(1) Name: **JOSE E. ROSARIO & CO, CPA PSC**

(2) EIN: **66-0687714**

d The opinion of an independent qualified public accountant is **not attached** as part of Schedule H because:

(1) This form is filed for a CCT, PSA, DCG or MTIA. (2) It will be attached to the next Form 5500 pursuant to 29 CFR 2520.104-50.

Part IV Compliance Questions

4 CCTs and PSAs do not complete Part IV. MTIAs, 103-12 IEs, and GIAs do not complete lines 4a, 4e, 4f, 4g, 4h, 4k, 4m, 4n, or 5. 103-12 IEs also do not complete lines 4j and 4l. MTIAs also do not complete line 4l. DCGs do not complete lines 4e, 4f, 4k, 4l, and 5, and DCGs generally complete the rest of Part IV collectively for all plans in the DCG, except as otherwise provided (see instructions).

During the plan year:

	Yes	No	Amount
a Was there a failure to transmit to the plan any participant contributions within the time period described in 29 CFR 2510.3-102? Continue to answer "Yes" for any prior year failures until fully corrected. (See instructions and DOL's Voluntary Fiduciary Correction Program.)		X	
b Were any loans by the plan or fixed income obligations due the plan in default as of the close of the plan year or classified during the year as uncollectible? Disregard participant loans secured by participant's account balance. (Attach Schedule G (Form 5500) Part I if "Yes" is checked.)		X	
c Were any leases to which the plan was a party in default or classified during the year as uncollectible? (Attach Schedule G (Form 5500) Part II if "Yes" is checked.)		X	
d Were there any nonexempt transactions with any party-in-interest? (Do not include transactions reported on line 4a. Attach Schedule G (Form 5500) Part III if "Yes" is checked.)		X	
e Was this plan covered by a fidelity bond?	X		500000
f Did the plan have a loss, whether or not reimbursed by the plan's fidelity bond, that was caused by fraud or dishonesty?		X	
g Did the plan hold any assets whose current value was neither readily determinable on an established market nor set by an independent third party appraiser?		X	
h Did the plan receive any noncash contributions whose value was neither readily determinable on an established market nor set by an independent third party appraiser?		X	
i Did the plan have assets held for investment? (Attach schedule(s) of assets if "Yes" is checked, and see instructions for format requirements.)	X		
j Were any plan transactions or series of transactions in excess of 5% of the current value of plan assets? (Attach schedule of transactions if "Yes" is checked and see instructions for format requirements.)		X	
k Were all the plan assets either distributed to participants or beneficiaries, transferred to another plan, or brought under the control of the PBGC?		X	
l Has the plan failed to provide any benefit when due under the plan?		X

INDEPENDENT AUDITORS' REPORT

To the Participants and Administrator of Unión de la Industria Licorera de Ponce Pension Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Union de la Industria Licorera de Ponce Pension Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statements of changes in net assets available for benefits for the years ended December 31, 2024 and 2023 and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Union de la Industria Licorera de Ponce Pension Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2024 and 2023, and for the year ended December 31, 2024, stating that the certified investment information, as described in Note C to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

Opinion (Cont'd)

- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Union de la Industria Licorera de Ponce Pension Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Union de la Industria Licorera de Ponce Pension Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audits of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Union de la Industria Licorera de Ponce Pension Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Union de la Industria Licorera de Ponce Pension Plan's ability to continue as a going concern for a reasonable period of time.

Auditors' Responsibilities for the Audit of the Financial Statements (Cont'd)

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental Schedules of Assets Held at End of Year as of December 31, 2024 and 2023 of Union de la Industria Licorera de Ponce Pension Plan are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

Supplemental Schedules Required by ERISA (Cont'd)

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

However, the certifications received from the institution states that the annuity contracts certified are owned by and the beneficiary is the Union de la Industria Licorera de Ponce instead of the pension plan. Therefore, those annuity contracts amounting to \$1,888,327 and \$2,070,112 as of December 31, 2024 and 2023, respectively, should not be presented as part of the plan assets as required by accounting principles generally accepted in the United States of America (see Note E of the financial statements for further information). The trustee has requested to the insurance company that the annuity contracts be corrected to indicate that they are owned by the Union de la Industria Licorera de Ponce and the beneficiaries are the participants of Union de la Industria Licorera de Ponce Pension Plan.

