INDEPENDENT AUDITOR'S REPORT

To the Board of Trustees of
Westchester General Hospital, Inc. 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Westchester General Hospital, Inc. 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statement of changes in net assets available for benefits for the year ended December 31, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Westchester General Hospital 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2024 and 2023, and for the year ended December 31, 2024, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section-

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

INDEPENDENT AUDITOR'S REPORT (Continued)**Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Westchester General Hospital, Inc. 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Westchester General Hospital, Inc. 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

INDEPENDENT AUDITOR'S REPORT (Continued)**Auditor's Responsibilities for the Audit of the Financial Statements** (Continued)

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Westchester General Hospital, Inc. 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Westchester General Hospital, Inc. 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

INDEPENDENT AUDITOR'S REPORT (Continued)

Other Matters - Supplemental Schedules Required by ERISA

The supplemental schedules of Form 5500 - Schedule H, Line 4i – Schedule of Assets (Held at End of Year) and Form 5500 – Schedule H, Line 4a – Schedule of Delinquent Participant Contributions as of December 31, 2024 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements.

The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion-

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

WESTCHESTER GENERAL HOSPITAL, INC. 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

YEAR ENDED DECEMBER 31, 2024

NOTE 1. DESCRIPTION OF THE PLAN

Description of the Plan

The following description of the Westchester General Hospital, Inc. 401(k) Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering substantially all full-time employees of Westchester General Hospital, Inc. d/b/a Keralty Hospital (the Plan sponsor), excluding residents, physicians, physicians' assistants, independent contractors and interns. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (ERISA).

Eligibility

All non-excluded employees of the Plan sponsor are eligible to participate in the Plan after completing one year of service (and at least 1,000 hours) and having reached the age of 21.

Entry Date

Entrance to the Plan is on the first day of the month or after the eligibility requirements are satisfied.

Contributions

Participants may contribute on a pretax basis 1% to 90% of eligible compensation, subject to statutory maximums. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other plans and certain individual retirement accounts (IRA). Under Internal Revenue Service (IRS) Code Section 402(g)(1), the maximum deferral of pretax earnings was \$23,000 and \$22,500 for the years ended December 31, 2024 and 2023, respectively. Participants who have reached at least age 50 may contribute an additional catch-up yearly contribution of \$7,500 for the years ended December 31, 2024, and 2023. Catch-up contributions are not eligible for the employer match or profit-sharing contributions.

For the Plan years 2024 and 2023, the Plan sponsor elected a discretionary employer match of 25% of the first 15% of participant elective deferrals. The matching contributions are computed on a pay period basis.

The employer may also make a discretionary profit-sharing contribution equal to a uniform percentage of participants salary contribution, which is computed on a plan year basis. The Plan sponsor did not elect a discretionary profit-sharing contribution for the 2024 Plan year.

NOTES TO FINANCIAL STATEMENTS

YEAR ENDED DECEMBER 31, 2024

NOTE 1. DESCRIPTION OF THE PLAN (Continued)

Participant Accounts

Participants may direct their deferrals and employer matching contributions into various investment options offered by the Plan through ADP Retirement Services, LLC (ADP). Participants may change their investment elections at any time during the year. Each participant's account is credited with the participant's contributions and an allocation of a) the Plan sponsor's discretionary contributions (if any), and b) Plan earnings and losses, and charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined by the Plan documents. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. All plan investments are participant directed.

When a participant is terminated from the Plan, the nonvested portion of the participant's account, as defined by the Plan, represents a forfeiture of plan assets. Forfeitures are credited to a holding account and are utilized to reduce the employer contributions and other reasonable costs of the sponsor for administration of the Plan. However, if the participant is re-employed and fulfills certain requirements, as defined by the Plan, the participant's account will be reinstated. There were no forfeitures for the year.

Vesting

Vesting is the participant's right to the contributions in their account that cannot be forfeited. Participants are 100% vested in their elective deferral, rollover contributions, and the Plan sponsor's matching contributions plus actual earnings thereon. Vesting in the Plan sponsor's discretionary Profit-sharing contribution plus earnings thereon, if any, follow a vesting schedule based on years of continuous service. The following outlines the Plan's vesting schedule:

<u>Years of Vesting Service</u>	<u>Vested</u>
Less than 2	0%
2	20%
3	40%
4	60%
5	80%
6 or more	100%

Payment of Benefits

Participant contributions and the vested portion of the Plan sponsor's matching contributions are available for distribution upon attainment of age 59½, death, disability, termination of employment or normal retirement age. If the participant's vested account balance is less than \$5,000 at the date of the distribution, then the balance shall be distributed in a single lump-sum payment. If the participant's vested account balance exceeds \$5,000 at the date of distribution, then that balance shall be distributed in a single lump-sum payment or partial withdrawals of at least \$1,000 equal to the required minimum distribution rules as defined by the IRS. If the participant's vested account balance is more than \$1,000 at the date of the distribution, then the participant must consent to the distribution before it may be made.

