## **Independent Auditors' Report to the Board of Directors**

### ***Opinion***

We have audited the financial statements of ASP Offshore Company Limited - 2010 Non-U.S. Emerging Markets Fund (the "Company"), which comprise the statement of financial condition as of December 31, 2024, and the related statements of operations, cash flows, and changes in shareholders' equity for the year then ended, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of the Company as of December 31, 2024, and the results of its operations, its cash flows, and changes in its shareholders' equity for the year then ended in accordance with U.S. generally accepted accounting principles.

### ***Basis for Opinion***

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Company and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

### ***Responsibilities of Management for the Financial Statements***

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. generally accepted accounting principles, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Company's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

### ***Auditors' Responsibilities for the Audit of the Financial Statements***

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Company's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

# ASP Offshore Company Limited - 2010 Non-U.S. Emerging Markets Fund

## Notes to Financial Statements

December 31, 2024

### General Information

The ASP Offshore Company Limited - 2010 Non-U.S. Emerging Markets Fund (the Company) was incorporated as an exempted company under the Companies Law of the Cayman Islands on November 12, 2009 and began operations on January 3, 2011 (commencement of investment operations). The Director of the Company is Adams Street Partners, LLC (Director). The Director is registered with the US Securities and Exchange Commission as a registered investment advisor. The Company is registered as a Private Fund under the Private Funds Act, 2020 of the Cayman Islands. The Company's operating agreement (Company Agreement) shall be automatically wound up upon the receipt of the final liquidation distribution from the Fund.

The Company was formed exclusively to invest in limited partnership interests in the Adams Street Partnership Fund - 2010 Non-U.S. Emerging Markets Fund, L.P. (the Fund), which in turn invests in private equity limited partnerships and similar entities.

The financial statements of the Fund, including the schedule(s) of investments, accompany this report and should be read with the Company's financial statements. The percentage of the Fund owned by the Company at December 31, 2024 was 40.89 percent.

### Significant Accounting Policies

#### *Basis of Presentation*

The financial statements have been prepared in conformity with U.S. generally accepted accounting principles (GAAP). The Company is an investment company under the criteria established within Accounting Standards Codification (ASC) Topic 946 Financial Services – Investment Companies and applies the specialized accounting and reporting guidance included therein.

#### *Use of Estimates*

Preparing financial statements in accordance with GAAP requires management to make estimates and assumptions in determining the reported amounts of assets and liabilities, including the fair value of investments, and disclosure of contingent assets and liabilities as of the date of the financial statements and the reported amounts of income and expense during the reporting period. Actual results could differ from those estimates.

#### *Cash and Cash Equivalents*

Cash represents demand deposits held at financial institutions. Cash and cash equivalents are held at major financial institutions and are subject to credit risk to the extent those balances exceed applicable Federal Deposit Insurance Corporation (FDIC) or Securities Investor Protection Corporation (SIPC) limitations. The Company records its holdings in daily valued money market mutual fund investments as cash equivalents as these investments are held for meeting short-term liquidity requirements rather than for investment purposes. The carrying amount included in the Statement of Financial Condition for cash and cash equivalents approximates the fair value.

## Notes to Financial Statements

December 31, 2024

### ***Investment Transactions and Income***

Interest income is recognized on an accrual basis. Investment transactions are accounted for on the trade date.

The Company records its proportionate share of the Fund's income, expenses, and realized and unrealized gains and losses. In addition, the Company accrues its own expenses. Transactions are accounted for on the accrual basis.

### ***Investment Valuation***

The investment in the Fund is carried at fair value as determined by the Company in the absence of readily ascertainable market values. The fair value of investments held by the Fund, including a breakdown of the levels used in measuring investments at fair value per ASC 820-10, is discussed in the notes to the Fund financial statements which accompany this report. Because of the inherent uncertainty of valuation, the determined value may differ significantly from the value that would have been used had a ready market for this investment existed, and the difference could be material.

### ***Income Taxes***

The Company is exempt from all local taxation on profits, income or gains. Accordingly, no provision for Cayman income taxes is included in these financial statements.

The Company does not consider its investment activity to constitute a US trade or business. However, income effectively connected with a US trade or business may be allocated to the Company from the Fund. The Company files Federal and state tax returns as required by law in regard to this income. Amounts in addition to committed capital are called as needed to fund taxes paid for the participating shareholders in accordance with the agreement of the Fund and the subscription agreement of the Company.

