(1) Name: HOOD AND ASSOCIATES CPAS PC

(2) EIN: 73-1432162

d The opinion of an independent qualified public accountant is **not attached** as part of Schedule H because:

(1) This form is filed for a CCT, PSA, DCG or MTIA. (2) It will be attached to the next Form 5500 pursuant to 29 CFR 2520.104-50.

Part IV Compliance Questions

4 CCTs and PSAs do not complete Part IV. MTIAs, 103-12 IEs, and GIAs do not complete lines 4a, 4e, 4f, 4g, 4h, 4k, 4m, 4n, or 5. 103-12 IEs also do not complete lines 4j and 4l. MTIAs also do not complete line 4l. DCGs do not complete lines 4e, 4f, 4k, 4l, and 5, and DCGs generally complete the rest of Part IV collectively for all plans in the DCG, except as otherwise provided (see instructions).

During the plan year:

	Yes	No	Amount
a Was there a failure to transmit to the plan any participant contributions within the time period described in 29 CFR 2510.3-102? Continue to answer "Yes" for any prior year failures until fully corrected. (See instructions and DOL's Voluntary Fiduciary Correction Program.)		X	
b Were any loans by the plan or fixed income obligations due the plan in default as of the close of the plan year or classified during the year as uncollectible? Disregard participant loans secured by participant's account balance. (Attach Schedule G (Form 5500) Part I if "Yes" is checked.)		X	
c Were any leases to which the plan was a party in default or classified during the year as uncollectible? (Attach Schedule G (Form 5500) Part II if "Yes" is checked.)		X	
d Were there any nonexempt transactions with any party-in-interest? (Do not include transactions reported on line 4a. Attach Schedule G (Form 5500) Part III if "Yes" is checked.)		X	
e Was this plan covered by a fidelity bond?	X		500000
f Did the plan have a loss, whether or not reimbursed by the plan's fidelity bond, that was caused by fraud or dishonesty?		X	
g Did the plan hold any assets whose current value was neither readily determinable on an established market nor set by an independent third party appraiser?		X	
h Did the plan receive any noncash contributions whose value was neither readily determinable on an established market nor set by an independent third party appraiser?		X	
i Did the plan have assets held for investment? (Attach schedule(s) of assets if "Yes" is checked, and see instructions for format requirements.)	X		
j Were any plan transactions or series of transactions in excess of 5% of the current value of plan assets? (Attach schedule of transactions if "Yes" is checked and see instructions for format requirements.)		X	
k Were all the plan assets either distributed to participants or beneficiaries, transferred to another plan, or brought under the control of the PBGC?		X	
l Has the plan failed to provide any benefit when due under the plan?		X	
m If this is an individual account plan, was there a blackout period? (See instructions and 29 CFR 2520.101-3.)		X	
n If 4m was answered "Yes," check the "Yes" box if you either provided the required notice or one of the exceptions to providing the notice applied under 29 CFR 2520.101-3.			

5a Has a resolution to terminate the plan been adopted during the plan year or any prior plan year? Yes No
If "Yes," enter the amount of any plan assets that reverted to the employer this year _____.

To the Board of Trustees of the
American Piping Inspection 401(k) Retirement Plan
Tulsa, Oklahoma

Scope and Nature of the ERISA 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of American Piping Inspection 401(k) Retirement Plan, and employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statement of changes in net assets available for benefits for the year ended December 31, 2024, and the related notes to the financial statements.

Management having determined it is permissible in the circumstances, has elected to have the audits of American Piping Inspection 401(k) Retirement Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan ("investment company") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from a qualified institution as of and for the years ended December 31, 2024 and 2023, stating that the certified investment information, as described in Note C to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section –

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held by and certified by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report.

Independent Auditor's Report – (Continued)

We are required to be independent of American Piping Inspection 401(k) Retirement Plan to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about American Piping Inspection 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of American Piping Inspection 401(k) Retirement Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about American Piping Inspection 401(k) Retirement Plan's ability to continue as a going concern for a reasonable period of time.

Independent Auditor's Report – (Continued)

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-relate matters that we identified during the audit.

Other Matters – Supplemental Schedule Required by ERISA

The supplemental schedule of assets held at end of year are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(c)(C).

