Independent Auditors' Report

The Partners
Adams Street 2012 Global Fund LP:

Opinion

We have audited the financial statements of Adams Street 2012 Global Fund LP (the Fund), which comprise the statement of financial condition, including the schedule of investments, as of December 31, 2024, and the related statements of operations and cash flows for the year then ended, the statements of changes in partners' equity for each of the years in the two-year period then ended, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of the Fund as of December 31, 2024, and the results of its operations and its cash flows for the year then ended, and the changes in its partners' equity for each of the years in the two-year period then ended, in accordance with U.S. generally accepted accounting principles.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Fund and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. generally accepted accounting principles, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Fund's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Fund's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Fund's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Notes to Financial Statements

December 31, 2024

General Information

The Adams Street 2012 Global Fund LP (the Global Fund), a Delaware limited partnership, was organized on December 21, 2011 and began operations on February 6, 2012 (commencement of investment operations). The General Partner and Advisor of the Global Fund is Adams Street Partners, LLC (General Partner or Advisor). The Advisor is registered with the US Securities and Exchange Commission as a registered investment advisor. The Global Fund's operating agreement (Global Fund Agreement) states that the Global Fund shall continue until the latest of the dissolution dates of the Funds.

The Global Fund was formed exclusively to invest in limited partnership interests in the Adams Street 2012 US Fund LP, Adams Street 2012 Developed Markets Fund LP, Adams Street 2012 Emerging Markets Fund LP and Adams Street 2012 Direct Fund LP (the Funds), which in turn invest in private equity limited partnerships and similar entities, as well as co-investments.

The financial statements of the Funds, including the Schedule of Investments, accompany this report and should be read with the Global Fund's financial statements. The percentage of the Funds owned by the Global Fund at December 31, 2024, was 71.2%, 58.1%, 54.4% and 90.0%, respectively.

Significant Accounting Policies

Basis of Presentation

The financial statements have been prepared in conformity with U.S. generally accepted accounting principles (GAAP). The Global Fund is an investment company under the criteria established within Accounting Standards Codification (ASC) Topic 946 *Financial Services – Investment Companies* and applies the specialized accounting and reporting guidance included therein.

Use of Estimates

Preparing financial statements in accordance with GAAP requires management to make estimates and assumptions in determining the reported amounts of assets and liabilities, including the fair value of investments, and disclosure of contingent assets and liabilities as of the date of the financial statements and the reported amounts of income and expense during the reporting period. Actual results could differ from those estimates.

Cash and Cash Equivalents

Cash represents demand deposits held at financial institutions. Cash and cash equivalents are held at major financial institutions and are subject to credit risk to the extent those balances exceed applicable Federal Deposit Insurance Corporation (FDIC) or Securities Investor Protection Corporation (SIPC) limitations. The Global Fund records its holdings in daily valued money market mutual fund investments as cash equivalents as these investments are held for meeting short-term liquidity requirements rather than for investment purposes. The carrying amount included in the Statement of Financial Condition for cash and cash equivalents approximates the fair value.

Adams Street 2012 Global Fund LP

Notes to Financial Statements

December 31, 2024

Investment Transactions and Income

Interest income is recognized on an accrual basis. Investment transactions are accounted for on the trade date.

The Global Fund records its proportionate share of the Funds' income, expenses, and realized and unrealized gains and losses. The Funds pay all costs and expenses incurred in the course of the Global Fund's operations, provided, however, that expenses relating specifically to the investors of the Global Fund and not to investors of the Funds and all taxes levied or assessed upon or in respect of the Global Fund, or the income thereof, will be charged to the Global Fund as an expense of the Global Fund. Transactions are accounted for on the accrual basis.

