## **INDEPENDENT AUDITOR'S REPORT**

To the Participants and Plan Administrator of the  
CEVA 401(K) Plan

### **Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the Financial Statements**

We have performed audits of the financial statements of CEVA 401(K) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the years ended December 31, 2024 and 2023, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

### **Opinion on the Financial Statements**

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meet the requirements of ERISA Section 103(a)(3)(C).

### **Basis for Opinion on the Financial Statements**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

## **INDEPENDENT AUDITOR'S REPORT, continued**

### **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### **Auditor's Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

**INDEPENDENT AUDITOR'S REPORT, continued**

**Other Matters - Supplemental Schedules Required by ERISA**

The supplemental schedules, Schedule H, Line 4a – Schedule of Delinquent Participant Contributions for the year ended December 31, 2024 and Schedule H, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2024, are presented for the purpose of additional analysis and are not a required part of the financial statements but are supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## **INDEPENDENT AUDITOR'S REPORT**

To the Participants and Plan Administrator of the  
CEVA 401(K) Plan

### **Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the Financial Statements**

We have performed audits of the financial statements of CEVA 401(K) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the years ended December 31, 2024 and 2023, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

### **Opinion on the Financial Statements**

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meet the requirements of ERISA Section 103(a)(3)(C).

### **Basis for Opinion on the Financial Statements**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

## **INDEPENDENT AUDITOR'S REPORT, continued**

### **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### **Auditor's Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

**INDEPENDENT AUDITOR'S REPORT, continued**

**Other Matters - Supplemental Schedules Required by ERISA**

The supplemental schedules, Schedule H, Line 4a – Schedule of Delinquent Participant Contributions for the year ended December 31, 2024 and Schedule H, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2024, are presented for the purpose of additional analysis and are not a required part of the financial statements but are supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

# CEVA 401(K) PLAN

## NOTES TO FINANCIAL STATEMENTS

### 1. Description of Plan

The following description of the CEVA 401(k) Plan (the "Plan"), provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

#### General

The Plan was established, effective January 1, 2011, as a defined contribution plan. The Plan was formed through the merger of the CEVA Freight 401(k) Plan (the "Freight Plan") and the CEVA Logistics U.S. Inc. 401(k) Plan (the "Logistics Plan"). The Plan covers all eligible domestic employees (including certain employees who are members of unions named in the Plan document) of EGL, Inc. and CEVA Logistics U.S., Inc., (collectively, the "Employers") and any affiliated employer who adopts the Plan. Affiliated employers who have adopted the Plan include CEVA International, Inc., CEVA Freight LLC, CEVA Ground US, L.P., CEVA Trade Services, Inc., and CEVA Government Services, LLC.

Employees of Legacy Supply Chain Services ("LSCS"), hired by an affiliated employer to perform specific services, are participants in the Plan as permitted in the Plan document. Eligibility service requirements are waived for LSCS employees and prior service credit for service with LSCS is applied for such participants. Additionally, the Plan's automatic enrollment and automatic increase provisions do not apply to LSCS employees.

Effective July 25, 2022, the Plan was amended whereby former employees of Gefco Forwarding USA Inc. ("Gefco"), who were employed by Gefco as of July 24, 2022, became eligible to participate in the Plan effective January 1, 2023. On June 14, 2023, participant balances totaling \$2,229,330 were transferred from the Gefco Forwarding USA Inc. 401(k) Plan.

In February 2024, CM CGM S.A., the Plan sponsor's parent, acquired CEVA Air & Ocean USA Inc. (formerly Bollore Logistics USA Inc.) ("Bollore") pursuant to a stock transaction. Effective January 1, 2025, the Plan was amended to merge the assets of the Savings Plan for Employees of Bollore Logistics USA Inc. and Subsidiaries (the "Bollore Plan") into the Plan and allow employees of Bollore, who were employed by Bollore as of January 1, 2025, to become eligible to participate in the Plan. At December 31, 2024, the Bollore Plan held an investment in the Fidelity Managed Income Portfolio totaling \$1,502,702 that was subject to a put provision, which required reregistration prior to the effective date of the merging plans. Accordingly, the investment was transferred in-kind to the Plan prior to year-end, and included in "transfers in" in the accompanying Statements of Changes in Net Assets Available for Benefits. On January 2, 2025, participant balances totaling \$39,647,994 were transferred into the Plan.