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2024 AND 2023

A. Description of Plan

The following description of the Unión de la Industria Licorera de Ponce Pension Plan (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

Unión De La Industria Licorera de Ponce Pension Plan was created on January 1, 1989 as part of the Master Adoption Agreement. The Plan is a trust fund under the provisions of a Collective Bargaining Agreement signed with Destilería Serralles de Puerto Rico, Inc., ("the Employer"), a related party of Unión General de Trabajadores de Puerto Rico. The Union is a labor organization authorized to represent certain employees of the Employer according to applicable laws. The aforementioned parties agreed to establish a Defined Contribution Pension Plan for the benefit of the employees covered by the Collective Bargaining Agreement.

The Trust shall be used for the purpose of providing for the employee's pension and retirement benefits as decided by the Trustees. The operation and administration of the Trust is the joint responsibility of two (2) trustees appointed by the Employer and two (2) appointed by the Union. Each employee who is a regular employee on the effective date shall be an eligible employee. For subsequent plan years, employees become eligible once they meet the following requirements: (1) must be a regular employee or occasional employee to whom the benefits of a regular employee have been extended, or (2) an employee who has been working during the week or enjoying vacation or sick leave with pay benefits.

The Plan is established to comply with the requirements of Section 1165(c) of the Puerto Rico Income Tax Act of 1994, as amended, and is subject to the provisions of the Employee Retirement Income Security Act (ERISA).

Contributions

Pursuant to the Collective Bargaining Agreement, the Employer shall contribute \$18.20 on a weekly basis per regular employee with less than 20 years of service, and \$20.20 on a weekly basis per regular employee with more than 20 years of service.

Participants only elect to contribute to the Plan up to a maximum of ten percent (10%) of his aggregate compensation received from the Employer while a participant under the Plan. If a participant is also covered under another qualified retirement plan of the Employer and such other plan permits the covered employees to make voluntary contributions, then the aforementioned limitations on the amount of voluntary contributions shall be reduced to the extent of the participant's voluntary contributions made under such plan. Participants may also contribute amounts representing distributions from other qualified plans (rollover) with the written consent of the Plan Administrator.

Retirement Date

Participants are eligible to receive retirement distributions upon normal retirement age of 65 years. The Plan permits early retirement at age 55 upon completing 15 years of service. Also, the Plan provides for late retirement, which date is the first day of the month on or after the date in which the participant elects to retire.

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2024 AND 2023

A. Description of Plan (Cont'd)

Participant's Accounts

An account is maintained for each participant, credited with the participant's contribution and allocation of: (i) the Employer's contribution, (ii) plan earnings, and (iii) forfeitures of terminated participant's nonvested accounts and is charged with the allocation of administrative expenses. Allocations are based on the participant's immediately preceding valuation date.

Vesting

Each participant shall have at all times a fully vested, nonforfeitable right to the value of his voluntary contribution, rollover, and qualified voluntary rollover accounts. Regarding Employer's contributions, participants shall have full rights to their account after six (6) years of employment. In the event of termination of any plan participant for reasons other than retirement or disability prior to completion of six (6) years of service, such an employee shall be entitled to a portion of its account balance in accordance with following schedule:

<u>Year of Service</u>	<u>Vested Percentage</u>
Less than two years	0%
2 years	20%
3 years	40%
4 years	60%
5 years	80%
6 years	100%

Participant's Loans

Participant loans are not permitted.

Forfeited Accounts

Forfeitures shall be allocated in the same manner to Employer Contributions. The non-vested portion of a Participant's Employer Contributions shall be forfeited as of the first anniversary date coinciding with or subsequent to the time a participant has previously terminated employment.

Benefit Payments

Upon termination of service due to death, disability, or retirement, a participant or his/her beneficiary may elect to receive the participant's vested interest in his/her account; either in a lump sum amount, installment, or an annuity, which must be nontransferable. For termination of service for other reasons participant may receive the value of the vested interest in his/her account in a lump sum distribution.

