## Independent Auditor's Report

---

Plan Administrator of the Cafua Management 401(k) Savings Plan:

### *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit*

We have performed audits of the financial statements of Cafua Management 401(k) Savings Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, the related statement of changes in net assets available for benefits for the year ended December 31, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2024 and 2023, and for the year ended December 31, 2024, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

### *Opinion*

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).

- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### ***Basis for Opinion***

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### ***Responsibilities of Management for the Financial Statements***

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### ***Auditor's Responsibilities for the Audit of the Financial Statements***

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of

assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists.

The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

***Other Matter - Supplemental Schedules Required by ERISA***

The supplemental Schedule H, Line 4a - Schedule of Delinquent Participant Contributions for the year ended December 31, 2024 and Schedule H, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2024, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Notes to Financial Statements

As of December 31, 2024 and 2023  
and for the Year Ended December 31, 2024

## 1. DESCRIPTION OF THE PLAN

The following brief description of the Cafua Management 401(k) Savings Plan (the “Plan”) is provided for general information purposes only. Participants should refer to the Plan Agreement for a complete description of the Plan’s provisions.

### *General*

The Plan is a defined contribution plan sponsored by Cafua Management Company LLC (the “Company” or “Plan Sponsor”) and the participating Employers (as defined in the Plan Agreement). The Plan is subject to the applicable provisions of the Internal Revenue Code (“IRC”). The Plan covers all eligible employees of the Company and Employers who choose to participate in the Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”).

Reliance Trust Company is the Trustee of the Plan and ADP, Inc. is the Plan’s recordkeeper.

### *Eligibility*

Eligibility requirements are as follows: an employee is eligible to participate in the Plan as of the first day of the month that coincides with or most immediately follows the later of the date on which the employee has reached 21 years of age and the completion of 6 months of service which will occur on the 6-month anniversary of the employment date. To be eligible, an employee must be a manager, assistant manager, shift leader or a non-owner director of the Employers or a non-owner corporate office employee of the Plan Sponsor. An employee is eligible for an employer matching contribution if they are eligible to participate in the Plan and have made elective deferrals.

### *Participant Contributions*

An active participant may elect to make two types of contributions to the Plan as follows:

#### *Elective Deferrals*

A participant may elect, but shall not be required, to defer a portion of their compensation up to the annual maximum allowed by the Internal Revenue Service (“IRS”), including catch-up contributions. Participant contributions are recorded and recognized each Company pay date.

See independent auditor’s report.

# Cafua Management 401(k) Savings Plan

## *Rollover Contributions*

An active participant may contribute to the Plan, with approval of the Plan Administrator, distributions from other qualified plans or individual retirement accounts, if the contributions satisfy the tax law requirements for a qualified rollover.

## ***Employer Contributions***

### *Matching Contributions*

The Employers may make a discretionary matching contribution equal to a percentage of eligible participants' elective deferrals. The Employers, by actions of its Board of Directors, shall determine the amount, if any, of the employer matching contribution.

### ***Vesting***

Participants are vested immediately in their elective deferrals, including rollover contributions, plus actual earnings thereon. Employer matching contributions will vest according to the following schedule:

<u>Years of Service</u>	<u>Vested Percentage</u>
Less than 1	0%
1 year but less than 2	25%
2 years but less than 3	50%
3 years but less than 4	75%
4 years and thereafter	100%

Participants whose employment terminates as the result of the closure or sale of a store will be 100% vested in the Participant's account under the Plan.

### ***Distributions***

Distributions are made as lump sum payments or installment payments.

### *Retirement, Disability or Death*

Participants who retire or become disabled will be entitled to 100% of their account balance. Upon death, a participant's beneficiary will be entitled to 100% of the account balance, payable in accordance with the Plan document.

### *Other Termination of Employment*

Upon termination of employment for any reason other than retirement, disability, or death, participants shall be entitled to receive the vested amount of their account balance approximately 60 days following the date of termination.

See independent auditor's report.

# Cafua Management 401(k) Savings Plan

Distributions can also be made as in-service hardship withdrawals and upon attaining age fifty-nine and a half.