AMERICAN PIPING INSPECTION 401(k) RETIREMENT PLAN

Notes to the Financial Statements

As of and For the Year Ended December 31, 2024

NOTE A – DESCRIPTION OF THE PLAN:

American Piping Inspection, Inc. (hereafter also referred to as “the Company”) sponsors the American Piping Inspection 401(k) Retirement Plan (hereafter also referred to as “the Plan”) for the benefit of its employees. The following description of the Plan provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan’s provisions.

General

The Plan is a defined contribution, 401(k) plan, covering employees of the Company who have completed at least ninety (90) days of service, as defined in the Plan agreement. Days of service need not be contiguous, but there can be no more than a one-year break in service. Plan entrance is available on a quarterly basis. The Plan is intended to satisfy all of the requirements for a qualified retirement plan under the appropriate provisions of the Internal Revenue Code (“IRC”) and similar state tax laws. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”). The Board of Trustees is responsible for oversight of the Plan, determining the appropriateness of the Plan’s investment offerings and for monitoring investment performance.

Contributions

Participants may contribute a percentage of compensation, up to the current pre-tax 401(k) contribution limits or after-tax Roth 401(k) contribution limits permissible under the IRC, as defined in the Plan agreement. Participants who have attained age fifty (50) before the end of the Plan year are eligible to make “catch-up” contributions. Participants may also contribute amounts representing distributions or rollovers from other qualified plans. Participants direct the investment of their contributions into various investment options offered by the Plan. All participant contributions are invested according to the allocations as determined by each individual Plan participant. Participants are allowed to stop their elective deferrals to the Plan and may change their elective deferral amounts on a semi-monthly basis.

The Company matches all participant contributions up to a percentage of each participant’s compensation. The Company’s matching contribution is invested according to each participant’s determined allocations. The Company’s matching percentage is 50% of each participant’s contributions up to 6% of eligible compensation, as defined in the Plan agreement.

The Plan agreement does not allow for employer non-elective profit-sharing contributions.

Participant Accounts

Each participant’s account is credited with the participant’s contributions, the Company’s matching contributions and allocations of Plan earnings including gains and/or losses on investments. Participant accounts are charged individually for participant requested services. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined in the Plan agreement. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account balance.

Payment of Benefits

On termination of service due to death, disability, hardship or retirement, a participant (or the participant’s beneficiary, if applicable) may elect to receive a lump-sum distribution equal to the vested balance of his or her account, under the terms of the Plan agreement. For termination of service due to other reasons, a participant may receive the value of their account balance as a lump-sum distribution. In-service withdrawals are not allowed except as required. For participants who have reached age seventy-three (73) and are retired, require minimum distribution amounts as required by the Internal Revenue Service must be met.

AMERICAN PIPING INSPECTION 401(k) RETIREMENT PLAN

Notes to the Financial Statements
As of and For the Year Ended December 31, 2024

NOTE A – DESCRIPTION OF THE PLAN – (Continued):

Vesting

Participants are immediately 100% vested in their own contributions plus or minus any earnings or losses thereon. Vesting of employer matching contributions is based upon years of service according to the following schedule:

<u>Years of Service</u>	<u>Vesting Percentage</u>
Less than one	0%
One, but less than two	20%
Two, but less than three	40%
Three, but less than four	60%
Four, but less than five	80%
Five or more	100%

Participants automatically become 100% vested upon (a) normal retirement age, i.e. attainment of age 65, (b) disability, (c) death or (d) a partial termination of the Plan. Participants who terminate for any other reason are entitled to the vested portion of their accounts.

Notes Receivable from Participants

Participants may borrow from their Plan accounts a minimum of \$1,000 up to a maximum of \$50,000, not to exceed 50% of their vested account balance. Participants may not have more than two loans outstanding at any time. Notes receivable are secured by the balance in the participant's account, evidenced by a promissory note. Notes receivable accrue interest at a reasonable rate that is determined by the Plan administrator. The interest rate for new notes receivable, determined annually, was set at 8.5%. Older, pre-existing notes receivable have an interest rate of 3.25% - 8.5%. Repayment terms for notes receivable are five years or less. Principal and interest are paid ratably through payroll deductions. Upon termination of employment, outstanding note balances are treated as distributions and are subject to applicable federal and state income taxes, and penalties.

Hardship Withdrawals

The Plan allows hardship and disaster relief withdrawals subject to account balance limits and applicable laws.