UNIÓN DE LA INDUSTRIA LICORERA DE PONCE PENSION PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2024 AND 2023

A. Description of Plan (Cont'd)

Plan termination

Although it has not expressed any intent to do so, the Employer has the right, under the Plan, to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. Such termination shall be effected by an instrument in writing executed by the Employer and filed with the Trustee and the Plan Administrator. In the event of plan termination, all participants shall be fully vested and nonforfeitable in the accrued benefits as of the date of the termination.

B. Summary of Accounting Policies

Basis of Accounting

The financial statements of the Plan are prepared using the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires the plan administrator to make estimates and assumptions that affect certain reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results may differ from these estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See note F for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the plan's gains and losses on investments bought and sold as well as held during the year.

Contributions

Contributions are recognized when withheld from participants and properly matched with Employer contributions.

Payment of Benefits

Benefits payments to participants are recorded upon distribution.

Administrative Expenses

Administrative expenses of the Plan are paid by the Plan as provided in the Plan Document.

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2024 AND 2023

C. Information Certified by a Custodian (Unaudited)

During 2024 and 2023 the Plan's fund investments (including gain and losses on investments bought and sold, as well as held during the years) appreciated in value by \$59,960 and \$9,666 respectively.

D. Fair Value Measurements

FASB ASC 820 establishes a fair value hierarchy that prioritizes the input valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurement) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described below:

- | | |
|---------|--|
| Level 1 | Unadjusted quoted prices in active markets that are accessible at the measurement date for identical, unrestricted assets or liabilities. |
| Level 2 | Quoted prices in markets that are not considered to be active or financial instruments for which all significant inputs are observable, either directly or indirectly. |
| Level 3 | Prices or valuations that require inputs that are both significant to the fair value measurement and unobservable. |

The assets or liabilities fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to their value measurement. Valuation techniques used to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets at fair value. There have been no changes in the methodologies used at December 31, 2024 and 2023:

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Security and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Exchange -Traded Funds (ETF's): Valued at the daily closing price as reported by the fund. ETF funds held by the Plan are a collection of stocks or bonds that are registered with the Security and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The ETF funds held by the Plan are deemed to be actively traded.

A financial instrument's level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement.

D. Fair Value Measurements (Cont'd)

The following table sets forth by level within that fair value hierarchy the Plan investment assets at fair value, as of December 31, 2024, and 2023. As required by FASB ASC 820, assets are classified in their entirety based on the lowest level of input that is significant to the fair value measurement.

	Investment Assets at Fair Value as of December 31, 2024			
	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Exchange-Traded Funds (ETF'S)	\$ 329,502	-	-	\$ 329,502
Mutual funds	1,855	-	-	1,855
Total assets at fair value	<u>\$ 331,357</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 331,357</u>

	Investment Assets at Fair Value as of December 31, 2023			
	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Exchange-Traded Funds (ETF'S)	\$ 307,990	-	-	\$ 307,990
Mutual funds	1,814	-	-	1,814
Total assets at fair value	<u>\$ 309,804</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 309,804</u>

E. Annuity Investment Contracts

In 2012 and 2014, the Plan entered into two allocated annuity investments contracts, #0101103851 and #0103121178, respectively, with National Western Life Insurance Company ("National"), in the amount of \$1,500,000 and \$473,298 respectively, with a contract value at December 31, 2024 and 2023 of \$1,407,971 and \$480,356 and \$1,540,074 and \$530,038, respectively. The terms of the annuity insurance contracts state that the annuitant is the Union's President and the beneficiary of the annuities is the Union and not the Plan.

FASB ASC 960 (325)(35)(3) states that whether or not the plan is subject to ERISA, insurance contracts should be presented in the same manner as specified in the annual report filed by a plan with certain government entities (DOL). Based on generally accepted accounting principles these contracts are considered allocated contracts and should be excluded from the plan assets. However, the plan management considers these contracts as part of the plan assets and have determined that they should be presented in the financial statements of the plan.

