## INDEPENDENT AUDITOR'S REPORT

Retirement Plan of Goodsill Anderson Quinn & Stifel:

### Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Retirement Plan of Goodsill Anderson Quinn & Stifel (Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974, as amended (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023 and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2024 and 2023 and for the years then ended, stating that the certified investment information, as described in Note C to the financial statements, is complete and accurate.

### Opinion

In our opinion, based on our audits and on the procedures performed as described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (U.S. GAAS). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

## Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

## Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and, therefore, is not a guarantee that an audit conducted in accordance with U.S. GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with U.S. GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.

### Auditor's Responsibilities for the Audit of the Financial Statements (continued)

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP. Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

### Other Matters – Supplemental Schedules Required by ERISA

The supplemental schedules of Form 5500, Schedule H, Line 4a – Schedule of Delinquent Participant Contributions for the year ended December 31, 2024, and Form 5500, Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2024, are presented for purposes of additional analysis and are not a required part of the financial statements, but are supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with U.S. GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Other Matters – Supplemental Schedules Required by ERISA

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL’s Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## NOTES TO THE FINANCIAL STATEMENTS

For the Years Ended December 31, 2024 and 2023

### NOTE A – DESCRIPTION OF PLAN

The Retirement Plan of Goodsill Anderson Quinn & Stifel (Plan) was established on January 1, 1964, by Goodsill Anderson Quinn & Stifel LLP (Company). The following is a description of the Plan that provides only general information. Participants should refer to the plan agreement for a complete description of its provisions.

#### General

The Plan is a defined contribution plan covering all employees of the Company who complete three months of service. Participants are eligible for safe harbor employer matching after completing one year of service. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (ERISA). The plan documents were restated effective January 1, 2022.

#### Contributions

Participants may make employee salary deferral contributions to the Plan up to the lesser of 85% of their eligible compensation or \$23,000 and \$22,500 in 2024 and 2023, respectively, adjusted annually for the cost of living. Participants who have attained the age of 50 may make additional annual contributions of \$7,500 in 2024 and 2023. Employees may also make Roth 401(k) deferrals, and rollover contributions and transfers from other qualified plans. Excess contributions are refunded in accordance with provisions of the Internal Revenue Code (IRC). The Company makes safe harbor contributions from its own funds in an amount equal to 100% of the salary deferrals, up to 5% of compensation to eligible participants. Total employee and employer contributions to each participant's account may not exceed the lesser of \$69,000 and \$66,000, or \$76,500 and \$73,500 if age 50 and over, in 2024 and 2023, respectively, or 100% of annual compensation, as defined.

#### Participant accounts

Each participant's account is credited with the participant's contributions and the Company's safe harbor contributions; plus, an allocation based on participant earnings or account balances of the Plan's net earnings; less an allocation of administrative expenses. The benefit to which a participant is entitled is the benefit that can be provided from the participant's account.

#### Vesting

Employees' salary deferrals and Company safe harbor contributions, and earnings thereon, are always 100% vested.

### NOTES TO THE FINANCIAL STATEMENTS (Continued)

#### For the Years Ended December 31, 2024 and 2023

#### NOTE A – DESCRIPTION OF PLAN (Continued)

##### Notes receivable from participants

Participants may borrow a minimum of \$1,000, up to the lesser of \$50,000 or 50% of the vested portion of their account balance. The notes receivable and related interest must be repaid within five years unless they are used to acquire a principal residence. A participant may only have two loans outstanding at any one time. The notes receivable are collateralized by the participants' account balances and bear interest at prevailing rates, which ranged from 4.25% to 9.50% at December 31, 2024 and 2023. Principal and interest are paid ratably through bi-weekly payroll deductions. The notes receivable mature at various dates through March 2050.

