401(k) Plan

Members of the Board:

Opinion

We have audited the accompanying financial statements of United Association Union Local No. 290 Plumber, Steamfitter and Shipfitter Industry 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), which comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of the Plan as of December 31, 2024 and 2023, and the changes in its net assets available for benefits for the years then ended, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

PLUMBER, STEAMFITTER AND SHIPFITTER INDUSTRY
401(k) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2024 AND 2023**

NOTE 1 - DESCRIPTION OF THE PLAN

The United Association Union Local No. 290 Plumber, Steamfitter and Shipfitter Industry 401(k) Plan (the "Plan") was established as a 401(k) multiemployer pension plan in 1994 as a result of collective bargaining agreements between United Association Union Local 290 and various employer associations to provide retirement benefits to eligible participants. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

THE PLAN DOCUMENT INCLUDES DETAILED RULES FOR EACH SITUATION. PARTICIPANTS SHOULD REFER TO THE PLAN AGREEMENT AND ANY AMENDMENTS REGARDING SPECIFIC PROVISIONS OF THE PLAN.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

A. Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

B. Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

C. Participant Contributions and Accounts

Participants may elect to reduce their compensation to make contributions to the Plan. The annual maximum amount of contributions shall not exceed the applicable Internal Revenue Code limit. Participants may also rollover amounts representing distributions from other qualified defined benefit or defined contribution plans. Catch-up contributions are permitted. Participant contributions receivable is estimated based on contributions received subsequent to the end of the year. No allowance is provided for uncollectible accounts.

Contributions are invested as directed by the participant. Each participant's account is credited with the participant's contributions, rollovers, and related earnings. Participant accounts are charged \$9 per month.

D. Employer Payroll Compliance Program

Remittance reports were accepted as submitted, without examination or verification of employers' payroll records. The system of internal control provides for examination of employers' records under a separate payroll compliance program.

E. Investment Valuation and Income Recognition

Accounting standards establish a fair value hierarchy that prioritizes valuation inputs into three levels based on the extent to which inputs used in measuring fair value are observable in the market.

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2024 AND 2023

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

E. Investment Valuation and Income Recognition (Continued)

Level 1 – Inputs are based on quoted prices in active markets.

Level 2 – Inputs are based on quoted prices for similar instruments and model-based valuation techniques for which all significant assumptions are observable in the market or can be corroborated by observable market data.

Level 3 – Inputs are generally unobservable and typically reflect management's estimates of assumptions that market participants would use in pricing the asset or liability.

The following table represents the Plan's fair value hierarchy for its financial assets measured at fair value on a recurring basis as of December 31, 2024:

	Level 1	Level 2	Level 3	Total
Mutual Funds	\$ 216,190,339	\$ -	\$ -	\$ 216,190,339
Money Market Fund	-	884,718	-	884,718
Total Assets in the Fair Value Hierarchy	<u>\$ 216,190,339</u>	<u>\$ 884,718</u>	<u>\$ -</u>	217,075,057
Investments measured at Net Asset Value ^A				<u>2,189,170</u>
				<u>\$ 219,264,227</u>

The following table represents the Plan's fair value hierarchy for its financial assets measured at fair value on a recurring basis as of December 31, 2023:

	Level 1	Level 2	Level 3	Total
Mutual Funds	\$ 182,187,292	\$ -	\$ -	\$ 182,187,292
Money Market Fund	-	931,257	-	931,257
Total Assets in the Fair Value Hierarchy	<u>\$ 182,187,292</u>	<u>\$ 931,257</u>	<u>\$ -</u>	183,118,549
Investments measured at Net Asset Value ^A				<u>1,882,423</u>
				<u>\$ 185,000,972</u>

^A In accordance with ASC 820, investments measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

Level 1 investments include mutual funds valued at their quoted prices on an active market. Level 2 investments consist of a money market fund valued at \$1 per share based on the daily closing prices reported by the fund.

