INDEPENDENT AUDITOR'S REPORT

To the Board Trustees of
Whitsons Food Service Corporation 401(k) Savings Plan
1800 Motor Parkway
Islandia, New York 11749

Independent Auditor's Report

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2024 Financial Statements

We have performed audits of the financial statements of Whitsons Food Service Corporation 401(k) Savings Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statement of changes in net assets available for the year ended December 31, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Whitsons Food Service Corporation 401(k) Savings Plan's 2024 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2024, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2024 Financial Statements

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2024 Financial Statements section

- ~ the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- ~ the information in the accompanying 2024 financial statements related to the assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2024 Financial Statements section of our report. We are required to be independent of Whitsons Food Service Corporation 401(k) Savings Plan and to meet our other ethical responsibilities, in accordance with relevant ethical requirements related to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

**Whitsons Food Service Corporation 401(k) Savings Plan
Independent Auditor's Report (Continued)**

Responsibilities of Management for the 2024 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Whitson Food Service Corporation 401(k) Savings Plan's ability to continue as a going concern for a period of one year after the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2024 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2024 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material, if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgement made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- ~ Exercise professional judgement and maintain professional scepticism throughout the audit.
- ~ Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- ~ Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Whitsons Food Service Corporation 401(k) Savings Plan's internal control. Accordingly, no such opinion is expressed.
- ~ Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- ~ Conclude whether, in our judgement, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Whitsons Food Service Corporation 401(k) Savings Plan's ability to continue as a going concern.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2024 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA 103(a)(3)(c) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

**Whitsons Food Service Corporation 401(k) Savings Plan
Independent Auditor's Report (Continued)**

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal-control related matters that we identified during the audit.

Other Matters

2024 Supplemental Schedules Required by ERISA

The supplemental schedule of Assets on Hand at End of Year, December 31, 2024 is presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosures under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

~the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

~the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(c)(3).

Auditor's Report on the 2023 Financial Statements

We were engaged to audit the 2023 financial statements of Whitsons Food Service Corporation 401(k) Savings Plan. As permitted by 29 CFR 2520.103.8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated September 18, 2024, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2023 financial statements, and (b) the form and content of the information included in the 2023 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

The Plan, which was adopted on January 1, 1993, is a defined contribution plan covering all full time employees of the Company who have attained age twenty-one, who have completed one year and 1,000 hours of service and are not a member of a collective bargaining unit. The Plan is subject to the provisions of the Employee Retirement Security Act of 1974 (ERISA), as amended. The Board of Trustees is responsible for oversight of the Plan. Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their deferral rate set at 2 percent of eligible compensation and their contributions invested in a designated balance fund until changed by the participant. The Company contributes 25 percent of the first 4 percent of base compensation that a participant contributes to the Plan. In addition, the Company may make additional profit sharing contributions for eligible participants. The Company elected not to make any additional profit sharing contributions during the Plan year ended December 31, 2024. Contributions are subject to certain IRS limitations.

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2024

Note 1: Description of Plan: (continued)

Participant accounts:

Each participant's account is credited with the participant's contributions and Company matching contributions as well as Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting:

Participants are immediately vested in participants' contributions plus earnings thereon. a participant will be 100% vested in Company matching contributions after five years of credited service.

Notes Receivable from Participants:

Participants may borrow from their account a minimum of \$1,000, up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The loan must be repaid with equal payments, not less than quarterly, within five years (unless the purpose of the loan is to purchase a principal residence). The loans bear interest at rates ranging from 4.25 to 9.50 percent and are secured by the balance in the participant's account. Principal and interest is paid ratably through monthly payroll deductions.

At December 31, 2024 and 2023, forfeited nonvested accounts totaled \$4,786 and \$4,539, respectively. These accounts will be used to reduce future employer contributions. Also, in 2024, employer contributions were reduced by \$4,786 from forfeited nonvested accounts.

See independent auditor's report.

WHITSONS FOOD SERVICE CORPORATION
401(k) SAVINGS PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2024

Note 2: Summary of Significant Accounting Policies:

Basis of accounting:

The plan prepares its financial statements on the accrual basis of accounting.

Use of estimates:

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment valuation and income recognition:

Investments are reported at fair value (except for the fully benefit-responsive investment contract, which is reported at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Investment Committee determines the Plan's valuation policies utilizing information provided by the investment advisors, custodians and insurance company. See Note 5 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants:

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when incurred. No allowance for credit losses has been recorded as of December 31, 2024 and 2023.

Excess Contributions Payable:

Amounts payable to participants for contributions in excess of amounts allowed by the IRS are recorded as a liability with a corresponding reduction to contributions. The Plan distributed the 2024 excess contributions to the applicable participants prior to March 15, 2025.

Payment of benefits:

Benefits are recorded when paid.

See independent auditor's report.

WHITSONS FOOD SERVICE CORPORATION
401(k) SAVINGS PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2024

Note 2: Summary of Significant Accounting Policies: (continued)

Expenses:

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation of fair value instruments.

Subsequent Events:

The Plan has evaluated subsequent events through October 8, 2025, the date the financial statements were available to be issued.

Note 3: Investments:

Participants direct the investment of amounts credited to their accounts among various funds having different investment objectives. Such funds are held by Fidelity Management Trust Company ("FMTC"), the trustee and custodian.

FMTC has certified to the accuracy and completeness of investments and related income, and participant loan balances and interest as reported in the accompanying financial statements and supplemental schedules. Refer to Schedule H for a detailed description of the investments.