Management has reviewed the Company's tax positions and has not identified any uncertain tax positions which would require the Company to record a tax exposure reserve. The Company's four most recent tax years remain subject to examination by taxing authorities in those jurisdictions.

### ***Management Fee***

Management fees are charged by the Fund and paid to the Fund's general partner quarterly. The fee allocated to the Company by the Fund is based upon each shareholder's respective subscription agreement. No additional management fees are charged by the Company.

#### Shareholders' Equity

##### *Equity Contributions*

As of December 31, 2024 the Company has committed capital, equity contributions paid, and unfunded capital commitments of \$54,939,520, \$49,605,668, and \$5,603,820, respectively. Unfunded capital commitments will be called as needed to purchase investments. Equity contributions are called from shareholders in proportion to their commitment amounts. Amounts in addition to the committed capital will be called as needed to fund expenses of the Company.

The share capital of the Company is \$100,000 divided into 100 ordinary shares of \$1.00 par value each and 9,990,000 authorized participating shares of \$0.01 par value each. Ordinary shares have the exclusive right to vote at general meetings of the Company but do not participate in the profits of the Company. The Company is authorized to allot and issue participating shares to investors in individual investor series at a price of \$100 per share. Participating shares do not carry the right to vote at general meetings of the Company but in general participate in the profits of the Company. Upon winding up of the Company, ordinary shares rank ahead of the participating shares.

##### *Allocation of Income and Expenses*

Profits and losses of the Company are allocated to all participating shareholders in proportion to their capital commitments. Incentive allocation, if any, from the Statement of Operations is a reallocation of gains on certain investments to the general partner of the Fund based on the provisions of the agreement of the Fund. No additional incentive allocation is made by the Company.

##### *Distributions*

Distributions are made at the discretion of the Director in accordance with the terms of the Company Agreement. All cash or securities received by the Company shall be distributed to all shareholders in proportion to their respective ownership interests. The distribution in kind included in the Statement of Financial Condition reflects a distribution of an interest in the Fund to a shareholder. Subsequent to the distribution in kind, the shareholder no longer has an interest in the Company.

##### *Commitments and Contingencies*

As of December 31, 2024, the Company has an unfunded commitment to the Fund of \$5,603,820. The unfunded portion of the commitment is a contractual obligation to be met in accordance with the terms of the agreement of the Fund. Because of the inherent uncertainty in predicting the timing of this commitment, management is unable to estimate the fair value of this commitment. The Company believes that it will be able to satisfy such commitment from commitments due from its shareholders, if any, and distributions from the Fund.

#### Financial Highlights

Financial highlights are calculated for the shareholders taken as a whole, excluding the ordinary shareholder. An individual shareholder's return and ratios may vary based on different management fee arrangements.

The Company's since inception Internal Rate of Return (IRR) for the shareholders is net of management fees and incentive allocation to the general partner of the Fund and is computed based on the actual dates of shareholder equity contributions and distributions and the ending aggregate shareholders' equity balances (residual value).

IRR, since inception through December 31, 2024 9.35%

IRR, since inception through December 31, 2023 10.07%

The net investment income/loss and operating expense ratios are computed using the weighted average net assets for the Company and include expenses paid indirectly at the Fund level. These ratios do not reflect the Company's proportionate share of income and expenses of the underlying investment vehicles of the Fund. The net investment income/loss and operating expense ratios presented on a committed capital basis are presented as supplemental disclosures to the required information.

For the year ended December 31, 2024:

#### Ratio to average net assets:

Net investment income/loss	0.98%
Operating expenses	-0.37%
Incentive allocation	0.00%
Total expenses and incentive allocation	<u>-0.37%</u>

#### Ratio to committed capital:

Net investment income/loss	0.69%
Operating expenses	-0.26%
Incentive allocation	0.00%
Total expenses and incentive allocation	<u>-0.26%</u>

## Independent Auditors' Report

The Partners

Adams Street Partnership Fund – 2010 Non-U.S. Emerging Markets Fund, L.P.:

### *Opinion*

We have audited the financial statements of Adams Street Partnership Fund – 2010 Non-U.S. Emerging Markets Fund, L.P. (the Fund), which comprise the statement of financial condition, including the schedule of investments, as of December 31, 2024, and the related statements of operations and cash flows for the year then ended, the statements of changes in partners' equity for each of the years in the two-year period then ended, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of the Fund as of December 31, 2024, and the results of its operations and its cash flows for the year then ended, and the changes in its partners' equity for each of the years in the two-year period then ended, in accordance with U.S. generally accepted accounting principles.

