## Independent Auditor's Report

To the Board of Trustees of  
Multi-Skilled Employees and Employers Apprenticeship and Training Fund:

### Opinion

We have audited the financial statements of Multi-Skilled Employees and Employers Apprenticeship and Training Fund, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), which comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the net assets available for benefits as of December 31, 2024 and 2023, and the changes in net assets available for benefits for the years then ended, of Multi-Skilled Employees and Employers Apprenticeship and Training Fund in accordance with accounting principles generally accepted in the United States of America.

### Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Multi-Skilled Employees and Employers Apprenticeship and Training Fund and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

### Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Multi-Skilled Employees and Employers Apprenticeship and Training Fund's ability to continue as a going concern for at least one year following the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

## Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Multi-Skilled Employees and Employers Apprenticeship and Training Fund's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Multi-Skilled Employees and Employers Apprenticeship and Training Fund's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

## **Notes to Financial Statements**

### **December 31, 2024 and 2023**

#### **1. Description of Plan**

The following description of the Multi-Skilled Employees and Employers Apprenticeship and Training Fund (the "Plan") provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

##### **General**

The Plan is a multiemployer plan that was established effective September 30, 1987 as a result of a collective bargaining agreement ("CBA") between the United Steelworkers on behalf of itself and its Local Union No. 318 (the "Union"), affiliated with the AFL-CIO-CLC, and employers engaged in the construction industry; the Plan was restated effective February 18, 1997. The Plan operates as a trust that provides instruction and training through an educational program for qualified persons as apprentices employed by signatory employers. To be eligible, an employee must be working for a participating employer who is subject to the CBA or for a participating employer subject to a trustee approved participation agreement. Further, the Plan covers all employees. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended ("ERISA").

The cost of funding the Plan for active participants is determined periodically by the Board of Trustees (the "Trustees") and is paid entirely by those participants and/or their employers as set forth in the applicable collective bargaining agreements between the Union and the participating employers.

#### **2. Summary of Accounting Policies**

##### **Basis of Accounting**

The financial statements of the Plan are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP").

##### **Use of Estimates**

The preparation of financial statements in accordance with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

##### **Cash and Cash Equivalents**

The Plan considers all short-term, highly liquid investments with a maturity of three months or less at the time of acquisition to be cash equivalents.

##### **Employers' Contributions and Related Receivables**

Contributions from employers are accrued based upon analysis of employer remittance reports and subsequent cash receipts.

The carrying amount of contributions receivable would be reduced by an allowance for credit losses that reflects management's best estimate of the amounts that will not be collected. Factors which influence management's judgement in determining the appropriate allowance for credit losses include past collection experience, industry standards, current economic conditions, and expected future economic conditions. The Plan believes that all contributions receivable will be fully collected within one year. Accordingly, as of December 31, 2024 management has determined that no allowance for credit losses is needed.

The Board of Trustees has established a program to review participating employer records in order to determine compliance with contribution provisions of the collective bargaining agreement. As a result of this program, previously unreported contributions are identified related to current and prior fiscal years. However, due to the collection efforts required by the Plan, including litigation, the ultimate realization of any additional contribution receivable cannot be reasonably estimated until the collection process is completed. Accordingly, the Plan primarily recognizes these previously unreported contributions in the fiscal year in which the settlement proceeds are received.

## **Notes to Financial Statements**

### **December 31, 2024 and 2023**

#### **3. Plan Termination**

Although the Trustees have not expressed intent to discontinue the Plan, they may do so at any time subject to the provisions of ERISA and the terms of the CBA. In the event of Plan termination, the assets of the Plan would continue to be used to pay reasonable administrative expenses and to distribute and apply remaining surplus as the Trustees so determine, until no assets remain.

#### **4. Tax Status**

The Plan has received an exemption letter from the Internal Revenue Service ("IRS") dated December 1994, stating that the trust established under the Plan was in compliance with the applicable requirements of the provisions of section 501(c)(5) of the Internal Revenue Code ("IRC"). No federal or state income taxes have been recorded in 2024 for unrelated business taxable income. The Plan and trust are required to operate in conformity with the IRC to maintain the tax-exempt status of the trust. The Plan's Board of Trustees and the Plan's legal counsel believe that the Plan is being operated in compliance with the applicable requirements of the IRC and, therefore, believe that the related trust was tax-exempt as of the financial statement date.

U.S. GAAP requires management is required to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

#### **5. Commitments**

The Plan engaged PKF O'Connor Davies ("PKF") to provide accounting services for the plan years ended December 31, 2024 and 2023. The engagement terms and fees are set on an annual basis. Fees paid to PKF for the year ended December 31, 2024 and 2023 were \$45,390 and \$38,319, respectively, which are included in administrative expenses reported on the statements of changes in net assets.

#### **6. Related Party Transactions**

The Plan rents space from United Steelworkers District 4 on a month-to-month basis. Rent expense amounted to \$8,400 for the years ended December 31, 2024 and 2023.

#### **7. Risks and Uncertainties**

The Plan maintains balances at financial institutions which, at times, may exceed the federally insured limit of \$250,000. Any loss incurred or lack of access to such funds could have a significant adverse impact on the Plan's financial condition, results of operations and cash flows.

For the years ended December 31, 2024 and 2023, the Plan had four employers who made up 94% and three employers who made up 81%, respectively, of total contributions.

#### **8. Litigation**

The Plan from time to time may be involved in various litigation in the normal course of business. As of December 31, 2024, management's opinion is that there are no material outstanding matters that require disclosure.

#### **9. Subsequent Events**

Management of the Plan has evaluated events and transactions that occurred after December 31, 2024, for potential recognition or disclosure in the financial statements. These events and transactions were evaluated through October 10, 2025, the date the financial statements were available to be issued, and no items have come to the attention of management that require recognition or disclosure.
