INDEPENDENT AUDITORS' REPORT

To the Plan Administrator, Participants and Beneficiaries
of the BKD, LLP Cash Balance Pension Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2023 Financial Statements

We have performed an audit of the financial statements of the BKD, LLP Cash Balance Pension Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of May 31, 2023 (in liquidation), and the related statement of changes in net assets available for benefits for the year ended May 31, 2023 (in liquidation), and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended May 31, 2023, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2023 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2023 Financial Statements section:

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

"EisnerAmper" is the brand name under which EisnerAmper LLP and Eisner Advisory Group LLC and its subsidiary entities provide professional services. EisnerAmper LLP and Eisner Advisory Group LLC are independently owned firms that practice in an alternative practice structure in accordance with the AICPA Code of Professional Conduct and applicable law, regulations and professional standards. EisnerAmper LLP is a licensed CPA firm that provides attest services, and Eisner Advisory Group LLC and its subsidiary entities provide tax and business consulting services. Eisner Advisory Group LLC and its subsidiary entities are not licensed CPA firms.

Basis for Opinion on the 2023 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the 2023 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Emphasis of Matter on the 2023 Financial Statements

As further discussed in Note 4 to the financial statements, the governing body of the BKD, LLP Cash Balance Pension Plan, approved a plan of liquidation on October 31, 2022, and management determined liquidation is imminent. As a result, the Plan has changed to the liquidation basis of accounting for the year ended May 31, 2023. As of the effective date of Plan termination, all contributions ceased, and all Plan participants became fully vested. The Plan Sponsor intends to distribute the Plan assets as soon as administratively feasible. Our opinion is not modified with respect to this matter.

Responsibilities of Management for the 2023 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the 2023 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control–related matters that we identified during the audit.

Other Matter 2023 Supplemental Schedules Required by ERISA

The supplemental schedule of assets (held at end of year) and schedule of reportable transactions are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including the form and content, presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditors' Report on the 2022 Financial Statements

The 2022 financial statements of the Plan were audited by predecessor auditors. In accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the prior year audit did not extend to any statements or information related to assets held for investment of the Plan that were certified by a qualified institution. Their report dated March 14, 2023 indicated that (a) the amounts and disclosures in the 2022 financial statements, other than those agreed to or derived from the certified investment information, were presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America, and (b) the information in the 2022 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C). Their report also indicated that the form and content of the 2022 supplemental schedules, other than the information in the 2022 supplemental schedules that agreed to or is derived from the certified investment information, were presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA; and the information in the 2022 supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determines meets the requirements of ERISA Section 103(a)(3)(C).

BKD, LLP CASH BALANCE PENSION PLAN

NOTES TO FINANCIAL STATEMENTS

MAY 31, 2023 AND 2022

NOTE 1: DESCRIPTION OF THE PLAN

The following description of the BKD, LLP Cash Balance Pension Plan (the Plan) provides only general information. Participants should refer to the *Summary Plan Description* for a more complete description of the Plan's provision, which is available from the Plan administrator.

The Plan was frozen on June 1, 2022, and amended to terminate as of October 31, 2022. See Note 4 regarding Plan termination.

General

The Plan, established May 20, 2001, was a defined benefit plan that covered substantially all partners of BKD, LLP (the Partnership) who had completed two years of service, attained the age of twenty-one and had completed 1,000 hours of service during the plan year. The Plan had not been amended for the tax reform signed into law on December 22, 2017 and was still determining the impact, if any, to the Plan. The Plan was subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

The Plan was administered by the Partnership's Management Committee (Committee), which was a committee of the Governing Board of the Partnership. The Committee had overall responsibility for the operation and administration of the Plan. The Retirement Plan Committee determined the appropriateness of the Plan's investment offerings, monitored investment performance and reported to the Governing Board.

The Plan was structured as a cash balance plan, which is a defined benefit plan that defines benefits for each partner by reference to a hypothetical account maintained for each partner. Each plan year, the account was credited with a hypothetical contribution based on each partner's planned compensation, multiplied by a percentage that correlated to planned compensation ranges specified in the plan document, and their allocation of plan earnings. Earnings were credited once a year as of the last day of the Plan year using the actual rate of return on aggregate Plan assets, but not to exceed 5.5%. The rate was 0.66% and -6.59% for 2023 and 2022, respectively.

