**INDEPENDENT AUDITOR'S REPORT**

Plan Administrator  
Vaniam Group, LLC 401(k) Plan  
Chicago, IL 60611

**Scope and Nature of the ERISA Section 103(a)(3)(C) Audit**

We have performed an audit of the accompanying financial statements of Vaniam Group, LLC 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2024 and 2023, and the related statement of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the years ended December 31, 2024 and 2023, stating that the certified investment information, as described in Note 8 to the financial statements, is complete and accurate.

**Opinion**

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section –

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## **Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Vaniam Group, LLC 401(k) Plan and to meet our ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

## **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Vaniam Group, LLC 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

## **Auditor's Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Vaniam Group, LLC 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Vaniam Group, LLC 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

### **Supplemental Schedules Required by ERISA**

The supplemental schedule of assets held for investment purposes at end of year as of December 31, 2024 is presented for purposes of additional analysis and is not a required part of the financial statements but are supplementary information required by the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and

content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**Note 1 DESCRIPTION OF PLAN**

The following description of the Vaniam Group, LLC 401(k) Plan (the “Plan”) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan’s provisions.

**General**

The Plan is a defined contribution plan covering substantially all employees of Vaniam Group, LLC (the “Plan Sponsor”), who have attained the age of eighteen and have completed three months of service. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”).

**Plan Administration**

The Plan is administered by ADP Retirement Services. Reliance Trust Company (“Reliance” or the “Trustee”) is responsible for the custody, recordkeeping, and management of the Plan’s assets.

**Contributions**

*Participant Contributions*

Eligible employees may contribute up to 90% of pre-tax or post-tax annual compensation, as defined in the Plan. Contributions must be made through payroll deductions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (i.e., rollover contributions). Participants who have attained age 50 before the end of the plan year are eligible to make tax-deferred catch-up contributions.

*Matching Contributions*

Matching contributions are made on a per payroll basis. The Company will match 50% on the dollar of the first 8% of employee contributions to their 401k retirement account. Discretionary contributions and non-elective contributions are not allowed under this Plan.

*Automatic Enrollment*

Employees are automatically enrolled in the Plan at a 6% tax-deferred rate when they become eligible for participation. These contributions are invested in the Plan’s default investment option. The Plan allows participants to elect a 1%, 2% or 3% automatic annual increase to their before-tax contribution. The increase will go into effect each year, on the chosen date. Employees may opt out of the automatic enrollment, the automatic contribution increase, stop contributions, and modify their contribution rate or investment selections at any time.

**Participant Accounts**

Each participant’s account is funded with the participant’s contributions and allocations of the Plan Sponsor’s contributions, if any, and allocations of Plan earnings or losses. Allocations are based on participant account balances, as defined by the Plan. Participants are entitled to the vested portion of their account.

**Vesting**

Participants are immediately vested in their contributions and earnings thereon. Beginning January 1, 2018, participants are vested in their portion of the Plan Sponsor’s matching contributions, plus actual earnings thereon based on a five-year vesting schedule. The first year of the vesting schedule, the employer contributions vest at 20%. Each incremental additional year of service, the percentage increases by 20% until 100% vesting in

**Note 1 DESCRIPTION OF PLAN (continued)**

year five. Any Plan Sponsor matching contributions paid in before January 1, 2018 still adhere to a six-year vesting schedule with the first year vesting at 0%.

**Participant Loans**

Participants may borrow from their accounts a minimum of \$1,000 and a maximum of the lesser of \$50,000 or 50% of their vested account balance. These loans may be used for a maximum of five years. Loans made for a purchase of a primary residence have a term consistent with commercial home loan practices. The loans are secured by the balance in the participant's account and bear interest at 1% above the prime rate, fixed at the time of the loan, as defined. Principal and interest are repaid through payroll deductions.

