## **Independent Auditors' Report**

To the Audit Committee of FAIR Health, Inc.  
as Sponsor of the FAIR Health, Inc. 401(k) Profit Sharing Plan and Trust

### ***Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2024 Financial Statements***

We have performed the audit of the financial statements of the FAIR Health, Inc. 401(k) Profit Sharing Plan and Trust ("the Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statement of net assets available for benefits as of December 31, 2024, the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2024 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained a certification from a qualified institution as of December 31, 2024 and for the year then ended, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

### ***Opinion on the 2024 Financial Statements***

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2024 Financial Statements section:

- The amounts and disclosures in the accompanying 2024 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying 2024 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### ***Basis for Opinion on the 2024 Financial Statements***

We conducted our audit in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the 2024 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

## ***Responsibilities of Management for the 2024 Financial Statements***

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

## ***Auditors' Responsibilities for the Audit of the 2024 Financial Statements***

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2024 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on these financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2024 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

***Other Matter - Supplemental Schedules Required by ERISA***

The supplemental Schedule of Delinquent Participant Contributions for the year ended December 31, 2024 and Schedule of Assets (Held at End of Year) as of December 31, 2024, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

***Other Matter - Report on Compiled 2023 Financial Statements***

Plan management is responsible for the accompanying financial statements of the Plan, which comprise the statement of net assets available for benefits as of December 31, 2023, the statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements in accordance with accounting principles generally accepted in the United States of America. We have performed a compilation engagement in accordance with Statements on Standards for Accounting and Review Services promulgated by the Accounting and Review Services Committee of the American Institute of Certified Public Accountants. We did not audit or review the 2023 financial statements nor were we required to perform any procedures to verify the accuracy or completeness of the information provided by plan management. Accordingly, we do not express an opinion, a conclusion, or provide any form of assurance on the 2023 financial statements.

**FAIR HEALTH, INC. 401(K) PROFIT SHARING PLAN AND TRUST**  
**NOTES TO FINANCIAL STATEMENTS**  
**DECEMBER 31, 2024 AND 2023 (COMPILED)**

**NOTE 1 – DESCRIPTION OF PLAN**

The following description of the FAIR Health, Inc. 401(k) Profit Sharing Plan and Trust (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

- A. **General** — The Plan is a defined contribution plan covering all eligible employees of FAIR Health, Inc. (the "Plan Sponsor" or "Sponsor" or "Employer"). The Plan was established in January of 2011, was restated on February 18, 2022 and is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"). As of March 1, 2024, the plan was amended. The description of the Plan that follows has been updated to reflect any changes.
- B. **Contributions** — Each year, participants may contribute up to 100 percent of pre-tax annual compensation or Roth 401(k) deferrals, as defined in the Plan subject to the requirements under Section 402(g) of the Internal Revenue Code (the "Code"). Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans. Participants direct the investment of their contributions into various investment options offered by the Plan.

Employer Contributions

The Employer match is a contribution by the Plan Sponsor, which is a fixed amount equal to 100% of the participant elective deferrals that does not exceed 4% of participant compensation received during the Plan year. The Employer contribution is remitted each payroll period. In addition, the employer may make an additional discretionary contribution during the Plan year. During 2024 and 2023, the Employer made a matching contribution of \$627,058 and \$692,491, respectively.

- C. **Eligibility** — All employees, who have attained 18 years of age or older, and have completed one month of service are eligible to participate in the Plan if they are not an excluded employee. Excluded employees include employees covered by a collective bargaining agreement, a non-resident alien with no U.S. income or all income is exempt from U.S. income tax, a leased employee, or an independent contractor who is later determined by the IRS to be an employee. Eligible employees are automatically enrolled in the Plan, unless they opt out. The amount of the automatic enrollment as a percentage of compensation is 4%. The Employer contribution is remitted each payroll period.
- D. **Participant Accounts** — Each participant's account is credited with the participant's contribution, the Plan Sponsor's contribution, and Plan earnings (reduced by fees). The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.
- E. **Vesting** — Participant's contributed funds arising from elective deferrals and the earnings thereon are fully vested at all times. A year of vesting service is a vesting period in which the employee has at least 1,000 hours of service. Participants are vested in their Company contribution portion of their participant accounts as follows:

