## **Independent Auditor's Report**

The Trustees  
Restaurant Industry Health and Welfare Trust Fund  
Oceanside, California

### **Opinion**

We have audited the accompanying financial statements of Restaurant Industry Health and Welfare Trust Fund (the Plan), an employee benefit plan subject to the Employee Retirement Income Act of 1974 (ERISA), which comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statement of changes in net assets available for benefits for the year ended December 31, 2024, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of the Plan as of December 31, 2024 and 2023, and the changes in its net assets available for benefits for the year December 31, 2024, in accordance with accounting principles generally accepted in the United States of America.

### **Basis of Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

### **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due on behalf of such participants.

## **Auditors' Responsibilities for the Audit of the Financial Statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

## **Note 1 - Description of Plan**

The following description of Restaurant Industry Health and Welfare Trust Fund (the Plan) provides only general information. Participants of the Plan should refer to the Plan document for a more complete description of the Plan's provisions.

### **General**

The Plan, effective November 1, 2012, operates as a welfare benefit plan under 501(c)(9) of the Internal Revenue Code (IRC).

The Plan provides insured group medical and supplemental benefits through a multiple employer welfare arrangement which is funded by a voluntary employee's beneficiary association (VEBA) trust fund. All benefits are fully insured. Contributions are paid by participating employers (Employers) to the Trust. The Plan is subject to provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

### **Contributions**

The Employers pay contributions for employees covered under the Plan (Participants) to the Trust. Consolidated Omnibus Budget Reconciliation Act (COBRA) premiums are paid to the Trust by terminated employees or their dependents. The Trustees establish contributions at amounts needed to pay premiums and Plan expenses. The Trust collects and holds the employers' contributions in advance of the premium payment due date, which resulted in pre-billed employer contributions totaling \$565,530 and \$660,262 at December 31, 2024 and 2023, respectively, and is included in pre-billed employer contributions and overpayments.

### **Benefits**

The Plan provides health benefits (medical, dental, and vision) for eligible employees of the Employers and their dependents. The Plan also offers voluntary life insurance. These insurance products are funded by insurance contracts purchased by the Plan.

In accordance with COBRA, the Plan provides for continuation of benefits for certain terminated participants up to eighteen (18) months, and certain dependents for a period of up to thirty-six (36) months, depending upon eligibility.

### **Eligibility**

Participants become eligible for coverage on the first day of the month following the eligibility waiting period elected by their Employer, which shall not exceed ninety (90) days from the date of commencement of employment. Employers elect coverage for hourly employees and office, salaried, and non-collectively bargained staff in accordance with their individual adoption agreement. Participants may also obtain coverage for their eligible dependents, unless they are eligible for coverage under another employer-sponsored plan other than one provided to a parent. Employees who are covered by a collective bargaining agreement are not eligible to participate.

### **Termination of Eligibility**

Unless entitled to coverage under the Family and Medical Leave Act of 1993, insurance coverage for salaried and hourly employees terminates on:

- The last day of the calendar month, in which the employee ceases to qualify as an eligible employee.
- The last day of the calendar month, in which an employer ceases to pay premiums.
- The date the group policy terminates.
- The last day of the calendar month, in which any employer ceases to be a participating employer.

### **Plan Termination**

Although it has not expressed any intention to do so, the Trustees and Employers has the right under the Plan to modify the benefits provided to participants, to discontinue its contributions at any time, and to terminate the Plan subject to the provisions set forth in the ERISA. In the event of termination of the Plan, remaining assets will be applied in a uniform and nondiscriminatory manner toward the provision of benefits for or on account of the participants. No assets of the Plan may revert to the Trustees or Employers or be used for purposes other than for the exclusive benefit of the Plan's participants.

## **Note 2 - Summary of Accounting Policies**

### **Basis of Accounting**

The accompanying financial statements have been prepared using the accrual basis of accounting.

### **Use of Estimates**

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America (GAAP) requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, benefit obligations and changes therein and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

### **Payment of Benefits**

Premiums paid by either the Plan or the VEBA trust are recorded as premium payments in the accompanying statement of changes in net assets available for benefits.

### **Employer Contributions Receivable**

Employer contributions receivable are recorded when due for the related coverage period and are presented in the statement of net assets available for benefits, net of the allowance for credit losses, if any. There were employer contributions receivable totaling \$67,050 and \$15,419, at December 31, 2024 and 2023, respectively.

Management of the Plan evaluates participating employers' contributions receivable periodically for potential credit losses based on historical experience as well as current and reasonable and supportable forecasted economic conditions as of December 31, 2024 and 2023, management of the plan determined that no allowance for credit losses was necessary.

### **Expenses**

Administrative expenses incurred in the administration of the Plan that are paid by the Plan include bank charges, accounting and legal fees, and other administration fees. These expenses are recorded as deductions in the accompanying statement of changes in net assets available for benefits.

### **Subsequent Events**

The Plan has evaluated subsequent events through October 14, 2025, the date which the financial statements were available to be issued.

### **Note 3 - Tax Status**

The VEBA trust funding certain benefits of the Plan received an exemption letter from the Internal Revenue Service (IRS) dated June 30, 2014, stating that the trust is tax-exempt under the provisions of Section 501(c)9 of the Internal Revenue Code (IRC). However, as a result of the Plan's funding policy, from time to time the trust may be subject to income taxes. No federal or state income taxes have been recorded in 2024 for unrelated business taxable income.

In addition, the Plan and the trust are required to operate in conformity with the IRC to maintain the tax-exempt status of the trust. The Plan Administrator believes that the Plan is being operated in compliance with the applicable requirements of the IRC and, therefore, believes that the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if it has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

**Note 4 - Party-In-Interest Transactions**

The Plan has several arrangements with service providers. These transactions are party-in-interest transactions under the ERISA.

**Note 5 - Concentration of Credit Risk**

**Credit Risk**

The Plan holds assets in a noninterest-bearing account, the balance of which is periodically in excess of federally insured limits. The account is guaranteed by the Federal Deposit Insurance Corporation (FDIC) up to \$250,000 per depositor, per insured bank. At December 31, 2024 and 2023, the Plan had approximately \$ 1,014,000 and \$1,080,000, respectively, in excess of FDIC-insured limits.

**Employer Contributions**

For the year ended December 31, 2024, employer contributions from the 5 largest participating employers totaled 55% of total employer contributions.
