## INDEPENDENT AUDITORS' REPORT

To the Administrative Committee  
Fowler Property Acquisitions, LLC Retirement Savings Plan  
Irvine, California

### Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Fowler Property Acquisitions, LLC Retirement Savings Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) (an "ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits – modified cash basis as of December 31, 2024 and 2023, and the related statement of changes in net assets available for benefits – modified cash basis for the year ended December 31, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Fowler Property Acquisitions, LLC Retirement Savings Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institutions as of December 31, 2024 and 2023, and for the year ended December 31, 2024, stating that the certified investment information, as described in Note 6 to the financial statements, is complete and accurate.

### Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the financial statements, other than those agreed to or derived from the certified investment information, are presented, in all material respects, in accordance with the modified cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### **Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Fowler Property Acquisitions, LLC Retirement Savings Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### **Basis of Accounting**

We draw attention to Note 2 of the financial statements, which describes the basis of accounting. The financial statements and supplemental schedules are prepared on the modified cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to that matter.

### **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with the modified cash basis of accounting described in Note 2; this includes determining that the modified cash basis of accounting is an acceptable basis for the preparation of the financial statements in the circumstances. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### **Auditor's Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Fowler Property Acquisitions, LLC Retirement Savings Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Fowler Property Acquisitions, LLC Retirement Savings Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of the modified cash basis of accounting.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with the modified cash basis of accounting.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

#### **Supplemental Schedules Required by ERISA**

The supplemental schedules (Schedule H, Part IV, Line 4a for the year ended December 31, 2024 and Schedule H, Part IV, Line 4i as of December 31, 2024) are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented fairly, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### NOTE 1. DESCRIPTION OF THE PLAN

Fowler Property Acquisitions, LLC Retirement Savings Plan (the “Plan”) is a defined contribution plan established on July 20, 2015. The Plan is sponsored by Fowler Property Acquisitions, LLC, and covers all eligible employees from the following participating employers in addition to the Plan Sponsor: Trinity Property Consultants, LLC, Redwood Construction, Inc., Red Tail Acquisitions LLC, Pacific Personnel Services, Inc., HVM Hospitality Services, Inc., Highway West Vacations, LLC, Red Tail Residential, LLC, and Red Tail Multi Family Land Development, LLC (collectively the “Company”). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”) and the provisions of the Internal Revenue Code (the “Code”).

The following description of the Plan provides only general information. Participants should refer to the Plan document for a complete description of the Plan’s provisions.

#### Eligibility

Employees become eligible to participate in the Plan on the date they turn 18 years old. Employees who are members of an employee classification that indirectly imposes an hours of service requirement (i.e., part-time, seasonal, or temporary), are eligible to participate once they attain the age of 21 and have completed 1,000 hours of service during an eligibility computation period, as defined. Ineligible employees include employees who are non-resident aliens deriving no earned income from the Company and employees covered by a collective bargaining agreement. The eligibility requirements for employer matching are the same.

#### Participant Contributions

Participants may elect to contribute any amount of their eligible compensation, as defined by the Plan, up to the maximum allowed by the Code. The Plan permits both pre-tax deferral contributions and after-tax amounts designated as “Roth” contributions. In addition, employees who are age 50 or older may elect to defer additional amounts (referred to as “catch-up contributions”) to the Plan up to the maximum allowed by the Code.

Eligible employees and participants may also contribute amounts representing rollover distributions from other qualified sources.

#### Employer Matching Contributions

The Company may make a discretionary matching contribution to the Plan. Matching contributions, if any, shall be determined annually and will be allocated as a percentage of each tier of salary deferrals as determined by the Company. For the Plan year ended December 31, 2024, the Company elected to make a discretionary matching contribution in an amount equal to 33% of each dollar contributed by a participant, up to 2% of eligible compensation. Catch-up contributions are not eligible for employer matching contributions.

### NOTE 1. DESCRIPTION OF THE PLAN (Continued)

#### Vesting

Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Company's contributions portion of their accounts is based on years of continuous service. Participants vest in the Company's contributions ratably over 3 years. A participant is 100% vested after three years of credited service or upon normal retirement age of 65, death, or disability.

#### Participant Accounts

Each participant's account is credited with the participant's contributions and allocations of (a) the Company's contributions and (b) Plan earnings or losses, and is charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

#### Investment Options

Upon enrollment in the Plan, participants may direct employee and employer contributions in any of the Plan's investment options. Subsequently, participants may change their allocations and transfer account balances between the investment options in accordance with the Plan.