Note 4: Fair Value Measurements:

Financial Accounting Standards Boards (FASB) Accounting Standards Codification (ASC) 820, "Fair Value Measurements and Disclosures," establishes a framework for measuring fair value that provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of fair value hierarchy under FASB (ASC) 820 are described as follows:

See independent auditor's report.

WHITSONS FOOD SERVICE CORPORATION
401(k) SAVINGS PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2024

Note 4: Fair Value Measurements (continued):

Level 1: Inputs to valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability.
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified contractual term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2024 and 2023.

Common Stocks: Valued at the closing price reported on the active market on which the individual securities are traded.

Corporate Bonds: Valued using pricing models maximizing the use of observable inputs for similar securities. This includes basing value on yields currently available on comparable securities of issuers with similar credit ratings.

See independent auditor's report.

WHITSONS FOOD SERVICE CORPORATION
401(k) SAVINGS PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2024

Note 4: Fair Value Measurements (continued):

Mutual Funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Collective Investment Trusts: Are not publicly quoted and are priced at net asset value. (NAV). ASC 820 allows NAV per share to serve as practical expedient to estimate fair value.

U.S. Government Securities: Valued using pricing models maximizing the use of observable inputs for similar securities.

The following tables set forth, by level within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2024 and 2023:

DECEMBER 31, 2024				
	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutual Funds	\$28,271,926		0	\$28,271,926
Investments at fair value	28,271,296		0	28,271,926
Common Investment Trusts Investments measured at net asset value (a)	0		0	289,513
Total Assets within the fair value hierarchy	\$28,271,926		\$0	\$28,561,439

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>

Total Assets within the fair value hierarchy	\$21,804,903		\$0	\$22,158,029

(a) In accordance with Subtopic 820-10, certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the Statement of Net Assets Available for Benefits.

Investments measured using the Net Asset Value (NAV) per share practical expedient:

The following table summarizes investments for which fair value is measured using the net asset value per share practical expedient as of December 31, 2024 and 2023, respectively:

DECEMBER 31, 2024				
	<u>Fair Value</u>	<u>Unfunded Commitments</u>	<u>Redemption Frequency (if Currently Eligible)</u>	<u>Redemption Notice Period</u>

(b) The fund invests in benefit-responsive investment contracts issued by insurance companies and other financial institutions, fixed income securities and money market funds. Under the terms of the contracts, the assets of the fund are invested in fixed income securities (which may include, but are not limited to, U.S. Treasury and agency bonds, corporate bonds, mortgage-backed securities, commercial mortgage-backed securities, and collective investment vehicles and shares of investment companies that invest primarily in fixed income securities), and shares of money market funds. The fund may also invest in futures contracts, option contracts. The fair values of the investment have been estimated using the net asset per share of the investments.

WHITSONS FOOD SERVICE CORPORATION
401(k) SAVINGS PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2024

Note 5: Rollovers Contributions:

The Plan allows for participants to rollover amounts from other qualified plans into their own accounts in the Plan. An aggregate of \$581,522 was rolled into the Plan during the year ended December 31, 2024, and is included in rollovers on the statement of changes in net assets available for benefits.

Note 6: Related Party Transactions and Party-In-Interest Transactions:

Certain Plan investments are managed by Fidelity Management Trust Company, the trustee and recordkeeper of the Plan and, therefore, these transactions qualify as party in interest transactions.

Effective January 1, 2024, Fidelity Management Trust Company provides certain administrative services to the Plan pursuant to a Master Plan Services Agreement (MSA) between the Company and Fidelity Management Trust Company. Fidelity Management Trust Company receives revenue from mutual fund service providers for services Fidelity Management Trust Company provides to the funds. This revenue is used to offset certain amounts owed to Fidelity Trust Management Company for its administrative services to the Plan.

If the revenue received by Fidelity Management Trust Company from such mutual fund service providers exceeds the amount owed under the MSA, Fidelity Management Trust Company remits the excess to the Plan's trust on a quarterly basis. Such amounts may be applied to pay Plan administrative expenses or allocated to the accounts of the participants. During 2024 there were no excess amounts. The Plan or Plan sponsor may make a payment to Fidelity Trust Management Company for administrative expenses not covered by revenue sharing.

Note 7: Plan Termination:

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time, and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100 percent vested in their employer contributions.

Note 8: Tax Status:

The IRS has determined and informed the Company by a letter dated March 31, 2014, that the Plan and related trust, are a volume submitter plan submitted by Fidelity Management & Research Company LLC, and has been designed in accordance with applicable sections of the Internal Revenue Code (IRC). The Plan is in compliance with the applicable requirements of the IRC, and therefore the Plan is qualified, and the related trust is tax-exempt.

See independent auditor's report.

WHITSONS FOOD SERVICE CORPORATION
401(k) SAVINGS PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2024

Note 8: Tax Status (continued):

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the plan and recognize a tax liability if the plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Note 9: Risks and Uncertainties:

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

Note 10: Reconciliation of Financial Statements to Form 5500:

Please refer to the Schedule on Page 14.

Note 11: Predecessor Employer Service:

As a result of several asset purchase agreements with various companies, whose employees were retained by the Company, the Plan received the assets of the previous employer plans. The employees were granted admission to the Plan under the same guidelines as Company employees, ie. service credit and vesting.

See independent auditor's report.
