The Plan Administrator
Liberty Puerto Rico 401(k) Savings Plan
Denver, Colorado

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Liberty Puerto Rico 401(k) Savings Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statement of changes in net assets available for benefits for the year ended December 31, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA (ERISA Section 103(a)(3)(C) audit). As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency (qualified institution), provided that the investment information is prepared and certified to by the qualified institution in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Management has obtained a certification from a qualified institution as of December 31, 2024 and 2023, and for the year ended December 31, 2024, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP); and
- The certified investment information in the accompanying financial statements agrees to, or is derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Management is responsible for maintaining a current plan instrument, including all plan amendments. Management is also responsible for administering the Plan and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter – Supplemental Schedule Required by ERISA

The supplemental schedule of Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2024 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the

financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The certified investment information in the supplemental schedule agrees to, or is derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Liberty Puerto Rico 401(k) Savings Plan

Notes to Financial Statements

1. Description of the Plan

The following description of the Liberty Puerto Rico 401(k) Savings Plan (the Plan) is provided for general information purpose only. Participants and all others should refer to the comprehensive Plan Document for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan that enables eligible employees of Liberty Communications of Puerto Rico LLC (Liberty Puerto Rico or the Company) to participate in the Plan. Liberty Puerto Rico is the Plan sponsor and reserves the right to amend the Plan at any time. Liberty Puerto Rico is an indirect subsidiary of Liberty Latin America Ltd. (Liberty Latin America). Liberty Latin America is a registered company in Bermuda. The Class A, Class B, and Class C common shares of Liberty Latin America are collectively referred to herein as Liberty Latin America common shares.

The plan was adopted effective March 2, 1999. The Plan is intended to qualify under sections 1081.01(a) and 1081.01(d) of the Internal Revenue Code for a New Puerto Rico, as amended (the Puerto Rico Code). The Plan has been amended and restated at various dates, most recently amended as of May 31, 2023. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (ERISA).

The Plan was amended, effective October 19, 2022, to allow for hardship withdrawals and/or lump-sum distributions during the eligible period commencing on October 19, 2022, and ending on November 30, 2022, or such other period established by the Plan Committee to be made in accordance with Puerto Rico Treasury Department Administrative Determinations No. 22-08 and Internal Revenue Circular Letter No. 22-03 issued on September 27, 2022, which provides for special tax treatment of hardship withdrawals or lump-sum distributions made to cope with expenses and losses due to the passage of Hurricane Fiona Pursuant to the Amendment stated herein.

Effective May 31, 2023, the Plan was amended to approve the merger of the Liberty Cablevision of PR Union Retirement Plan (Union Plan) into the Plan.

Trustee and Administration of the Plan

The Plan's custodian and recordkeeper is Fidelity Management Trust Company and Fidelity Workplace Services LLC, respectively, (collectively, Fidelity). The trustee of the Plan is Oriental Trust Company. The administrator of the Plan is the Plan Committee and Liberty Puerto Rico. The Plan offers participants a variety of investment options through various mutual funds and a money market fund. The Plan also holds equity security funds, Liberty Latin America common shares, which are not an available investment for contributions. The Plan Committee and investment advisors determine the investment offerings.

Eligibility

Employees of Liberty Puerto Rico or Columbus Networks Puerto Rico, Inc., another subsidiary of Liberty Latin America, who are at least 18 years of age are eligible to participate in the Plan. Employees of a Liberty Latin America affiliate that are transferred to Liberty Puerto Rico are eligible to participate under the Plan and the Plan will recognize prior service of those employees for purposes of participation and vesting under the Plan.

Liberty Puerto Rico 401(k) Savings Plan

Notes to Financial Statements

An eligible participant can enter the Plan immediately upon meeting the eligibility requirements. Independent contractors, temporary employees, employees under a collective-bargaining agreement, directors who are not employed by Liberty Puerto Rico or in any other capacity, interns, and individuals who are nonresident aliens and who receive no earned income from sources within Puerto Rico are not eligible to participate in the Plan.

Contributions

Participants may make (i) pre-tax contributions of their eligible compensation, as defined in the Plan Document, up to the tax limit (as noted below); (ii) after-tax contributions up to 10% of their eligible compensation after pre-tax contributions have been made up to the tax limit; or (iii) catch-up contributions for participants upon reaching age 50 up to the tax limit (as noted below) that are not matched by the employer. Participants may change their contribution elections at any time.

Liberty Puerto Rico may make matching contributions equal to 100% of participant contributions, up to a maximum match of 10% of eligible compensation. The Employer matched 10% of participant contributions for the year ended December 31, 2024. The Manager (as defined in the Plan Document) reserves the right to change the matching contribution at any time.