The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"), as amended.

#### Administration

Vanguard Fiduciary Trust Company (the "Trustee") serves as trustee and recordkeeper of the Plan. Certain employees of CEVA Logistics U.S. Holdings, Inc. serve as the Plan administrator.

#### Eligibility

An employee shall be eligible to participate in the Plan upon the first payroll period following completion of three months of service.

#### Automatic Enrollment

Employees who are eligible to participate in the Plan are automatically enrolled in the Plan and deemed to have elected a deferral rate of 2% of their pre-tax annual compensation, unless the employee affirmatively elects not to participate or elects a different deferral rate. Each participant who is automatically enrolled in the Plan, will also be deemed to have elected to increase his/her pre-tax contribution election by 1% of compensation effective as of the payroll period that begins on or immediately following each April 1, until a deferral rate of 10% is reached.

**CEVA 401(K) PLAN**  
**NOTES TO FINANCIAL STATEMENTS, Continued**

**1. Description of Plan, continued**

**Contributions**

Each year participants may make pre-tax contributions, in any whole percent from 1% up to 80% of their compensation for each pay period, not to exceed the annual limitation (\$23,000 in 2024 and \$22,500 in 2023) set forth in Section 402(g) of the Internal Revenue Code ("IRC"). Participants may also rollover amounts representing distributions from other qualified plans. Participants may make catch-up contributions, pre-tax contributions that exceed the annual elective deferral limit, during any calendar year ending on or after the participant's 50<sup>th</sup> birthday. Participants' total catch-up contributions may not exceed \$7,500 per year in 2024 and 2023, respectively. Participants direct their contributions into various investment options offered by the Plan.

The Employers make safe-harbor matching contributions each pay period equal to 100% of the participant's pre-tax and catch-up contributions not to exceed 3% of their compensation, plus 50% of the next 2% contributed by the participant for that pay period. The Employers make employer matching contributions for union employees as specified in their respective union's collective bargaining agreement. The Employers may also elect to make a discretionary profit-sharing contribution to the Plan.

For the years ended December 31, 2024 and 2023, the Employers made safe-harbor matching contributions and employer matching contributions totaling \$19,293,468 and \$20,151,945, respectively. There were no discretionary profit-sharing contributions made to the Plan by the Employers for the years ended December 31, 2024 and 2023.

**Participant Accounts**

Each participant's account is credited with the participant's contributions, allocations of Plan earnings, and the Employers' matching contributions. Allocations of Plan earnings are based on participants' account balances, as defined by the Plan. Upon the occurrence of a distribution event, the benefit to which a participant is entitled is the benefit that can be provided from the participant's vested interest in his or her account.

**Vesting**

Participants are immediately vested in all participant contributions, safe-harbor matching contributions and the earnings thereon. Vesting in profit-sharing contributions and employer matching contributions not designated as safe-harbor is based on the following schedule:

<b><u>Years of Service</u></b>	<b><u>Percentage</u></b>
Less than 1 year	0%
1 but less than 2 years	20%
2 but less than 3 years	40%
3 but less than 4 years	60%
4 but less than 5 years	80%
5 years or more	100%

A participant becomes 100% vested in all Employer contributions upon death, disability or attaining the normal retirement age, as defined in the Plan document.

A participant in the Logistics Plan, who was actively employed by an Employer and whose account balances under the Logistics Plan were transferred to the Plan in connection with the merger of the Logistics Plan and the Freight Plan, will be 100% vested in all of the participant's account balances under the Plan. Union employees vest according to their respective unions' collective bargaining agreements.