<u>Years of Service</u>	<u>Percentage</u>
Less than 2	0%
2	50
3	100%

- F. **Notes Receivable from Participants** — Participants may borrow from their vested account balance a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50 percent of their account balance reduced by any outstanding loan balance. The loans are secured by the balance in the participant's account. The loan interest rate is based on rates available for similar loans from commercial lending institutions. The loans bear interest at a rate ranging from 4.25% to 9.50% as of December 31, 2024. Principal and interest is paid ratably through payroll deductions. A loan that is considered in default is reported as a deemed distribution, which is a taxable event for the participant.

**FAIR HEALTH, INC. 401(K) PROFIT SHARING PLAN AND TRUST**  
**NOTES TO FINANCIAL STATEMENTS**  
**DECEMBER 31, 2024 AND 2023 (COMPILED)**

**NOTE 1 – DESCRIPTION OF PLAN (CONTINUED)**

- G. **Forfeitures** — Participants who terminate employment before they vest will forfeit their interest in their discretionary contributions. These forfeitures will be held in the Plan for use by the Company to meet any obligations with respect to employer contributions and plan expenses. As of December 31, 2024 and 2023, forfeited non-vested account balances amounted to \$19,286 and \$8,180, respectively, of which \$19,126 and \$34,242 were used for employer contributions and \$6,606 and \$1,714 were used to pay Plan expense for each of the years then ended.
- H. **Payment of Benefits** — On termination of service due to death, disability or retirement after age 59 1/2, a participant (or their beneficiary in the case of death) may elect to receive two withdrawals each 12 month period or annual installments over a periodic basis. The Plan provides for mandatory distributions of a participants' vested account following severance from employment when a participants' vested account balance is less than or equal to \$7,000. A participant is eligible for a hardship withdrawal if the participant has obtained all other currently available distributions and loans under this Plan and it is deemed to be an immediate or heavy financial need of the participant for qualified medical expenses, tuition and funeral expenses.

**NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

- A. **Basis of Accounting** — The financial statements are prepared on the accrual basis of accounting.
- B. **Use of Estimates** — The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.
- C. **Investment Valuation and Income Recognition** — Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for a discussion on fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

- D. **Notes Receivable from Participants** — Notes receivable from participants are measured at their unpaid principal balance plus any accrued, but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2024 and 2023. If a participant ceases to make loan repayments and the Plan sponsor deems the participant loan to be in default, the participants' loan balance is reduced, and a benefit payment is recorded.
- E. **Payment of Benefits** — Benefits are recorded when paid.
- F. **Expenses** — Administrative expenses of \$69,105 and \$53,285 were paid by the Plan for the years ended December 31, 2024 and 2023, respectively. Other expenses of the Plan are paid directly by the Plan Sponsor or by the Plan at the election of the Company. Expenses that are paid by the Plan Sponsor are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation in fair value of investments.
- G. **Regulatory Compliance Affecting Retirement Plans** — The Setting Every Community Up for Retirement Enhancement Act of 2019 (SECURE 1.0 Act) became law on December 20, 2019. The SECURE Act made major changes to the Required Minimum Distribution ("RMD") rules, increasing the age from 70 1/2 to 72 for participants over 72 after January 1, 2020. Plans were required to be formally amended for certain other changes if adopted on or before the last day of the 2023 plan year.

