INDEPENDENT AUDITORS' REPORT

To the Trustees and Participants of
KPS Global, LLC 401(k) Plan:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the financial statements of KPS Global, LLC 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statement of net assets available for benefits as of December 31, 2024, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certification from a qualified institution (Voya Retirement Insurance and Annuity Company) as of December 31, 2024 and for the year then ended, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and the procedures performed as described in the *Auditors' Responsibilities for the Audit of the Financial Statements* section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the *Auditors' Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements conform with the Plan's provisions, including maintaining sufficient records with respect to each of the participants to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements are free from material misstatement, whether due to fraud or error and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance. Therefore, it is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users made on the basis of these financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

Rödl & Partner

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter — 2024 Supplemental Schedule Required by ERISA

The supplemental Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2024 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or are derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Other Matter — Auditors' Report on the 2023 Financial Statements

The 2023 financial statements of KPS Global, LLC 401(k) Plan were audited by predecessor auditors. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed the predecessor auditor not to perform, and they did not perform, any auditing procedures with respect to the information certified by a qualified institution. Their report dated September 24, 2024, indicated that (a) the amounts and disclosures in the 2023 financial statements, other than those agreed to or derived from the certified investment information, were presented

Rödl & Partner

fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America, and (b) the information in the 2023 financial statements related to assets held by and certified to by a qualified institution agreed to, or was derived from, in all material respects, the information prepared and certified by an institution that management determined met the requirements of ERISA Section 103(a)(3)(C).

KPS GLOBAL, LLC 401(k) PLAN
 NOTES TO THE FINANCIAL STATEMENTS
 DECEMBER 31, 2024 AND 2023

1. DESCRIPTION OF PLAN

The following description of the KPS Global, LLC 401(k) Plan (the “Plan”) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan’s provisions.

General

The Plan is a defined contribution plan covering substantially all employees of KPS Global, L.L.C. (the “Sponsor”), excluding employees covered by a collective bargaining agreement, leased employees, independent contractors and part time employees who work less than 1,000 hours. Immediately upon working 1,000 hours of service in a year, part time employees become eligible to participate in the Plan. The Plan became effective on December 2, 2015, and is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (“ERISA”) and the Internal Revenue Code (the “IRC”).

Contributions

Employees eligible to participate in the Plan (“participants”) may contribute, on a pre-tax and/or after-tax basis, 1% - 100% of their compensation, as defined by the Plan, under a salary deferral arrangement, subject to IRC limitations. The Plan also allows participant rollover contributions, which represent distributions from other qualified plans. Eligible employees who do not elect otherwise will be automatically enrolled in the Plan with a salary deferral of 5% of compensation.

The Sponsor makes safe harbor matching contributions on behalf of each participant in an amount equal to the participant’s deferral contributions, up to 100% of the first 3% and 50% of the next 2% of base compensation that a participant contributes to the Plan. The Sponsor, at its sole discretion, may also make additional matching contributions and/or non-elective contributions to the Plan annually on behalf of participants. The Plan requires a participant to be employed as of year-end to be eligible to receive employer non-elective contributions. No discretionary matching or non-elective contributions were made during the year ended December 31, 2024.

Investment options

The Plan’s investment assets are held by Voya Retirement Insurance and Annuity Company (the “Custodian”), the custodian of the Plan’s assets. Under this arrangement with the Custodian and upon enrollment in the Plan, participants direct contributions in any whole percentage or dollar increment into any of the available funds. Participants may change their allocations among the various investment options at any time.

Participant accounts

Each participant’s account is credited with (a) the participant’s contributions, (b) the Sponsor’s contributions on behalf of the participant, and (c) the earnings and losses of the participant’s investments and is charged with any expenses incurred as a result of transactions initiated by the participant. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.

Vesting

Participants are immediately vested in their contributions and Sponsor safe harbor matching contributions, plus actual earnings thereon. Vesting in the Sponsor’s discretionary matching and non-elective contributions and actual earnings thereon is based on years of qualifying service, as follows:

Participant's Years of Service	Vested Percentage
Less than 1 year	0%
1 year	20%
2 years	40%
3 years	60%
4 years	80%
5 years or more	100%

Forfeitures

Forfeitures of nonvested balances are used to pay administrative expenses or to reduce future Sponsor contributions. During the year ended December 31, 2024, forfeited amounts totaled \$8,726, and no forfeitures were used to pay administrative expenses or to reduce Sponsor matching contributions. Accumulated forfeitures totaled \$47,673 and \$37,008 at December 31, 2024 and 2023, respectively.