Due to the termination of the BKD, LLP Cash Balance Pension Plan certain remaining Employer contributions were transferred to the FORVIS, LLP Employees' Savings Plan I forfeiture account totaling $11,184,289.

Contributions

The Partnership contributed amounts as were necessary to provide assets sufficient to meet the benefits to be paid to plan members and sufficient to annually fund the Plan's current service cost. The Plan was fully funded for the years ended May 31, 2023 and 2022 and met the ERISA minimum funding requirements established by the federal government.

NOTE 1: DESCRIPTION OF THE PLAN (Continued)

Pension Benefits

Upon reaching normal retirement age or termination of employment, a partner could elect to rollover the account balance to a qualified retirement plan, rollover to an IRA, purchase an annuity, receive a lump-sum payment or receive installments over a specified period equal to the value of his or her account balance. Partners were fully vested in the Plan upon entrance into the Plan.

Death and Disability Benefits

If a participant died, a death benefit shall be equal to the actuarial equivalent of the participant's vested accrued benefit at the date of death. If a participant died before completing 1,000 hours of service during the plan year, the participant would not be credited with 1,000 hours of service. If a participant terminated employment as a result of total disability, he or she were eligible for the immediate commencement of the vested accrued benefit after submitting a written application and sufficient evidence of disability to the Plan.

NOTE 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

On October 31, 2022, the Governing Board of the Partnership adopted a resolution to terminate the Plan. Consequently, the Plan's financial statements as of May 31, 2023, have been prepared on the liquidation basis of accounting, in accordance with U.S. GAAP. Under the liquidation basis of accounting, assets are stated at their estimate net realized cash value and liabilities are stated at their anticipated settlement amounts. The estimated net realizable cash value for investments as of May 31, 2023, is fair value. The financial statements as of and for the year ended May 31, 2022, are prepared on the accrual method of accounting.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of net assets available for benefits, and changes therein, disclosure of contingent assets and liabilities at the date of the financial statements. Actual results could differ from those estimates.

Material estimates that were particularly susceptible to significant change in the near term relate to the actuarial determination of accumulated plan benefits as further discussed in *Note 6.*

NOTE 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Valuation of Investments and Income Recognition

Investments were reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Retirement Plan Committee determines the Plan's valuation policies utilizing information provided by the investment advisors, custodians, and insurance company. See *Note 5* for discussion of fair value measurement.

The net appreciation (depreciation) in fair value of investments reflected in the statements of changes in net assets available for benefits represents the difference between fair value and the cost of investments as well as the realized gain or loss on sale of investments, measured by the difference between the proceeds received and the cost of investments sold. Purchases and sales of securities were recorded on a trade-date basis. Dividends were recorded on the ex-dividend date. Interest income was recorded on the accrual basis.

Payment of Benefits

Benefit payments to partners were reported upon distribution.

Administrative Expenses

Administrative expenses may be paid by the Partnership or the Plan, at the Partnership's discretion.

NOTE 3: CERTIFICATION OF PLAN TRUSTEE

The Plan Administrator had elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Matrix Trust Company, the trustee of the Plan, has certified the following information included in the accompanying financial statements and supplemental schedule is complete and accurate (to the best of their knowledge and belief):

- Investments as shown in the statements of net assets available for benefits as of May 31, 2023 and 2022.
- Investment income as shown in the statements of changes in net assets available for benefits for the years ended May 31, 2023 and 2022.
- Investment information included in the accompanying schedule of assets (held at year end) as of May 31, 2023.

The Plan's independent auditors did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and supplemental schedule.