**Notes Receivable from Participants**

Participants may borrow from their fund accounts a minimum of \$500 for regular loans and \$1,000 for loans for a primary residence, up to a maximum of the lesser of \$50,000 or 50% of the participant's vested account balance under the Plan. The \$50,000 maximum may be reduced by the excess, if any, of the highest outstanding balance of loans during the one-year period ending on the day before the loan was issued. Loans are secured by the balance in the participant's account and bear interest at a rate of prime plus one percent. Loan repayments are made through payroll deductions and interest paid on loans is credited to the applicable participant's account. Participant loans are repaid over a period that cannot exceed five years except a loan used to purchase a primary residence, which may be repaid over twenty-five years. Participants are allowed two loans outstanding at any given time, with no more than one being a primary residence loan. Participant loans outstanding as of December 31,

## CEVA 401(K) PLAN NOTES TO FINANCIAL STATEMENTS, Continued

### 1. Description of Plan, continued

2024 and 2023 totaled \$21,065,269 and \$18,941,663, respectively, and bore interest at rates ranging from 4.25% to 10.25% in both 2024 and 2023.

#### Forfeited Accounts

All employer contributions credited to a participant's account, but not vested, are forfeited by the participant upon termination. Such forfeited balances are used first to reinstate any matching contributions of participants who return to service and are entitled to reinstatement of their matching accounts. Any amounts remaining in the forfeiture account after reinstatement of eligible participants' matching accounts are used to pay Plan expenses and/or to reduce future employer contributions. As of December 31, 2024 and 2023, available forfeitures totaled \$289,390 and \$402,889 respectively. During the years ended December 31, 2024 and 2023, forfeitures of \$308,921 and \$40, respectively, were used to reduce employer matching contributions and/or to pay Plan expenses.

#### Payment of Benefits

Upon termination of employment, death or retirement of age 59½, a participant (or his or her beneficiary in the event of death) may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account, or to have the account balance distributed in installments.

The Plan also allows hardship withdrawals prior to age 59 ½, subject to Internal Revenue Service ("IRS") regulations. Among other things, the withdrawal must be necessary in light of immediate and heavy financial needs of the employee and is limited to certain purposes.

#### Administrative Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation (depreciation) in fair value of investments.

#### Expense Offset Arrangements

Fees incurred by the Plan for the investment management services are included in net appreciation (depreciation) in fair value of investments, as they are paid through revenue sharing, rather than a direct payment.

### 2. Summary of Significant Accounting Policies

#### Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP").

#### Use of Estimates

The preparation of financial statements in accordance with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results may differ from those estimates.

#### Risks and Uncertainties

The Plan provides for various investment options. These investment options are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities and the level of uncertainty related to changes in the value of investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the Statements of Net Assets Available for Benefits and the Statements of Changes in Net Assets Available for Benefits.

**CEVA 401(K) PLAN**  
**NOTES TO FINANCIAL STATEMENTS, Continued**

**2. Summary of Significant Accounting Policies, continued**

**Investment Valuation and Income Recognition**

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for discussion of fair value measurements.

The Plan includes in the Statements of Changes in Net Assets Available for Benefits the net appreciation in the fair value of its investments, which consists of realized gains and losses on investments sold during the year and unrealized appreciation (depreciation) of investments held at the end of the year. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

**Benefit Payments**

Benefits are recorded when paid.

**Notes Receivable from Participants**

Notes receivable from participants (participant loans) are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income on notes receivable from participants is accrued as earned. Related fees are recorded as administrative expenses and are expensed as incurred. Delinquent notes receivable from participants are reclassified as distributions based upon the terms of the Plan document.

**3. Fair Value Measurements**

Accounting Standards Codification ("ASC") Topic 820, *Fair Value Measurements and Disclosures*, establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under ASC 820 are described below:

**Level 1** Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

**Level 2** Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

**Level 3** Inputs to the valuation methodology are unobservable and not corroborated by market data and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

In determining fair value, the Plan uses the market approach, which uses prices and other relevant data based on market transactions involving identical or comparable assets and liabilities.

**NOTES TO FINANCIAL STATEMENTS, Continued**

**3. Fair Value Measurements, continued**

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2023 and 2022.

