Independent Auditors' Report

To the Plan Administrator, Trustees and Participants
of the Imprimus Labels and Packaging 401(k) PSP
Dublin, California

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Imprimus Labels and Packaging 401(k) PSP (formerly AALP, LLC 401(k) Plan previous to November 15, 2023), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements (financial statements).

Management, having determined it is permissible in the circumstances, has elected to have the audits of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022, and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Independent Auditors' Report - Continued

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Imprimus Labels and Packaging 401(k) PSP and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Imprimus Labels and Packaging 401(k) PSP's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

Independent Auditors' Report - Continued

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Imprimus Labels and Packaging 401(k) PSP's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Imprimus Labels and Packaging 401(k) PSP's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Independent Auditors' Report - Continued

Other Matter - Supplemental Schedules Required by ERISA

The supplemental schedule of delinquent participant contributions and supplemental schedule of assets (held at end of year) as of December 31, 2023, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Notes to Financial Statements

Note 1. Plan Description

The following description of the Imprimus Labels and Packaging 401(k) PSP (formerly AALP, LLC 401(k) Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General:

The Plan is a defined contribution plan covering all employees of AALP, LLC DBA Imprimus Label and Packaging (the Company), who are age 21 and have met the service requirement of 3 calendar months in which at least 83.3 hours was worked in each month, and are not members of a collective bargaining unit, non-resident aliens, leased employees, or independent contractors. Employees enter the Plan immediately after the employee has completed the eligibility service period. The Plan is a defined contribution plan under Section 401(k) of the Internal Revenue Code (IRC) and is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Effective November 15, 2023, the Plan was renamed from AALP, LLC 401(k) Plan to Imprimus Labels and Packaging 401(k) PSP (the Plan).

During the year ended December 31, 2022, the Company merged with Western Shield Acquisitions, LLC. Effective January 1, 2023, the Western Shield Acquisitions, LLC 401(k) Profit Sharing Plan transferred into the Plan.

Plan administration:

The Company is the Plan sponsor and Plan administrator. The Plan administrator is responsible for carrying out the duties imposed under ERISA, including oversight of the Plan, appropriateness of investment offerings, and monitoring investment performance.

The Company contracts with Empower Annuity Insurance Company of America and its affiliates (Empower) to act as a recordkeeper and custodian of the participant directed assets of the Plan (which includes insurance contract options). The Company contracts with Hicks Pension Services to act as the third-party administrator to process and maintain records of participant data.

Contributions:

Participants may elect to contribute into the Plan a percentage of their annual compensation as defined in the plan document, which is withheld from employee's pay through payroll deductions. Elective contributions may not exceed the maximum deferral limit per section 402(g) of the Internal Revenue Code. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (participant rollovers). Participants may also designate a portion or all of the deferral contributions as Roth 401(k). Participants direct the investment of their contributions into various investment options offered by the Plan. Contributions are subject to certain IRS limitations.

Imprimus Labels and Packaging 401(k) PSP

Notes to Financial Statements

The Company makes a safe harbor non-elective contribution of 3% of each eligible participant's compensation from the first day of the Plan year that the participant was eligible to enter the Plan. Effective January 1, 2023, the Plan funds the safe harbor non-elective contribution each pay period, subject to an annual true-up funded annually after year-end.

For the year ended December 31, 2023, the Company made a corrective contribution to the Plan, funded after year-end. The Company may also make discretionary non-elective contributions, but has not to date.

The Plan is intended to satisfy an automatic contribution arrangement (ACA). Only participants with an initial eligible entry date on or after July 16, 2018, are subject to the eligible automatic enrollment provisions of the Plan. The initial amount of the automatic enrollment (as a percentage of pay) is 3%, which includes an auto-escalation provision whereby deferral rates will increase on each first day of the Plan year by 1% of compensation until a deferral rate of 10% of compensation is reached. Participants may affirmatively elect not to participate in an ACA or the auto-escalation provision.

Participant accounts:

Each participant's account is credited with the participant's contributions and Company contributions, and Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. All amounts in participant accounts are participant directed. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting:

Participants are immediately vested in their elective deferral contributions and employer safe harbor non-elective contributions, plus actual earnings thereon.

Notes receivable from participants:

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The loans are secured by the balance in the participant's account. The loan interest rate, determined quarterly, is set at the prime rate plus 1%, as defined. Principal and interest is paid ratably through weekly payroll deductions.

Benefit payments and withdrawals:

Amounts credited to a participant's account are distributed at termination of employment as a lump sum due to death, separation of service, disability, or retirement. A participant may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in their account, or in partial payments if the vested balance exceeds \$5,000 (may be increased to \$7,000 for distributions made after December 31, 2023).