### *Basis for Opinion*

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Fund and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

### *Responsibilities of Management for the Financial Statements*

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. generally accepted accounting principles, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Fund's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

### *Auditors' Responsibilities for the Audit of the Financial Statements*

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Fund's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Fund's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

# Adams Street Partnership Fund - 2010 Non-U.S. Emerging Markets Fund, L.P.

## Notes to Financial Statements

December 31, 2024

### General Information

Adams Street Partnership Fund - 2010 Non-U.S. Emerging Markets Fund, L.P. (the Fund), a Delaware limited partnership, was organized on December 21, 2009, and began operations on January 3, 2011 (commencement of investment operations). The General Partner and Advisor of the Fund is Adams Street Partners, LLC (General Partner or Advisor). The Advisor is registered with the US Securities and Exchange Commission as a registered investment advisor. The Fund's operating agreement (Fund Agreement) states that the Fund shall continue until December 31, 2023, subject to extension for up to three successive one-year periods at the sole discretion of the General Partner. The Fund was extended to December 31, 2025 by the General Partner in its sole discretion.

ASP Partners 2010, L.P. (Special Limited Partner) is an employee investment vehicle that is not allocated management fees and receives an allocation of 100.00% of the incentive amount. The General Partner is not allocated management fees or incentive amounts.

The Fund was formed for the purpose of investing in private markets limited partnerships or similar pooled investment vehicles (primary and secondary investments or collectively partnership investments). Primary investments are investments in an original issuance of a private markets fund. Secondary investments are purchased from unaffiliated limited partners. It is expected that the liquidation of the limited partnership interests will generally coincide with the term of the Fund. Primary and secondary investments are generally illiquid and cannot be redeemed.

### Significant Accounting Policies

#### *Basis of Presentation*

The financial statements have been prepared in conformity with U.S. generally accepted accounting principles (GAAP). The Fund is an investment company under the criteria established within Accounting Standards Codification (ASC) Topic 946 *Financial Services – Investment Companies* and applies the specialized accounting and reporting guidance included therein.

#### *Use of Estimates*

The preparation of financial statements in accordance with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of increases and decreases in partners' equity from operations during the reporting period. Actual results could differ from those estimates.

## **Adams Street Partnership Fund - 2010 Non-U.S. Emerging Markets Fund, L.P.**

### **Notes to Financial Statements**

**December 31, 2024**

#### ***Cash and Cash Equivalents***

Cash represents demand deposits held at financial institutions. Cash and cash equivalents are held at major financial institutions and are subject to credit risk to the extent those balances exceed applicable Federal Deposit Insurance Corporation (FDIC) or Securities Investor Protection Corporation (SIPC) limitations. The Fund records its holdings in daily valued money market mutual fund investments as cash equivalents as these investments are held for meeting short-term liquidity requirements rather than for investment purposes. The carrying amount included in the Statement of Financial Condition for cash and cash equivalents approximates the fair value.

#### ***Investment Transactions and Income***

Interest income is recognized on an accrual basis. Investment transactions are accounted for on the trade date.

Distributions from partnerships and similar vehicles are recorded as portfolio income or realized gains/losses in accordance with information provided by the underlying manager at the time of the transaction. Reclassifications of prior investment transactions may be required based on subsequent information received from the underlying manager. These reclassifications may impact current year purchases, proceeds and realized gains and losses on investments. Cost is equal to total drawn or paid in the Fund's currency less any return of cost distributed by these investments. Any cost remaining at the time the investment is liquidated is recorded as a realized loss.

For partnership investments denominated in foreign currencies, contributions are translated into the Fund's currency at the exchange rate at the time of the contribution. As distributions occur, the cost in the Fund's currency is reduced at the exchange rate at the time of the distribution.

#### ***Investment Valuation***

The Fund records its investments at fair value in accordance with GAAP. Fair value is the price that would be received upon the sale of an investment in an orderly transaction between market participants at the measurement date.

The investments fall into one of the following four categories within the fair value hierarchy:

- Level 1 - inputs reflect unadjusted quoted prices in active markets for identical assets or liabilities that the Fund has the ability to access at the measurement date.

Level 1 investments held by the Fund typically consist of public stock positions distributed from partnership investments. Management does not adjust the quoted price for such instruments, even in situations where the Fund holds a large position and a sale could reasonably impact the quoted price.