##### Payment of benefits

The vested amount in each participant's account is payable upon normal retirement (age 59-1/2), disability, death, or termination of employment. Participants receive the entire value of their accounts in a single lump-sum payment equal to their vested balance, less the balance of any outstanding notes, or in periodic installments over a period not to exceed the life or life expectancy of the participant or beneficiary. Participants, with account balances of \$5,000 or less at the time of separation, are automatically rolled over to an individual retirement account, unless elected otherwise.

##### Withdrawals

Active participants may withdraw all or a portion of their vested account balances as in-service distributions after attaining age 59-1/2, or as hardship withdrawals from the participant's elective contributions, by submitting a written application that is approved by the plan administrator. Hardship withdrawals are allowed for participants incurring an immediate and heavy financial need, as defined by the Plan. Hardship withdrawals are strictly regulated by the Internal Revenue Services (IRS).

#### NOTE B – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

##### Basis of Accounting

The accompanying financial statements of the Plan have been prepared in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).

##### Use of Estimates

The preparation of financial statements in accordance with U.S. GAAP requires the plan administrator to make estimates and assumptions that affect certain reported amounts of assets and liabilities and changes therein, and disclosures of contingent assets and liabilities. Actual results could differ from those estimates, it is reasonably possible that such estimates may change within the near term, and such differences could be material to the financial statements.

## RETIREMENT PLAN OF GOODSILL ANDERSON QUINN & STIFEL

### NOTES TO THE FINANCIAL STATEMENTS (Continued)

For the Years Ended December 31, 2024 and 2023

#### NOTE B – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

##### Investment Valuation and Income Recognition

Investments are stated at fair value, except that fully benefit-responsive unallocated group annuity contracts are reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Company determines the Plan's valuation policies utilizing information provided by its investment advisers and qualified institution. See Note D for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade date basis. Dividends are recorded on the ex-dividend date. Interest income is recognized when earned. Net appreciation in the fair value of registered investment companies and self-directed accounts include the Plan's gains and losses on those investments bought and sold as well as held during the year.

##### Contributions Receivable

Contributions receivable are recognized for amounts due from the employer and participants remitted to the qualified institution after year-end. Contributions from plan participants and employer are recorded in the year in which participant compensation is earned.

Management has evaluated the collectability of employer contributions receivable in accordance with Accounting Standards Update No. 2016-13, *Financial Instruments – Credit Losses (Topic 326)*, and determined that no allowance for credit losses is necessary as of December 31, 2024 and 2023. The Plan considers the Company's historical payment experience, current and future financial condition, and the legally binding nature of the contribution obligation in making this assessment.

##### Notes Receivable from Participants

Notes receivable from participants are reported at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded when earned. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2024 and 2023.

##### Payment of Benefits

Benefits are recorded when paid.

##### Expenses

Expenses are recognized when the related liability is incurred. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation of fair value of investments.

# RETIREMENT PLAN OF GOODSILL ANDERSON QUINN & STIFEL

## NOTES TO THE FINANCIAL STATEMENTS (Continued)

### For the Years Ended December 31, 2024 and 2023

#### NOTE C – CERTIFICATION FROM QUALIFIED INSTITUTION

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and supplemental schedules, including investments in registered investment companies, unallocated annuity contracts, and notes receivable from participants held at December 31, 2024 and 2023, and net appreciation in fair value of investments, dividends, and interest for the years ended December 31, 2024 and 2023, was obtained or derived from information supplied to the plan administrator and certified as complete and accurate by Lincoln Financial Group Trust Company, Inc. (Lincoln Financial Group), the qualified institution of the Plan. The contract value of the unallocated group annuity contract as of December 31, 2024 and 2023 was also certified by Lincoln Financial Group.

