Statement by Enrolled Actuary
To the best of my knowledge, the information supplied in this schedule and accompanying schedules, statements and attachments, if any, is complete and accurate. Each prescribed assumption was applied in accordance with applicable law and regulations. In my opinion, each other assumption is reasonable (taking into account the experience of the plan and reasonable expectations) and such other assumptions, in combination, offer my best estimate of anticipated experience under the plan.

AMOUNT OF BENEFITS:

Normal Retirement Benefit	The standard retirement benefit is a monthly pension payable for life equal to: \$14.25 multiplied by years of credited service through July 15, 2003.
Special Benefit Payment	In lieu of the first three monthly payments due with respect to any benefit payable, a special benefit payment may be made provided, however, that such special benefit payment shall not be made with respect to any deferred vested Severance Benefit payable or any benefit payable to a Participant who previously received a special benefit payment with respect to a prior retirement. Such special benefit payment shall be in the amount of two thousand dollars (\$2,000) and shall be made in a lump sum within the first full calendar month of retirement if application for a retirement benefit is made not later than the close of such month; otherwise, the special benefit payment shall be made within any subsequent calendar month in which application is made. This special payment shall be made only to the extent such payment is of a greater value than the first three months of the retirement benefit otherwise payable. Beginning with the fourth calendar month after retirement benefits commence, the monthly retirement benefit otherwise provided shall be payable. For purposes of this Section, the term "Participant" is limited exclusively to Eligible Employees employed by this Employer and shall exclude any Eligible Employee who was a former participant in the Gartland Haswell Foundry Company Hourly Employees' Pension Plan or Atlas Foundry Company, Inc. Retirement Plan.
Early Retirement Benefit	The accrued retirement benefit as of the Early Retirement Date shall be payable commencing at normal retirement. However, a participant may elect to have his benefit commence prior to normal retirement in a reduced monthly amount determined by applying a reduction of 1/3rd of 1% for each month by which the commencement date precedes the normal retirement date.
