(1) Name: CROWE LLP

(2) EIN: 35-0921680

d The opinion of an independent qualified public accountant is **not attached** as part of Schedule H because:

(1) This form is filed for a CCT, PSA, DCG or MTIA. (2) It will be attached to the next Form 5500 pursuant to 29 CFR 2520.104-50.

Part IV Compliance Questions

4 CCTs and PSAs do not complete Part IV. MTIAs, 103-12 IEs, and GIAs do not complete lines 4a, 4e, 4f, 4g, 4h, 4k, 4m, 4n, or 5. 103-12 IEs also do not complete lines 4j and 4l. MTIAs also do not complete line 4l. DCGs do not complete lines 4e, 4f, 4k, 4l, and 5, and DCGs generally complete the rest of Part IV collectively for all plans in the DCG, except as otherwise provided (see instructions).

During the plan year:

	Yes	No	Amount
a Was there a failure to transmit to the plan any participant contributions within the time period described in 29 CFR 2510.3-102? Continue to answer "Yes" for any prior year failures until fully corrected. (See instructions and DOL's Voluntary Fiduciary Correction Program.)		X	
b Were any loans by the plan or fixed income obligations due the plan in default as of the close of the plan year or classified during the year as uncollectible? Disregard participant loans secured by participant's account balance. (Attach Schedule G (Form 5500) Part I if "Yes" is checked.)		X	
c Were any leases to which the plan was a party in default or classified during the year as uncollectible? (Attach Schedule G (Form 5500) Part II if "Yes" is checked.)		X	
d Were there any nonexempt transactions with any party-in-interest? (Do not include transactions reported on line 4a. Attach Schedule G (Form 5500) Part III if "Yes" is checked.)		X	
e Was this plan covered by a fidelity bond?	X		500000
f Did the plan have a loss, whether or not reimbursed by the plan's fidelity bond, that was caused by fraud or dishonesty?		X	
g Did the plan hold any assets whose current value was neither readily determinable on an established market nor set by an independent third party appraiser?		X	
h Did the plan receive any noncash contributions whose value was neither readily determinable on an established market nor set by an independent third party appraiser?		X	
i Did the plan have assets held for investment? (Attach schedule(s) of assets if "Yes" is checked, and see instructions for format requirements.)		X	
j Were any plan transactions or series of transactions in excess of 5% of the current value of plan assets? (Attach schedule of transactions if "Yes" is checked and see instructions for format requirements.)		X	
k Were all the plan assets either distributed to participants or beneficiaries, transferred to another plan, or brought under the control of the PBGC?		X	
l Has the plan failed to provide any benefit when due under the plan?		X	
m If this is an individual account plan, was there a blackout period? (See instructions and 29 CFR 2520.101-3.)		X	
n If 4m was answered "Yes," check the "Yes" box if you either provided the required notice or one of the exceptions to providing the notice applied under 29 CFR 2520.101-3.			

5a Has a resolution to terminate the plan been adopted during the plan year or any prior plan year? Yes No
If "Yes," enter the amount of any plan assets that reverted to the employer this year _____.

5b If, during this plan year, any assets or liabilities were transferred from this plan to another plan(s), identify the plan(s) to which assets or liabilities were transferred. (See instructions.)

INDEPENDENT AUDITOR'S REPORT

To the Trustees and Participants in the
Skadden, Arps, Slate, Meagher & Flom Retirement Plan
New York, New York

Opinion

We have audited the financial statements of the Skadden, Arps, Slate, Meagher & Flom Retirement Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statement of changes in net assets available for benefits for the year ended December 31, 2024, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the net assets available for benefits of the Plan as of December 31, 2024 and 2023, and the changes in its net assets available for benefits for the year ended December 31, 2024, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year from the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

(Continued)

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

SKADDEN, ARPS, SLATE, MEAGHER & FLOM RETIREMENT PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2024 and 2023

NOTE 1 - DESCRIPTION OF PLAN

The following description of the Skadden, Arps, Slate, Meagher & Flom Retirement Plan (the “Plan”) is provided for general information purposes only. Participants should refer to the Plan Document for more complete information.