#### NOTE D – FAIR VALUE MEASUREMENTS

U.S. GAAP provides a hierarchy that prioritizes the inputs to the valuation methodologies used to measure fair value. There are three levels of the fair value hierarchy. Level 1 inputs consist of unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access. Level 2 inputs include quoted prices for similar assets or liabilities in active markets, quoted prices for identical or similar assets or liabilities in inactive markets, inputs other than quoted prices that are observable for the asset or liability, and inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability. Level 3 inputs are unobservable and significant to the fair value measurement. The fair value measurement level of an asset or liability within the hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation methodologies used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The Plan values investments in registered investment companies and common stocks and mutual funds in self-directed accounts at quoted market prices, and interest-bearing and noninterest-bearing cash in self-directed accounts at stated value (Level 1 inputs). The Plan values investments in corporate bonds in self-directed accounts at the discounted value of future cash flows (Level 2 inputs). At December 31, 2024 and 2023, there were no investments valued using Level 3 inputs. The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. The use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following sets forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2024:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Registered investment companies	\$27,872,656	\$ -	\$ -	\$27,872,656
Self-directed accounts	<u>18,007,980</u>	<u>15,006</u>	<u>-</u>	<u>18,022,986</u>
Total investments at fair value	<u>\$45,880,636</u>	<u>\$ 15,006</u>	<u>\$ -</u>	<u>\$45,895,642</u>

# RETIREMENT PLAN OF GOODSILL ANDERSON QUINN & STIFEL

## NOTES TO THE FINANCIAL STATEMENTS (Continued)

For the Years Ended December 31, 2024 and 2023

### NOTE D – FAIR VALUE MEASUREMENTS (Continued)

The following sets forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2023:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Registered investment companies	\$25,304,396	\$ -	\$ -	\$25,304,396
Self-directed accounts	<u>15,300,198</u>	<u>-</u>	<u>-</u>	<u>15,300,198</u>
Total investments at fair value	<u>\$40,604,594</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$40,604,594</u>

### NOTE E – UNALLOCATED GROUP ANNUITY CONTRACT

The Lincoln Financial Group Stable Value Account is an unallocated group annuity contract that complies with the fully benefit-responsive requirements of the Financial Accounting Standards Board. The fund had no stated maturity date and guarantees an effective annual interest rate of not less than 1.75%. The unallocated group annuity contract is backed by the general account assets of The Lincoln National Life Insurance Company. Due to the nature of the contract, the contract does not have specific underlying assets assigned to it. Therefore, the value of the unallocated group fixed annuity contract reported to plan sponsors is the contract value which represents the amount participants would receive if they were to initiate a transaction under the terms of the ongoing contract. Contributions received in any quarter will earn interest at the portfolio rate. The portfolio rate is declared for the quarter and is in effect only for that quarter. The portfolio rate is the three-year average of the Lehman Intermediate U.S. Government/Credit Index yield plus 0.10% as of one month prior to the beginning of each quarter.

The Lincoln Financial Stable Value Account is a non-tradable obligation of Lincoln Financial Group. Thus, the contract may not be transferred, sold, assigned, discounted or pledged, either as collateral for a loan or as security for the performance of an obligation or for any other purpose without consent from the issuer. Participants are allowed retirement, hardship, and periodic elective and systematic withdrawals under the contract. The contract also provides several life annuity options.

The Plan's ability to receive amounts due in accordance with fully-benefit responsive investment contract is dependent on the third-party issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments.

Certain events limit the ability of the Plan to transact at contract value with the contract issuer. Such events include amendments to the plan documents including complete or partial plan termination or merger with another plan, bankruptcy of the plan sponsor or other plan sponsor events such as divestiture of a subsidiary that caused a significant withdrawal from the Plan, or the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA.

**NOTES TO THE FINANCIAL STATEMENTS (Continued)**

**For the Years Ended December 31, 2024 and 2023**

NOTE E – UNALLOCATED GROUP ANNUITY CONTRACT (Continued)

In addition, certain events allow the issuer to terminate the contract with the Plan and settle at an amount different from contract value. Such events include an uncured violation of the Plan's investment guidelines, a breach of material obligation under the contract, a material misrepresentation, and a material amendment to the agreement without the consent of the issuer.