**Investment Options**

Plan investments are participant directed. Upon enrollment in the Plan, a participant may direct contributions in any of the then available investment fund options. Participants may change or transfer their investment options at any time via a secure internet website.

**Payment of Benefits**

Vested account balances are payable upon retirement, death or disability, or termination of employment. In-service distributions are also permitted after meeting certain requirements in accordance with Plan provisions. Distributions may be made in a lump sum payment, a series of installment payments, or partial payments.

**Forfeitures**

Forfeited balances of terminated participants' non-vested accounts are used to reduce future Plan Sponsor contributions or plan expenses. Forfeited amounts at December 31, 2024 and 2023 totaled \$2,393 and \$6,908, respectively. For the years ended December 31, 2024 and 2023, matching contributions were reduced by \$104,440 and \$125,188, respectively, from forfeited non-vested accounts.

**Note 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

**Basis of Presentation**

The Plan's financial statements are prepared using the accrual method of accounting in accordance with accounting principles generally accepted in the United States of America ("GAAP").

**Management Estimates**

The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

**Investment Valuation and Income Recognition**

Investments are reported at fair value (see Note 3). Purchases and sales of securities are recorded on a trade date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation/(depreciation) includes the Plan's realized and unrealized gains and losses on investments bought and sold, and held at year-end.

**Note 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)**

**Benefit Payments and Distributions**

Benefits and distributions are recorded when paid.

**Participant Loans**

Notes receivable from participants are measured at their unpaid principal balance plus accrued interest. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2024 and 2023. Delinquent participant loans are recorded as distributions on the basis of the terms of the Plan agreement.

**Operating Expenses**

Certain expenses incurred maintaining the Plan are paid directly by the Plan Sponsor and excluded from these financial statements. Investment-related expenses are included in net investment gain/(loss) of investments. Certain participant services and recordkeeping fees are charged to the participants' account.

**Note 3 FAIR VALUE MEASUREMENTS**

Financial Accounting Standards Board ("FASB") Accounting Standards Codification ("ASC") 820, *Fair Value Measurements and Disclosures*, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

**Note 3 FAIR VALUE MEASUREMENT (continued)**

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques must maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2024 and 2023.

*Mutual Funds:* Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The following table sets forth, by level within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2024 and 2023:

<b>December 31, 2024</b>	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutual funds	<u>\$ 27,331,102</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 27,331,102</u>
Investments at Fair Value				<u>\$ 27,331,102</u>
<b>December 31, 2023</b>	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutual funds	<u>\$ 21,689,396</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 21,689,396</u>
Investments at Fair Value				<u>\$ 21,689,396</u>

For the year ended December 31, 2024 and 2023, there were no significant transfers between Levels 1 and 2 and no transfers in or out of Level 3.

**Note 4 RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS**

Fees paid by the Plan for loan administration services totaled \$450 and \$500 for the years ended December 31, 2024 and 2023, respectively. Participant loans also qualify as party-in-interest transactions.

**Note 5 PLAN TERMINATION**

Although it has not expressed any intention to do so, the Plan Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their employer contribution accounts.

**Note 6 TAX STATUS**

The Plan has adopted a Volume Submitter Plan sponsored by United Retirement Plan Consultants dated January 1, 2016. The Plan is qualified under Code Section 401(a) of the Internal Revenue Code. Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the plan has taken an uncertain position that more likely than not would not be sustained upon examination by taxing authorities. Tax returns are generally open for a three-year period after being filed. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

**Note 7 RISKS AND UNCERTAINTIES**

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

**Note 8 ERISA SECTION 103(a)(3)(C) AUDIT**

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the following information was certified as complete and accurate by the trustee, Reliance Trust Company, as of December 31, 2024 and 2023, and for the years then ended:

- Investment assets
- Investment income and activity
- Schedule of assets held for investment purposes.

**Note 9 SUBSEQUENT EVENTS**

Plan management has evaluated events and transactions through October 15, 2025, the date the financial statements were available to be issued.
