and other administrative services to the Plan, the fees for which are paid directly by the Company. All other administrative expenses which consist primarily of administrative fees paid to third-party claims administrators and other service providers, are paid by the Plan.

NOTES TO FINANCIAL STATEMENTS

(2) Summary of significant accounting policies

Basis of accounting - The accompanying financial statements are prepared on the cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America (GAAP). The principal differences between the cash basis of accounting and GAAP in the financial statements of the Plan are as follows: transactions are recorded as cash is received or disbursed; no liability is reflected for unpaid and incurred but not reported claims; contributions are not accrued; and adjustments, if any, that might be necessary to report reinsurance premiums and deposits and amounts recoverable from reinsurance are not reflected. The related amounts for claims incurred but not reported were approximately \$1,012,456 and \$1,170,198 as of December 31, 2024 and 2023, respectively. The claims incurred but not reported amount is calculated by the Plan's actuary based on reserving methods standard in the health insurance industry which consider Plan benefits, exposure units, average payout and expected run-off.

Benefits paid - Benefits are recorded as paid when paid by the claim's administrator.

Pharmacy rebates - Pharmacy rebates are recorded in the period in which the rebates are received. Pharmacy rebates of insured plans are reported as a reduction to benefits paid on the statements of changes in net assets available for benefits. Pharmacy rebates were \$2,094,792 and \$1,716,663 for the years ended December 31, 2024 and 2023, respectively.

Investment valuation and income recognition - Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Purchases and sales of securities are recorded on a trade-date basis. Dividend and interest income is recorded as received.

(3) Fair value measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under Financial Accounting Standards Board Accounting Standards Codification 820 are described below:

Level 1	Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
---------	---

The Ag Processing Inc Welfare Benefits Plan
Administered by Associated Benefits Corporation

NOTES TO FINANCIAL STATEMENTS

(3) Fair value measurements (continued)

Level 2 Inputs to the valuation methodology include quoted prices for similar assets and liabilities in active markets; quoted prices for identical or similar assets and liabilities in inactive markets; inputs other than quoted market prices that are observable for the asset or liability; and inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term,

the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used on December 31, 2024 and 2023.

Interest-bearing cash accounts: Stated at cost, which approximates fair value.

The following tables set forth by level, within the fair value hierarchy, a summary of the Plan's investments at fair value on a recurring basis as of December 31, 2024 and 2023:

Investments at Fair Value as of December 31, 2024				
	Level 1	Level 2	Level 3	Total
Interest-bearing cash	\$ 234,598	\$ -	\$ -	\$ 234,598

Investments at Fair Value as of December 31, 2023				
	Level 1	Level 2	Level 3	Total
Interest-bearing cash	\$ 229,852	\$ -	\$ -	\$ 229,852

(4) Related party and party-in-interest transactions

Plan investments are shares of interest-bearing cash accounts managed by Principal. Principal is the trustee as defined by the Plan and, therefore, these transactions qualify as exempt party-in-interest transactions. Fees paid by the Plan for the investment management services are deducted from interest income.

NOTES TO FINANCIAL STATEMENTS

(5) Plan termination

Although it has not expressed any intention to do so, the Company has the right under the Plan to modify the benefits provided to employees, to discontinue its contributions at any time, and to terminate the Plan subject to the provisions set forth in ERISA. In the event of termination, the Company will contribute the necessary amounts to fund all claims incurred prior to the date of termination.

(6) Tax status

The Internal Revenue Service has determined and informed the Company by a letter dated January 4, 1995, that the Plan and related Trust were designed in accordance with the applicable regulations of the Internal Revenue Code (IRC). The Plan has been amended since receiving the determination letter. However, the Plan Administrator believes that the Plan is currently designed and operated in compliance with the applicable requirements of the IRC, and the Plan and related Trust continue to be tax exempt. Therefore, no provision for income taxes has been included in the Plan's financial statements.

(7) Risks, uncertainties, and concentrations

The Plan utilizes investment securities, currently an interest-bearing cash account. Investment securities, in general, are exposed to various risks, such as interest rate risk, credit risk, and overall market volatility. Market risks include global events which could impact the value of investment securities, such as a pandemic or international conflict. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the financial statements.

The Plan maintains an interest-bearing cash account, which may at times exceed the \$250,000 coverage by the US Federal Deposit Insurance Corporation.

(8) Subsequent events

The Plan has evaluated subsequent events through October 15, 2025, which is the date the financial statements were available to be issued and noted no items were available for disclosure.