The Company may also make a non-elective discretionary contribution (profit-sharing contribution) to the Plan. Participants must have performed one year of service (defined as 1,000 hours of service during the Plan year) and be employed on the last day of the plan year, except in the event of death, disability or retirement during the year, to be eligible for the profit-sharing contribution. No non-elective discretionary contribution was made for the year ended December 31, 2024.

The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan or select another pre-tax contribution percentage. Automatically enrolled participants have their deferral rate set at 3% of eligible compensation and their contributions invested in a designated balanced fund until changed by the participant. The Plan do not have an auto-escalation provision.

All participant contributions and employer matching contributions are subject to limitations contained in the Puerto Rico Code.

Rollovers

Participants may elect to rollover amounts from other qualified plans or individual retirement accounts into the Plan provided that certain conditions are met.

Participant Accounts

Each participant's account is credited with the participant's contributions, employer contributions, and an allocation of net Plan earnings or losses. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which participants are entitled is the vested portion of their accounts.

Liberty Puerto Rico 401(k) Savings Plan

Notes to Financial Statements

Vesting

Participants are 100% vested in their individual deferral, after-tax, and rollover contributions and the allocated earnings thereon.

Participants generally acquire a vested right in employer matching contributions as follows:

<u>Years of Service</u>	<u>Vesting Percentage (%)</u>
Less than 1	-
1	33
2	67
3 or more	100

Participants become fully vested in the Employer contribution in the event of (i) normal retirement age (as defined in the Plan document), (ii) death, or (iii) total disability.

Different vesting schedules may apply to certain participants as described in the Plan Document due to prior plan provisions.

Forfeited Accounts

Upon directive of the Plan Committee (as defined in the Plan Document), forfeitures of employer contributions (due to a participant's termination prior to full vesting) may be used to offset Liberty Puerto Rico's future matching contributions and to pay Plan administrative expenses other than participant loan fees (if any). \$84,520 of the forfeited funds were used to pay administrative expenses and/or fund employer contributions in 2024. Unallocated forfeitures available as of December 31, 2024 and 2023 were \$56,375 and \$94,919, respectively.

Notes Receivable from Participants

Participants may borrow from their vested benefit accounts a minimum of \$1,000 up to the lesser of (i) \$50,000 or (ii) the greater of 50% of their vested account balance or \$10,000 (if the participant is vested in at least \$10,000). Unless the loan is for the purchase of a participant's primary residence, loans must be repaid within five years. Loans bear interest at a rate equal to prime plus 1% on the date the loan is entered into. Loans are secured by the vested balance in the participant's account and principal and interest are paid ratably through bi-weekly payroll deductions.

Also, each participant may not have more than one loan outstanding at any time.

Payment of Benefits

A participant's entire interest in the Plan is payable upon death, attainment of normal retirement age, becoming disabled, as defined, or termination of service. A participant may elect to receive a lump-sum amount equal to the vested portion of the participant's account, or annual installments (as defined in the Plan Document). Participants may elect to rollover their vested balance to another qualified retirement plan or IRA.

Immediate lump-sum distributions may be made to terminated participants if the participant's vested account balance is \$1,000 or less. For terminated participants with vested balances greater

Liberty Puerto Rico 401(k) Savings Plan

Notes to Financial Statements

than \$1,000 but less than \$5,000, their vested balance may be automatically rolled into an IRA unless otherwise elected.

Withdrawals from the Plan may also be made upon circumstances of financial hardship, in accordance with provisions specified in the Plan.

Participants may also withdrawal an amount at age 59½ if certain criteria are met.

Investment Options

The Plan has various investment options available to participants, including mutual funds and a money market fund. Plan participants may change investment options and contribution percentages on a daily basis. Participant and employer contributions may be invested in any investment offered by the Plan at the participant's election. The Plan also holds equity security funds, Liberty Latin America common shares, which are not an available investment for contributions.

2. Summary of Significant Accounting Policies

Basis of Accounting

The accompanying financial statements of the Plan have been prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America (GAAP) requires Plan management to make estimates and assumptions that affect the reported amounts of assets, liabilities and changes therein and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reflected in the accompanying financial statements at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan Committee (as defined in the Plan Document) determines the Plan's valuation policies utilizing information provided by the investment advisors and the custodian. See Note 4 for discussion of fair value measurement.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation in the fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Contributions Receivable

Participant contributions and any related employer matching contributions are recognized in the period during which the Company makes the respective payroll deduction from the participant's compensation. Non-elective/Profit sharing contributions are recorded in the relevant period in accordance with the terms in the Plan document.

Liberty Puerto Rico 401(k) Savings Plan

Notes to Financial Statements

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance, plus any accrued and unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed as incurred. If a participant ceases to make loan repayments and the plan administrator deems the participant loan to be in default, the participant loan balance is reduced, and a benefit payment is recorded. Delinquent participant loans are reclassified to distributions to participants based on the terms of the Plan document.

Payment of Benefits

Benefits are recorded when paid.