General: The Plan is a defined contribution money-purchase plan subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”), as amended. Contributions are made at specified rates to the trust and are credited to an individual account in the name of each participant. The contribution meets the minimum funding requirements under the provisions of ERISA. The ultimate benefit to be received by participants depends on the aggregate amount contributed on their behalf over the years and the investment results allocable to their individual account.

Participant Accounts: Individual accounts are maintained for each Plan participant. Each participant’s account is credited with a Skadden, Arps, Slate, Meager & Flom LLP (the “Employer” or “Firm”) contribution (for each plan year during which 1,000 hours of service are credited) and Plan earnings. Plan earnings are allocated on a pro-rata basis based on participants’ account balances. Participant accounts also are debited with withdrawals and Plan losses. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.

Eligibility: All eligible legal employees (special counsel, of counsel, partner, an executive director or a designated firm director) become participants in the Plan on January 1 or July 1 following the completion of one year of eligibility service (a 12-month period from date of hire during which time a minimum of 1,000 hours of service are credited). Effective January 1, 2024, a partner must be a partner on the first day of the plan year to be an eligible employee.

Effective April 1, 1987, all non-U.S. citizens working in foreign offices of the Employer are excluded from participation in the Plan. Effective January 1, 1994, the Plan was amended to include persons working in foreign offices who have permanent United States resident status. Effective January 1, 2004, the Plan was amended to include specified foreign partners. From time to time, the Plan is amended to include additional specified foreign partners.

Contributions: Employer contributions are accrued in the plan year to which they relate based upon compensation that is earned on an accrual basis by plan participants. Contributions receivable are net of forfeitures, if any.

For the 2024 plan year, the Firm was required to make contributions to the Plan in the respective amounts set forth below. The Firm has met the minimum funding requirements set forth by ERISA.

SKADDEN, ARPS, SLATE, MEAGHER & FLOM RETIREMENT PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2024 and 2023

NOTE 1 - DESCRIPTION OF PLAN (Continued)

Partners, Of Counsel and the Firm's Managing Director:

For Of Counsel	The maximum dollar amount allowed under Section 415(c) of the Internal Revenue Code (the "Code") for such Plan year (\$69,000 for 2024).
For Partner and an Executive Director	The excess of the contribution amounts described above (\$69,000 for 2024) over the applicable amount in effect under Section 402(g) of the Code for such Plan year (up to \$23,000 for 2024).

* A Legal Employee who as of April 30, 1990, (1) was employed by the Firm as an Associate, and (2) received his or her Bachelor of Laws or Doctor of Jurisprudence Degree on or prior to December 31, 1983.

For the Plan year ended December 31, 2024, the annual contribution on behalf of any participant may not exceed \$69,000.

As required by the Tax Reform Act of 1986 and subsequent legislation, the Plan was amended, effective January 1, 1989, to limit the amount of compensation to be taken into account under the Plan. Such amount was \$345,000 for 2024, subject to adjustments for periodic cost-of-living increases.

The contribution for the plan year for any partner, foreign partner, of counsel, or executive director is prorated by a fraction, the numerator of which is the number of full months in the plan year during which the participant was a partner, foreign partner, of counsel, or executive director, and the denominator is twelve.

Through December 31, 1994, participants were entitled to make after-tax voluntary contributions to the Plan in accordance with the terms of the Plan. The Plan was amended on January 1, 1995 to restrict participants' contributions to eligible rollover contributions as defined by the applicable section of the Code. Voluntary contributions were allocated among the fixed income accounts, equity accounts, money market funds, and Vanguard Mutual Funds in the proportions designated by the participant. Effective May 3, 2012, the Plan was amended to no longer accept voluntary contributions of any type. Participants continue to be entitled to direct the investments of any voluntary contributions previously made to the Plan.

Vesting: Generally, participants become 100% vested with respect to the Employer's contribution account after three years of service. However, participants become vested if while actively employed, they attain age 62, become totally and permanently disabled or pass away. Participants are 100% vested in voluntary contributions, together with any earnings attributable thereto.

