INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator of Cylinder Health 401(k) Plan:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the financial statements of the Cylinder Health 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2024, and the related statement of changes in net assets available for benefits for the year ended December 31, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2024, and for the year ended December 31, 2024, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).

- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and, therefore, is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that,

individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter – Supplemental Schedule Required by ERISA

The supplemental schedules of Schedule H, Line 4a – Schedule of Delinquent Participant Contributions and Schedule H, Line 4i – Schedule of Assets Held at Year End are presented for purposes of additional analysis and are not a required part of the financial statements, but are supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived

from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

CYLINDER HEALTH 401(K) PLAN

Notes to Financial Statements

Year Ended December 31, 2024

NOTE 1--DESCRIPTION OF PLAN

The following brief description of the Cylinder Health 401(k) Plan (the Plan) is provided for general information purposes only. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General: The Plan is a defined contribution plan established by Cylinder Health Inc. (the Plan sponsor) under the provisions of Section 401(a) of the United States Internal Revenue Code (the IRC), which includes a qualified cash or deferred arrangement as described in Section 401(k) of the IRC, for the benefit of eligible employees of the Plan sponsor and any adopting participating employers. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as well as certain provisions of the federal income tax laws.

Cylinder Health Inc. established Cylinder Health 401(k) Plan. Effective October 15, 2024, Empower Trust Company, LLC (Empower) entered into a merger and transfer agreement to merge into the Cylinder Health 401(k) Plan, and those assets were transferred on October 24, 2024.

All employees of the Plan sponsor are subject to the following eligibility requirements:

- Age: 18
- Service: 3 months
- Status Exclusions:
 - Non-resident aliens with no U.S.-earned income
 - Members of collective bargaining agreement
 - Residents of Puerto Rico

Upon satisfying the eligibility requirements, employees may participate in the Plan on the first day of the next month.

Contributions: Participants may elect to contribute to the Plan through salary reduction, a percentage of their eligible compensation for the Plan year up to the Internal Revenue Service (IRS) limit. At the discretion of the Plan Administrator, participants may be permitted to deposit or "roll over" into the Plan distributions they have received from other plans and certain Individual Retirement Accounts (IRAs). Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions.

The following contribution types are allowed by the Plan:

- Rollover contributions
- Elective deferrals

CYLINDER HEALTH 401(k) PLAN

Notes to Financial Statements – Continued

Year Ended December 31, 2024

- Roth deferrals
- Employer matching
- Employer profit sharing

The Plan has an automatic enrollment provision (6% salary deferral with 1% Plan year increased until reaching a maximum of 15%) whereby employees must elect out of the Plan if they do not wish to participate.

The Plan sponsor may make discretionary match contributions, which will be allocated in accordance with the Plan provisions. The Plan has an elective rate being 0% of eligible compensation for the year ended December 31, 2024. Participants must be employed on the last day of the Plan year and have earned 1,000 hours of service to be eligible to receive discretionary match contributions.

Participant Accounts: Each participant's account is credited with the participant's contribution, allocation of the Plan sponsor's contributions and Plan earnings or losses, and charged with an allocation of administrative expenses. The benefit to which a participant is entitled is the vested benefit of their account balance.

Vesting: Participants are immediately vested in their salary reduction contributions, including catch-up contributions, rollover contributions from other plans, plus actual earnings thereon. The method for crediting vesting service for discretionary match contributions is based on vesting periods of service. Participants are credited with a period of service for 1,000 hours worked. If participants are employed on or after their Normal Retirement Age or if they terminate employment on account of death or disability, they are 100% vested in their discretionary matching contributions.

Participants are vested in matching contributions based on years of credited employment and employment date as follows:

<u>Service Years</u>	<u>Matching</u>
< 1	0%
1	50%
2 or more	100%

Forfeitures: Forfeitures represent unvested portions of terminated participants' accounts. The Plan allows forfeitures of non-vested Plan sponsor contributions to be used as follows:

CYLINDER HEALTH 401(k) PLAN

Notes to Financial Statements – Continued

Year Ended December 31, 2024

- Pay administrative expenses
- Reduce Company contributions
- Restore eligible rehire forfeiture account balance

As of December 31, 2024, forfeiture balances totaled \$0. During the year ended December 31, 2024, forfeited non-vested accounts of \$0 were used.

Investment Options: Upon enrollment in the Plan, a participant may direct the contributions made to the Plan, for or on behalf of the participant, to any one or more of the investment funds determined at the discretion of the Plan Administrator and Plan Sponsor and in such multiples as the participant prescribes. A participant may change his or her investment direction with respect to future contributions or redirect the investment of his or her account balances.

Notes Receivable from Participants: Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum balance or percent subject to IRS limits. The loans are secured by the balance in the participant's account and bear interest at 8.75%. Principal and interest are paid through payroll deductions and generally repaid within 5 years.