NOTE 4: PLAN TERMINATION

The Partnership and the Plan Administrator terminated the Plan effective October 31, 2022. The net assets of the Plan were allocated as prescribed by ERISA and its related regulations, generally to provide the following benefits in the order indicated:

a. Benefits attributable to partner contributions, taking into account those paid out before termination.

b. Annuity benefits that former partners or their beneficiaries have been receiving for at least three years, or that employees eligible to retire for that three-year period would have been receiving if they had retired with benefits in the normal form of annuity under the Plan. The priority amount was limited to the lowest benefit that was payable (or would have been payable) during those three years. The amount was further limited to the lowest benefit that would be payable under Plan provisions in effect at any time during the five years preceding plan termination.

c. Other vested benefits insured by the Pension Benefit Guaranty Corporation (PBGC) up to the applicable limitations discussed below.

d. Vested benefits not insured by the PBGC.

e. All nonvested benefits.

Certain benefits under the Plan were insured by the PBGC if the Plan terminated. Generally, the PBGC guarantees most vested normal age retirement benefits, early retirement benefits and certain disability and survivor's pensions. However, the PBGC does not guarantee all types of benefits under the Plan, and the amount of benefit protection is subject to certain limitations. Vested benefits under the Plan were guaranteed at the level in effect on the date of the Plan's termination.

NOTE 5: FAIR VALUE MEASUREMENT

Financial Accounting Standards Board (FASB) *Accounting Standards Codification* (ASC) 820, *Fair Value Measurements and Disclosures*, establishes a framework for measuring fair value. The framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy are described as follows:

Level 1	Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

NOTE 5: FAIR VALUE MEASUREMENT (Continued)

Level 2 Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy was based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodology used for assets measured at fair value at May 31, 2023 and 2022.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at the price. The mutual funds held by the Plan are deemed to be actively traded.

Exchange traded funds (ETFs): Valued at the closing price reported on the active market on which the individual securities are traded.

NOTE 5: FAIR VALUE MEASUREMENT (Continued)

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of May 31, 2023 (in liquidation) and May 31, 2022 (ongoing):

2023	Level 1	Level 2	Level 3	Total
Mutual funds:				
Mutual funds	$ 69,901	$ -	$ -	$ 69,901
Total assets at fair value	$ 69,901	$ -	$ -	$ 69,901

2022	Level 1	Level 2	Level 3	Total
Mutual funds:				
Mutual funds	$ 15,419,011	$ -	$ -	$ 15,419,011
Exchange traded funds	94	-	-	94
Total assets at fair value	$ 15,419,105	$ -	$ -	$ 15 419,105

NOTE 6: ACCUMULATED PLAN BENEFITS

Accumulated plan benefits are those estimated future lump-sum distributions that are attributable under the Plan's provisions to service rendered by the partners to the valuation date. Accumulated plan benefits include benefits expected to be paid to (a) retired or terminated partners or their beneficiaries and (b) present partners or their beneficiaries.

The actuary, Kravitz, Inc., determined the actuarial present value of accumulated plan benefits, which was the amount that resulted from applying actuarial assumptions to adjust the accumulated plan benefits to reflect the time value of money (through discounts for interest) and the probability of payment (by means of decrements such as for death, disability, withdrawal or retirement) between the valuation date and the expected date of payment.

The accumulated plan benefit information as of May 31, 2023 and 2022 is presented below:

	2023	2022
Actuarial present value of accumulated plan benefits:		
Total vested benefits of current partners	$ -	$ 106,947,951

NOTE 6: ACCUMULATED PLAN BENEFITS (Continued)

Changes in the actuarial present value of accumulated benefits were as follows:

	2023	2022
Actuarial present value of accumulated plan benefits, beginning of year	$ 106,947,951	$ 104,344,570
Increase during the year attributable to:		
Additional benefits accumulated	-	10,665,144
Change in actuarial assumptions	-	(2,345,787)
Interest due to decrease in discount period	2,214,408	4,963,143
Actuarial losses	19,503,042	3,757,852
Benefits paid to participants	(128,665,401)	(14,436,971)
Actuarial present value of accumulated plan benefits, end of year	$ -	$ 106,947,951

Significant assumptions used in the valuation as of May 31, 2023 and 2022 are:

Assumed rate of return:

Plan year ended May 31, 2023	4.75%/5.18%/5.92 per annum compounded annually
Plan year ended May 31, 2022	4.75%/5.36%/6.11 per annum compounded annually
Retirement	At normal retirement age (62)
Mortality basis	RP-2014 combined Mortality table for males and females projected to 2021

Prior to May 31, 2023, we calculated the accumulated plan benefits using the above actuarial assumptions. This liability was lower than the account balances in the plan, as the interest crediting rate was estimated at 3.0%. Benefits for a going concern plan were valued by projecting them to normal retirement date at 3.0% and then discount them at the 3 segment rates.