*Mutual funds:* Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (“NAV”) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

*Collective trust:* Valued at the NAV of units of a collective trust. The NAV, as provided by the Trustee, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient is not used when it is determined to be probable that the Plan will sell the investment for an amount different than the reported NAV. Participant transactions (purchases and sales) may occur daily. Were the Plan to initiate a full redemption of the collective trust, the investment adviser reserves the right to temporarily delay withdrawal from the trust in order to ensure that securities liquidations will be carried out in an orderly business manner.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan’s investments at fair value on a recurring basis as of December 31, 2024 and 2023:

<b>Investments at Fair Value as of December 31, 2024</b>

(a) In accordance with ASC 820-10, certain investments that were measured at NAV per share (or its equivalent) as a practical expedient, have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the Statements of Net Assets Available for Benefits.

**4. Information Certified by the Trustee (Unaudited)**

The Plan administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, certain information related to investments disclosed in the accompanying financial statements and supplemental schedules, including investments and notes receivable from participants at December 31, 2024 and 2023, and net appreciation (depreciation) in fair value of investments, interest income from notes receivable from participants and interest and dividends for the years then ended, was obtained or derived from the information supplied to the Plan administrator and certified as complete and accurate by the Trustee.

The Plan's independent accountants did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and supplemental schedules.

**5. Tax Status**

The Plan has received a favorable determination letter from the Internal Revenue Service ("IRS") dated April 24, 2015, in which the IRS stated that the Plan, as then designed, was in compliance with the applicable requirements of the IRC of 1986, as amended. The Plan has been amended since receiving the determination letter; however, the Plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Accordingly, no provision for federal income tax has been recorded.

Accounting principles generally accepted in the United States of America requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain tax position that more likely than not would not be sustained upon examination. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2024 and 2023, there are no uncertain tax positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

**6. Party-in-Interest Transactions**

The Plan invests in mutual funds and a common collective trust fund which are managed and distributed by the Trustee, pays certain Plan expenses and issues notes receivable from participants. These transactions qualify as party-in-interest transactions, as defined by ERISA. However, such transactions are permitted under the provisions of the Plan and are exempt from the prohibition of party-in-interest transactions under ERISA.

**7. Reconciliation of Plan Financial Statements to Form 5500**

The following is a reconciliation of the net assets available for benefits per the financial statements to the Form 5500 as of December 31, 2024 and 2023:

	<u>2024</u>	<u>2023</u>
Net assets available for benefits per the financial statements	\$ 585,592,175	\$ 528,979,192
Participant loans deemed distributed	<u>(817,904)</u>	<u>(743,365)</u>
Net assets available for benefits per Form 5500	<u>\$ 584,774,271</u>	<u>\$ 528,235,827</u>

The following is a reconciliation of the net increase in net assets available for benefits per the financial statements to the Form 5500 for the years ended December 31, 2024 and 2023:

	<u>2024</u>	<u>2023</u>
Net increase in net assets available for benefits per the financial statements	\$ 56,612,983	\$ 83,531,521
Change in participant loans deemed distributed	<u>(74,539)</u>	<u>(329,869)</u>
Net increase in net assets available for benefits per Form 5500	<u>\$ 56,538,444</u>	<u>\$ 83,201,652</u>

**NOTES TO FINANCIAL STATEMENTS, Continued**

**8. Delinquent Participant Contributions**

During the years ended December 31, 2024, 2023, 2022, and 2021, the Company determined that certain employee deferrals, including payments on notes receivable from participants, aggregating \$42,144,183, \$34,727,451, \$1,164,059 and \$1,923,863, respectively, had not been remitted to the Plan in a timely manner, according to DOL regulations. Although these remittances were made, they fell outside the normal processing time the Company allows. An investigation was held to determine the root cause of the delinquent contributions, and corrective measures will be taken. The lost earnings for 2022 and 2021, estimated at approximately, \$2,000 and \$400, respectively, were processed and deposited to participant accounts during April 2024. The lost earnings for 2023, estimated at approximately, \$65,000, was processed and deposited to participant accounts during January 2025. The lost earnings for 2024, estimated at approximately, \$91,000, were processed and deposited to participant accounts during February 2025.

**9. Subsequent Events**

Plan management has evaluated all subsequent events through October 15, 2025, which is the date the financial statements were available for issuance, and has concluded that there are no other significant events to be reported.