Imprimus Labels and Packaging 401(k) PSP

Notes to Financial Statements

Forfeited and suspense accounts:

Forfeitures result from mistake of fact corrections, transfers, or adjustments, if any. At December 31, 2023 and 2022, the forfeiture balance was \$14,559 and \$7,330, respectively. If any forfeitures remain after being applied towards expenses in the current and subsequent year, they may be used to supplement the employer contributions and are allocated to eligible participants.

Note 2. Significant Accounting Policies

Basis of accounting:

The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of estimates:

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment valuation and income recognition:

Investments are reported at fair value (except for the fully benefit-responsive investment contract, which is reported at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan sponsor's management determines the Plan's valuation policies utilizing information provided by the custodian, investment advisors, and insurance company. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes receivable from participants:

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2023 and 2022.

Excess contributions payable:

Amounts payable to participants for contributions in excess of amounts allowed by the IRS are recorded as a liability with a corresponding reduction to contributions. The Plan will distribute excess contributions that originated in the 2022 Plan year for Western Shield Acquisitions, LLC 401(k) Profit Sharing Plan before that plan transferred into the Plan, to the applicable participants in 2024 and 2025, as the corrective distributions were delayed with the change in recordkeepers after the year ended December 31, 2022.

Imprimus Labels and Packaging 401(k) PSP

Notes to Financial Statements

Payment of benefits:

Benefits are recorded when paid.

Administrative expenses:

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants and benefit payments are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation of fair value of investments.

Note 3. Certified Investments and Notes Receivable

The following information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments and notes receivable from participants held at December 31, 2023 and 2022, and net appreciation in fair value of investments, interest and dividends, and interest income on notes receivable from participants for the year ended December 31, 2023, was obtained by management and agreed to or derived from information certified as complete and accurate by Empower Annuity Insurance Company of America:

Note 4. Investments and Fair Value Measurements

The *Fair Value Measurements* topic of the Financial Accounting Standards Board (FASB) *Accounting Standards Codification (ASC)* establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described as follows:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 – Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or by other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes to the methodologies used at December 31, 2023 and 2022.

Pooled separate accounts: Valued by calculating a unit value for each separate account investment based on the underlying assets. The unit values are considered readily determinable. The daily price is considered the selling price for transfers and withdrawals and is calculated each day the principal market is open.

Imprimus Labels and Packaging 401(k) PSP

Notes to Financial Statements

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2023:

	<i>Level 2</i>
Pooled separate accounts, total investments a fair value	<u><u>\$ 8,208,716</u></u>

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2022:

	<i>Level 2</i>
Pooled separate accounts, total investments a fair value	<u><u>\$ 4,874,847</u></u>

Note 5. Group Annuity Contract with Insurance Company

The Plan has a fully benefit-responsive guaranteed investment contract with Empower (which acquired the retirement business of Massachusetts Mutual Life Insurance Company) totaling \$75,837 and \$14,963 as of December 31, 2023 and 2022, respectively. Empower maintains the contributions in a general account. The methodology for calculating the interest crediting rate is based on the earnings of the underlying assets of the portion of the Empower general accounts that is used to determine the crediting rate, compared to the minimum interest crediting rate. The interest crediting rate is reset at least annually and no more frequently than quarterly. The crediting rate is based on a formula established by Empower, but may not be less than 1%. The guaranteed investment contract does not permit the insurance company to terminate the agreement prior to the scheduled maturity date.

The actual average yield earned by the Plan for the general account is derived by averaging the Plan's quarterly interest rates. The actual average yield was 1.35% and 1.25% for the years ended December 31, 2023 and 2022, respectively.

The contract meets the fully benefit-responsive investment contract criteria, and therefore, is reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value, as reported to the Plan by Empower, represents contributions made under the contract, plus earnings, less participant withdrawals, and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

The Plan's ability to receive amounts due is dependent on the issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments.

Notes to Financial Statements

Certain events might limit the ability of the Plan to transact at contract value with the issuer. Such events include (1) amendments to the Plan documents (including complete or partial Plan termination or merger with another plan), (2) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the Plan sponsor or other Plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA, or (5) premature termination of the contract. No events are probable of occurring that might limit the ability of the Plan to transact at contract value with the contract issuers and that also would limit the ability of the plan to transact at contract value with the participants.

In addition, certain events allow the issuer to terminate the contract with the Plan and settle at an amount different from contract value. Such events include (1) an uncured violation of the Plan's investment guidelines, (2) a breach of material obligation under the contract, (3) a material misrepresentation, and (4) a material amendment to the agreement without the consent of the issuer.