NOTE 7: PARTY-IN-INTEREST TRACTIONS

The plan investments were managed by Matrix Trust Company. Matrix Trust Company was the trustee as defined by the Plan and, therefore, the investment transactions qualify as party-in-interest transactions. The Partnership (the Plan Sponsor) paid directly all fees related to the Plan's operations.

NOTE 8: PLAN AMENDMENTS

On March 31, 2023, the Plan determined that any excess assets will be transferred to a suspense account in the FORVIS, LLP Employees' Savings Plan I which constitutes a qualified replacement plan as defined in Section 4980(d)(2) of the Internal Revenue Code.

On October 31, 2022, the Plan was terminated.

On April 13, 2022, the Plan was amended to change the hypothetical employer contribution to $0 for plan years beginning on or after June 1, 2022.

NOTE 9: PLAN TAX STATUS

The Plan obtained its latest determination letter on February 22, 2017, in which the Internal Revenue Service stated that the Plan and related trust, as then designed, were in compliance with the applicable requirements of the Internal Revenue Code. The Plan had been amended since receiving the determination letter. However, the Plan administrator believed that the Plan and related trust were currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code and, therefore, the Plan administrator believed the Plan was qualified and the related trust was tax-exempt.

The Plan received a letter on June 3, 2025, from the Internal Revenue Service stating the termination of the plan does not affect its qualification for tax purposes.

Accounting principles generally accepted in the United States of America required Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) of the organization had taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan administrator had analyzed the tax positions taken by the Plan, and had concluded that as of May 31, 2023, there were no uncertain positions taken or expected to be taken that would require recognition of a liability nor disclosure in the financial statements. The Plan was subject to routine audits by taxing jurisdictions; however, there were currently no audits for any tax periods in progress.

NOTE 10: RISKS AND UNCERTAINTIES

The Plan invested in various investment securities. Investment securities were exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it was at least reasonably possible that changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

NOTE 11: LATE FILING

Plan filing has not been made within the required time frame established by statutory requirements. The Plan administrator has indicated that any related penalties will be borne by the Company.

NOTE 12: SUBSEQUENT EVENTS

Management has evaluated subsequent events through the date that the financial statements were available to be issued, September 29, 2025, and determined that no additional disclosures are necessary. No subsequent events occurring after this date have been evaluated for inclusion in these financial statements.

Schedule SB, Part V -- Statement of Actuarial Assumptions/Methods

Valuation Date	First day of the plan year. Current valuation date is June 1, 2022.
Actuarial Method	Unit credit.

Actuarial Assumptions

- Interest Rates per annum, compounded annually
  (use the rate for each participant based upon the date of payment being valued)

	95% of 25-Year averages (minimum funding)	24-month averages (maximum)	Spot rates (PBGC)
-- First 5 Years after valuation date	4.75%	1.02%	3.23%
Next 15 Years	5.18%	2.80%	4.59%
More than 20 years after val date	5.92%	3.38%	4.69%

First column, based on 25-year averages, is used to determine AFTAP and minimum contributions.
Second column, based on 24-month averages, is used to determine maximum deductible contributions.
Third column, based on spot interest rates, is used to determine PBGC standard target liabilities.

The interest rates above are from the set of interest rates prescribed in the Pension Protection Act of 2006, and the American Rescue Plan Act of 2021.

-- Interest Crediting Rate (for account earnings)	3.57% per annum compounded annually, for current and all future years. (changed from 3.00% per annum.)
-- Actuarial Equivalent (for converting balances to annuities)	The prior year-end 30-year treasury rate (3.06%) and 1994 Group Annuity Reserving table projected to 2002 are used to convert balances to annuities.