NOTES TO FINANCIAL STATEMENTS

YEAR ENDED DECEMBER 31, 2024

NOTE 1. DESCRIPTION OF THE PLAN (Continued)

Payment of Benefits (Continued)

If a participant continues to work for the Company after age 70½, they will automatically begin to receive their benefits by April 1st following the later of the year in which they reach age 70½ or if they terminate employment.

Contributions are also available for distribution in the form of a hardship withdrawal.

Forfeitures

As of December 31, 2024 and 2023, forfeited nonvested accounts totaled approximately \$19,100 and \$10, respectively. These accounts may be used to reduce future employer contributions. Additionally, during the year ended December 31, 2024, employer contributions were reduced by approximately \$7,400 from forfeited nonvested accounts.

Termination of the Plan

Although it has not expressed any intent to do so, the Plan sponsor has the right to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting and Use of Estimates

The accompanying financial statements have been prepared using the accrual basis of accounting. The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America (GAAP) requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, benefit obligations and changes therein, and disclosures of contingent assets and liabilities. Actual results could differ from those estimates.

Investments Valuation and Income Recognition

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date (see Note 4 for discussion of fair value measurements). Purchases and sales of securities are recorded on a trade date basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Concentration of Credit Risk

Financial instruments which potentially expose the Plan to concentrations of credit risk, as defined by GAAP, consist primarily of investments, and contributions receivable. The Plan invests primarily in mutual funds, as well as other funds and trusts which, inherent in the fair market value determination, include the risk factor of credit worthiness for each individual security.

WESTCHESTER GENERAL HOSPITAL, INC. 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

YEAR ENDED DECEMBER 31, 2024

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Payment of Benefits

Benefits are recorded when paid.

Administrative Expenses

Certain administrative and accounting functions are performed by the Plan sponsor's employees, who receive no compensation from the Plan. Administrative expenses, such as professional fees, may be paid by the Plan sponsor on behalf of the Plan, while others may be paid from Plan assets.

NOTE 3. INFORMATION PREPARED AND CERTIFIED BY TRUSTEE

Reliance Trust Company (Reliance), the trustee, held the Plan's investments as of December 31, 2024 and 2023. The plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Reliance has certified to the completeness and accuracy of all investments reflected on the accompanying statements of net assets available for benefits as of December 31, 2024 and 2023, the related investment activity reflected in the statement of changes in net assets available for benefits for the year ended December 31, 2024, and the information reflected on the supplemental schedule of assets (held at end of year) as of December 31, 2024.

Allocations among the underlying investments are participant directed. The accounts are credited with earnings on the underlying investments and charged for Plan withdrawals and administrative expenses.

During the year ended December 31, 2024, the Plan's underlying investments (including gains and losses on investments bought and sold, as well as held during the year) appreciated in value by approximately \$642,000. This was reported as net appreciation in fair value of investments in the statement of changes in net assets available for benefits.

NOTE 4. FAIR VALUE MEASUREMENTS

GAAP provides a framework for measuring fair value, expands disclosures about fair value measurements, and establishes a fair value hierarchy which prioritizes the inputs used in measuring fair value summarized as follows:

Level 1: Inputs using the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

WESTCHESTER GENERAL HOSPITAL, INC. 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

YEAR ENDED DECEMBER 31, 2024

NOTE 4. FAIR VALUE MEASUREMENTS (Continued)

Level 2: Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability; and
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual term), the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of the unobservable inputs.