Forfeitures

At December 31, 2024 and 2023, forfeited non-vested accounts totaled \$24,873 and \$35,189, respectively. Forfeitures of employer matching contributions resulting from participants withdrawing prior to becoming fully vested may be allocated to the Plan's administrative expenses and then to reduce any employer contributions. Five consecutive one-year breaks in service must occur before the forfeitures are available for use. For the years ended December 31, 2024 and 2023, there were forfeitures in the amount of \$26,885 and \$15,662 respectively. Forfeitures of \$16,375 were allocated to employer matching deposits and to pay Plan administrative expenses during the year ended December 31, 2024.

NOTE B – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES:

Basis of Accounting

The accompanying financial statements of the Plan have been prepared on the accrual basis of accounting in conformity with accounting principles generally accepted in the United States of America.

AMERICAN PIPING INSPECTION 401(k) RETIREMENT PLAN

Notes to the Financial Statements
As of and For the Year Ended December 31, 2024

NOTE B – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES – (Continued):

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan's management to make estimates and assumptions that affect certain reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results may differ from the estimates that were used.

Investment Valuation and Income Recognition

Investments are reported at fair value, except for fully benefit responsive investment contracts (See Notes C and D). Fair value is the price that would be received in the sale of an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Board of Trustees determines the Plan's valuation policies utilizing information provided by the investment advisers, custodians of the Plan. See Note D for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses have been recorded as of December 31, 2024 and 2023.

Payment of Benefits

Benefits are recorded when paid. At December 31, 2024, there were no employees who had terminated employment with the Company who had requested distributions from the Plan that had not yet been received.

Expenses

Current expenses of maintaining the Plan are paid directly by the Plan and are included in these financial statements (See Note F). Fees related to the administration of notes receivable from participants and participant distributions are charged directly to the participant's account and are included in administrative expenses.

Date of Management's Review and Subsequent Events

Management of the Plan has evaluated subsequent events through October 13, 2025, the date that the financial statements were available for issuance, noting certain events that required recognition or disclosure in the accompanying financial statements and footnotes.

NOTE C – CERTIFIED INVESTMENTS:

At December 31, 2024, the Plan's investments were held by the insurance company, Empower Annuity Insurance Company. The Plan investments that are included in the accompanying financial statements are based on information certified by the insurance company as complete and accurate in accordance with Section 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

During the year ended December 31, 2024, the Plan's investments (including gains and losses on investments bought and sold, as well as held during the year appreciated in value by \$1,085,746.

AMERICAN PIPING INSPECTION 401(k) RETIREMENT PLAN

Notes to the Financial Statements

As of and For the Year Ended December 31, 2024

NOTE D – FAIR VALUE MEASUREMENTS:

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (“Level 1”) and the lowest priority to unobservable inputs (“Level 3”). The three levels of the fair value hierarchy under The Financial Accounting Standards Board’s (“FASB”) Accounting Standards Codification (“ASC”) 820 are described as follows:

Level 1

Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

The Plan did not hold any “Level 1” investments as of December 31, 2024 and 2023.

Level 2

Inputs to the valuation methodology include quoted market prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the assets or liability and inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified contractual term, the Level 2 input must be observable for substantially the full term of the asset or liability.

The Plan held investments determined to be “Level 2” investments as of December 31, 2024 and 2023.

Level 3

Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The Plan did not hold any “Level 3” investments as of December 31, 2024 and 2023.

Explanation of the Fair Value Hierarchy

The asset or liability’s fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2024 and 2023.

Fair Value Measurements of Registered Investment Companies

Pooled separate accounts are valued based on the market value of the underlying net assets in each separate account of units held by the Plan at year end. The NAV is determined by dividing the net assets at fair value of the fund by the number of units outstanding on the day of valuation, the value of the underlying investments held by the fund less its liabilities, and then divided by the number of shares outstanding.