## ***Notes Receivable from Participants***

In accordance with the Plan's provisions, employees may borrow against their individual account balances. Participants may borrow up to the lesser of 50% of their vested account balance or \$50,000, which amount shall be reduced by the highest outstanding balance of loans, if any, during the preceding 12-month period over the current outstanding balance of loans. Loans are to be repaid at least quarterly, generally within 5 years of issuance. Loans shall bear interest at a rate determined by the Plan Administrator. Principal and interest on the loans are to be paid ratably through payroll deductions.

## ***Excess Contributions Payable***

Amounts payable to participants for contributions in excess of amounts allowed by the IRS are recorded as a liability with a corresponding reduction to contributions.

## ***Forfeitures***

At December 31, 2024 and 2023, there were \$22 and \$20, respectively, in forfeited non-vested accounts. These accounts will be used to reduce future employer contributions or pay administrative expenses. In 2024, employer contributions were reduced by \$17,773 from forfeited non-vested accounts.

## ***Participant Accounts***

Each participant's account is credited with the participant's contributions, Employer matching contributions, and Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

## ***Investment Options***

The Plan provides for participant-directed investment options by allowing participants to choose from a number of available investments.

## ***Plan Termination***

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants will become 100% vested in their employer contributions.

See independent auditor's report.

## 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

### *Basis of Accounting*

The financial statements of the Plan are prepared on the accrual basis of accounting.

### *Use of Estimates*

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan Administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

### *Investment Valuation and Income Recognition*

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments purchased and sold as well as held during the year.

### *Notes Receivable from Participants*

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. If a participant ceases to make loan repayments and the Plan Administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

### *Contributions*

Contributions from Plan participants and the matching contributions from the Company and Participating Employers are recorded in the year in which the employee contributions are withheld from compensation.

### *Benefit Payments*

Benefits are recorded when paid.

See independent auditor's report.

# Cafua Management 401(k) Savings Plan

## *Administrative Expenses*

Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Fees related to the administration of notes receivable from participants and the processing of benefit payments are charged directly to the participant's account and are included in administrative expenses. Investment-related expenses are included in net appreciation of fair value of investments.

### **3. CERTIFIED INVESTMENT INFORMATION**

Certain information in the accompanying financial statements and ERISA-required supplemental schedule related to investments and notes receivable from participants held as of December 31, 2024 and 2023, and net appreciation in fair value of investments, interest and dividends, and interest income on notes receivable from participants for the year ended December 31, 2024, was obtained by management and agreed to or derived from information certified as complete and accurate by Reliance Trust Company (the "Trustee"), a qualified institution.

The Trustee also certified the information included in the Schedule of Assets (Held at End of Year) in these financial statements.

### **4. FAIR VALUE MEASUREMENTS**

#### *Fair Value Hierarchy*

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs. The three levels of the fair value hierarchy under Topic 820 are described as follows:

Level 1 – Valuation is based on quoted prices in active markets for identical assets or liabilities. Valuations are obtained from readily available pricing sources for market transactions involving identical assets or liabilities.

Level 2 – Valuation is based on observable inputs other than Level 1 prices, such as quoted prices for similar assets or liabilities; quoted prices in markets that are not active; or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the assets or liabilities.

Level 3 – Valuation is based on unobservable inputs that are supported by little or no market activity and that are significant to the fair value of the assets or liabilities. Level 3 assets and liabilities include financial instruments whose value is determined using unobservable inputs to pricing models, discounted cash flow methodologies, or similar techniques, as well as instruments for which the determination of fair value requires significant management judgment or estimation.

See independent auditor's report.

## Cafua Management 401(k) Savings Plan

In certain cases, inputs used to measure fair value may fall into different levels of the fair value hierarchy. In such cases, an investment's level within the fair value hierarchy is based on the lowest level of input that is significant to the fair value measurement. The Plan's assessment of the significance of a particular input to the fair value measurement in its entirety requires judgment and considers factors specific to the investment.

### *Investment Valuation*

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2024 and 2023.