Payment of Benefits: The full value of participants' vested interests in Plan assets is distributable to them or their beneficiaries upon termination of employment, retirement, disability or death. Participants may elect to have such interests used to purchase an annuity contract or distributed in either one lump sum or in annual installments over a period of not more than fifteen years. Terminated participants with vested account balances in excess of \$7,000 also may elect to defer receipt of their benefit until such time that Required Minimum Distributions must commence.

Participants who attain age 62 while actively employed may elect an In-service Distribution of their entire balance credited to their Account.

SKADDEN, ARPS, SLATE, MEAGHER & FLOM RETIREMENT PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2024 and 2023

NOTE 1 - DESCRIPTION OF PLAN (Continued)

Master Trust: Effective January 2, 2009, the assets of the Plan are included in a pool of investments known as the Skadden, Arps, Slate, Meagher & Flom Retirement and Pension Plan Master Trust (“the Master Trust”) along with the assets of the Skadden, Arps, Slate, Meagher, & Flom Cash Balance Plan (“Cash Balance Plan”). Each plan’s interest in the Master Trust is based on the plan’s interest as of the beginning of the year plus actual contributions to such plan and investment income with respect to such plan’s investments held in the Master Trust less actual distributions from such plan and investment loss with respect to such plan’s investments held in the Master Trust and its allocable shares of expenses of the Master Trust. The Plan’s interest in the Master Trust is reported at fair value based upon the fair values of the underlying investments of the Master Trust. All interest, dividends, other income, expenses, and any proceeds from the sale or disposition of the Plan’s investments of the Master Trust is allocated to the Plan based on the ratio of the Plan’s interest in that investment to the value of the Master Trust’s interest in that investment.

Forfeitures: Upon a participant’s termination of employment, Employer contributions which are not vested, together with any earnings attributable thereto, become forfeitures. Forfeitures are applied to reduce future Employer contributions. For the year ended December 31, 2024, no forfeitures have been applied to reduce contributions. At December 31, 2024 and 2023, there were no forfeited nonvested account balances.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting: The accompanying financial statements have been prepared under the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

Use of Estimates: The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts and disclosures, and actual results could differ from those estimates.

Risks and Uncertainties: Through the Master Trust, the Plan invests in various investment securities. Investment securities, in general, are exposed to various risks, such as interest rate, credit, liquidity, and overall market volatility risks. Due to the level of risk associated with certain investment securities and the sensitivity of certain fair value estimates to changes in valuation assumptions, Plan management believes it is reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants’ account balances and the amounts reported in the financial statements.

Investment Valuation and Income Recognition: The Plan’s investment in the Master Trust and the Master Trust’s investments are stated at fair value. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan’s gains and losses on specific investments of the Master Trust bought and sold as well as held during the year.

Administrative Expense: Substantially all administrative, investment advisor, asset management and custody fees are paid by the Employer. Other investment fees and expenses are paid by the Plan and are netted against investment income or paid directly out of the trust.

Payment of Benefits: Benefit payments to participants are recorded upon distribution.

(Continued)

NOTE 3 - FAIR VALUE MEASUREMENTS

The following disclosures describe the valuation methods used to determine the fair value of the underlying investments in the Master Trust. Fair value is the price that would be received by the Plan for an asset or paid by the Plan to transfer a liability (an exit price) in an orderly transaction between market participants on the measurement date in the Plan's principal or most advantageous market for the asset or liability. Fair value measurements are determined by maximizing the use of observable inputs and minimizing the use of unobservable inputs. The hierarchy places the highest priority on unadjusted quoted market prices in active markets for identical assets or liabilities (Level 1 measurements) and gives the lowest priority to unobservable inputs (Level 3 measurements). The three levels of inputs within the fair value hierarchy are defined as follows:

Level 1: Quoted prices (unadjusted) for identical assets or liabilities in active markets that the Plan has the ability to access as of the measurement date.

