FINANCIAL STATEMENTS

DECEMBER 31, 2024 AND 2023

## INDEPENDENT AUDITOR'S REPORT

Board of Trustees  
SMART Local 104, District 3 401(a) Plan  
1794 Goodyear Avenue  
Ventura, California 93003

Members of the Board:

### **Scope and Nature of the ERISA Section 103(a)(3)(C) Audit**

We have performed audits of the accompanying financial statements of SMART Local 104, District 3 401(a) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institutions as of December 31, 2024 and 2023, and for years then ended, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

### **Opinion**

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section –

- The amounts and disclosures in the financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### **Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### **Auditor's Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

#### **Other Matter – Supplemental Schedule Required by ERISA**

The supplemental schedule of assets (held at end of year) as of December 31, 2024 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion –

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and

Board of Trustees  
SMART Local 104, District 3 401(a) Plan

certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**SMART LOCAL 104, DISTRICT 3 401(a) PLAN**

**NOTES TO FINANCIAL STATEMENTS**

**DECEMBER 31, 2024 AND 2023**

**NOTE 1 - DESCRIPTION OF THE PLAN**

The SMART Local 104, District 3 401(a) Plan (the “Plan”) was formed effective January 1, 1993, pursuant to collective bargaining agreements between SMART Local Union No. 104, District 3 (the “Local Union”) and contractors affiliated with the Tri-Counties Chapter of the Sheet Metal and Air-Conditioning Contractors National Association (“SMACNA”). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

THE PLAN DOCUMENT INCLUDES DETAILED RULES FOR EACH SITUATION. PARTICIPANTS SHOULD REFER TO THE PLAN AGREEMENT AND ANY AMENDMENTS REGARDING SPECIFIC PROVISIONS OF THE PLAN.

**NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

**A. Basis of Accounting**

The financial statements of the Plan are prepared on the accrual basis of accounting.

**B. Estimates**

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

**C. Contributions**

Employer contributions as reported are contributions made by employers on behalf of employees for hours worked during the year at hourly contribution rates agreed to in the collective bargaining agreements. Participants may also contribute to the Plan in accordance with Plan rules and Internal Revenue Code (“IRC”) limitations. Contributions receivable is estimated based on contributions received subsequent to the end of the year. No allowance is provided for uncollectible accounts.

**D. Employer Payroll Compliance Program**

Remittance reports were accepted as submitted, without examination or verification of employers’ payroll records. The system of internal control provides for examination of employers’ records under a separate payroll compliance program.

**E. Investment Valuation and Income Recognition**

Participants select how contributions made on their behalf are invested from the investment options made available.

Accounting standards establish a fair value hierarchy that prioritizes valuation inputs into three levels based on the extent to which inputs used in measuring fair value are observable in the market.

Level 1 – Inputs are quoted prices in active markets.

**SMART LOCAL 104, DISTRICT 3 401(a) PLAN**  
**NOTES TO FINANCIAL STATEMENTS**  
**DECEMBER 31, 2024 AND 2023**

**NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)**

**E. Investment Valuation and Income Recognition (Continued)**

Level 2 – Inputs are based on quoted prices for similar instruments and model-based valuation techniques for which all significant assumptions are observable in the market or can be corroborated by observable market data.

Level 3 – Inputs are generally unobservable and typically reflect management’s estimates of assumptions that market participants would use in pricing the asset or liability.

The following tables summarize the Plan’s investments based on the inputs used to value them:

	December 31, 2024			
	Level 1	Level 2	Level 3	Total
Mutual and Exchange Traded Funds	\$ 23,003,271	\$ -	\$ -	\$ 23,003,271
Investments Measured at Net Asset Value <sup>A</sup>				4,148,458
Total Assets in the Fair Value Hierarchy				\$ 27,151,729
	December 31, 2023			
	Level 1	Level 2	Level 3	Total
Mutual and Exchange Traded Funds	\$ 19,078,227	\$ -	\$ -	\$ 19,078,227
Investments Measured at Net Asset Value <sup>A</sup>				3,717,973
Total Assets in the Fair Value Hierarchy				\$ 22,796,200

<sup>A</sup> In accordance with ASU 820, investments measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

Level 1 investments include mutual and exchange traded funds valued at quoted market prices in an active market.