UNIÓN DE LA INDUSTRIA LICORERA DE PONCE PENSION PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2024 AND 2023

F. Tax Status

Effective February 2, 2021, the Plan was amended in order to comply with the new PR Internal Revenue Code of 2011 Section 1081.01, which includes the same provisions and benefits of the previous code and provides the tax exempt status for the plan. In the normal course of business, the Plan is potentially subject to income tax audits in the Commonwealth of Puerto Rico for its taxable years 2020 to 2024, or until the applicable statute of limitations expire. Tax audits by their nature are often complex and can require several years to complete.

Accounting principles generally accepted in the United States of America require the plan management evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Treasury Department of Puerto Rico.

The Plan Administrator believe the Plan is being operated in compliance with the applicable requirements of the Puerto Rico Code and, therefore, believes that the Plan is qualified and the related Trust is tax exempt.

G. Risk and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

H. Related Party Transactions and Party in Interest Transactions

Consultiva Internacional, Inc., investment advisor of the plan, manages the Plan investment transactions. Retirement Strategies, Inc., serves as record-keeper of the Plan's assets. Certain administrative fees related to the administration of the plan were paid by the Plan. These transactions qualify as party-in-interest transactions. Fees paid by the plan for services rendered amounted to \$27,081 and \$11,828 for the years ended December 31, 2024 and 2023, respectively.

I. Subsequent Events

The Plan did not have any subsequent events through October 13, 2025, which is the date the financial statements were available to be issued for events requiring recording or disclosure in the financial statements for the year ended December 31, 2024.

INDEPENDENT AUDITORS' REPORT

To the Participants and Administrator of Unión de la Industria Licorera de Ponce Pension Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Union de la Industria Licorera de Ponce Pension Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statements of changes in net assets available for benefits for the years ended December 31, 2024 and 2023 and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Union de la Industria Licorera de Ponce Pension Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2024 and 2023, and for the year ended December 31, 2024, stating that the certified investment information, as described in Note C to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

Opinion (Cont'd)

- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Union de la Industria Licorera de Ponce Pension Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Union de la Industria Licorera de Ponce Pension Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audits of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Union de la Industria Licorera de Ponce Pension Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Union de la Industria Licorera de Ponce Pension Plan's ability to continue as a going concern for a reasonable period of time.

Auditors' Responsibilities for the Audit of the Financial Statements (Cont'd)

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental Schedules of Assets Held at End of Year as of December 31, 2024 and 2023 of Union de la Industria Licorera de Ponce Pension Plan are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

Supplemental Schedules Required by ERISA (Cont'd)

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

However, the certifications received from the institution states that the annuity contracts certified are owned by and the beneficiary is the Union de la Industria Licorera de Ponce instead of the pension plan. Therefore, those annuity contracts amounting to \$1,888,327 and \$2,070,112 as of December 31, 2024 and 2023, respectively, should not be presented as part of the plan assets as required by accounting principles generally accepted in the United States of America (see Note E of the financial statements for further information). The trustee has requested to the insurance company that the annuity contracts be corrected to indicate that they are owned by the Union de la Industria Licorera de Ponce and the beneficiaries are the participants of Union de la Industria Licorera de Ponce Pension Plan.

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2024 AND 2023

A. Description of Plan

The following description of the Unión de la Industria Licorera de Ponce Pension Plan (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

Unión De La Industria Licorera de Ponce Pension Plan was created on January 1, 1989 as part of the Master Adoption Agreement. The Plan is a trust fund under the provisions of a Collective Bargaining Agreement signed with Destilería Serralles de Puerto Rico, Inc., ("the Employer"), a related party of Unión General de Trabajadores de Puerto Rico. The Union is a labor organization authorized to represent certain employees of the Employer according to applicable laws. The aforementioned parties agreed to establish a Defined Contribution Pension Plan for the benefit of the employees covered by the Collective Bargaining Agreement.

The Trust shall be used for the purpose of providing for the employee's pension and retirement benefits as decided by the Trustees. The operation and administration of the Trust is the joint responsibility of two (2) trustees appointed by the Employer and two (2) appointed by the Union. Each employee who is a regular employee on the effective date shall be an eligible employee. For subsequent plan years, employees become eligible once they meet the following requirements: (1) must be a regular employee or occasional employee to whom the benefits of a regular employee have been extended, or (2) an employee who has been working during the week or enjoying vacation or sick leave with pay benefits.