#### Notes Receivable from Participants

Participants may borrow from their account balance a minimum of \$1,000 up to a maximum generally equal to the lesser of \$50,000 or 50% of their vested account balance. Loans are required to be repaid within five years unless the loan is to be used for the purchase of a primary residence of the participant, in which case the loan repayment period is a maximum of twenty-five years. The loan is secured by the participant's vested interest in his or her account. Written consent of the participant's spouse, if any, is required within ninety days before the date on which the loan is to be secured. The interest rate for a loan will be the rate in effect in the month the loan is effective. The interest rate is the prime rate as published in *The Wall Street Journal* as of the date of the loan, plus one percent. As of December 31, 2024, the interest rates on participant loans range from 4.25% to 9.50%. Principal and interest are paid regularly through payroll deductions.

#### Forfeitures

Forfeitures of Company contributions may be used to reduce the Company's contribution under the Plan or to pay Plan expenses. As of December 31, 2024 and 2023, there was a balance of \$60,898 and \$50,695 in the forfeiture account, respectively. For the year ended December 31, 2024, \$8,926 was forfeited and there were \$1,277 in earnings.

#### Payment of Benefits

Upon termination, retirement, death, or disability, participants may elect to receive a distribution of their account in a single lump-sum cash distribution or defer distribution if their account exceeds \$7,000. Upon separation of a participant from the Company, at its discretion, the Plan may elect to distribute vested account balances of less than \$7,000 to an individual retirement account or if under \$1,000, a cash distribution.

## Notes to Financial Statements For the Year Ended December 31, 2024

### NOTE 1. DESCRIPTION OF THE PLAN (Continued)

#### Payment of Benefits (Continued)

Normal retirement age is 65 and the Plan does not allow for early retirement. Participants who are age 59½ or older may withdraw all or part of their vested account balance. The Plan also permits hardship distributions from a participant's vested account balance, in accordance with Plan and IRC provisions regarding qualifying expenses. Any vested benefits will be paid to a participant's beneficiary upon death of a participant.

Pursuant to the Setting Every Community Up for Retirement Enhancement Act of 2019 (the "SECURE" Act), which became law on December 20, 2019, participants may defer taking distributions as follows:

- If a participant reached the age of 70½ in 2019, the participant may defer receiving distributions until the later of April 1, 2020, or the April following the calendar year in which the participant retires;
- If a participant reached the age of 70½ in 2020 or later, the participant may defer receiving distributions until the later of the April following the calendar year in which the participant reaches age 72 or retires.

The distribution provisions of the SECURE Act were modified by the SECURE 2.0 Act of 2022 (the "SECURE 2.0 Act", Note 11), such that beginning in 2023, the age a participant must begin taking distributions was raised to 73. If a participant reached the age of 72 during 2023, the participant may defer receiving distributions until April 1, 2025, the latest date that required a minimum distribution may be taken for 2024. The SECURE 2.0 Act also increased the aforementioned \$7,000 distribution thresholds from \$5,000 effective January 1, 2024.

### NOTE 2. SUMMARY OF ACCOUNTING POLICIES

#### Basis of Accounting

The financial statements of the Plan are prepared on the modified cash basis of accounting, which is a comprehensive basis of accounting other than accounting principles generally accepted in the United States of America. Under this method, contributions and revenues are recognized when received, rather than when earned, and expenses and excess contributions are recorded when paid, not when incurred.

#### Estimates and Assumptions

The preparation of financial statements in conformity with the modified cash basis of accounting requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Actual results may differ from those estimates.

#### Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for discussions of fair value measurements.

# FOWLER PROPERTY ACQUISITIONS, LLC RETIREMENT SAVINGS PLAN

## Notes to Financial Statements For the Year Ended December 31, 2024

---

### NOTE 2. SUMMARY OF ACCOUNTING POLICIES (Continued)

Purchases and sales of securities are recorded on a trade-date basis. Interest and dividend income are recognized when received. Net realized and unrealized appreciation (depreciation) in fair value of investments includes the Plan's realized and unrealized gains and losses on investments bought and sold as well as held during the year.

#### Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance. Interest income is recorded when received. Related fees are recorded as administrative expenses and are expensed when they are paid. If a participant ceases to make loan repayments and the Plan administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

#### Payment of Benefits

Benefits to participants are recorded when paid.