The common/collective trust (CCTs) is valued at net asset value as its practical expedient. The stable value trust provides a guarantee of principal and interest for participant directed withdrawals. There are no unfunded commitments or significant terms of redemption.

Net appreciation includes gains and losses on investments bought and sold as well as held during the year.

**F. Payment of Benefits**

Benefits payments to participants are recorded upon distribution.

**G. Tax-Exempt Status**

No provision for federal or state income tax is made. The Plan received its latest notice of tax-exempt status from the Internal Revenue Service on December 2, 2015. The Plan administrator and the Plan’s legal counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC.

**SMART LOCAL 104, DISTRICT 3 401(a) PLAN**  
**NOTES TO FINANCIAL STATEMENTS**  
**DECEMBER 31, 2024 AND 2023**

**NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)**

**G. Tax-Exempt Status (Continued)**

Accounting principles generally accepted in the United States of America require management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken a tax position that more likely than not would not be sustained upon examination by a tax authority. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

**H. Vesting**

Participants are 100% vested immediately in their account.

**I. Participant Account Balances**

Each participants' account balance is credited with employer contributions made on his or her behalf, participant contributions, rollovers and investment earnings, less monthly administrative fees of \$14.25 per participant.

The benefit to which a participant is entitled is the benefit that can be provided from the participants' account.

**J. Administration**

The Plan is administered by the Board of Trustees. Empower Retirement ("Empower") serves as the Plan custodian and recordkeeper.

**K. Forfeitures**

Forfeitures of participants' accounts with balances of less than \$300 and lack of contributions for one year may be used to pay administrative costs and provide increased benefits to remaining participants. Plan assets as of December 31, 2024 include the forfeiture balance of \$2,195; no forfeitures were used during 2024.

**NOTE 3 - PLAN TERMINATION**

Although there has been no expressed intent to do so, the Plan may be terminated in accordance with the provisions of ERISA (as amended) and related regulations. In the event of Plan termination, participants are 100% vested and nonforfeitable in their accounts and Plan assets will be distributed based upon the participants' account balances at that time.

**NOTE 4 - RISKS AND UNCERTAINTIES**

Plan investments are exposed to various risks such as interest rate, market fluctuations and credit risk. Due to the level of risk associated with investments and the level of uncertainty with respect to the changes in the value of investments, it is reasonably possible that changes in risk in the near term would materially affect the amounts reported in the financial statements.

**SMART LOCAL 104, DISTRICT 3 401(a) PLAN**  
**NOTES TO FINANCIAL STATEMENTS**  
**DECEMBER 31, 2024 AND 2023**

**NOTE 5 - FINANCIAL INFORMATION CERTIFIED BY THE CUSTODIAN**

The plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Information regarding investments held at December 31, 2024 and 2023 and investment income for the years then ended that is disclosed in the accompanying financial statements and supplemental schedule was obtained or derived from information supplied to the plan administrator and certified as complete and accurate by Empower Trust Company, the Plan custodian.

**NOTE 6 - RELATED PARTY TRANSACTIONS**

Certain investments held by the Plan are issued and managed by the Plan custodian or its affiliates. Transactions related to these investments qualify as party-in-interest transactions; however, they are exempt from the prohibition under ERISA.

Certain administrative and collection services are provided by SMACNA and Sheet Metal Benefit Plans Administrative Corporation, a tax-exempt corporation organized to administer the various pension, health and welfare, and benefit plans set up by Sheet Metal Workers' Trust Funds.

**NOTE 7 - SUBSEQUENT EVENTS**

Management has evaluated subsequent events through September 16, 2025, the date on which the financial statements were available to be issued. There were no material subsequent events that required recognition or additional disclosures in these financial statements.