UNITED ASSOCIATION UNION LOCAL NO. 290
PLUMBER, STEAMFITTER AND SHIPFITTER INDUSTRY
401(k) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2024 AND 2023

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

E. Investment Valuation and Income Recognition (Continued)

The common/collective trust is valued based on net asset value per unit of the fund as reported at each valuation date based on the valuation of the underlying investments. Redemptions may be made on a daily basis with no restrictions. The net asset value is used as a practical expedient to estimate fair value. The investment is a direct filing entity with the Department of Labor. There are no unfunded commitments as of December 31, 2024 and 2023.

Realized and unrealized appreciation or depreciation of investments are computed using investments' cost for financial statements purposes and are reported as net appreciation of investments. Investment income, realized gains and losses on sale of investments, and other investment income are reported on the cash basis.

F. Tax-Exempt Status

No provision for federal income tax is made. The Plan received its latest notice of tax-exempt status on September 22, 2015. The Plan administrator and the Plan's legal counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code.

Accounting principles generally accepted in the United States of America require management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken a tax position that more likely than not would not be sustained upon examination by a tax authority. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

G. Vesting

Participants are immediately vested in their contributions, rollovers, and related earnings.

H. Benefits

Payments of benefits will be authorized when a participant (a) retires, (b) dies, (c) suffers from a financial hardship, or (d) becomes disabled.

I. Risks and Uncertainties

Plan investments are exposed to various risks such as interest rate, market fluctuations and credit risk. Due to the level of risk associated with investments and the level of uncertainty with respect to the changes in the value of investments, it is reasonably possible that changes in risk in the near term materially affect the amounts reported in the financial statements.

NOTE 3 - INVESTMENT CONTRACT WITH NEW YORK LIFE INSURANCE COMPANY

One investment option is a benefit-responsive investment contract in New York Life Insurance Anchor Account III. New York Life maintains the Fund in a pooled separate account (PSA). The PSA is credited with earnings on the underlying investments and is charged for participant withdrawals and administrative expenses. The gross and net-crediting interest rates are 3.73% and 3.28%, and 3.86% and 3.41%, as of December 31, 2024 and 2023, respectively.

UNITED ASSOCIATION UNION LOCAL NO. 290
PLUMBER, STEAMFITTER AND SHIPFITTER INDUSTRY
401(k) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2024 AND 2023

NOTE 3 - INVESTMENT CONTRACT WITH NEW YORK LIFE INSURANCE COMPANY (Continued)

Because the investment is fully benefit responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to this investment option. Contract value, as reported by New York Life, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. The Plan may terminate its participation upon written notice to the contract holder.

NOTE 4 - PRIORITIES UPON TERMINATION

It is the intent of the Board of Trustees to continue the Plan in full force and effect; however, to safeguard against any unforeseen contingencies, the right to discontinue the Plan is reserved to the Board of Trustees. In the event of termination, the rights of all affected participants to all account balances shall be nonforfeitable. After payment of expenses properly chargeable against the Plan, the Board of Trustees shall determine the time of commencement of payment of benefits and the method of distribution. Termination shall not permit any part of the Plan to be used for, or diverted to, purposes other than the exclusive benefit of the participant.

NOTE 5 - DELINQUENT PARTICIPANT CONTRIBUTIONS

During 2024, certain participating employers were late in remitting participant contributions to the Plan. According to Prohibited Transaction Exemption (PTE) 76-1, neither the failure of a participating employer to make a contribution to the Plan when the contribution is due, nor the failure of the Plan to collect such a delinquent contribution constitutes a prohibited transaction under code section 4975 if the Plan is making a systematic, reasonable, and diligent effort to collect delinquent contributions. The Plan has written procedures for the collection of delinquent contributions and assesses liquidated damages and interest in accordance with PTE 76-1. As such, the late participant contributions are not reported as a prohibited transaction. The total amount of known late participant contributions was \$445,699 for the 2024 Plan year.

NOTE 6 - SUBSEQUENT EVENTS

Management has evaluated subsequent events through October 9, 2025, the date on which the financial statements were available to be issued. There were no material subsequent events that required recognition or additional disclosures in these financial statements.
