Public Accountant.

The Plan Sponsor, the Third-Party Administrator (5500 preparer) and the Audit Firm are located in either Collier County, Florida or Lee County, Florida. Both counties are areas designated as a Presidentially Declared Disaster Relief area for multiple storms. This includes Hurricane Debby (FL-2024-07), Hurricane Helene (FL-2024-08) and Hurricane Milton (FL-2024-10). This resulted in a significant delay in working on the 2024 Plan Year end

The Plan has multiple Investment Providers. Nationwide upgraded their recordkeeping system in 2023 with further changes in 2024. As part of the upgrade, the reports changed such that the reports that the Third-Party Administrator uses to reconcile participant accounts were no longer available. The report showing the Participant balances and activity by contribution sources was replaced with a report that takes considerably more time to reconcile each participant. The audit process was delayed due to the delay in receiving the reconciliations from the Third-Party Administrator. This delay did not allow the Third-Party Administrator sufficient time to prepare the full valuation. Because of the delay, there was not sufficient time for the auditor to complete their audit work by the extended due date of the 5500. However, our Third-Party Administrator was able to complete the 5500.

It is expected that the audit will be completed in a short period of time and an amended return will be filed as soon as it is completed.
