Report of Independent Auditors

To the General Partner of McMorgan Infrastructure Fund II (ERISA) LP

Opinion

We have audited the accompanying financial statements of McMorgan Infrastructure Fund II (ERISA) LP (the "Partnership"), which comprise the statement of assets, liabilities and partners' capital as of December 31, 2024, and the related statements of operations, of changes in partners' capital and of cash flows, including the related notes for the year then ended (collectively referred to as the "financial statements").

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of the Partnership as of December 31, 2024, and the results of its operations, changes in its partners' capital and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (US GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Partnership and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Partnership's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with US GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with US GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Partnership's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Partnership's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

(a Delaware Limited Partnership)

Notes to Financial Statements

For the Year Ended December 31, 2024

Note 1 – Organization and Business Purpose

McMorgan Infrastructure Fund II (ERISA) LP (the “Feeder Fund”) is a Delaware limited partnership whose general partner is McMorgan Infrastructure Fund II (ERISA) GP, LLC (the “General Partner”), an affiliate of the McMorgan Infrastructure Fund II, LP. The Feeder Fund was formed on March 7, 2023 and commenced operations (the “Commencement Date”) on March 21, 2023. The purpose of the Feeder Fund is to invest all of its investable assets directly in the McMorgan Infrastructure Fund II, LP (the “Master Fund”), a Delaware limited partnership.

Capitalized terms used in these Notes to Financial Statements and not otherwise defined have the meaning set forth in the Amended and Restated Limited Partnership Agreement of the Feeder Fund dated as of March 7, 2023 (collectively the “Partnership Agreement”).

As of December 31, 2024, the Master Fund has \$367,303,818 of total Capital Commitments, of which \$196,000,000 has been committed by the Partners of the Feeder Fund.

The financial statements of the Master Fund are attached and should be read in conjunction with the Feeder Fund’s financial statements.

The Feeder Fund is intended to have an indefinite term but may be terminated upon an event of dissolution, in accordance with the provisions of the Partnership Agreement.

Note 2 - Significant Accounting Policies

(a) Basis of Presentation

The accompanying financial statements have been prepared in conformity with generally accepted accounting principles in the United States of America (“GAAP”). In accordance with the Financial Accounting Standards Board of Accounting Standards Codification (“ASC”) 946, Financial Services – Investment Companies, the Partnership is treated as an investment company. The preparation of the financial statements in conformity with GAAP requires the General Partner to make estimates and assumptions that affect the reported amounts. Actual amounts could differ from these estimates.

(b) Investment, at Fair Value

The Feeder Fund’s investment in the Master Fund is stated at fair value, which is defined as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants, in the principal or most advantageous market considering the highest and best use of an asset or nonperformance risk related to a liability, at the measurement date. The Feeder Fund’s fair value of its investment in the Master Fund is the Feeder Fund’s share of the Master Fund’s net asset value (“NAV”). The Feeder Fund carries its investment at fair value in accordance with ASC 820, Fair Value Measurements and Disclosures. The notes to the Master Fund’s consolidated financial statements attached provide information regarding the Master Fund’s valuation methodology.

MCMORGAN INFRASTRUCTURE FUND II (ERISA) LP

(a Delaware Limited Partnership)

Notes to Financial Statements (continued)

For the Year Ended December 31, 2024

(c) Income Taxes

Under U.S. federal income tax law, partnerships are not taxable entities. Therefore, no provision has been made in the accompanying financial statements for income taxes due by the Feeder Fund. Each Limited Partner is individually responsible for reporting its share of the Feeder Fund's income or loss.

ASC 740, Income Taxes ("ASC 740"), requires the General Partner to determine whether a tax position is more likely than not to be sustained upon examination by the applicable tax authority, including resolution of any related appeals or litigation processes, based on the technical merits of the position. Once it is determined that a position meets this recognition threshold, the position is measured to determine the amount of tax benefit or expense to be recognized. As of December 31, 2024, the Feeder Fund does not have any uncertain tax position that would require an accrual under ASC 740.

The Feeder Fund files a U.S. partnership tax return along with various other federal, state and local filings. Because many types of transactions are susceptible to varying interpretation under U.S. federal, state and local income tax laws and regulations, the amounts reported in the accompanying financial statements may be subject to change at a later date upon final determination by the respective taxing authorities. The Feeder Fund assessed all tax positions of its U.S. federal, state and local tax returns for the year ended December 31, 2024 and concluded it had no material uncertain tax liabilities to be recognized. In the normal course of business, the Feeder Fund may be audited by any of these taxing authorities.

As of December 31, 2024, the Feeder Fund is not currently undergoing any tax examinations. As of December 31, 2024, the tax years that remain subject to examination by the federal and state jurisdictions under the statute of limitations are 2023 (the year of inception) and forward.