Level 2: Significant other observable inputs other than Level 1 prices such as quoted prices for similar assets or liabilities; quoted prices in markets that are not active; or other inputs that are observable or can be corroborated by observable market data.

Level 3: Significant unobservable inputs that reflect the Plan's own assumptions about the assumptions that market participants would use in pricing an asset or liability.

In some cases, a valuation technique used to measure fair value may include inputs from multiple levels of the fair value hierarchy. The lowest level of significant input determines the placement of the entire fair value measurement in the hierarchy.

The following descriptions of the valuation methods and assumptions used by the Plan to estimate the fair values of investments apply to underlying investments of the Master Trust.

Mutual Funds and Common Stocks: The fair values of mutual funds and common stocks are determined by obtaining quoted prices on nationally recognized securities exchanges (Level 1 inputs).

Collective Trusts: The fair values of participation units held in collective trusts are based on the net asset values ("NAV") reported by the fund managers as of the financial statement dates and recent transaction prices. The collective trusts provide for daily redemptions by the Plan at reported NAV, with no advance notice requirement. No unfunded commitments exist for any of the collective trusts.

Limited Partnerships: The fair value of the limited partnership investment held by the Master Trust is based upon the NAV provided by the fund and its administrator. The Master Trust holds interest in a partnership that can be redeemed as of the last day of each quarter upon 65 days' prior written notice. The partnership invests in various types of underlying assets, including infrastructure, distressed debt and start-up ventures. In determining the reasonableness of the methodology used to estimate fair value, management reviews the partnership's audited financial statements and evaluates a variety of factors including the investment manager's assumptions, economic conditions and industry and market developments. No unfunded commitments exist for the limited partnership investment.

Hedge Funds of Funds: Investments in the hedge funds (which are funds of funds), further described below, are valued based on the NAV of shares held by the Master Trust at year end, as recorded in the funds' audited financial statements. Generally, these funds invest in other private investment companies. In determining the reasonableness of the methodology used to estimate fair value, management reviews the funds' audited financial statements and evaluates a variety of factors including the investment

manager's assumptions, economic conditions and industry and market developments. No unfunded commitments exist for any of the hedge funds of funds.

Woodline Offshore Fund LTD, which reflected approximately 3% of the Master Trust's hedge fund investments at December 31, 2024, seeks to generate risk-adjusted returns in all market conditions through a rigorous, bottom-up, fundamentally driven research process and portfolio construction that seeks to achieve above average exposure to idiosyncratic volatility. Woodline Offshore Fund LTD calculates NAV monthly, and offers shares on the first day of each calendar year. Redemptions made at the end of four successive calendar quarters following at least a 60-day prior written notice. There is a 12-month lockup period on all subscriptions and the Fund charges an early redemption fee of 5% of the redemption amount to shareholders redeeming shares prior to the expiration of the lockup period.

Capstone Global Offshore Limited, which reflects approximately 7% of the Master Trust's hedge fund investments at December 31, 2024 and 2023, seeks to achieve long-term capital appreciation that is uncorrelated with global equity markets. Capstone Global Offshore Limited calculates NAV monthly, and offers shares on a monthly basis. Redemptions can be requested as of the last business day of each calendar quarter with at least 60 days' prior written notice. If the directors of the Capstone Global Offshore Fund permit a Shareholder to redeem all or a portion of its shares prior to the expiration of the Lock-up Period, the Offshore Fund may charge a redemption fee (2% and 5% for Quarterly Shares and Monthly Shares, respectively) on the share value being redeemed.

Southpoint Qualified Offshore Fund Limited, which reflects approximately 5% of the Master Trust's hedge fund investments at December 31, 2024 and 2023, seeks to identify intrinsic value and go long or short on those securities trading substantially away from that value. South Point Qualified Offshore Fund calculates NAV monthly, and offers shares at various subscription dates throughout the year. Redemptions can be made at the end of each fiscal quarter with at least 60 days prior written notice.

