INDEPENDENT AUDITORS' REPORT

Board of Trustees
Washington Retail Health Trust Plan
Spokane, Washington

Opinion

We have audited the accompanying financial statements of the Washington Retail Health Trust Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits and of benefit obligations as of December 31, 2024 and 2023, and the related statements of changes in net assets available for benefits and of changes in benefit obligations for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits and benefit obligations of Washington Retail Health Trust Plan (the Plan) as of December 31, 2024 and 2023, and the changes in its net assets available for benefits and of changes in benefit obligations for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we —

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Washington Retail Health Trust Plan

Notes to Financial Statements

Note 1 – Description of the Plan

The following description of the Washington Retail Health Trust Plan (the Plan) provides only general information. Participants should refer to the plan documents, summaries, and other descriptive plan literature for a more complete description of the Plan's provisions.

- a. **General** – The Plan was established on January 1, 2014. The Plan was established to hold insurance policies through which participating employers can provide programs of health and other insurance benefits under the employee benefit plans they maintain for their employees and dependents.

This program is considered a “group insurance arrangement” as defined by the Employee Retirement Income Security Act of 1974 (ERISA). ERISA defines a “group insurance arrangement” as an arrangement providing benefits to the employees of two or more unaffiliated employers, fully insures one or more welfare plans of each participating employer, and uses a trust as the holder of the insurance contracts and conduit for payment of premiums to the insurance company(ies). The types of benefits available through the Plan through December 31, 2024, are described as follows: medical, hospital, surgical, prescription drug, dental, vision, group life, supplemental life, additional accidental death and dismemberment, and long-term disability.

- b. **Eligibility** – Participation in the Plan is limited to employers in the retail and wholesale service industries in the state of Washington who are also members of Associated Industries of the Inland Northwest (AIIN). The only individuals who are entitled to participate in and to receive benefits from the Plan are those selected employees and dependents identified by participating employers.
- c. **Contributions** – Under an administration agreement signed by the Washington Retail Health Trust (the Trust) and Associated Industries Management Services, Inc. (AIMS), AIMS has all necessary authority to receive contributions to pay premiums on the group insurance policies offered through the Trust and to also pay reasonable expenses of the Plan. Each employer agrees to provide information, including payroll information and data, to the Plan regarding the employer's participants and employees of any controlled group in which the employer may be a member. Each employer agrees to promptly remit to the Plan the amount of contribution required to maintain welfare benefits coverage for each of the employer's participants in the amounts and at times described in the Adoption Agreement. In the event that any employer fails or refuses to remit the employer's or the participants' contributions due to the Plan on a timely basis, AIMS will cancel and terminate the coverage afforded the employer's participants, and the employer will be notified.

Employer and participant contributions are received and held by the Trust pending payment of approved insurance premiums and welfare benefits. The Plan allows participating employers to elect various benefit coverage options. Contribution rates for each coverage option are determined by the Board of Trustees.

Washington Retail Health Trust Plan

Notes to Financial Statements

Note 1 – Description of the Plan (Continued)

- d. **Benefits** – The Plan provides medical, hospital, surgical, prescription drug, dental, vision, group life, supplemental life, additional accidental death and dismemberment, and long-term disability benefits for eligible employees and their dependents. The Plan fully insures these benefits. Premiums are paid by the Plan.
- e. **Related parties and parties-in-interest** – The sponsor of the Plan is the Trust, organized by AIIN. The administrator of the Plan is AIMS, a contract administration organization related to AIIN. The Trust contracts with various insurance brokers. Financial statement accounting and auditing services are provided by Anastasi, Moore & Martin, PLLC.

The administration agreement provides for a Board of Trustees responsible for administration of the Trust. An independent fiduciary, on behalf of the Board of Trustees, has contracted with AIMS to provide administrative services to the Trust. Under the terms of this contract, the Trust pays AIMS a base administrative fee of 2.35% on gross contributions collected and reimburses AIMS for necessary and reasonable administration costs of the Plan. During the years ended December 31, 2024 and 2023, the Plan paid administration fees totaling \$146,638 and \$117,524, respectively, to AIMS.

As of December 31, 2024 and 2023, the Plan recorded receivables in the amounts of \$74,864 and \$76,202, respectively, from Associated Employers Health and Welfare Benefit Plan representing a settlement from AIMS which will be used to purchase independent fiduciary services for the Trust.

Note 2 – Summary of Significant Accounting Policies

- a. **Basis of accounting** – The accompanying financial statements of the Plan are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.
- b. **Use of estimates** – The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan sponsor to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.
- c. **Noninterest-bearing cash** – Noninterest-bearing cash includes cash on hand and noninterest-bearing demand deposits held at financial institutions.
- d. **Employer contributions receivable** – Employer contributions due but not paid at period end are recorded as contributions receivable. Delinquent contributions are recorded when collected. Amounts recorded are considered fully collectible and, accordingly, no allowance for doubtful accounts is presented.

Washington Retail Health Trust Plan

Notes to Financial Statements

Note 2 – Summary of Significant Accounting Policies (Continued)

- e. **Unearned employer contributions** – Employer contributions received in advance of the coverage period are recorded as unearned contributions. Contributions are recognized when the period of coverage begins.
- f. **Payment of insurance premiums** – Insurance premiums are recognized when paid. Rebates of insurance premiums are recognized when received. During the years ended December 31, 2024 and 2023, the Plan received rebates in the amounts of \$15,608 and \$34,611, respectively.
- g. **Benefit obligations** – Premiums payable are estimated based on participant eligibility earned as a result of contributions for participants through December 31 and paid by the Plan subsequent to year end.
- h. **Subsequent events** – The Plan has evaluated subsequent events through October 9, 2025, which is the date the financial statements were available to be issued.

Note 3 – Income Tax Status

The Trust established under the Plan to hold the assets of the Plan is qualified as a tax-exempt organization under Section 501(c)(9) of the Internal Revenue Code (IRC). A favorable tax determination letter has been obtained from the Internal Revenue Service (IRS). The Board of Trustees believes the Plan and related trust are designed and have been operated through December 31, 2024, in compliance with applicable provisions of the IRC.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain tax position that more likely than not would not be sustained upon examination by the IRS. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2024 and 2023, there were no uncertain positions taken or expected to be taken that would require recognition of the liability (or asset) or disclosure in the financial statements.

The Plan is subject to routine audits by taxing jurisdictions, and the Plan could be subject to income tax if certain issues were found by the IRS that could result in the disqualification of the tax-exempt status; however, there are no audits for any tax periods in progress.

Note 4 – Priorities Upon Termination

Although it has not expressed any intention to do so, the plan sponsor has the right under the Plan to modify benefits provided to active participants, to discontinue its contributions at any time, and to terminate the Plan subject to the provisions set forth in ERISA. Upon termination of the Plan, all assets remaining in the Trust (net of payments for all expenses) shall be used for the continuance of benefits provided until such assets have been depleted.

Note 4 – Priorities Upon Termination (Continued)

If the assets are insufficient to pay all accrued benefits and liabilities, distribution of the assets shall be made in accordance with plan termination provisions and the requirements of ERISA and applicable government regulations. In no event shall any of the assets remaining in the Plan be paid to or be recoverable by any employer.

Note 5 – Risks and Uncertainties

The Plan maintains an account with a major financial institution which exceeded the \$250,000 Federal Deposit Insurance Corporation limit. This financial institution has strong credit ratings and management believes the credit risk related to these deposits is minimal.

The Plan and the related insurance carriers face an increasingly challenging regulatory environment. Certain interpretations of laws, rules, and regulations could potentially result in adverse effects to the Plan.