Payment of Benefits: Upon termination of service due to death, disability, or retirement, a participant is entitled to receive a distribution equal to the value of the participant's vested interest in his or her account. Distribution of a deceased participant's account will be made to the designated beneficiary.

The following types of distributions are also allowed by the Plan:

- Hardship
- In service
- Involuntary cash-outs

Administrative Expense: Administrative expenses related to maintaining participant accounts and third-party administration are paid by the Plan and deducted from participant funds. Other Plan expenses may be paid by either the Plan or the Plan sponsor, as provided by the Plan document. Expenses paid directly by the Plan sponsor are excluded from these financial statements.

Plan Termination: Although it has not expressed any intent to do so, the Plan sponsor has the right under Plan provisions to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. Upon termination of the Plan, all participants become immediately vested in their account balance.

NOTE 2--SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting: The financial statements of the Plan are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).

Use of Estimates: The preparation of financial statements in accordance with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition: Investments in shares of registered investment companies are reported at fair value (except for any fully benefit-responsive investment contracts, which are reported at contract value) based on the quoted market values of the shares held by the Plan as determined by the trustee.

Purchases and sales of securities are recorded on the trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Contributions: Contributions from Plan participants and employer contributions, if any, are recorded in the year in which the participant contributions are withheld from compensation.

Notes Receivable from Participants: Notes receivable from participants are stated at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. Delinquent participant loans are recognized as benefits paid to participants based upon the terms of the Plan document.

Payment of Benefits: Benefits are recorded when paid.

NOTE 3 -- INFORMATION CERTIFIED BY THE CUSTODIAN

Plan management has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted under such election, certain information summarized below related to the accompanying financial statements and ERISA-required supplemental schedule was obtained by management and agreed to or derived from information certified as complete and accurate by Empower, the custodian of the Plan, and was not subjected to any auditing procedures performed by the Plan's independent public accountants.

NOTE 4--FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy based on valuation inputs. The three levels of the fair value hierarchy are described as follows:

- *Level 1:* Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
- *Level 2:* Inputs to the valuation methodology include quoted prices for similar assets or liabilities in active markets, quoted prices for identical or similar assets or liabilities in inactive markets, inputs other than quoted prices that are observable for the asset or liability, and inputs that are derived principally from or corroborated by observable market data by correlation or other means.
- *Level 3:* Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

The investment valuation methods described in Note 2 may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan administrator believes the Plan's valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

CYLINDER HEALTH 401(k) PLAN

Notes to Financial Statements – Continued

Year Ended December 31, 2024

Following is a description of the valuation methodologies used for assets measured at fair value, including the general classification of such instruments pursuant to the valuation hierarchy. There have been no changes in the methodologies used at December 31, 2024.

Mutual Funds: Mutual funds are valued at the net asset value (NAV) of shares held by the Plan at year end based on quoted market prices.

The following table sets forth, by level, within the fair value hierarchy, the Plan's assets at fair value:

	<u>2024</u>
Level 1	
Mutual funds	\$ 3,062,495
Level 2	-
Level 3	<u>-</u>
Investments at fair value	<u>\$ 3,062,495</u>

NOTE 5--RELATED PARTY TRANSACTIONS AND TRANSACTIONS WITH PARTIES-IN-INTEREST

Parties-in-interest, as defined by DOL regulations, include service providers to the Plan. Service providers may include, but are not limited to, the custodian, trustee, third-party administrator (TPA), investment managers, investment advisors, legal counsel, and Plan auditor.

During the year ended December 31, 2024, the Plan made direct payments of \$407 to parties-in-interest for certain fees.

NOTE 6--RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in values of investment securities will occur in the near term and could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

NOTE 7--INCOME TAX STATUS

The Plan sponsor adopted a plan which received a favorable opinion, from the Internal Revenue Service dated November 14, 2022, which states that the Plan is designed in accordance with the applicable sections of the IRC. The Plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Notes to Financial Statements – Continued

Year Ended December 31, 2024

The Plan Administrator has evaluated the tax positions taken by the Plan and determined there are no uncertain tax positions as of December 31, 2024, that would require recognition or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 8--RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The following is a reconciliation of net assets available for benefits between the financial statements and Form 5500 as of December 31, 2024:

	<u>2024</u>
Net assets available for benefits per the financial statements	\$ 3,068,874
Less: Contributions receivable	<u>(3,679)</u>
Net assets available for benefits per Schedule H of Form 5500	<u>\$ 3,065,195</u>

The following is a reconciliation of contributions between the financial statements and Form 5500 as of December 31, 2024:

	<u>2024</u>
Contributions per the financial statements	\$ 229,751
Less: Participant contribution receivables, end of year	<u>(3,679)</u>
Total contributions per Form 5500	<u>\$ 226,072</u>

NOTE 9--SUBSEQUENT EVENTS

Subsequent events have been evaluated through the date of the Independent Auditor's Report, which is the date the financial statements were available to be issued. During this period, management did not note any material recognizable subsequent events that required recognition or disclosure in the financial statements.