The following is a description of the valuation methods used for assets measured at fair value.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Common collective trust: Valued on the basis of the relative interest of each participating investment or in the fair value of the underlying assets of each of the respective common/collective trusts. The underlying assets are valued based on the NAV as provided by the investment account manager. The NAV is used as a practical expedient to estimate fair value.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2024:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutual funds	\$ 6,565,140	\$ -	\$ -	\$ 6,565,140
Investments measured at net asset value:				
Common collective trust ^(a)				827,660
Total asset at fair value				<u>\$ 7,392,800</u>

WESTCHESTER GENERAL HOSPITAL, INC. 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

YEAR ENDED DECEMBER 31, 2024

NOTE 4. FAIR VALUE MEASUREMENTS (Continued)

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2023:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutual funds	\$ 6,520,653	\$ -	\$ -	\$ 6,520,653
Investments measured at net asset value:				
Common collective trust ^(a)				892,954
Total asset at fair value				<u>\$ 7,413,607</u>

^(a) The fair values of the MetLife Wilmington Trust Collective Investment Fund reflected in the tables above as the "common collective trust" has been determined using the NAV per share (or its equivalent) practical expedient and, as such, has not been categorized within the fair value hierarchy. The fair values represented in the tables are intended to permit reconciliation of the fair value hierarchy table to amounts presented in the statements of net assets available for benefits. As of December 31, 2024 and 2023, the fund did not have any unfunded commitments or any other redemption restrictions. The redemption notice period is 60 to 90 days, and the redemption frequency is daily.

NOTE 5. RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments may include shares of investments managed by Reliance, which has fiduciary responsibility. This makes transactions between the Plan and Reliance party-in-interest transactions; however, they are exempt from the prohibited transactions rules under ERISA. Fees incurred by the Plan for trustee and fund management fees are paid indirectly by the Plan and are included in net appreciation in fair value of investments.

Fees paid during the year for accounting and other services rendered by the parties-in-interest were based on customary and reasonable rates for such services.

NOTE 6. RISKS AND UNCERTAINTIES

The Plan provides for various investment options. Investment securities are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities and the level of uncertainty related to changes in the value of investment securities, it is at least reasonably possible that changes in these risks and uncertainties in the near term would materially affect participant account balances and the amounts reported in the statements of net assets available for benefits and the statement of changes in net assets available for benefits.

WESTCHESTER GENERAL HOSPITAL, INC. 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

YEAR ENDED DECEMBER 31, 2024

NOTE 7. TAX STATUS

The Plan was amended and restated effective January 1, 2017. The Plan obtained a determination letter from the IRS, dated July 16, 2014, concluding that the prototype plan document adopted effective January 1, 2017 was in compliance with applicable sections of the IRC. The Plan administrator believes the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Plan management is required to evaluate uncertain tax positions taken by the Plan. The financial statement effects of a tax position are recognized when the position is more likely than not, based on the technical merits, to be sustained upon examination by the IRS. Management has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2024, and 2023, there are no uncertain tax positions taken or expected to be taken. The Plan has recognized no interest or penalties related to uncertain tax positions.

The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 8. RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The following is a reconciliation of net assets available for benefits per the financial statements to Schedule H of Form 5500 as of December 31, 2024:

Net assets available for benefits per financial statements	\$ 7,409,575
Less: employer contributions receivable	(3,192)
Less: participant contributions receivable	<u>(13,583)</u>
Net assets available for benefits per Form 5500	<u>\$ 7,392,800</u>

The following is a reconciliation of total contributions per the financial statements to Schedule H of Form 5500 as of December 31, 2024:

Total contributions per financial statements	\$ 673,908
Plus: 2023 employer contributions	4,814
Plus: 2023 participant contributions	21,749
Less: 2024 employer contributions	(3,192)
Less: 2024 participant contributions	<u>(13,583)</u>
Total contributions per Form 5500	<u>\$ 683,696</u>

NOTES TO FINANCIAL STATEMENTS

YEAR ENDED DECEMBER 31, 2024

NOTE 9. PROHIBITED TRANSACTIONS

The Department of Labor's (DOL) regulation 29 CFR 2510.3-102 requires that participant contributions be remitted to the Plan on the earliest date on which they can reasonably be segregated from the Company's general assets. Failure to remit participant contributions to the Plan in a timely manner results in a prohibited transaction which must be separately reported to the DOL and may result in penalties to the Plan sponsor. During 2024 participant deferrals for one participant for one payroll period totaled \$120 was not remitted timely to the Plan. Subsequent to the due dates, the Plan sponsor has not remitted the one participant contribution to the Plan. The contribution was not remitted within the 2024 Plan year excluding interests.

During 2023 participant deferrals for six payroll periods totaling approximately \$137,000 were not remitted timely to the Plan. Subsequent to the due dates, the Plan sponsor remitted these participant contributions to the Plan. All contributions were remitted within the 2023 Plan year excluding interests, which have not been remitted.

These amounts are shown as contributions not corrected in the Schedule of Delinquent Participant Contributions.

NOTE 10. SUBSEQUENT EVENTS