Investment Valuation

The investments in the Funds are carried at fair value as determined by the Global Fund in the absence of readily ascertainable market values. The fair value of investments held by the Funds, including a breakdown of the levels used in measuring investments at fair value per ASC 820-10, is discussed in the notes to the Funds' financial statements which accompany this report. Because of the inherent uncertainty of valuation, the determined value may differ significantly from the value that would have been used had a ready market for this investment existed, and the difference could be material.

Income Taxes

Global Fund taxable income or loss is reported by the partners individually and, accordingly, no provision has been made for taxes based on income. The Global Fund provides for state replacement and other tax expense, as applicable.

The Global Fund files Federal, Illinois, and other state tax returns as required by law. Management has reviewed the Global Fund's tax positions and has not identified any uncertain tax positions which would require the Global Fund to record a tax exposure reserve. The Global Fund's four most recent tax years remain subject to examination by taxing authorities in those jurisdictions.

Management Fee

Management fees are charged by the Funds and paid to the Funds' advisors quarterly. The fee allocated to the Global Fund by the Funds is based upon each partner's respective subscription agreement. No additional management fees are charged by the Global Fund.

Adams Street 2012 Global Fund LP

Notes to Financial Statements

Partners' Equity

Equity Contributions

Committed capital, equity contributions paid, and unfunded capital commitments are as follows at December 31, 2024:

	<u>Committed Capital</u>	<u>Equity Contributions Paid</u>	<u>Unfunded Capital Commitments</u>
General Partner	\$ 10,000	9,288	712
Limited Partners	784,750,000	728,938,040	55,811,960
Balance at December 31, 2024	<u>\$ 784,760,000</u>	<u>728,947,328</u>	<u>55,812,672</u>

Unfunded capital commitments will be called as needed to purchase investments. Equity contributions are called from the partners in proportion to their commitment amounts.

Allocation of Income and Expenses

Profits and losses of the Global Fund are allocated to all partners in proportion to their capital commitments. Incentive allocation from the Statement of Operations is a reallocation of gains on certain investments to the general partner of the Funds based on the provisions of the agreements of the Funds. No additional incentive allocation is made by the Global Fund. Taxes levied upon the Global Fund will be expensed to the Global Fund and allocated to those partners to whom the related tax liability is attributable.

Distributions

Distributions are made at the discretion of the General Partner in accordance with the terms of the Global Fund Agreement. All cash or securities received by the Global Fund shall be distributed to all partners in proportion to their respective ownership interests.

Commitments and Contingencies

As of December 31, 2024, the Global Fund has unfunded commitment of \$55,811,182. The unfunded portion of the commitment is a contractual obligation to be met in accordance with the terms of the specific partnership agreements. Because of the inherent uncertainty in predicting the timing of these commitments, management is unable to estimate the fair value of these commitments. The Global Fund believes that it will be able to satisfy such commitments from commitments due from its partners, if any, and distributions from the limited partnership investments.

Adams Street 2012 Global Fund LP

Notes to Financial Statements

Financial Highlights

Financial highlights are calculated for the partners taken as a whole. An individual partner's return and ratios may vary based on different management fee arrangements. The Global Fund's since inception Internal Rate of Return (IRR) and expense ratio calculations presented include the effects of borrowing by the Funds, if any. The timing of the limited partner contributions and distributions and the net asset value of the Global Fund would be different if borrowing was not used, and the differences could be material.

The Global Fund's since inception IRR for the partners is net of management fees and incentive allocation to the advisor of the Funds and is computed based on the actual dates of partner equity contributions and distributions and the ending aggregate partners' equity balances (residual value).

IRR, since inception through December 31, 2024	12.77%
--	--------

IRR, since inception through December 31, 2023	13.20%
--	--------

The net investment income/loss and operating expense ratios are computed using the weighted average net assets for the Global Fund and include expenses paid indirectly at the Fund level. These ratios do not reflect the Global Fund's proportionate share of income and expenses of the underlying investment vehicles of the Funds. The net investment income/loss and operating expense ratios presented on a committed capital basis are presented as supplemental disclosures to the required information.