The Plan is established to comply with the requirements of Section 1165(c) of the Puerto Rico Income Tax Act of 1994, as amended, and is subject to the provisions of the Employee Retirement Income Security Act (ERISA).

Contributions

Pursuant to the Collective Bargaining Agreement, the Employer shall contribute \$18.20 on a weekly basis per regular employee with less than 20 years of service, and \$20.20 on a weekly basis per regular employee with more than 20 years of service.

Participants only elect to contribute to the Plan up to a maximum of ten percent (10%) of his aggregate compensation received from the Employer while a participant under the Plan. If a participant is also covered under another qualified retirement plan of the Employer and such other plan permits the covered employees to make voluntary contributions, then the aforementioned limitations on the amount of voluntary contributions shall be reduced to the extent of the participant's voluntary contributions made under such plan. Participants may also contribute amounts representing distributions from other qualified plans (rollover) with the written consent of the Plan Administrator.

Retirement Date

Participants are eligible to receive retirement distributions upon normal retirement age of 65 years. The Plan permits early retirement at age 55 upon completing 15 years of service. Also, the Plan provides for late retirement, which date is the first day of the month on or after the date in which the participant elects to retire.

A. Description of Plan (Cont'd)

Participant's Accounts

An account is maintained for each participant, credited with the participant's contribution and allocation of: (i) the Employer's contribution, (ii) plan earnings, and (iii) forfeitures of terminated participant's nonvested accounts and is charged with the allocation of administrative expenses. Allocations are based on the participant's immediately preceding valuation date.

Vesting

Each participant shall have at all times a fully vested, nonforfeitable right to the value of his voluntary contribution, rollover, and qualified voluntary rollover accounts. Regarding Employer's contributions, participants shall have full rights to their account after six (6) years of employment. In the event of termination of any plan participant for reasons other than retirement or disability prior to completion of six (6) years of service, such an employee shall be entitled to a portion of its account balance in accordance with following schedule:

<u>Year of Service</u>	<u>Vested Percentage</u>
Less than two years	0%
2 years	20%
3 years	40%
4 years	60%
5 years	80%
6 years	100%

Participant's Loans

Participant loans are not permitted.

Forfeited Accounts

Forfeitures shall be allocated in the same manner to Employer Contributions. The non-vested portion of a Participant's Employer Contributions shall be forfeited as of the first anniversary date coinciding with or subsequent to the time a participant has previously terminated employment.

Benefit Payments

Upon termination of service due to death, disability, or retirement, a participant or his/her beneficiary may elect to receive the participant's vested interest in his/her account; either in a lump sum amount, installment, or an annuity, which must be nontransferable. For termination of service for other reasons participant may receive the value of the vested interest in his/her account in a lump sum distribution.

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2024 AND 2023

A. Description of Plan (Cont'd)

Plan termination

Although it has not expressed any intent to do so, the Employer has the right, under the Plan, to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. Such termination shall be effected by an instrument in writing executed by the Employer and filed with the Trustee and the Plan Administrator. In the event of plan termination, all participants shall be fully vested and nonforfeitable in the accrued benefits as of the date of the termination.

B. Summary of Accounting Policies

Basis of Accounting

The financial statements of the Plan are prepared using the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires the plan administrator to make estimates and assumptions that affect certain reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results may differ from these estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See note F for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the plan's gains and losses on investments bought and sold as well as held during the year.

Contributions

Contributions are recognized when withheld from participants and properly matched with Employer contributions.

Payment of Benefits

Benefits payments to participants are recorded upon distribution.

Administrative Expenses

Administrative expenses of the Plan are paid by the Plan as provided in the Plan Document.

C. Information Certified by a Custodian (Unaudited)

During 2024 and 2023 the Plan's fund investments (including gain and losses on investments bought and sold, as well as held during the years) appreciated in value by \$59,960 and \$9,666 respectively.