Notes receivable from participants

Participants may borrow from the vested portion of their fund accounts a minimum of \$1,000 up to a maximum amount equal to the lesser of \$50,000, reduced by the excess, if any, of the participant's highest outstanding balance of loans from the Plan during the one-year period ending on the day before the date of the new loan over the participant's current outstanding balance of loans as of the date of the new loan, or 50% of their vested account balance. Loan terms range from one to five years, unless the loan qualifies as a home loan, for which the term may be extended beyond five years. The loans are secured by the balance in the participant's account and bear interest at a fixed rate of prime plus 1% as per the date the loan is secured. Principal and interest are paid ratably through periodic payroll deductions. The maximum number of loans outstanding at any one time is not limited. However, a maximum of 2 loan may be requested by each participant during a Plan year. The interest rates on outstanding loans ranged from 4.25% to 9.50% at both December 31, 2024 and 2023.

Payment of benefits

Upon termination of service, or for reasons of death, disability, or retirement, a participant may elect to receive either a lump-sum or partial withdrawal of their account or elect to have their account balance transferred to an Individual Retirement Account ("IRA") or to another qualified employer plan. In the event that a participant terminates employment with the Sponsor and has a vested account balance of \$1,000 or less, the participant will receive an automatic distribution of those funds. A participant whose account balance exceeds \$1,000 but does not exceed \$5,000 will have their balance automatically rolled over into an IRA outside of the Plan assets as soon as administratively feasible following termination. Active employees may withdraw from their accounts upon attainment of age 59½ or for reasons of financial hardship as defined by IRC regulations.

Administrative expenses

Administrative fees relating to certain participant-initiated transactions are paid by the Plan and charged to the accounts of participants initiating the transactions. Recordkeeping and direct investment advisory fees are also paid by the Plan and are allocated amongst participant accounts.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of accounting

The accompanying financial statements are prepared on the accrual basis of accounting, in accordance with accounting principles generally accepted in the United States of America.

Payment of benefits

Benefits are recorded when paid.

Use of estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan's management to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. Actual results could differ from those estimates.

Investment valuation and income recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 5 for discussion of fair value measurements. Interest income is recorded when earned. Net appreciation / depreciation includes dividends and unrealized and realized gains and losses on investments bought and sold as well as held during the year.

Expenses

Certain expenses incurred maintaining the Plan are paid directly by the Sponsor and are excluded from these financial statements. Investment-related expenses are included in net appreciation / depreciation of fair value of investments.

Reclassification

Certain 2023 balances have been reclassified to conform to the 2024 presentation.

3. INFORMATION PREPARED AND CERTIFIED BY THE CUSTODIAN (UNAUDITED)

The Sponsor has elected the method of compliance as permitted by 29 CFR 2520.103-8 of the United States Department of Labor's (the "DOL") Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, the Sponsor instructed the Plan's independent auditors not to perform any auditing procedures with respect to the following information certified by the Custodian, except for comparing such information certified by the Custodian to information included in the Plan's financial statements and supplemental schedule.

The following information included in the Plan's financial statements and supplemental schedule was prepared and certified to be complete and accurate by the Custodian as of December 31, 2024 and 2023 and for the year ended December 31, 2024:

	<u>2024</u>	<u>2023</u>
Investments at fair value:		
Pooled separate accounts	\$ 42,135,712	\$ 33,911,353
Guaranteed account	1,582,795	2,094,344
Total investments at fair value	<u>\$ 43,718,507</u>	<u>\$ 36,005,697</u>
Investment income (loss):		
Net appreciation in fair value of pooled separate accounts	\$ 4,363,489	
Interest income on guaranteed account	30,661	
Unrealized loss on guaranteed account	(165,681)	
Other income	2,006	
Total investment income	<u>\$ 4,230,475</u>	

4. INVESTMENT CONTRACT WITH CUSTODIAN

The Plan has an investment contract with the Custodian, who maintains the contributions in a guaranteed account. The account is credited with earnings on the underlying investments and charged for Plan withdrawals.

The contract value of the Plan's investment in this contract represents contributions made under the contract, plus accrued interest, less Plan withdrawals. Transfers by participants from the guaranteed account to other funds at contract value are generally permitted at contract value. For a period of 90 days following a partial withdrawal of funds from the guaranteed account by a participant, additional withdrawals or transfers from the guaranteed account at contract value are not allowed. Since the Plan's ability to transact with the issuer at contract value may be limited by participant-directed transactions, the contract is not considered to be fully benefit-responsive. The contract value of this investment was \$1,748,475 and \$2,094,344 at December 31, 2024 and 2023, respectively.