(d) Income and Expenses

The Feeder Fund records its proportionate share of the Master Fund's income, expenses, and realized and unrealized gains and losses in net income allocated from the Master Fund on the Statement of Operations. In addition, income and expense items from activities conducted by the Feeder Fund, if any, are shown on the Statement of Operations.

(e) Organization costs

The Feeder Fund bears all expenses incurred in connection with the organization of the Feeder Fund and the General Partner, the offering, marketing and closing on capital commitments by the Limited Partners. For the year ended December 31, 2024, the Master Fund recognized \$202,638 of organizational expenses, of which the Feeder Fund's share is \$48,030.

(g) Concentrations of Market, Interest Rate and Credit Risk

Concentrations of market, interest rate and credit risk may exist with respect to the Feeder Fund's investments and its other assets and liabilities. Market risk is a potential loss the Feeder Fund may

(a Delaware Limited Partnership)

Notes to Financial Statements (continued)

For the Year Ended December 31, 2024

incur as a result of changes in the fair value of its investments. Interest rate risk includes the risk associated with changes in prevailing interest rates. Credit risk includes the possibility that a loss may occur from the failure of counterparties or issuers to make payments according to the terms of a contract. The Feeder Fund's exposure to credit risk at any point in time is generally limited to amounts recorded as assets on the Statement of Assets, Liabilities and Partners' Capital.

One Limited Partner accounts for 90.91% of ownership interest in the Feeder Fund.

Note 3 – Cash

Cash consists of cash in bank at December 31, 2024. The Feeder Fund maintains cash balances which, at times during the period, exceeded the \$250,000 amount insured by the Federal Deposit Insurance Corporation. The General Partner attempts to mitigate the risk of loss by depositing funds with large financial institutions.

Note 4 – Investment in Master Fund, at Fair Value

As of December 31, 2024, the Feeder Fund has a 23.91% limited partnership interest in the Master Fund. Investment in Master Fund as presented on the Statement of Assets, Liabilities and Partners' Capital is the Feeder Fund's share of the Master Fund's NAV.

Note 5 – Related Party Transactions

In the normal course of business, the Feeder Fund, the General Partner and its affiliates may incur expenses on behalf of each other. At December 31, 2024, the Feeder Fund has no due to or due from affiliates.

The Advisor receives a management fee as compensation for its management services. Each Limited Partner shall bear its share of the Management Fee calculated as provided by the Master Fund Limited Partnership Agreement as if each Limited Partner had invested directly in the Master Fund. The Management Fee payable may be off-set by the General Partner against any distribution otherwise payable to a Limited Partner, may be requested of Limited Partner as a Capital Contribution, maybe paid via reduction of Limited Partner's Capital Account or may be paid with financing proceeds.

The Master Fund incurred \$1,238,728 of management fee expenses for the year ended December 31, 2024, of which the Feeder Fund's share is \$294,546.

Note 6 – Contributions

As of December 31, 2024, \$32,907,449 representing 16.79% of Capital Commitments, has been contributed by the Partners of the Feeder Fund. As of December 31, 2024, no amounts were outstanding from Limited Partners.

(a Delaware Limited Partnership)

Notes to Financial Statements (continued)

For the Year Ended December 31, 2024

Note 7 – Financial Highlights

The Feeder Fund is required to provide financial highlights for the interest of the limited partners. These financial highlights include the Feeder Fund's ratios of expense and net investment income to the average limited partners' capital for the year and the total return ratio. The following summarizes the Feeder Fund's financial highlights for the year ended December 31, 2024.

Supplemental Data:	<u>2024</u>
Partners' Capital - End of Period ⁽¹⁾	\$ 35,375,362
Ratios to average partners' capital ⁽¹⁾ :	
Expenses	2.34%
Net Investment Income	<u>-2.36%</u>
Total Return ⁽²⁾ : For the twelve months ended December 31, 2024	5.19%

(1) The ratio of operating expenses to average limited partners' capital is calculated for limited partners taken as a whole. The computation of such ratios based on the amount of income and expense assessed to an individual investor's capital account may vary from these ratios based on different management fee arrangements allocation.

(2) Total Return is calculated based on the change in value during the period, which includes both capital appreciation and any income generated. The change in value is measured by comparing the ending net asset value with the beginning net asset value, adjusted for cash flows related to capital contributions or withdrawals during the period. An individual limited partner's return may vary from these returns due to different management fee arrangements.

Note 8 – Subsequent Events

For purpose of these financial statements, subsequent events were evaluated through May 21, 2025, which is the date the financial statements were available to be issued.