The following tables sets forth, by level, within the fair value hierarchy, the Plan’s assets at fair value as of December 31, 2024 and 2023:

	<u>Assets at Fair Market Value:</u>	
	<u>Totals</u>	<u>(“Level 2”)</u>
<u>December 31, 2024</u>		
Pooled separate accounts	<u>\$ 8,151,972</u>	<u>\$ 8,151,972</u>
 <u>December 31, 2023</u>		
Pooled separate accounts	<u>\$ 6,610,240</u>	<u>\$ 6,610,240</u>

AMERICAN PIPING INSPECTION 401(k) RETIREMENT PLAN

Notes to the Financial Statements
As of and For the Year Ended December 31, 2024

NOTE E – GUARANTEED INVESTMENT CONTRACT WITH INSURANCE COMPANY:

The Plan has a traditional fully benefit-responsive group annuity contract with Empower Annuity Insurance Company of America (“Empower AIC”). Empower AIC maintains the contributions in a general account. The account is credited with earnings on the underlying investments and is charged for participant withdrawals and administrative expenses. The guaranteed investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan.

Because the guaranteed investment contract meets the criteria to be considered fully benefit-responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the guaranteed investment contract. The guaranteed investment contract is presented on the face of the statement of net assets available for benefits at contract value. Contract value as reported to the Plan by Empower AIC, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

There are no reserves against contract value for credit risk of the contract issuer or otherwise. The contract value of the investment contract at December 31, 2024 and 2023, was \$83,519 and \$49,302 respectively. The crediting interest rate is based on a formula agreed upon with the issuer but may not be less than 1%. Such interest rates are reviewed on a quarterly basis as reset as applicable.

Certain events limit the Plan’s ability to transact at contract value with Empower AIC. Such events include the following: (1) amendments to the Plan documents (including complete or partial plan termination or merger with another plan), (2) changes to the Plan’s prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the Plan Sponsor or other events that cause a significant withdrawal from the Plan, or (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA. Furthermore, certain events would allow the issuer to terminate the contract with the Plan and settle at an amount different from contract value.

Examples of such events include (1) an uncured breach of the Plan’s investment guidelines, (2) a material amendment to the contract without the issuer’s consent, (3) a violation of a material obligation under the contract, or (4) a material misrepresentation. The Plan administrator does not believe that any events that would limit the Plan’s ability to transact at contract value with the Plan participants or the issuer are probable or occurring.

The guaranteed investment contract does not permit the custodian to terminate the agreement prior to the scheduled maturity.

The investment in the guaranteed investment contract is carried at contract value and is not included within the Plan’s fair value measurement disclosure, as its fair value is not readily determinable.

NOTE F – RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS:

Plan investments are held in custody by Empower Annuity Insurance Company of America (“Empower AIC”), the insurance company of the Plan. Certain Plan investments are managed by Empower Retirement, LLC (“Empower”). Empower is the recordkeeper for the Plan and, therefore these transactions qualify as party-in-interest transactions.

Empower provides certain administrative services to the Plan pursuant to the Plan Services Agreement (“PSA”) between the Company and Empower. Empower receives revenue from mutual fund service providers and a group annuity with Empower AIC, for services Empower provides to the funds and annuity contract. This revenue is used to offset certain amounts owed to Empower for its administrative services of the Plan.

AMERICAN PIPING INSPECTION 401(k) RETIREMENT PLAN

Notes to the Financial Statements
As of and For the Year Ended December 31, 2024

NOTE F – RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS (COUNTINUED)

Fees paid by the Plan to Empower for investment management, audit fees, and contract administration services amounted to \$32,878 for the year ended December 31, 2024. All party-in-interest transactions are exempt from the prohibited transaction rules of ERISA.

NOTE G – PLAN TERMINATION:

Although it has not expressed any intent to do so, the Company has the right under the Plan to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their employer contributions.

NOTE H – TAX STATUS:

The Plan was formed using a “Volume Submitter” plan document, which is a plan document that has been pre-approved for use by the IRS. The IRS has determined and informed the Company by an advisory letter dated June 30, 2020, that the Plan and related trust are designed in accordance with the applicable sections of the Internal Revenue Code. Although the Plan’s “Volume Submitter” plan document has been amended since receiving the determination letter, the Plan administrator and the Plan’s tax counsel believe that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the Internal Revenue Code and, therefore, believe that the Plan is qualified, and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain tax position that “more likely than not” would not be sustained upon examination by the IRS. Management of the Plan does not believe they had any uncertain tax positions as of December 31, 2024.

NOTE I – RISKS AND UNCERTAINTIES:

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants’ account balances, and the amounts reported in the accompanying “Statements of Net Assets Available for Benefits”.