**FAIR HEALTH, INC. 401(K) PROFIT SHARING PLAN AND TRUST**  
**NOTES TO FINANCIAL STATEMENTS**  
**DECEMBER 31, 2024 AND 2023 (COMPILED)**

**NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)**

The SECURE Act 2.0 (SECURE 2.0 Act) was signed into law in December 2022, delivering dozens of new retirement-related provisions. These changes build on the original SECURE Act of 2019, which altered the rules around how employees can save and withdraw money from their retirement accounts. SECURE 2.0 further increased the age of RMDs, increased the catch-up contributions for older workers and required automatic enrollment for new plans. The SECURE 2.0 Act increased the age at which individuals must begin taking RMDs to 73 from 72, beginning January 1, 2023, as well as other increases starting in 2023.

The SECURE 2.0 Act increases the limit for catch-up contributions for individuals ages 60 to 63, effective for taxable years beginning after December 31, 2024. In addition, the SECURE 1.0 Act, and further by the SECURE 2.0 Act, lowered the eligibility requirements to enable part-time workers to participate in 401(k) plans. These rules for long-term, part-time workers are expanded to apply to ERISA 403(b) plans, as well. The SECURE 2.0 Act changes the eligibility requirements under 401(k) so that it is easier for part-time employees to participate in them. The enacted law, the SECURE 1.0 Act, allows plans to limit eligibility for participation of part-time employees who reach the later of: (1) age 21 or completion of one 12-month period in which the employee worked at least 1,000 hours (pre-SECURE 1.0 Act rule); or (2) three consecutive years of service with 500 or more hours in each year. Under the SECURE 2.0 Act, a plan must allow a part-time employee to participate if the employee has either satisfied the above rule #1, or if the employee has completed two consecutive 12-month periods in which the employee worked at least 500 hours in each one of the two periods and reached age 21 by the end of the second 12-month period.

**NOTE 3 – INVESTMENTS — INFORMATION PREPARED AND CERTIFIED BY CUSTODIAN AS COMPLETE AND ACCURATE**

As noted in the independent auditors' report, the Plan administrator has elected the method of compliance in accordance with ERISA Section 103(a)(3)(C) as permitted by 29 CFR 2520.103-8 of the Department of Labor's (the "DOL") Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, the following information, was certified as complete and accurate by Principal Trust Company ("Principal") and was not subjected to any auditing procedures performed by the independent auditors except for comparing such information to information included in the Plan's financial statements.

The Plan's custodian has certified to the completeness and accuracy of the investments included in the financial statements as of December 31, 2024 and the investment activity included in the financial statements for the year then ended as summarized below:

As of December 31, 2024 the Plan's assets included investments as follows:

Mutual funds	\$ 17,625,094
Pooled separate accounts	1,587,740
Common collective trust funds	<u>1,836,325</u>
 Total investments	 <u>\$ 21,049,159</u>

The investment activity included in the accompanying statements of changes in net assets available for benefits for the year ended December 31, 2024 is summarized as follows:

Net appreciation in fair value of investments	\$ 2,166,253
Interest and dividends	<u>341,178</u>
 Total investment income	 <u>\$ 2,507,431</u>

**NOTES TO FINANCIAL STATEMENTS**  
**DECEMBER 31, 2024 AND 2023 (COMPILED)**

**NOTE 3 - INVESTMENTS — INFORMATION PREPARED AND CERTIFIED BY CUSTODIAN AS COMPLETE AND ACCURATE (CONTINUED)**

Notes receivable from participants amounting to \$222,346 as of December 31, 2024 have been certified by the custodian. Interest income on notes receivable from participants of \$15,420 for the year ended December 31, 2024 has also been certified by the custodian.

**NOTE 4 — FAIR VALUE MEASUREMENTS**

Financial Accounting Standards Board (“FASB”) Accounting Standards Codification (“ASC”) 820, “Fair Value Measurement,” provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include: quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the assets or liability; inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurements.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2024 and 2023.