Third Point Offshore Fund Limited, which reflects approximately less than 1% of the Master Trust's hedge fund investments at December 31, 2024 and 2023, seeks to generate consistent long-term capital appreciation. Third Point Offshore Fund calculates NAV monthly, and offers shares on the first business day of each month. Class E shares have quarterly redemption rights. Redemptions made during the initial subscription year are subject to a redemption fee equal to 5% of the redemption proceeds. All redemption rights are subject to an overall limit, at the discretion of the Fund's Board of Directors, of aggregate redemptions in any calendar quarter of 20% of the Fund's NAV as of the first day of such calendar quarter. Redemption from the fund was requested on September 30, 2023 with final proceeds yet to be paid out.

400 Capital Credit Opportunity Fund Limited reflects approximately 6% of the Master Trust's hedge fund investments at December 31, 2024 and 2023. 400 Capital Credit Opportunity Fund seeks to achieve high absolute returns with low volatility and low correlation to traditional fixed income and equity markets by investing in credit investments across credit sectors and throughout an issuer's capital structure with a primary focus on structured credit, which includes secured and structured commercial, consumer and corporate assets. 400 Capital Credit Opportunity Fund calculates NAV monthly, and offers shares on the first business day of each month. Redemptions can be made as of the last day of each calendar quarter, upon at least 60 days' prior written notice, which notice will be irrevocable (unless otherwise agreed to by the Directors or the Investment Manager as appropriate under the Fund's policies).

Octagon Senior Secured Credit Cayman Fund Ltd, which reflects approximately 2% of the Master Trust's hedge fund investments at December 31, 2024 and 2023, seeks to provide, on an unleveraged basis, high current income consistent with preservation of capital and low duration. NOTE 6 - INCOME TAX STATUS

The Plan has received a determination letter from the Internal Revenue Service (the “IRS”), dated June 16, 2016, stating that the Plan is qualified under Section 401(a) of the Code and, therefore, the related trust is exempt from taxation. Once qualified, the Plan is required to operate in conformity with the Code to maintain its qualification. The Plan has been amended since receipt of the determination letter; however, the Plan Administrator believes that the Plan is being operated in compliance with the applicable requirements of the Code and, therefore, believes that the Plan, as amended, is qualified and the related trust is tax exempt.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2024 and 2023, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by the Department of Labor or IRS; however, there are currently no audits for any tax periods in progress. The plan administrator believes it is no longer subject to income tax examinations for years prior to 2021.

NOTE 7 - PLAN TERMINATION

Although it has not expressed any intention to do so, the Firm has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions set forth in ERISA. In the event that the Plan is terminated, participants would become 100% vested in their accounts.

NOTE 8 - TERMINATED PARTICIPANTS

Included in net assets available for benefits are amounts allocated to individuals who have elected to withdraw from the Plan, but who have not yet been paid. Plan assets allocated to these participants were \$1,138,730 and \$10,742,988 at December 31, 2024 and 2023, respectively.

NOTE 9 - PARTY-IN-INTEREST TRANSACTIONS

Parties-in-interest are defined under Department of Labor regulations as any fiduciary of the Plan, any party rendering service to the Plan, the employer, and certain others. Certain administrative functions are performed by officers and employees of the Firm (who may also be participants in the Plan) at no cost to the Plan. At December 31, 2024 and 2023, one of the investments of the Master Trust is the Northern Trust Investments Collective Funds Trust Short-Term Investment Fund, which is issued by Northern Trust investments, Inc. Northern Trust Investments, Inc., is the asset management business of the Northern Trust Company, and the Northern Trust Company is the trustee for the Master Trust. The Northern Trust Company is affiliated with Northern Trust Investments Inc.; therefore, the investment in the Northern Trust Investments Collective Funds Trust Short-Term Investment Fund constitutes a party-in-interest investment. Also, expenses paid for by the Plan directly or indirectly are also considered party-in-interest transactions.

NOTE 10 - SUBSEQUENT EVENTS

Plan management has evaluated subsequent events for recognition and disclosure through October 14, 2025, which is the date the financial statements were available to be issued.

Effective May 1, 2025, the Plan was amended to exclude certain foreign partners from further participation in the Plan.