- Experience - Active Employees

  -- Retirement — Normal Retirement Age.

  -- Death — None.

  -- Other Separation — None.

  -- Earnings Progression — None.
  Compensation is based on expected Pay for the current year.

- Retired Mortality

  -- Conversion to Annuities — 1994 Group Annuity Reserving table projected to 2002.

  -- Funding — RP-2014 combined Mortality tables for males and females, projected to 2022.

  The mortality rates for Funding are from the mortality tables prescribed in federal regulations and notices, as authorized by the Pension Protection Act of 2006.

- Form of Payment — Lump Sum.

- Expense Loading — None.

- Asset Valuation Basis — Market Value, including discounted contributions receivable.

Notice to Plan Sponsor about the selection of Interest Rate assumptions and Asset valuation:

The Pension Protection Act of 2006 prescribes that the above segment interest rates will be used as a default unless the Plan Sponsor notifies the actuary that he elects to use different assumptions:

a. The above segment interest rates represent the rates for the month prior to the valuation date. The Plan Sponsor may elect to use rates applicable to 1 to 4 months prior to the latest month.

b. Assets are valued at fair market value, without any averaging. The Plan Sponsor may ask the actuary to use an average asset value over up to 24 months.

The Plan Sponsor should notify us immediately if any of these alternative elections are desired.

Plan Status	Benefits were frozen as of May 31, 2022. Eligibility is frozen as of May 31, 2022 (i.e. no new participants). The Plan was terminated effective October 31, 2022.
Definitions	
- Plan Year	June 1 through May 31.
- Compensation	Total compensation paid during Plan Year.
- Years of Service	Service for eligibility, benefits and vesting based upon entire period of service. The 1000 hours of service method is used in measuring this service.
- Accrued Pension	Actuarial equivalent of the balance of the Participant's Cash Balance Account as of Valuation Date projected to his Normal Retirement Date.
- Actuarial Equivalence	Based on the 30-year Treasury interest rate for the month preceding the first day of the plan year and mortality in accordance with the 1994 Group Annuity Reserving table projected to 2002.
- Cash Balance Account	Hypothetical account established for each participant. Each plan year, the account is credited with participant's Contribution Credit in accordance with the plan. Account accumulates earnings based on actual rate of return on aggregate Plan assets for such period, including both positive and negative rates of return, not exceeding 5.5% annually.

- Contribution Credit	Contribution $0 for all participants.
Eligibility	Non-excluded partners become eligible on the attainment of age 21 and the completion of 2 years of service with at least 1,000 hours during each 12-month period and enter the plan on the June 1 or December 1 following their completion of the eligibility requirements. However, non-partners, union employees, non-resident alients, leased employees and independent contractors are excluded from participating in this plan. Employees other than a partner or a principal, and partners who opt out of the plan are excluded from participating in this plan. However, no new participants enter the plan after May 31, 2022.
Changes in Provisions	Benefit accruals reduced to $0 for all participants.
Normal Retirement	
- Age	Age 62.
- Annual Pension	The participant's Accrued Benefit determined as of his Normal Retirement Date based on the actuarial equivalent value of the Cash Balance Account.
- Payment of Pensions	Straight life annuity for single employees. Reduced Joint and 100% Survivor annuity for married employees. Optional forms of benefits include single sum and annuities.
Early Retirement Benefit	Same as Severance Benefit.
Late Retirement Benefit	Actuarial equivalent of the Cash Balance Account as of the participant's late retirement date.
Disability Benefit	Actuarial equivalent value of accrued pension.

Severance Benefit	Accrued Benefit times Vested Percentage. The Vested Percentage is 100%.
Death Benefit Before Retirement	
- Active Participants	Actuarial equivalent value of accrued pension.
- Former Participants	100% of the value of the vested deferred pension.
Top-Heavy Provisions	
- Minimum Benefit	For employees also participating in the BKD, LLP Employees' Savings Trust Plan, contribution of 5% of total compensation to be provided under that plan.
Voluntary Contributions	Not Permitted.
Rollover Contributions	Not Permitted.
Loans to Participants	Not Permitted.