D. Fair Value Measurements

FASB ASC 820 establishes a fair value hierarchy that prioritizes the input valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurement) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described below:

- | | |
|---------|--|
| Level 1 | Unadjusted quoted prices in active markets that are accessible at the measurement date for identical, unrestricted assets or liabilities. |
| Level 2 | Quoted prices in markets that are not considered to be active or financial instruments for which all significant inputs are observable, either directly or indirectly. |
| Level 3 | Prices or valuations that require inputs that are both significant to the fair value measurement and unobservable. |

The assets or liabilities fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to their value measurement. Valuation techniques used to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets at fair value. There have been no changes in the methodologies used at December 31, 2024 and 2023:

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Security and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Exchange -Traded Funds (ETF's): Valued at the daily closing price as reported by the fund. ETF funds held by the Plan are a collection of stocks or bonds that are registered with the Security and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The ETF funds held by the Plan are deemed to be actively traded.

A financial instrument's level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement.

UNIÓN DE LA INDUSTRIA LICORERA DE PONCE PENSION PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2024 AND 2023

D. Fair Value Measurements (Cont'd)

The following table sets forth by level within that fair value hierarchy the Plan investment assets at fair value, as of December 31, 2024, and 2023. As required by FASB ASC 820, assets are classified in their entirety based on the lowest level of input that is significant to the fair value measurement.

	Investment Assets at Fair Value as of December 31, 2024			
	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Exchange-Traded Funds (ETF'S)	\$ 329,502	-	-	\$ 329,502
Mutual funds	1,855	-	-	1,855
Total assets at fair value	<u>\$ 331,357</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 331,357</u>

	Investment Assets at Fair Value as of December 31, 2023			
	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Exchange-Traded Funds (ETF'S)	\$ 307,990	-	-	\$ 307,990
Mutual funds	1,814	-	-	1,814
Total assets at fair value	<u>\$ 309,804</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 309,804</u>

E. Annuity Investment Contracts

In 2012 and 2014, the Plan entered into two allocated annuity investments contracts, #0101103851 and #0103121178, respectively, with National Western Life Insurance Company ("National"), in the amount of \$1,500,000 and \$473,298 respectively, with a contract value at December 31, 2024 and 2023 of \$1,407,971 and \$480,356 and \$1,540,074 and \$530,038, respectively. The terms of the annuity insurance contracts state that the annuitant is the Union's President and the beneficiary of the annuities is the Union and not the Plan.

FASB ASC 960 (325)(35)(3) states that whether or not the plan is subject to ERISA, insurance contracts should be presented in the same manner as specified in the annual report filed by a plan with certain government entities (DOL). Based on generally accepted accounting principles these contracts are considered allocated contracts and should be excluded from the plan assets. However, the plan management considers these contracts as part of the plan assets and have determined that they should be presented in the financial statements of the plan.

UNIÓN DE LA INDUSTRIA LICORERA DE PONCE PENSION PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2024 AND 2023

F. Tax Status

Effective February 2, 2021, the Plan was amended in order to comply with the new PR Internal Revenue Code of 2011 Section 1081.01, which includes the same provisions and benefits of the previous code and provides the tax exempt status for the plan. In the normal course of business, the Plan is potentially subject to income tax audits in the Commonwealth of Puerto Rico for its taxable years 2020 to 2024, or until the applicable statute of limitations expire. Tax audits by their nature are often complex and can require several years to complete.

Accounting principles generally accepted in the United States of America require the plan management evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Treasury Department of Puerto Rico.

The Plan Administrator believe the Plan is being operated in compliance with the applicable requirements of the Puerto Rico Code and, therefore, believes that the Plan is qualified and the related Trust is tax exempt.

G. Risk and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

H. Related Party Transactions and Party in Interest Transactions

Consultiva Internacional, Inc., investment advisor of the plan, manages the Plan investment transactions. Retirement Strategies, Inc., serves as record-keeper of the Plan's assets. Certain administrative fees related to the administration of the plan were paid by the Plan. These transactions qualify as party-in-interest transactions. Fees paid by the plan for services rendered amounted to \$27,081 and \$11,828 for the years ended December 31, 2024 and 2023, respectively.

I. Subsequent Events

The Plan did not have any subsequent events through October 13, 2025, which is the date the financial statements were available to be issued for events requiring recording or disclosure in the financial statements for the year ended December 31, 2024.