#### Expenses

Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Fees related to the administration of distributions and notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in the net realized and unrealized appreciation (depreciation) in fair value of investments.

#### Subsequent Events

Plan management has evaluated subsequent events through the date of the independent auditors' report, which is the date these financial statements were available to be issued.

### NOTE 3. FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1), and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy are described below:

Level 1 – Inputs are unadjusted, quoted market prices in active markets for identical assets or liabilities at the measurement date.

Level 2 – Inputs are either directly or indirectly observable for the asset or liability through correlation with related market data at the measurement date and for the duration of the instrument's anticipated life.

Level 3 – Inputs are both unobservable and significant to the overall fair value measurement for the asset or liability at the measurement date. These inputs reflect Plan management's best estimate of what market participants would use in pricing the asset or liability at the measurement date. Consideration is given to the risk inherent in the valuation technique and in the inputs to the model.

# FOWLER PROPERTY ACQUISITIONS, LLC RETIREMENT SAVINGS PLAN

## Notes to Financial Statements For the Year Ended December 31, 2024

---

### NOTE 3. FAIR VALUE MEASUREMENTS (Continued)

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs. The following is a description of the valuation methodologies used for assets measured at fair value at December 31, 2024 and 2023. There have been no changes in the methodologies used at December 31, 2024 and 2023.

*Registered investment companies (mutual funds):* Valued based on the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. The funds held by the Plan are deemed to be actively traded.

*Group annuity contract – Stable Value Focus Option:* Valued at contract value, based on daily reported values as calculated by the annuity provider (Transamerica) according to the contract terms, but generally equal to the contributions made by participants, plus all interest credited (as set on a semi-annual basis), less any amounts transferred or distributed, and any charges deducted as described in the contract. The Stable Value Focus Option is fully benefit-responsive but is not considered a guaranteed interest contract or common/collective trust and there is no stated minimum or maximum interest rate. The investment is considered a deposit liability to the issuer with no defined maturities, and the rates set by Transamerica are competitive based on similar investments such as money market or certificate-of-deposit-type investments. As such, the investment is fairly valued at its contract value.

*Interest-bearing cash:* Valued at the daily account balance.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. In addition, although Plan management believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

### NOTE 3. FAIR VALUE MEASUREMENTS (Continued)

The following tables set forth, by level within the fair value hierarchy, the Plan's investments at fair value as of December 2024 and 2023:

	December 31, 2024			Total
	Level 1	Level 2	Level 3	
Interest-bearing cash	\$ 29,129	\$ -	\$ -	\$ 29,129
Registered investment companies	20,901,360	-	-	20,901,360
Stable value focus option	-	1,056,339	-	1,056,339
Total investments at fair value	<u>\$ 20,930,489</u>	<u>\$ 1,056,339</u>	<u>\$ -</u>	<u>\$ 21,986,828</u>

  

	December 31, 2023			Total
	Level 1	Level 2	Level 3	
Interest-bearing cash	\$ 23,437	\$ -	\$ -	\$ 23,437
Registered investment companies	19,059,079	-	-	19,059,079
Stable value focus option	-	1,017,684	-	1,017,684
Total investments at fair value	<u>\$ 19,082,516</u>	<u>\$ 1,017,684</u>	<u>\$ -</u>	<u>\$ 20,100,200</u>

### NOTE 4. PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right, under the Plan, to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

### NOTE 5. INCOME TAX STATUS

The Plan has adopted a non-standardized pre-approved profit sharing / money purchase plan and relies upon the pre-approved plan's opinion letter from the Internal Revenue Service ("IRS") dated June 30, 2020, which states that, in its opinion, the pre-approved plan and related trust are designed in accordance with the applicable sections of the Code. The Plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the Code. Therefore, no provision for income taxes has been included in the accompanying financial statements.

The modified cash basis of accounting requires Plan management to evaluate tax positions taken by the Plan and consider disclosure if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan administrator has analyzed the tax positions taken by the Plan and has concluded that as of December 31, 2024, there are no uncertain positions taken or expected to be taken that would require disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. No provision for income taxes has been included in the accompanying financial statements. The Plan administrator believes it is no longer subject to income tax examinations for years prior to 2021.