*Mutual Funds:* Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

*Collective Trust Fund:* The Invesco Stable Value Trust, which holds public investment securities is valued using the NAV provided by Invesco Trust Company. The NAV was quoted on a private market that was not active; however, the unit price was based on underlying investments which were traded on an active market or had observable inputs. The collective trust fund's underlying investments sought to preserve capital and provide a competitive level of income over time that was consistent with the preservation of capital. The collective trust fund did not have any unfunded commitments relating to its investments, nor any significant restrictions on redemptions.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

# Cafua Management 401(k) Savings Plan

## *Investments at Fair Value on a Recurring Basis*

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2024 and 2023. Classification within the fair value hierarchy table is based on the lowest level of any input that is significant to the fair value measurement.

	December 31, 2024			Fair Value
	Level 1	Level 2	Level 3	
Mutual funds	\$ 6,286,318	\$ -	\$ -	\$ 6,286,318
Collective trust fund, which is an investment measured at net asset value (a)				346,131
Total investments at fair value				\$ 6,632,449

	December 31, 2023			Fair Value
	Level 1	Level 2	Level 3	
Mutual funds	\$ 5,449,161	\$ -	\$ -	\$ 5,449,161
Collective trust fund, which is an investment measured at net asset value (a)				127,620
Total investments at fair value				\$ 5,576,781

- (a) In accordance with Subtopic 820-10, certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

The following table summarizes investments measured at fair value based on the NAV per share as of December 31, 2024 and 2023. There are no participant redemption restrictions for these investments; the redemption notice period is applicable only to the Plan.

	Fair Value	Unfunded Commitments	Redemption Frequency (If Currently Eligible)	Redemption Notice Period
December 31, 2024				
Collective trust fund	\$ 346,131	n/a	Daily	10 days
December 31, 2023				
Collective trust fund	\$ 127,620	n/a	Daily	10 days

See independent auditor's report.

# Cafua Management 401(k) Savings Plan

## 5. TAX STATUS

The Plan adopted a non-standardized pre-approved profit sharing plan with CODA with The Angell Pension Group Inc., in which the IRS stated in a letter dated June 30, 2020 that the Plan, as then designed, was in compliance with the applicable requirements of the IRC. The Plan has subsequently been amended since receiving the letter, however, the Plan Administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC, therefore, believe that the Plan is qualified, and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS or the Department of Labor (“DOL”). The Plan Administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2024 and 2023, there are no uncertain tax positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by the IRS and DOL; however, there are currently no audits for any tax periods in progress. The Plan Administrator believes it is no longer subject to examinations for years prior to December 31, 2021.

## 6. RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

During 2024, ADP, Inc. provided record keeping services to the Plan, The Angell Pension Group provided administration services to the Plan, and Reliance Trust Company provided trustee services to the Plan. Transactions with ADP, Inc., Reliance Trust Company, and The Angell Pension Group qualify as party-in-interest transactions.

Fees paid for investment management services are included as a reduction of the return earned by each mutual fund. Notes receivable from participants also qualify as party-in-interest transactions.

## 7. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants’ account balances and the amounts reported in the statement of net assets available for benefits.

See independent auditor’s report.

# Cafua Management 401(k) Savings Plan

## **8. NONEXEMPT TRANSACTIONS**

During 2024, the Plan Sponsor inadvertently failed to deposit \$194 of participant contributions and loan repayments within the required time frame as stated by the DOL regulations. The Plan Sponsor intends to deposit lost interest to correct this failure in 2025. The Plan Sponsor will file Form 5330 and pay the applicable excise tax to the IRS in 2025. The correction and excise taxes will be paid from the Plan Sponsor's assets and not from assets of the Plan.

During 2023, the Plan Sponsor inadvertently failed to deposit \$108 of participant contributions and loan repayments within the required time frame as stated by the DOL regulations. The Plan Sponsor deposited lost interest to correct this failure in 2024. The Plan Sponsor filed Form 5330 and paid the applicable excise tax to the IRS in 2024. The correction and excise taxes were paid from the Plan Sponsor's assets and not from assets of the Plan.

## **9. SUBSEQUENT EVENTS**

Management has evaluated subsequent events through October 15, 2025, which is the date the financial statements were available to be issued. There were no subsequent events that require adjustment to or disclosure in the financial statements.