Note 6. Related Party and Party-in-Interest Transactions

Empower is the recordkeeper and custodian, as defined by the Plan, and through an affiliated relationship, Empower has certified Plan investments. Therefore, any transactions between the Plan and Empower qualify as party-in-interest transactions, which are exempt from the prohibited transaction rules. Fees incurred by the Plan for program and administration are included in administrative expenses.

Northwestern Mutual Wealth Management Company is the investment advisor of the Plan and is a party-in-interest. Fees incurred by the Plan for advisory services are included in administrative expenses. These fees are considered party-in-interest transactions, which are exempt from the prohibited transaction rules.

Hicks Pension Services is the third party administrator of the Plan and provides administrative services and is a party-in-interest. Fees incurred by the Plan for administration of benefit payments are included in administrative expenses. These fees are considered party-in-interest transactions, which are exempt from the prohibited transaction rules.

Notes receivable from Plan participants and related interest income are also considered party-in-interest transactions.

Note 7. Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan, subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their employer contributions.

Notes to Financial Statements

Note 8. Tax Status

The Company has adopted a non-standardized pre-approved profit sharing 401(k) plan. The Internal Revenue Service has opined and informed the pre-approved plan provider by a letter dated June 30, 2020, that the pre-approved Plan is designed in accordance with applicable sections of the Internal Revenue Code (IRC). Including any applicable amendments, the Plan administrator believes that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believes that the Plan is qualified and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the applicable taxing authorities. The Plan administrator has analyzed the tax positions taken by the Plan as of December 31, 2023, and is not aware of any uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Note 9. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the participants' account balances and the amounts reported in the statement of net assets available for benefits.

Note 10. Reconciliation of the Plan Financial Statements to the Form 5500

Certain amounts included on Schedule H Part I and II on the Annual Return/Report of Employee Benefits Plan (Form 5500) may be grouped differently for purposes of presentation in the financial statements.

The following is a reconciliation of net assets available for benefits per the financial statements to the Form 5500 at December 31, 2023:

Net assets available for benefits per the financial statements	\$ 8,485,090
Employee excess contributions refunded in 2024 and 2025, accrued in 2023 for financial statements	6,439
Net assets available for benefits per the Form 5500	<u><u>\$ 8,491,529</u></u>

There were no reconciling items between the financial statements and Form 5500 as of December 31, 2022.

Notes to Financial Statements

The following is a reconciliation of changes in net assets available for benefits per the financial statements to the Form 5500 for the year ended December 31, 2023:

Net increase in net assets available for benefits	
per the financial statements	\$ 3,220,972
Employee excess contributions refunded in 2024 and 2025, accrued in 2023 for financial statements	<u>6,439</u>
Net increase in net assets available for benefits per the Form 5500	<u><u>\$ 3,227,411</u></u>

Note 11. Transfer of Assets

During the year ended December 31, 2023, the Plan Sponsor transferred \$2,470,964 into the Plan from the Western Shield Acquisitions, LLC 401(k) Profit Sharing Plan, including Plan forfeiture balances of \$7,051, Plan participant loan balances of \$81,689, Plan participant fund balances of \$2,388,663, and excess contributions payable to Plan participants of \$6,439.

Note 12. Subsequent Events

During the year ended December 31, 2022, the Company acquired President Enterprise, Inc. DBA Lotus Labels, Inc. Effective September 23, 2024, the Oasis Retirement Savings Plan (for the benefit of President Enterprise, Inc.) merged with the Plan.

In 2025, the Company received correspondence from the IRS related to the Plan's 2021 and 2023 Form 5500 filings under the Plan's former name, AALP, LLC 401(k), and prior EIN. The IRS issued several notices, including Notice CP220 dated July 8, 2024, which referenced changes made to the 2021 Form 5500 and a balance of approximately \$122,000 due from the Company, and Notice CP295 dated March 24, 2025, which referenced failure to respond to prior correspondence and a balance of approximately \$129,000 due from the Company. The IRS also issued Notice CP403 dated June 16, 2025, requesting information regarding the 2023 Form 5500, with no amount due. On April 24, 2025, the Company submitted an abatement request to the IRS in response to Notice CP295 for the 2021 Form 5500. The IRS acknowledged receipt of the abatement request on June 10, 2025, and, as of August 16, 2025, requested additional time to complete its review. The Company continues to correspond with the IRS to resolve these matters. Management believes the notices result from changing EIN numbers and does not expect the outcome to have a material effect on the Plan's net assets available for benefits.

The Plan has evaluated subsequent events through October 14, 2025, the date the financial statements were available to be issued.