Administrative Expenses

Certain administrative expenses of the Plan are paid directly by Liberty Puerto Rico and, accordingly, are not included in the Plan's financial statements. Fees related to participant-initiated transactions are charged directly to the participant's account and are included in administrative expenses. Investment-related expenses are included in net appreciation (depreciation) in fair value of investments. Loans and distribution fees paid by participants, investment advisor fees, and recordkeeper fees were \$45,978 for the year ended December 31, 2024.

Revenue Credits

The Plan's trust agreement with Fidelity provides for a participant revenue credit arrangement, whereby the trustee allocates quarterly deposits into the accounts of eligible participants who are invested in certain funds or pay administrative expenses. During 2024, the Plan received credits of approximately \$121,649, which was used to pay administrative expenses. Revenue credits are presented in other income in the statement of changes in net assets available for benefits.

3. Certified Investment Information

Certain information disclosed in the accompanying financial statements and ERISA-required supplemental schedule, related to investments and notes receivable from participants held as of December 31, 2024 and 2023, and net appreciation in fair value of investments, interest and dividends, and interest income on notes receivable from participants for the year ended December 31, 2024, was obtained by management and agreed to or derived from information certified as complete and accurate by Fidelity, a qualified institution.

4. Fair Value Measurements

Accounting Standards Codification (ASC) 820, Fair Value Measurement, provides for a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3).

Liberty Puerto Rico 401(k) Savings Plan

Notes to Financial Statements

The three levels of the fair value hierarchy under ASC 820 are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets.
- Quoted prices for identical or similar assets or liabilities in inactive markets.
- Inputs other than quoted prices that are observable for the asset or liability.
- Inputs that are derived principally from, or corroborated by, observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

A financial instrument's level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

There have been no changes in the methodologies used at December 31, 2024 or 2023. The following is a description of the valuation methodologies used for assets measured at fair value:

Mutual Funds, Money Market Funds and Employer Shares - Mutual funds are valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-ended funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The preceding methods described may produce a fair value calculation which may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Total, at fair value	\$ 52,088,703	\$ 52,088,703

5. Related Party and Parties-in-Interest Transactions

The Plan contains two investment vehicles, which comprise Liberty Latin America common shares. Transactions in such investments qualify as party-in-interest transactions, which are exempt from the prohibited transaction rules. In accordance with the provisions of the Plan, Fidelity acts as the Plan's agent for purchases and sales of shares of Liberty Latin America common shares, which are set forth below:

Year ended December 31, 2024

	Sales
Liberty Latin America Class A Shares	\$ 3,529
Liberty Latin America Class C Shares	16,567
Total	\$ 20,096

The Plan owns 23,572 shares of Liberty Latin America Class A and 106,061 shares of Liberty Latin America Class C as of December 31, 2024 and The Plan owns 19,882 shares of Liberty Latin America Class A and 140,299 shares of Liberty Latin America Class C as of December 31, 2023. The Plan received no dividends from Liberty Latin America during the year ended December 31, 2024.

Certain mutual funds may receive income in the form of revenue sharing, as well as pay certain investment management fees from the fund. These are added to or deducted from the net asset value of the shares of the mutual funds held by the Plan and are reflected in the net appreciation or depreciation of those funds. Certain investments are managed by Fidelity, the custodian and recordkeeper of the Plan. The Plan also issues loans to participants which are secured by the vested balance of the participants' accounts. As described in Note 2, the Plan paid certain expenses related to plan operations and investment activity to various service providers. These transactions are party-in-interest transactions, which are exempt from prohibited transaction rules.

6. Plan Termination

Although it has not expressed any intention to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of the Puerto Rico Code and ERISA. In the event that the Plan is terminated, participants would become 100% vested in their accounts.

Liberty Puerto Rico 401(k) Savings Plan

Notes to Financial Statements

7. Tax Status

The Plan was submitted to the Puerto Rico tax authorities for a determination that the Plan is qualified under the Puerto Rico Code. On July 27, 2020, the Puerto Rico tax authorities provided its most recent favorable determination letter that the Plan is qualified under Puerto Rico laws. While the Plan has been amended since the effective date of this determination letter, the plan administrator believes that the Plan, as amended, is designed and is currently being operated in compliance with the applicable requirements of the Puerto Rico Code. Therefore, no provision for income taxes has been included in the Plan's financial statements.

GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain tax position that more likely than not would not be sustained upon examination by the relevant tax authority. The plan administrator has analyzed the tax positions taken by the Plan and has concluded as of December 31, 2024 and 2023 that there are no uncertain tax positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

8. Risks and Uncertainties

The Plan holds various investment securities. Investment securities, in general, are exposed to various risks, such as interest rate risk, credit risk and overall market volatility. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the financial statements and participant account balances.

9. Subsequent Events

The Plan has evaluated subsequent events through October 15, 2025, the date the financial statements were available to be issued.