### **Notes to Financial Statements**

**December 31, 2024**

- Level 2 - inputs include quoted prices for similar assets and liabilities in active markets, and inputs that are observable for the asset or liability other than quoted prices, either directly or indirectly, including inputs in markets that are not considered to be active.

Level 2 investments held by the Fund may consist of public stock positions where the valuation is adjusted to reflect illiquidity and/or non-transferability.

- Level 3 - inputs to the valuation methodology are unobservable and significant to the fair value measurement.

Level 3 investments held by the Fund typically consist of other investments that are not measured at net asset value.

- Investments measured at net asset value – the input is the practical expedient in the FASB's fair value measurement guidance.

Generally, the fair values of partnership investments and similar vehicles are based on the capital account balances reported by the underlying vehicles subject to management review and adjustment. These capital account balances reflect the fair value of the underlying vehicles' investments.

Inputs are used in applying the various valuation techniques and broadly refer to the assumptions that market participants use to make valuation decisions, including assumptions about risk. An investment's level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. However, the determination of what constitutes "observable" requires significant judgment by management. Management considers observable data to be that market data which is readily available, regularly distributed or updated, reliable and verifiable, not proprietary and provided by multiple, independent sources that are actively involved in the relevant market. The categorization of an investment within the hierarchy is based upon the pricing transparency of the investment and does not necessarily correspond to management's perceived risk of that investment.

#### ***Foreign Currency Translation***

Investments and unfunded commitments in currencies other than US dollar are translated into US dollar at the exchange rates on the valuation date. Transactions in currencies other than US dollar are translated into US dollar at the exchange rate on the date of the transaction.

The Fund does not isolate that portion of the results of operations arising from the effect of changes in foreign exchange rates on investments from fluctuations arising from changes in market prices of investments held. Those fluctuations are included with net realized and unrealized gain or loss from investments in the Statement of Operations.

**Notes to Financial Statements**

**December 31, 2024**

***Income Taxes***

Fund taxable income or loss is reported by the partners individually and, accordingly, no provision has been made for taxes based on income. The Fund provides for state replacement and other tax expense, as applicable.

The Fund files Federal, Illinois and other state tax returns as required by law. Management has reviewed the Fund's tax positions and has not identified any uncertain tax positions which would require the Fund to record a tax exposure reserve. The Fund's four most recent tax years remain subject to examination by taxing authorities in those jurisdictions.

**Investments**

The following table presents the investments carried at fair value on the Statement of Financial Condition as of December 31, 2024 by the ASC 820-10 valuation hierarchy (as described above):

**Fair Value Measurements as of December 31, 2024**

<b>Level 1</b>	<b>Level 2</b>	<b>Level 3</b>	<b>Investments measured at net asset value</b>	<b>Total</b>
\$0.00	\$0.00	\$0.00	\$78,304,746.90	\$78,304,746.90

While management believes its valuation methods are appropriate and consistent with those used by other market participants, the use of different methodologies or assumptions to estimate the fair value of investments in non-marketable privately held investment funds could result in a different estimate of fair value at the reporting date. Those fair value estimates, including those carried at net asset value, may differ significantly from the values that would have been determined had a readily available market for such investments existed, or had such investments been liquidated or sold to non-affiliated investors, and these differences could be material to the financial statements.

**Notes to Financial Statements**

**December 31, 2024**

**Management Fee**

The annual management fee to the Advisor is calculated and paid quarterly in arrears on the last business day of the quarter. The fee is based upon each limited partner's respective subscription agreement and ranges from 0.50% to 1% of the limited partner's capital committed to the Fund. Management fees are reduced in certain years in accordance with the terms of the Fund Agreement.

To the extent the Advisor receives compensation from investments, management fees are reduced by 100% of such compensation. Such reductions, if any, are included in the Statement of Operations.

**Partners' Equity**

***Equity Contributions***

Committed capital, equity contributions paid, and unfunded capital commitments are as follows at December 31, 2024:

	<b>Committed Capital</b>	<b>Equity Contributions Paid</b>	<b>Unfunded Capital Commitments</b>
General Partner	\$ 10,000	8,980	1,020
Special Limited Partner	390,080	350,290	39,790
Limited Partners	133,943,520	120,281,287	13,662,233
Balance at December 31, 2024	\$ <u>134,343,600</u>	<u>120,640,557</u>	<u>13,703,043</u>

Unfunded capital commitments will be called as needed to purchase investments and to pay expenses of the Fund. Equity contributions are called from the partners in proportion to their commitment amounts.