Certain non-participant directed events could also limit the ability of the Plan to transact with the issuer at contract value. Such events include the following: (a) termination of the Plan, (b) merger of the Plan into another plan, or (c) premature termination of the contract by the Sponsor. The Sponsor does not believe that such events are probable of occurring.

The specified contract interest crediting rate is adjusted annually at the beginning of each year and is guaranteed to be at least 1.00%.

5. FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements).

The three levels of the fair value hierarchy are described as follows:

Level 1

Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2

Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3

Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs. Following is a description of the valuation methodologies used for assets measured at fair value:

- Pooled separate accounts: Valued at the unit value of shares held by the Plan at year-end, as determined by the Custodian based on the net asset value ("NAV") of the underlying mutual funds. The NAV, as reported by the Custodian, is used as a practical expedient to estimate fair value. The practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV.
- Guaranteed account: Valued at the net present value of the related cash flows of the underlying investments based on current yields of similar instruments with comparable durations.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Sponsor believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

There were no changes in the methodologies used during the year ended December 31, 2024.

The following tables set forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2024 and 2023:

	Investments at fair value as of December 31, 2024			
	Level 1	Level 2	Level 3	Total
Total assets in fair value hierarchy - guaranteed account	\$ -	\$ -	\$ 1,582,795	\$ 1,582,795
Investments measured using NAV as a practical expedient				42,135,712
				<u>\$ 43,718,507</u>

	Investments at fair value as of December 31, 2023			
	Level 1	Level 2	Level 3	Total
Total assets in fair value hierarchy - guaranteed account	\$ -	\$ -	\$ 2,094,344	\$ 2,094,344
Investments measured using NAV as a practical expedient				33,911,353
				<u>\$ 36,005,697</u>

The following table sets forth a summary of changes in the fair value of the Plan's level 3 investments for the year ended December 31, 2024:

Balance, beginning of year	\$ 2,094,344
Interest credited	30,661
Unrealized loss	(165,681)
Purchases	146,471
Sales	(523,000)
Balance, end of year	<u>\$ 1,582,795</u>

6. TAX STATUS

The Plan utilizes a volume submitter prototype plan document sponsored by CCH Incorporated, DBA ftwilliam.com who received a letter from the Internal Revenue Service (the "IRS"), dated June 30, 2020, in which the IRS opined that the prototype plan is acceptable under the applicable sections of the IRC.

The Plan has not obtained a determination from the IRS on its adoption of the volume submitter prototype plan. In accordance with Revenue Procedure 2002-6, the Sponsor has chosen to rely on the opinion letter of the prototype plan. Once qualified, the Plan is required to operate in conformity with the IRC to maintain its qualification. The Plan Sponsor believes the Plan is being operated in compliance with the applicable requirements of the IRC and, therefore, is qualified and the related trust is tax exempt.

Accounting principles generally accepted in the United States of America require the Plan's management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by taxing authorities. The Plan is subject to routine audits by taxing jurisdictions; however, there are no audits for any tax periods in progress, and the Sponsor believes the Plan is no longer subject to income tax examinations for years prior to 2021.

7. RELATED PARTY TRANSACTIONS

The Sponsor pays certain costs on behalf of the Plan for third party administration, insurance, and audit fees. The Sponsor also provides recordkeeping and administrative services to the Plan at no cost.

Investments held by the Plan are managed by the Custodian. Accordingly, these transactions qualify as party-in-interest transactions under ERISA.

8. RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The following is a reconciliation of net assets available for benefits and changes in net assets available for benefits per the financial statements as of December 31, 2024 and 2023, and for the year ended December 31, 2024 to the Form 5500, Annual Return/Report of Employee Benefit Plan:

	<u>2024</u>	<u>2023</u>
Net assets available for benefits per the financial statements	\$ 45,089,982	\$ 37,392,488
Unrealized loss on guaranteed account	165,681	-
Net assets available for benefits per Form 5500	<u>\$ 45,255,663</u>	<u>\$ 37,392,488</u>
Net increase in net assets available for benefits per the financial statements	\$ 7,697,494	
Unrealized loss on guaranteed account	165,681	
Net increase in net assets available for benefits per Form 5500	<u>\$ 7,863,175</u>	

9. PLAN TERMINATION

Although it has not expressed any intent to do so, the Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, all participants would become 100% vested in their accounts.

10. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances, and the amounts reported in the statements of net assets available for benefits.

11. SUBSEQUENT EVENTS

Effective October 1, 2025, the Plan was amended to no longer provide safe harbor matching contributions.

The Sponsor has evaluated subsequent events through October 15, 2025, the date the financial statements were available to be issued.