**Mutual Funds**

Mutual funds are valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with Securities and Exchange Commission. These funds are required to publish their daily Net Asset Value (“NAV”) per share and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The preceding method described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date,

**NOTE 4 — FAIR VALUE MEASUREMENTS (CONTINUED)**

**Common Collective Trusts:**

Common collective trusts are valued at NAV of units of a bank collective trust. The NAV, as provided by the trustee, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Participant transactions (purchases and sales) may occur daily. Were the Plan to initiate a full redemption of the common collective trust, the investment advisor reserves the right to temporarily delay withdrawal from the trust in order to ensure that securities liquidations will be carried out in an orderly business manner. These common collective trusts are direct filing entities.

**Pooled Separate Accounts**

Pooled separate accounts are valued at the NAV of shares at year-end as determined by the issuer of the fund. The NAV is based on the value of the underlying assets, minus its liabilities, and then divided by the number of shares outstanding. The pooled separate accounts is a direct filing entity.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan administrator believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Financial assets carried at fair value at December 31, 2024 are classified as follows:

	<u>Level 1</u>	<u>Total</u>
Mutual funds	\$ 17,625,094	\$ 17,625,094
Pooled separate accounts – NAV as a practical expedient	-	1,587,740
Collective trust funds – NAV as a practical expedient	-	1,836,325
Total Investments at Fair Value	<u>\$ 17,625,094</u>	<u>\$ 21,049,159</u>

Financial assets carried at fair value at December 31, 2023 (Compiled) are classified as follows:

	<u>Level 1</u>	<u>Total</u>
Mutual funds	\$ 15,443,936	\$ 15,443,936
Pooled separate accounts – NAV as a practical expedient	-	935,400
Collective trust funds – NAV as a practical expedient	-	1,584,264
Total Investments at Fair Value	<u>\$15,443,936</u>	<u>\$ 17,963,600</u>

**Fair Value of Investments in Entities that use Net Asset Value Per Share Practical Expedient**

The following table summarizes investments for which fair value is measured using the net asset value per share practical expedient as of December 31:

**NOTE 5 — PLAN TERMINATION**

Although it has not expressed any intent to do so, the Plan has the right to terminate the Plan subject to all the provisions set forth in ERISA. In the event of Plan termination, participants would become 100% vested in any employer contributions.

**NOTE 6 — TAX STATUS**

The Plan sponsor has adopted a non-standardized pre-approved plan document that has received an opinion letter from the Internal Revenue Service dated June 30, 2020, stating that the form of the non-standardized pre-approved plan document was in compliance with the applicable requirements of the Code 401(a). Although the Plan has been amended since adopting the pre-approved plan document, the plan administrator believes that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the Code, and therefore, believes that the Plan is qualified.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the applicable authorities. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

**NOTE 7 — PARTY-IN-INTEREST TRANSACTIONS**

Principal Life Insurance Company is the plan's recordkeeper as defined by the Plan and any transactions with Principal Life Insurance Company qualify as party-in-interest transactions. Principal Trust Company is the plan custodian. Fees incurred by the Plan for the custodial services provided by the custodian are reflected within administrative expenses in the accompanying financial statements.

**NOTE 8 — RISKS AND UNCERTAINTIES**

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

**NOTE 9 — DELINQUENT EMPLOYEE DEFERRAL REMITTANCES**

In accordance with the Department of Labor's Regulation 2510.3102, an employer is required to segregate participants' contributions and loan repayments from its general assets as soon as practical, but in no event more than the 15th business day following the end of the pay period in which amounts are contributed by participants or withheld from their wages for a pension benefit plan such as the 401(k) Plan.

Participant contributions and loan repayments amounting to \$376,927 were not remitted by the Sponsor to the recordkeeper within the period prescribed by the Department of Labor regulations. The Sponsor agreed to absorb all costs incurred by the Plan because of the untimely remittance of the contribution.

**NOTE 10 — SUBSEQUENT EVENTS**

The Plan has evaluated subsequent events through October 15, 2025, the date the financial statements were available to be issued.