### **Notes to Financial Statements**

**December 31, 2024**

#### ***Allocation of Income and Expenses***

Income and expenses of the Fund are allocated to the partners in accordance with the terms of the Fund Agreement. If the Fund is in a net gain position and secondary interests are in a cumulative net gain position, 10% of the net gains on secondaries are reallocated to the Special Limited Partner (incentive allocation). The estimated incentive allocation is calculated based on the provisions of the Fund Agreement, assuming that in the future all payment conditions will be met and that all amounts are realized and distributed as of the reporting date. The incentive allocation can only be distributed to the Special Limited Partner in accordance with distribution provisions contained in the Fund Agreement.

Cumulative incentive allocated to the Special Limited Partner at December 31, 2024 and December 31, 2023 was \$56,846 and \$53,708, respectively. Cumulative incentive allocation paid to the Special Limited Partner at December 31, 2024 and December 31, 2023 was \$47,290 and \$47,290, respectively.

#### ***Distributions***

Distributions are made at the discretion of the General Partner in accordance with the terms of the Fund Agreement. All cash or securities received by the Fund that are attributable to investments other than secondary investments shall be distributed to all partners in proportion to their respective ownership interests. All cash or securities received by the Fund that are attributable to secondary investments shall be tentatively apportioned among the partners in proportion to their respective percentage interests. Amounts so apportioned to the General Partner and Special Limited Partner shall be distributed to them, and amounts so apportioned to each limited partner shall be distributed in accordance with the waterfall calculation per the Fund Agreement, which is consistent with the allocation of income and expenses as discussed above.

#### ***Commitments and Contingencies***

As of December 31, 2024 the Fund has unfunded commitments of \$7,047,205. The unfunded portion of the commitment is a contractual obligation to be met in accordance with the terms of the specific partnership agreements. Because of the inherent uncertainty in predicting the timing of these commitments, management is unable to estimate the fair value of these commitments. The Fund believes that it will be able to satisfy such commitments from commitments due from the Fund's limited partners, if any, and/or proceeds received from investments.

### Notes to Financial Statements

December 31, 2024

#### Financial Highlights

Financial highlights are calculated for the limited partners taken as a whole. An individual limited partner's return and ratios may vary based on different management fee arrangements.

The Fund's since inception Internal Rate of Return (IRR) for the limited partners is net of management fees and incentive allocation and is computed based on the actual dates of limited partner equity contributions and distributions and the ending aggregate limited partners' equity balances (residual value).

IRR, since inception through December 31, 2024	9.36%
IRR, since inception through December 31, 2023	10.07%

The net investment income/loss and operating expense ratios are computed using the weighted average net assets for the Fund. These ratios do not reflect the Fund's proportionate share of income and expenses of the underlying investment vehicles. The net investment income/loss and operating expense ratios presented on a committed capital basis are presented as supplemental disclosures to the required information.

For the year ended December 31, 2024:

Ratio to average net assets:

Net investment income/loss (not including incentive allocation)	1.05%
Operating expenses	-0.31%
Incentive allocation	<u>0.00%</u>
Total expenses and incentive allocation	-0.31%

Ratio to committed capital:

Net investment income/loss (not including incentive allocation)	0.74%
Operating expenses	-0.22%
Incentive allocation	<u>0.00%</u>
Total expenses and incentive allocation	-0.22%

Average net assets, computed quarterly	\$93,802,252
Committed capital	\$133,943,520
% Funded	89.80%

**Other Required Disclosures**

U.S. generally accepted accounting principles require the disclosure of any investments within the underlying investment vehicles that alone make up over 5% of the equity of the Fund. The following investments accounted for over 5% of the equity of the Fund, as described below.

<b>Name</b>	<b>Description</b>	<b>% Equity</b>
Prologium Holding Inc.	Researches, develops, and manufactures advanced ultra-thin lithium ceramic batteries	6%
Kaspi Bank	Kazakhstan-based commercial bank	5%

**Subsequent Events Evaluation**

The Fund has evaluated the need for disclosures and/or adjustments resulting from subsequent events through April 25, 2025, the date the financial statements were available to be issued. This evaluation did not result in any subsequent events that necessitated disclosures and/or adjustments.