### **NOTE 6. INFORMATION CERTIFIED BY THE CUSTODIANS**

The Plan's investments were held by the custodians of the Plan's assets as follows: Reliance Trust Company as of December 31, 2023 and for the period from January 1, 2024 to June 30, 2024 and Transamerica Trust Company as of December 31, 2024 and for the period from July 1, 2024 to December 31, 2024. Certain information related to cash, investments, and notes receivable from participants disclosed in the accompanying financial statements and the ERISA-required supplemental schedule (Schedule H, Part IV, Line 4i), including cash, investments, and notes receivable from participants held at December 31, 2024 and 2023, and net realized and unrealized appreciation or depreciation in fair value of investments, interest and dividends, interest income on notes receivable from participants, and other income for the year ended December 31, 2024, was obtained by management and agreed to or derived from information certified as complete and accurate by the custodians of the Plan.

### **NOTE 7. RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS**

The Company provides administrative services for the Plan at no cost to the Plan and certain costs of the Plan's operating expenses are paid by the Company. Certain of the Plan's investments are managed by an affiliate of the recordkeeper of the Plan. These transactions qualify as exempt party-in-interest transactions.

### **NOTE 8. RISKS AND UNCERTAINTIES**

The Plan invests in various investment securities. Investments are exposed to various risks such as interest rate, market, and credit risk. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such change could materially affect participant account balances and the amounts reported in the statements of net assets available for benefits – modified cash basis.

### **NOTE 9. DELINQUENT REMITTANCES**

The Company identified various instances where amounts withheld from employees during 2023 and 2024 were not remitted to the Plan within the reasonableness timeframe established by the Department of Labor ("DOL"). Plan management identified amounts withheld during 2023 totaling \$243,775 that were not remitted to the Plan in a timely manner. Lost earnings in the amount of \$950 related to these amounts were remitted in October 2024. The Company additionally identified amounts withheld during 2024 totaling \$123,291 that were not remitted to the Plan in a timely manner. Lost earnings in the amount of \$1,300 related to these amounts were remitted in October 2025.

### NOTE 11. SECURE 2.0 ACT

On December 29, 2022, the SECURE 2.0 Act became law. The purpose of the legislation is to expand access to retirement plans and to help working Americans increase their retirement savings. In addition to the changes to distributions described in Note 1, the SECURE 2.0 Act includes various required and optional provisions that become effective through 2033, certain of which are described below:

- Beginning in 2026, catch-up contributions will be made on a Roth basis, unless the participant earns \$145,000 or less.
- Beginning January 1, 2025, a participant from the ages 60 to 63 can elect catch-up contributions up to the limit of the greater of \$10,000 or 150% of the catch-up contribution limit imposed by the IRS.
- Starting January 1, 2025, long-term part-time workers (defined as employees who have worked for two consecutive 12-month periods during each of which they have at least 500 hours of service) will become eligible to enroll in their employer's retirement plan after two years.

Plan management has not yet determined which of the optional provisions, if any, the Plan will implement. Plan management expects to formally amend the Plan by December 31, 2026.

## **Notes to Financial Statements For the Year Ended December 31, 2024**

---

### **NOTE 12. EXCESS CONTRIBUTIONS DUE TO PARTICIPANTS**

To satisfy certain nondiscrimination provisions of the Plan for the year ended December 31, 2023, \$60,512 of excess participant contributions were disbursed from the Plan in March 2024, which is included in corrective distributions on the accompanying statement of changes in net assets available for benefits – modified cash basis for the year ended December 31, 2024. There were no such amounts paid in 2025 related to the year ended December 31, 2024.

### **NOTE 13. PARTICIPANT DEFERRAL RATE ELECTION CHANGES**

The Company identified certain changes in participant deferral rate election changes that were not implemented timely. Management is in the process of determining the affected participants and the amount required to take appropriate corrective action, including missed deferrals, lost earnings, and employer matching contributions, if any. Management expects to correct this issue by the end of 2025.

Based on the actions taken, Plan management and the Company believe the aforementioned deferral rate change election issue will not cause the Plan to be disqualified by the IRS and that the self-corrective actions allow the Plan to be in compliance with the Plan documents and ERISA. Accordingly, no provision for income taxes has been included in the accompanying financial statements.

### **NOTE 14. COMPLIANCE TESTING**

As of the date of the independent auditors' report, the Plan has not obtained the required nondiscrimination compliance testing results for the year ended December 31, 2024. Plan management believes the Plan is in compliance with the applicable nondiscrimination requirements as of and for the year ended December 31, 2024. In the event that the Plan is found to not be in compliance with the applicable nondiscrimination requirements, corrective action may be required and the Plan may be subject to excise taxes.