NOTE F – ADMINISTRATION OF PLAN ASSETS

The Plan's assets are held by Lincoln Financial Group, the trustee of the Plan, as of and for the years ended December 31, 2024 and 2023. Lincoln Retirement Services Company, LLC serves as the recordkeeper. Certain administrative functions are performed by officers or employees of the Company, who receive no compensation from the Plan. Trustee fees and other administrative expenses are paid by either the Plan or the Company, as provided in the plan document. Expenses that are paid by the Company are not reflected in these financial statements.

NOTE G – RECONCILIATION TO FORM 5500

The following is a reconciliation of net assets available for benefits per the financial statements to Schedule H of the Form 5500 as of December 31, 2024 and 2023:

	<u>2024</u>	<u>2023</u>

# RETIREMENT PLAN OF GOODSILL ANDERSON QUINN & STIFEL

## NOTES TO THE FINANCIAL STATEMENTS (Continued)

### For the Years Ended December 31, 2024 and 2023

#### NOTE H – TAX STATUS

In a letter dated June 30, 2020, the IRS stated that the Non-Standardized Pre-Approved Profit Sharing Plan adopted by the Plan, is acceptable under Section 401(a) of the IRC for use by employers for the benefit of their employees. The Non-Standardized Pre-Approved Profit Sharing Plan has received an opinion letter from the IRS as to the Non-Standardized Pre-Approved Profit Sharing Plan's tax qualified status. The Non-Standardized Pre-Approved Profit Sharing Plan opinion letter has been relied upon by this Plan. The Plan has been amended since receiving the determination letter. However, the plan administrator believes that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC. Therefore, the plan administrator believes that the Plan was qualified, and the related trust was tax-exempt as of the financial statement date.

U.S. GAAP requires that plan management evaluate uncertain tax positions taken by the Plan and recognize a tax liability if the Plan has taken a significant uncertain position that more likely than not would not be sustained upon examination by the IRS. The plan administrator evaluated the Plan's tax positions as of December 31, 2024 and 2023 and for the years then ended and determined that the Plan had no uncertain tax positions required to be reported. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits in progress for any open tax periods.

#### NOTE I – RELATED PARTY AND PARTY IN INTEREST TRANSACTIONS

The Plan's assets are administered by and in custody of Lincoln Financial Group as of and for the years ended December 31, 2024 and 2023. Lincoln Financial Group is the trustee as defined by the Plan and, therefore these transactions qualify as party in interest transactions. The Lincoln Financial Group Stable Value Account is an obligation of Lincoln Financial Group, a sister company to the Plan's recordkeeper, Lincoln Retirement Services Company, LLC; therefore, these transactions qualify as party in interest transactions.

#### NOTE J – RISK AND UNCERTAINTIES

The participants of the Plan invest in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks, and overall market volatility. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

The Plan and Company operate in the State of Hawaii. Local, national, and international events can have severe, adverse effects on economic conditions in Hawaii. These financial statements do not include the adjustments that would result if the Plan were to account for future losses or asset impairments, as the effects on the financial statements of the Plan from such changes in economic conditions are not presently determinable.

**For the Years Ended December 31, 2024 and 2023**

NOTE K – TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan, subject to the provisions of ERISA. In the event of plan termination, all participants become 100% vested in their employer contributions.

NOTE L – PROHIBITED TRANSACTIONS

During the year ended December 31, 2024, the plan administrator made late submissions of participant loan payments totaling \$1,847, which are disclosed in Schedule H, Part IV, Line 4a of the Form 5500. The delinquent participant loan payments were subsequently corrected in June 2025.

NOTE M – SUBSEQUENT EVENTS

The plan administrator has evaluated subsequent events through October 14, 2025, which is the date the financial statements were available to be issued, and determined that the Plan did not have any subsequent events requiring adjustment to the financial statements or disclosure in the notes to the financial statements, except as disclosed in Note L to the financial statements.
